### Share Capital

The Company's paid-up Equity Share Capital as on 31<sup>st</sup> March 2020 is Rs.42.17 Cr as compared to Rs.35.92 Cr in the previous year.

After considering the applicable economic scenario and competitive environment and by selecting and implementing appropriate valuation methodologies, recommended the issue price of Rs. 96/- per share (including premium of Rs. 86 per share), as fair and reasonable to be considered as "offer price" in connection with the issue of shares on a "Rights basis" by a Registered Valuer appointed in this regard in accordance with Section 247 of Companies Act, 2013.

During the year, the board of directors (the board) had allotted 26,04,000 and 36,45,000 equity shares of Rs.10 each at a premium of Rs.86 per share to TVS Motor Company Limited (TVSM), the holding company, on rights basis in two tranches on 28<sup>th</sup> June 2019 and 23rd January 2020 respectively.

### Dividend

The Board, through a resolution by circulation dated 4<sup>th</sup> March 2020, declared an interim dividend of Re.0.50 per share (5%), on 4,21,74,000 equity shares of Rs.10/- each fully paid up, thereby absorbing a sum of Rs. 2.54 Cr including dividend distribution tax, for the year ended 31<sup>st</sup> March 2020 and paid to the holding Company viz., TVSM on 9th March 2020.

The Board does not recommend any further dividend for the year under consideration.

### Industry Performance

#### Production

The Auto Industry produced a total of 26.36 Million vehicles including Passenger Vehicles (PVs), Commercial Vehicles (CVs), Three-Wheelers, Two-Wheelers and Quadricycle during the year under review as against 30.91 Million in the previous year, thereby registering a de-growth of 14.73 % as compared to previous year.

#### Domestic Sales

During the year, the sale of Passenger Vehicles declined by 17.8% over the corresponding previous year. Within the Passenger Vehicles, Cars and Vans sales declined by 23.5% and 39.2% respectively and Utility vehicles sales grew by 0.5% during the year over the corresponding previous year.

The overall Commercial Vehicles segment declined by 28.8% in the year 2019-20 as compared to the corresponding previous year. Medium & Heavy Commercial Vehicles (M & HCVs) declined by 42.5% and Light Commercial Vehicles declined by 20.1% in the financial year 2019-20 over the corresponding previous year.

Three Wheelers sales declined by 9.2% in the financial year 2019-20 over the corresponding previous year. Within the Three Wheelers, Passenger Carrier & Goods Carrier sales registered a de-growth of 8.3 % and 13.3% respectively in the financial year 2019-20 over the corresponding previous year.

Two Wheelers sales registered a de-growth at 17.8% in the financial year 2019-20 as compared to the corresponding previous year. Within the Two Wheelers segment, Scooters, Motorcycles and Mopeds declined by 16.9%, 17.5% and 27.6% respectively in the financial year 2019-20 as compared to the previous year 2018-19.

#### Exports

In the financial year 2019-20, overall automobile exports increased by 3%. Two wheelers and Passenger Vehicles Segments registered a growth of 7.3% and 0.2% respectively, while Three wheelers and CVs segments declined by 11.5% and 39.2% respectively in the financial year 2019-20 over the corresponding previous year.

S. No	Segment	Production			Domestic sales			Export sales

#### Company Performance

Sales of the auto components division of the Company declined from Rs.595.2 Cr in the previous year to Rs.519.3 Cr in the year under review. Decrease in sales is due to market slow down aided by conversion of BS IV to BS VI standards. Sales from TVSM declined by 27% compared to previous financial year. The Company has entered into business with various new customers and OEMs like Royal Enfield, Kia Motors (through Tier I) and Delphi propulsion systems.

During the year, the Company has added new parts like roof racks, fuel tanks (produced by blow moulding process), spoilers, etc. to its existing product portfolio.

The Research and Development(R&D) team at the Company has been involved in 'co-design process'. They have designed and developed parts with customers like TVSM, PSA Avtec, Albonair, etc. The Company's R&D team has also been closely working on developing parts with propriety designs like grip cover, grip handle and floor mat.

The Company earned a profit before tax of Rs. 6.44 Crs during the year 2019-20.

#### Business outlook

GDP growth is expected to be around 2.2% and the inflation (CPI) is expected at 3.7% level during the year 2020-21.

Economic scenario in FY2021 is expected to be bleak due to impact of Covid-19 pandemic throughout the globe. The pandemic is set to negatively impact both the demand and manufacturing/servicing capacities negatively.

By the end of FY20, onslaught of Covid-19 has brought the automotive industry to a standstill. Increased prospects of job and salary cuts would impact the demand of automotive sector.

The two-wheeler industry was already facing challenges like higher interest rates, increase in total ownership cost due to mandatory long term insurance, BS VI implementation, high inventory levels in pipeline, etc. This is now exacerbated by spread of Covid-19. The two-wheeler industry is likely to de-grow by 30%. The motorcycle segment is expected to de-grow by 29% and in scooter segment is expected to be around 32%.

The passenger vehicle segment was already experiencing a slowdown in growth due to high inventory levels, increase in ownership cost, etc. New OEMs such as Kia Motors and MG Motors started on a strong footing. The utility vehicle segment seemed to be a silver lining. Due to Covid-19, the expected outlook for FY21 has been revised with a growth rate of -20%.

Commercial vehicle industry which was already the worst hit segment in India before the Covid-19 fiasco, is set for further setbacks in terms of growth in FY21. The growth outlook for FY21 is around -45%.

With the overall slowdown in growth of the automotive industry coupled with new products planned by the Company for its customers, the Company's overall sales during 2020-21 are expected to de-grow by approximately 20%.

# SUNDARAM AUTO COMPONENTS LIMITED

## Awards

The Company was recognized and rewarded by the following customers & associations during the year 2019-20;

Hanon Systems	:	Energy conservation award for Chennai plant
Automotive Components Manufacturer's Association (ACMA)	:	NPD Best cluster implementation award 2019
CII – TPM club of India	:	TPM certificate for Mysuru Plant-2020 Significant achievement award by CII

## Financial performance of the Subsidiary

As on the date of the report, the following are the Subsidiaries of the Company:

### Sundaram Holding USA Inc. (SHUI) & its subsidiaries:

The Company along with its holding Company, viz., Sundaram-Clayton Limited has made an investment of 59 Mn USD in SHUI a Company established under the applicable provisions of Laws of United States of America. SHUI's wholly owned subsidiaries are:

Green Hills Land holding LLC, South Carolina, USA

Component Equipment Leasing LLC, South Carolina, USA

Sundaram-Clayton USA LLC, South Carolina, USA

Premier Land Holding LLC, South Carolina, USA

During the year 2019-20, the Company has invested a sum of USD 6 Mn in the ordinary shares of SHUI and holds 75% of the total capital of SHUI as on 31<sup>st</sup> March 2020.

As per Section 129 of the Companies Act, 2013 read with the Companies (Accounts) Amendment Rules, 2014, an intermediate subsidiary is exempted to prepare consolidated financial statements, as its intermediate holding Company viz., TVS Motor Company Limited prepares and files consolidated financial statements with the Registrar of Companies. However, the salient features of the financial statement of the Subsidiaries in Form AOC-I, are annexed as Annexure IV of the Report, in terms of Section 129(3) of the Companies Act 2013 (the Act, 2013) read with Rule 5 of the Companies (Accounts) Rules, 2014.

## Risk Management

The Board has established a sound Risk Management framework to identify, monitor and minimize risks as well as to identify business opportunities.

Risk evaluation and management is an ongoing process. As a process, risks associated with the business are identified and prioritized based on the Company's overall risk appetite, tolerance, strategy, severity and taking into account the current and prospective economic and financial environment.

The Board is satisfied that there are adequate systems and procedures in place to identify, assess, monitor and manage risks. The Company's Audit Committee is overseeing all the risks that the organization faces such as strategic, financial, market, IT, legal, regulatory, reputational and other risks and recommends suitable action. Risk minimization policy has already been approved by the Board.

## Directors' responsibility statement

To the best of their knowledge and belief and according to the information and explanations obtained by them, the Directors have made the following statement in terms of Section 134 of the Act, 2013:

- (a) that in the preparation of the annual accounts for the year ended 31<sup>st</sup> March 2020, the applicable accounting standards had been followed along with proper explanation relating to material departures, if any;
- (b) that the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period;
- (c) that the Directors had taken proper and sufficient care for maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) that the Directors had prepared the accounts for the financial year ended 31<sup>st</sup> March 2020 on a going concern basis; and
- (e) that the Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

## Directors

### Independent Directors (IDs)

Mr R Ramakrishnan (RK), Independent Director (ID) of the Company deceased on 7<sup>th</sup> July 2019 after a brief illness. Mr RK served as Director for more than five years and had versatile knowledge and business acumen which helped the Company to achieve its growth from time to time .

The Directors placed on record their appreciation for the outstanding contribution made by Mr RK during his tenure as director of the Company.

The Company is a wholly owned subsidiary of TVSM and hence the requirement for having two IDs on the Board does not arise, in terms of section 149 of the Act, 2013 read with Rule 4(2) of the Companies (Appointment and Qualifications of Directors) Rules, 2014.

Mr S Santhanakrishnan, who was appointed as an Independent Director, holds office for a period of 3 years from 19<sup>th</sup> February 2018 and whose term would expire by 18<sup>th</sup> February 2021. He is not liable to retire by rotation.

In accordance with Section 149(7) of the Act, 2013, he meets the criteria of independence as provided under Section 149(6) of the Act, 2013.

ID has registered with the databank of Independent Directors developed by the Indian Institute of Corporate Affairs in accordance with the provisions of Section 150 of the Act, 2013 and obtained ID registration certificate.

Since the Company has only one ID and the exemption from complying with the appointment of ID, separate meeting of IDs was not held during the financial year 2019-20.

The detailed terms of appointment of ID is disclosed on the Company's website in the following link [www.sundaramautocomponents.com](http://www.sundaramautocomponents.com)

### Directors liable to retire by rotation

In terms of Section 152 of the Act, 2013, two-third of the total number of Directors i.e., excluding IDs, are liable to retire by rotation and out of which, one-third is liable to retire by rotation at every annual general meeting.

Mr H Lakshmanan and Dr. Lakshmi Venu, non-executive and non-independent Directors, have been the longest in office, are liable to retire by rotation and proposed to be appointed at the ensuing Annual General Meeting (AGM).

Both the directors, being eligible, offer their candidature for re-appointment.

The Nomination and Remuneration Committee of Directors at their meeting held on 18<sup>th</sup> May 2020 recommended the re-appointment of Mr H Lakshmanan and Dr. Lakshmi Venu as Directors of the Company.

### Policy on appointment and remuneration of Directors and Key Managerial Personnel

In accordance with Section 178 of the Act, 2013, the Nomination and Remuneration Committee has formulated a Nomination & Remuneration Policy (NRC Policy) to ensure that Directors and KMPs are sufficiently remunerated for their performance. The Policy seeks to provide criteria for determining qualifications, positive attributes and independence of a Director.

### Nomination and Remuneration Policy

#### Directors:

NRC will recommend the remuneration for executive and non-executive Directors. This will be then approved by the Board and shareholders. The non-executive independent Directors are appointed to the Board of the Company in terms of regulatory requirements.

The Board has approved the payment of remuneration by way of profit related commission to the non-executive Independent Directors, for the financial year 2019-20, based on the recommendation of the Nomination and Remuneration Committee. The approval of the shareholders by way of an ordinary resolution was obtained at the twenty fourth annual general meeting held on 1<sup>st</sup> June 2016, in terms of Sections 197 and 198 and any other applicable provisions of the Act, 2013.

#### Commission:

The Company benefits from the expertise, advise and inputs provided by the ID. ID devotes his valuable time in deliberating on strategic and critical issues in the course of the Board / Committee meetings of the Company and gives his valuable advice, suggestions and guidance to the management of the Company, from time to time, and hence ID is being paid by way of commission.

As approved by the shareholders at the annual general meeting of the Company held on 1<sup>st</sup> June 2016, Non-executive Directors are being paid commission, subject to a maximum, as determined by the Board, for each such Director from the financial year 1<sup>st</sup> April 2015, subject to the limit of 3% in the aggregate of net profits of the Company, as calculated pursuant to Section 198 of the Act, 2013.

# SUNDARAM AUTO COMPONENTS LIMITED

A commission Rs. 3 lakhs annum was proposed to be paid to Mr S Santhanakrishnan, ID and Rs.80,328 was paid to Mr R Ramakrishnan, ID on pro-rata basis till 7<sup>th</sup> July 2019, for the financial year 2019-20, who serves as Member of the audit Committee as well.

As per second proviso to Section 197(1) of the Act, 2013, remuneration payable to directors is permissible beyond 3% of the net profits of the Company, however within the maximum limit specified thereunder, for every year, subject to approval of the shareholders of the Company at a general meeting, by way of a special resolution, as the Company does not have a managing or whole time director or manager.

The board, therefore, considered it is expedient to recommend the payment of commission within the above limits to the non-executive directors (NEDs) from 1<sup>st</sup> April 2020, in view of the increased involvement and participation in the meetings of committee and board, based on the recommendation of the NRC as the current approval was valid upto 31<sup>st</sup> March 2020.

## **Key Managerial Personnel:**

The remuneration of employees largely consists of basic salary, perquisites, allowances and performance incentives. Perquisites and retirement benefits are paid according to the Company's policy, subject to prescribed statutory ceiling.

The components of the total remuneration vary for different grades and are governed by the industry pattern, qualification & experience / merits and performance of each employee.

The Company, while deciding the remuneration package, takes into consideration current employment scenario and remuneration package of the industry.

The annual variable pay of senior executives is linked to the performance of the Company in general and their individual performance for the relevant year measured against Company's objectives fixed in the beginning of the year.

## **Criteria for Board Membership**

### **Directors:**

The Company will generally consider (i) their relevant experience in Finance/ Law/ Management/ Sales/ Marketing/ Administration/ Research/ Corporate Governance/ Technical Operations or other disciplines related to Company's business, (ii) through possessing the highest personal and professional ethics, integrity and values and (iii) their willingness to devote sufficient time and energy in carrying out their duties and responsibilities.

### **Key Managerial Personnel (KMP)**

M/s Rajesh Oommen, Chief Executive Officer, J Ashok Chakravarthi, Chief Financial Officer and Dinesh R G, Company Secretary are the Key Managerial Personnel of the Company as on the date of this Report.

Hence, the Company is fully compliant with the provisions of Section 203 of the Act, 2013.

## **Evaluation of the Independent Director and Committees of Directors**

In terms of Section 134 of the Act, 2013, the Board reviewed and evaluated Independent Director and its Committees viz., Audit Committee, Nomination and Remuneration Committee and Corporate Social Responsibility Committee.

### **Independent Directors**

The performance of ID was assessed against a range of criteria such as contribution to the development of business strategy and performance of the Company, understanding the major risks affecting the Company, clear direction to the management and contribution to the Board cohesion.

The performance evaluation has been done by the entire Board of Directors except the Director concerned being evaluated. The Board noted that ID has understood the opportunities and risks to the Company's strategy and is supportive of the direction articulated by the management team towards consistent improvement.

### **Committees**

Board delegates specific mandates to its various Committees, to optimize Directors' skills and talent besides complying with key regulatory aspects.

- Audit Committee for overseeing financial reporting and risk minimisation;
- Nomination and Remuneration Committee for selecting and remunerating Directors / KMPs;
- Corporate Social Responsibility Committee for overseeing CSR initiatives.

The performance of each Committee was evaluated by the Board after seeking inputs from its Members on the basis of the specific terms of reference, its charter, time spent by the Committees in considering key issues, major recommendations, action plans and work of each Committee.

The Board is satisfied with overall effectiveness and decision making of all Committees. The Board reviewed each Committee's terms of reference to ensure that the Company's existing practices

remain appropriate. Recommendations from each Committee are considered and approved by the Board prior to implementation.

## **Corporate Governance**

### **Board Meetings:**

During the year under review, the Board met four times on 22<sup>nd</sup> April 2019, 19<sup>th</sup> July 2019, 15<sup>th</sup> October 2019 and 23<sup>rd</sup> January 2020 and the gap between two meetings did not exceed one hundred and twenty days.

### **Audit Committee:**

In terms of Rule 6 of the Companies (Meeting of Board and its Powers) Rules 2014, the Company is not required to comply with the constitution of Audit Committee with majority of IDs, since the Company is a wholly owned subsidiary of TVSM.

Hence, the Board at its meeting held on 19<sup>th</sup> July 2019 appointed Dr. Lakshmi Venu, NED of the Company as a member of the Committee. The following Directors are the Members of Audit Committee of the Company as on the date of this Report:

1. Mr H Lakshmanan, Chairman
2. Dr. Lakshmi Venu, Non-Executive Non Independent Director
3. Mr S Santhanakrishnan, Independent Director

All Members of the Audit Committee possess requisite qualification and have sound knowledge of finance, accounts, etc.

### **Nomination and Remuneration Committee:**

In terms of Rule 6 of the Companies (Meeting of Board and its Powers) Rules 2014, the Company is not required to comply with the constitution of NRC with half of the members shall be IDs, since the Company being a wholly owned subsidiary of TVSM.

Hence, the Board at its meeting held on 19<sup>th</sup> July 2019 appointed Dr. Lakshmi Venu, NED of the Company as a member of the Committee. The following Directors are the Members of NRC of the Company as on the date of this Report:

1. Mr H Lakshmanan, Chairman
2. Dr. Lakshmi Venu, Non-Executive Non Independent Director
3. Mr S Santhanakrishnan, Independent Director

### **Remuneration criteria to Directors:**

The non - executive / independent Director(s) receive remuneration by way of fees for attending meetings of Board or any Committee in which Director(s) is a Member.

In addition to the sitting fees, the non - executive independent Director(s) shall be entitled to commission from the Company subject to the monetary limit approved by shareholders of the Company and aggregate commission amount would not exceed the limit as prescribed under the provisions of the Act, 2013.

### **Corporate Social Responsibility Committee (CSR):**

In terms of Rule 5 of the Companies (Corporate Social Responsibility) Rules 2014, the Company which is not required to appoint an independent director pursuant to sub-section (4) of section 149 of the Act, 2013 shall have its CSR Committee without such director.

Hence, the Board at its meeting held on 19<sup>th</sup> July 2019 appointed Mr S G Murali, NED of the Company as a member of the Committee. The following Directors are the Members of CSR Committee of the Company as on the date of this Report:

1. Mr H Lakshmanan, Chairman.
2. Dr. Lakshmi Venu, Non-Executive Non-Independent Director.
3. Mr S G Murali, Non-Executive Non-Independent Director.

Based on the recommendation of the CSR Committee, the Board has approved the projects / programs to be carried out as CSR activities by Srinivasan Services Trust (SST) by undertaking these programmes / projects, in compliance with the CSR policy of the Company and contributed Rs.50 lakhs for the financial year 2019-20, towards CSR spending.

CSR activities have already been textured into the Company's value system through SST, established in 1996 with the vision of building self-reliant rural community.

Over 24 years of service, SST has played a pivotal role in changing lives of people in rural India by creating self-reliant communities that are models of sustainable development.

Presently, SST is working nearly in 4,000 villages spread across Tamil Nadu, Karnataka, Maharashtra, Himachal Pradesh and Andhra Pradesh covering a population of about 24.50 lakhs and 6.24

# SUNDARAM AUTO COMPONENTS LIMITED

---

lakh families. SST has focussed on the areas of economic development, health care, education, environment, social and infrastructure actively in 3000 villages. SST will focus on the other villages also, so that all the areas are fully covered in the next 3 years.

The Company is eligible to spend on their ongoing projects / programs, falling within the CSR activities specified under the Act 2013, as mandated by MCA for carrying out its CSR activities.

As required under Section 135 of the Act, 2013 read with Rule 8 of the Companies (Corporate Social Responsibility Policy) Rules, 2014, the annual report on CSR containing the particulars of the projects / programmes approved and recommended by CSR Committee and approved by the Board are given by way of Annexure V attached to this Report.

## Auditors

### Statutory Auditors:

The Company at its twenty fifth AGM held on 31<sup>st</sup> July 2017 appointed M/s V Sankar Aiyar & Co., Chartered Accountants, having Firm Registration No. 109208W allotted by The Institute of Chartered Accountants of India, as statutory auditors of the Company to hold office, for the first term of five consecutive years, from the conclusion of the said AGM, at such remuneration in addition to applicable taxes, out of pocket expenses, travelling and other expenses as may be mutually agreed between the Board of Directors of the Company and the Auditors.

In terms of the above provisions, M/s V Sankar Aiyar & Co., Chartered Accountants, have completed their third year in the first term of five consecutive years.

The Statutory Auditors will continue to hold office for the 4<sup>th</sup> year in the first term of five consecutive years, from the conclusion of this AGM.

The Company has obtained necessary certificate under Section 141 of the Act, 2013 conveying their eligibility for being statutory auditors of the Company for the year 2020-21.

### Secretarial Auditor:

As required under Section 204 of the Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules 2014, the Company is required to appoint a Secretarial Auditor for auditing secretarial and related records of the Company and a report received from them is required to be enclosed along with the annual report of the Company.

Accordingly, M/s S Krishnamurthy & Co., Practising Company Secretaries, secretarial auditor of the Company, submitted their report for the year 2019-20.

The Board has re-appointed them as Secretarial Auditor for carrying out the secretarial audit for the financial year 2020-21.

Both the Statutory Auditors Report and Secretarial Audit Report are free from any qualification, reservation or adverse remark or disclaimer, and hence do not warrant any explanation or comments by the Board.

### Statutory Statements

#### Deposits

The Company has not accepted any deposit from the public within the meaning of Section 76 of the Act, 2013, for the year ended 31<sup>st</sup> March 2020.

#### Information on conservation of energy, technology absorption, foreign exchange etc:

The information is given in Annexure I to this report, in terms of the requirements of Section 134(3)(m) of the Act, 2013 read with the Companies (Accounts) Rules 2014.

#### Material changes and commitments:

There have been no material changes and commitments affecting the financial position of the Company, which have occurred between the end of the financial year of the Company to which the financial statements relate and to the date of the report.

#### Significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status of the Company:

There are no significant and material orders passed by the regulators or courts or tribunals, which would impact the going concern status of the Company and its future operations.

#### Annual Return:

Extract of Annual Return in the prescribed form is given as Annexure II to this report, in terms of the requirements of Section 134(3)(a) of the Act, 2013 read with the Companies (Accounts) Rules, 2014.

#### Employee's remuneration:

Details of employees receiving the remuneration as prescribed under Section 197 of the Act, 2013 read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are given in Annexure III of the Report. In terms of first proviso to Section 136(1) of the Act, 2013 the Annual Report, excluding the aforesaid annexure is being sent to the Shareholders of the Company. The annexure is available for inspection at the Registered Office of the Company as mentioned in the Notice of AGM and any Shareholder interested in obtaining a copy of the said annexure may write to the Company Secretary at the Registered Office of the Company.

#### Details of material related party transactions:

Details of material related parties under Section 188 of the Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014 are given in Annexure VI to this report in the prescribed form.

#### Details of loans / guarantees / investments made:

As regards furnishing the details of loans and guarantees under Section 186 of the Act 2013 for the financial year 2019-20, the Company has not extended any guarantee or loans to other companies during the year under review.

However, please refer note no. 5 Notes on accounts for the financial year 2019-20, for details of investments made by the Company.

#### Maintenance of cost records

The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Act, 2013 for the business activities carried out by the Company.

#### Disclosure in terms of Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act, 2013

The Company has duly constituted an Internal Complaints Committee as required under The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

During the year under review, there were no cases filed pursuant to the provisions of Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act 2013.

#### Reporting of fraud

The Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Act, 2013.

#### Acknowledgement

The Directors gratefully acknowledge the continued support and co-operation received from TVSM Limited, the holding Company.

The Directors thank the suppliers, customers and bankers for their continued support and assistance. The Directors also wish to place on record the appreciation of the excellent work done by all the employees of the Company.

## Annexure - I

### CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO (Pursuant to Section 134(3)(m) of the Companies Act, 2013)

#### A. CONSERVATION OF ENERGY

##### 1.1 Measures taken in the year 2019-20

- Solar power
  - Installed roof top solar panels at the plants located in Hosur and Nalagarh, as a green power source for the plant with capacity of 0.925MW and 0.425MW respectively.
- Projects undertaken to reduce energy consumption:
  - Implementation of Variable Frequency Drives for injection moulding machines for energy conservation at Chennai plant.
  - Introduced scientific injection moulding process at Mysore plant.
  - Implemented cycle time reduction projects, which will in turn reduce power consumption.
  - Implemented actions on improving the jig density to improve parts per jig to reduce paintshop running hours.

The above measures along with other small projects resulted in an annual savings of Rs. 0.90 Crore.

##### 1.2 Proposed measures for the year 2020-21:

- Sourcing for wind energy power for Mysuru plant with capacity of 1.5 MW.
- Conversion of diesel to LPG in paint shop1 at Hosur plant for cost effectiveness.
- Proposed to introduce scientific injection moulding process across other plants to reduce the power consumption.
- Improve Overall Equipment Effectiveness (OEE) of machines across plants by servo conversion and refurbishment of injection moulding machines.
- The above measures are expected to result in an annual savings of approximately Rs. 3.1 Crore.

##### 2. Steps taken for utilizing alternate sources of energy during the year 2019-20

The Company continued the utilization of the wind energy and solar energy to an extent of 10 MW.

##### 3. Capital investment- Energy conservation Equipment:

The Company has invested a sum of Rs. 81 lakhs in Atria Wind Power (Chitradurga) Private Limited, for purchase of wind power, to meet the additional power consumption in Mysore plant.

#### B. TECHNOLOGY ABSORPTION

- Implemented new technology of blow moulding, which has given a new product line for SACL. We have developed plastic fuel tank for two-wheeler, which was ARAI tested and approved, which is first time for SACL. The new product will give an additional business of Rs 10 Crores per annum.
- We have implemented vertical injection moulding process, which can produce precise insert moulding product. In this vertical injection moulding, we are moulding holder filter component, which is a critical fuel system component with fine steel filter mesh insert moulded. This is also a new product line for the Company.

#### C. FOREIGN EXCHANGE ACTUAL EARNINGS AND OUTGO

Total foreign exchange earnings and out go (Rs. In Cr)		
(a) Earnings		-
(b) Out go		34.33

## Form No. MR-3

### Secretarial Audit Report for the financial year ended 31<sup>st</sup> March 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 read with Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To,

The Members,  
Sundaram Auto Components Limited, [CIN:U29249TN1992PLC051417]  
"Chaitanya" No.12, Khader Nawaz Khan Road, Nungambakkam, Chennai 600 006

We have conducted a Secretarial Audit of the compliance of applicable statutory provisions and adherence to good corporate practices by SUNDARAM AUTO COMPONENTS LIMITED ('the Company') during the financial year from 1<sup>st</sup> April 2019 to 31<sup>st</sup> March 2020 ('the year' / 'audit period' / 'period under review').

We conducted the Secretarial Audit in a manner that provided us a reasonable basis for evaluating the Company's corporate conducts and statutory compliances and expressing our opinion thereon.

We are issuing this report based on:

- (i) Our examination / verification of the books, papers, minute books and other records maintained by the Company and furnished to us in electronic form, forms and returns filed, and compliance related action taken by the Company during the year as well as after 31<sup>st</sup> March 2020 but before the issue of this report;
- (ii) Compliance certificates confirming compliance with all laws applicable to the Company given by its Chief Executive Officer and taken on record by the Board of Directors; and
- (iii) The representations made/ given and information provided by the Company, its officers, agents and authorised representatives during our conduct of the Secretarial Audit.

In our opinion, during the audit period covering the financial year ended on 31<sup>st</sup> March 2020, the Company has complied with the statutory provisions listed hereunder and also has proper Board processes and compliance mechanism in place, to the extent, in the manner and subject to the reporting made hereinafter. The members are requested to read this report along with Annexure A.

#### 1. Compliance with specific statutory provisions

We report that:

1.1. We have examined the books, papers, minute books and other records maintained by the Company and furnished to us in electronic form for our verification, the forms, returns, reports, disclosures and information filed / submitted during the year, according to the applicable provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR), being a material unlisted Indian subsidiary of M/s. TVS Motor Company Limited;
- (iii) Regulation 9 of the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (PIT), being a material subsidiary of M/s. TVS Motor Company Limited;
- (iv) Foreign Exchange Management Act, 1999, and the rules and regulations made thereunder, to the extent of Overseas Direct Investment (ODI) and External Commercial Borrowings (ECB), hereinafter referred to as FEMA.
- (v) Secretarial Standards (SS-1) on "Meetings of the Board of Directors", Secretarial Standards (SS-2) on "General Meetings" and Secretarial Standards (SS-3) on "Dividend" issued by The Institute of Company Secretaries of India (Secretarial Standards).

1.2. During the period under review, and also considering the compliance related action taken by the Company after 31<sup>st</sup> March 2020 but before the issue of this report, the Company has, to the best of our knowledge and belief, based on the records, information, explanations and representations furnished to us:

- (i) Complied with the applicable provisions of the Act and the Rules, mentioned in paragraph 1.1 (i) above;
- (ii) Complied with Regulation 24A of LODR and Regulation 9 of PIT, mentioned in paragraph 1.1 (ii) and (iii) above;
- (iii) Generally complied with the applicable rules and regulations under FEMA mentioned in paragraph 1.1 (iv) above with respect to Overseas Direct Investments (ODI) and External Commercial Borrowings (ECB); and
- (iv) Generally complied with the Secretarial Standards on Meetings of the Board of Directors (SS-1) and on General Meetings (SS-2) referred to in paragraph 1.1 (v) above. Secretarial Standards on "Dividend" (SS-3), being non-mandatory has not been adopted by the Company.

#### 1.3. We are informed that, during/ in respect of the year:

- (i) The Company, in view of being a material unlisted wholly owned Indian subsidiary of M/s. TVS Motor Company Limited and also in view of non-arising of certain events, was not required to comply with the following laws/ rules/ regulations and consequently was not required to maintain any books, papers, minute books or other records or file any forms/ returns under:
  - (a) Foreign Exchange Management Act, 1999 and the rules and regulations made there under, with respect to Foreign Direct Investment;
  - (b) Securities Contracts (Regulation) Act, 1956, and the rules made there under;
  - (c) Depositories Act, 1996, and the Regulations and bye-laws framed there under;

- (d) Regulations prescribed under the Securities and Exchange Board of India Act, 1992 including Regulation 24(1) of LODR but excluding Regulation 24A of LODR and Regulation 9 of PIT; and

- (e) Listing agreements with stock exchanges.

- (ii) There was no other law that was specifically applicable to the Company, considering the nature of its business. Hence, the requirement to report on compliance with specific laws under paragraphs 1.1 and 1.2 above did not arise.

#### Board processes

We further report that:

##### 2.1. Board constitution and balance

- (i) As on 31<sup>st</sup> March 2020, the Board of Directors of the Company is duly constituted and consists of five Non Executive Directors including One Independent Director and one Woman Director. The Company does not have an Executive Director but has a Chief Executive Officer in terms of Section 203(1)(i) of the Act.
- (ii) Since the Company is not a material subsidiary in terms of Regulation 24 (1) of LODR, the requirement to appoint an Independent Director of the holding company as a Director in the Company did not arise.
- (iii) Re-appointment of Mr. S G Murali (DIN: 00348902) and Mr. C N Prasad (DIN: 01950656), directors who retired by rotation at the 27<sup>th</sup> Annual General Meeting held on 22<sup>nd</sup> July 2019, were carried out in compliance with the applicable provisions of the Act and the Rules made there under.
- (iv) Consequent to the demise of Mr. R Ramakrishnan, Independent Director and member of Audit Committee on 7<sup>th</sup> July, 2019, the strength of the Audit Committee was reduced to two as against the requirement of three specified under Section 149 of the Act for the Audit Committee meeting held on 19<sup>th</sup> July 2019.

- (v) The casual vacancy that arose in the Board on the demise of Mr. R Ramakrishnan was not filled up since the requirement to appoint an Independent Director under Section 149(4) of the Act was not applicable on account of the Company being a wholly-owned subsidiary.

##### 2.2. Board meetings

- (i) Adequate notice was given to all the directors to plan their schedule for all the Board Meetings. Notice of Board meetings were sent atleast 7 (seven) days in advance.
- (ii) Agenda and detailed notes on agenda were sent atleast seven days before all the Board meetings. However, agenda notes in respect of additional subjects and supplementary agenda notes and annexures in respect of the agenda items were either circulated separately or at the meeting.

- 2.3. We are informed that a system exists for directors to seek and obtain further information and clarifications on the agenda items before the meetings and for their meaningful participation at the meetings.

- 2.3. We are informed that, at the Board meetings held during the year:

- (i) Majority decisions were carried through; and
- (ii) No dissenting views were expressed by any director on any of the subject matters discussed, that were required to be captured and recorded as part of the Minutes.

##### 3. Compliance mechanism

We further report that:

- 3.1. The Company has reasonably adequate systems and processes, commensurate with its size and operations, to monitor and ensure compliance with applicable laws, rules and regulations.

##### 4. Specific events /actions

We further report that:

- 4.1. During the audit period, the following specific events and actions having a major bearing on the Company's affairs took place in pursuance of the above referred laws, rules, regulations and standards:

- (i) Allotments of an aggregate of 62,49,000 equity shares at a price of Rs.96/- per equity share by way of rights issues were made on 28<sup>th</sup> June, 2019 and 23<sup>rd</sup> January, 2020to its holding Company TVS Motor Company Limited; and
- (ii) Further ODI of USD 6 million was made in the foreign subsidiary M/s. Sundaram Holding USA, Inc. by way of 6 million stock of USD 1 each at par.

## Annexure - A to Secretarial Audit Report of even date

To,

The Members,  
Sundaram Auto Components Limited, [CIN:U29249TN1992PLC051417]  
"Chaitanya" No.12, Khader Nawaz Khan Road, Nungambakkam, Chennai 600 006

Our Secretarial Audit Report (Form MR-3) of even date for the financial year ended 31<sup>st</sup> March 2020 is to be read along with this letter.

1. The Company's management is responsible for maintenance of secretarial records and compliance with the provisions of corporate and other applicable laws, rules, regulations and standards. Our responsibility is to express an opinion on the secretarial records produced for our audit.
2. We have followed such audit practices and processes as we considered appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records.
3. While forming an opinion on compliance and issuing this report, we have also considered compliance related action taken by the Company after 31<sup>st</sup> March 2020 but before the issue of this report.
4. We have considered compliance related actions taken by the Company based on independent legal/ professional opinion/ certification obtained as being in compliance with law.
5. We have verified the secretarial records furnished to us on a test basis to see whether the correct facts are reflected therein. We also examined the compliance procedures followed by the Company on a test basis. We believe that the processes and practices we followed provide a reasonable basis for our opinion.

6. We have verified only the documents shared by the Company in electronic mode due to the lockdown ordered by the Central Government.
7. We have not verified the correctness and appropriateness of financial records and books of accounts of the Company, as they are subject to audit by the Auditors of the Company appointed under Section 139 of the Act.
8. We have obtained the Management's representation about compliance of laws, rules and regulations and happening of events, wherever required.
9. Our Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

## Independent Auditors' Report to the members of Sundaram Auto Components Limited, Chennai for the year ended 31<sup>st</sup> March 2020

To the Members of SUNDARAM AUTO COMPONENTS LIMITED

### REPORT ON THE AUDIT OF THE STAND-ALONE FINANCIAL STATEMENTS

#### Opinion

We have audited the standalone financial statements of Sundaram Auto Components Limited ("the Company"), which comprise the standalone balance sheet as at 31<sup>st</sup> March 2020, the standalone Statement of Profit and Loss (including Other Comprehensive Income), standalone Statement of changes in Equity and standalone Statement of Cash Flows for the year then ended, and notes to the stand-alone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, profit, Other total Comprehensive Income, Changes in Equity and Cash Flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report to the Shareholders but does not include the standalone financial statements and our auditor's report thereon. The Directors' Report to the Shareholders is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Directors' Report to the Shareholders, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

#### Responsibilities of Management and Those Charged with Governance for the Stand-alone financial statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the stand-alone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement

when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid stand-alone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

# SUNDARAM AUTO COMPONENTS LIMITED

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Note 37(i) to the standalone financial statements.
  - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act.

In our opinion and according to the information and explanations given to us, the remuneration

paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

## ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT – 31<sup>st</sup> March 2020 (Referred to in our report of even date)

- (i) a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b) The company has a regular program of physically verifying all fixed assets at its offices in a phased manner over a period of 2 years, which in our opinion is reasonable having regard to the size of the company and the nature of its assets. Based on the information and explanation given to us and on verification of the records of the Company, the Company has physically verified the fixed assets as per their program during the year. No material discrepancies as compared to book records were noticed on such verification.
- c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties are held in the name of the company.
- (ii) The inventories have been physically verified by the management during the year. In our opinion the frequency of the physical verification is reasonable, the discrepancies noticed on verification between the physical stocks and the book stocks were not material and have been properly dealt with in the books of accounts.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to Companies, firms, Limited Liability Partnerships or Other parties covered in the register maintained under Section 189 of the Companies Act 2013. Accordingly, the provisions of clauses (iii) (a), (b) & (c) of Para 3 of the Order are not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act in respect of making investments, as applicable. The Company has not granted any loan or provided any guarantee/securities during the year.
- (v) The Company has not accepted any deposits from the public, within the meaning of Section 73 to 76 or any other relevant provisions of the Act and Rules framed thereunder. We are informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or other tribunal.
- (vi) According to the information and explanations given to us, in respect of the class of industry the company falls under, the Central Government has not specified the maintenance of cost records under section 148 (1) of the Act. Therefore, the provisions of clause (vi) of the Order are not applicable to the Company.
- (vii) a) According to the records of the Company, the Company is generally regular in depositing undisputed statutory dues payable including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax, Customs duty and Cess and other material statutory dues as applicable to the Company with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance Income Tax, Goods and Service Tax, Customs duty and Cess were in arrears as at 31st March 2020 for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us and the records of the Company, there are no dues of Income-Tax, Customs Duty, Sales Tax, Service Tax, Goods and Service Tax, Value added Tax and Cess which have not been deposited on account of any dispute as at 31<sup>st</sup> March 2020 other than the following on account of dispute as given below.

Name of the statute/ (Nature of dues)	Period of Due	Rs. In Crores	Forum where dispute is pending
Goods and Service Tax 2017	July 17 to September 18	2.82	Writ petition filed in High Court of Andhra Pradesh

- (viii) On the basis of verification of records and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to Banks/ Financial Institutions/Government. The company has not raised any monies against issue of debentures.
- (ix) In our opinion and according to the information and explanations given to us, the term loans availed by the Company have been applied for the purpose to which they were obtained. The Company has not raised monies by way of initial public offer or further public offer (including debt instruments) during the year.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given to us by the Management and the representations obtained from the management, we report that no material fraud by the Company and on the company by its officers or employees.
- (xi) In our opinion and according to the information and explanations given to us, the Company has paid/ provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, based on verification of the records and approvals of the Audit Committee, the Company is in compliance with Section 177 and Section 188 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) During the year the Company has made preferential allotment of equity shares and the requirements of Section 42 of the Act have been complied with. Further, the amounts raised have been used for the purpose for which the funds were raised. The company has not made any private placement of shares or fully or partly convertible debentures during the year.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Act are not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

## ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT – 31<sup>st</sup> March 2020 (Referred to in our report of even date)

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of Sundaram Auto Components Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial Control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India.

# SUNDARAM AUTO COMPONENTS LIMITED

## 1. SIGNIFICANT ACCOUNTING POLICIES

### a) Brief description of the Company

Sundaram Auto Components Limited ("the reporting entity" or referred to as "the Company") is a public limited company incorporated and domiciled in India. The registered office is located at Chaitanya, No.12, Khadar Nawaz Khan Road, Nungambakkam Chennai 600 006, Tamil Nadu, India.

The Company manufactures injection moulded plastics components used in automobile industry. The Company has manufacturing plants located at Chennai and Hosur in Tamil Nadu, Mysore in Karnataka, Bhiwadi in Gujarat and Nalagarh in Himachal Pradesh.

### b) Basis of preparation

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements have been prepared on the historical cost convention under accrual basis of accounting except for certain financial assets and liabilities (as per the accounting policy below), which have been measured at fair value.

### c) Use of estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future period.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

### d) Significant Estimates and judgments

- i. Estimation of fair value of unlisted securities- Refer Note 32
- ii. Defined benefit obligation - Refer Note 16
- iii. Estimation of useful life of Property, Plant and Equipment - Refer Note 1(f) and 1(g)
- iv. Estimation and evaluation of provisions and contingencies relating to tax litigations - Refer Note.

Estimation of useful life of Property, Plant and Equipment – Refer note 1(f) and 1(g)

### e) Revenue recognition

The Company has adopted Ind AS 115 from 1st April, 2018 and opted for modified retrospective application with the cumulative effect of initially applying this standard recognised at the date of initial application. The standard has been applied to all open contracts as on 1st April, 2018, and subsequent contracts with customers from that date.

#### i. Performance obligation:

The revenue is recognized on fulfilment of performance obligation.

#### ii. Sale of products:

Revenue from sale of products is recognised when the products are delivered to the customer or when delivered to the designated carrier and when risks and rewards of ownership pass to the customers, as per terms of contract.

Revenue is measured and recognized at the fair value of the consideration received or receivable and net of returns, trade allowances and rebates.

#### iii. Dividend income:

Dividend from investments is recognised when the right to receive the same is established.

#### iv. Interest income:

Interest income is recognised on time proportion basis, determined by the amount outstanding and the rate applicable.

#### v. Significant judgements:

There are no significant judgements made by the Company in determining the timing of satisfaction of performance obligation. It is determined as per the terms of the contract.

### f) Property, Plant and Equipment

Freehold Land is stated at historical cost. All other items of property plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. Cost

includes purchase price, taxes and duties, labour cost and directly attributable overhead expenditure incurred upto the date the asset is ready for its intended use. However, cost excludes excise duty, value added tax and service tax, wherever credit of the duty or tax is availed of.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains / (losses).

### g) Depreciation and amortization

- i. Depreciation on tangible fixed assets is charged over the estimated useful life of the asset or part of the asset (after considering double/triple shift) as evaluated by a Chartered Engineer, on straight line method, in accordance with Part A of Schedule II to the Companies Act 2013.
- ii. Keeping in mind the rigorous and periodic maintenance program followed by the Company, the estimated useful life of the tangible fixed assets as assessed by the Chartered Engineer and followed by the Company is given below:

Description	Years
Factory building and other buildings	30
Material handling equipment	5 to 10
Plant and Equipment	10 to 15
Electrical equipment	3 to 15
Furniture and fixtures	3 to 15
Computers and information systems	3
Office equipment	5 to 15
Mobile phones	2
Vehicles	5

- iii. Tools and dies used for manufacture of components are depreciated based on quantity of components manufactured and the life of tools and dies, subject to a maximum of 3-5 years.
- iv. Residual values and useful lives are reviewed, and depreciation is accordingly charged, at the end of each reporting period. (Presently, the company retains 5% of the cost of the asset as its residual value other than mobile phone)
- v. On tangible fixed assets added / disposed off during the year, depreciation is charged on pro-rata basis from the date of addition / till the date of disposal.
- vi. Depreciation in respect of tangible assets costing less than Rs.5,000/- is provided at 100%.

### h) Intangible assets

#### i) Software and License fee

Intangible assets acquired are recorded at their acquisition cost and are amortised over its useful life, viz., 2 years in the case of software and license fee.

#### ii) Goodwill

Goodwill on acquisition of business is included in intangible assets. Goodwill is not amortised but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses.

#### i) Transactions in foreign currencies

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction.

- i) Foreign currency monetary assets and liabilities such as cash, receivables, payables, etc., are translated at year end exchange rates.
- ii) Non-monetary items denominated in foreign currency such as investments, fixed assets, etc., are valued at the exchange rate prevailing on the date of transaction.
- iii) Exchange differences arising on settlement of transactions are recognised as income or expense in the year in which they arise.

#### j) Hedge accounting

Derivatives are initially recognized at fair value on the date when a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated

# SUNDARAM AUTO COMPONENTS LIMITED

---

as a hedging instrument, and if so, the nature of the item being hedged. The Company designates certain derivatives as either:

hedges of the fair value of recognized assets or liabilities or a firm commitment (fair value hedges)

hedges of a particular risk associated with the cash flows of recognized assets and liabilities and highly probable forecast transactions (cash flow hedges), or

hedges of a net investment in a foreign operation (net investment hedges).

The Company documents at the inception of the hedging transaction the relationship between hedging instruments and hedged items, as well as its risk management objective and strategy for undertaking various hedge transactions. The Company also documents its assessment, both at hedge inception and on an ongoing basis, of whether the derivatives that are used in hedging transactions have been and will continue to be highly effective in offsetting changes in fair values or cash flows of hedged items.

The fair values of various derivative financial instruments used for hedging purposes are disclosed in Note 32. Movements in the hedging reserve in shareholders' equity are shown in Statement of Changes in Equity. The full fair value of a hedging derivative is classified as a non-current asset or liability when the remaining maturity of the hedged item is more than 12 months; it is classified as a current asset or liability when the remaining maturity of the hedged item is less than 12 months.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in the other comprehensive income in cash flow hedging reserve within equity, limited to the cumulative change in fair value of the hedged item on a present value basis from the inception of the hedge. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss, within other gains/(losses).

When forward contracts are used to hedge forecast transactions, the Company generally designates only the change in fair value of the forward contract related to the spot component as the hedging instrument. Gains or losses relating to the effective portion of the change in the spot component of the forward contracts are recognised in other comprehensive income in cash flow hedging reserve within equity. In some cases, the entity may designate the full change in fair value of the forward contract (including forward points) as the hedging instrument. In such cases, the gains and losses relating to the effective portion of the change in fair value of the entire forward contract are recognized in the cash flow hedging reserve within equity. Amounts accumulated in equity are reclassified to profit or loss in the periods when the hedged item affects profit or loss (for example, when the forecast sale that is hedged takes place).

When a hedging instrument expires, or is sold or terminated, or when a hedge no longer meets the criteria for hedge accounting, any cumulative deferred gain or loss and deferred costs of hedging in equity at that time remains in equity until the forecast transaction occurs. When the forecast transaction is no longer expected to occur, the cumulative gain or loss and deferred costs of hedging that were reported in equity are immediately reclassified to profit or loss.

## k) Inventories

Inventories are valued at the lower of cost and net realisable value.

- i) Cost of Raw materials, components, stores, spares, are ascertained on a moving average basis.
- ii) Cost of finished goods and work-in-process comprises of direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Costs are assigned to individual items of inventory on the basis of weighted average costs. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Materials held for use in production of finished goods are not written down if the finished products in which they will be used are expected to be sold at or above cost. Slow and non-moving materials, obsolescence, defective inventories are provided in the books if more than one year of age.

## l) Employee benefits

### i) Short term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services upto the end of the reporting period and are recognised at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

### ii) Other long-term employee benefit:

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore, measured and recognized as the present value of the expected future payments to be made in respect of services provided by employee upto the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurement as a result of experience adjustments and changes in actuarial assumptions are recognised in other comprehensive income.

### iii) Post-employment obligation:

The Company operates the following post-employment schemes:

- a) Defined benefit plans such as gratuity for its eligible employees, pension plan for its senior managers; and
- b) Defined contribution plan such as provident fund.

#### Pension and gratuity obligation:

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in statement of profit and loss as past service cost.

#### Provident fund:

The company regularly contributes the amounts due to the Regional Provident Fund Commissioner.

### iv) Bonus plans:

The Company recognises a liability and an expense for bonuses. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

## m) Taxes on Income

Tax expense comprises of current and deferred taxes.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company's subsidiaries and associates operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable statement of profit and loss. Deferred tax is determined using tax rates that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred tax liability is settled.

Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when they relate to income taxes levied by the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Where the Company is entitled to claim special tax deductions for investments in qualifying assets or in relation to qualifying expenditure (the Research and Development or other investment allowances), the Company accounts for such allowances as tax credits, which means that the allowance reduce income tax payable and current tax expense. A deferred tax asset is recognised for unclaimed tax

# SUNDARAM AUTO COMPONENTS LIMITED

---

credits that are carried forward to the extent that there is a reasonable certainty of recovering/utilizing such unclaimed tax credits.

## n) Government Grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants receivable as compensation for expenses or financial support are recognized in profit or loss of the period in which it becomes available.

## o) Provisions and contingent liabilities

### i) Provisions:

A provision is recorded when the Company has a present or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. The estimated liability for product warranties is recorded when products are sold based on technical evaluation.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expenses.

### ii) Contingent liabilities:

Wherever there is a possible obligation that may, but probably will not require a cash outflow, the same is disclosed as contingent liability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

## p) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker.

## q) Leases

From 1 April 2019, leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Company. Contracts may contain both lease and non-lease components. The Company allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone prices. However, for leases of real estate for which the Company is a lessee, it has elected not to separate lease and non-lease components and instead accounts for these as a single lease component.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

- fixed payments (including in-substance fixed payments), less any lease incentives receivable
- variable lease payment that are based on an index or a rate, initially measured using the index or rate as at the commencement date
- amounts expected to be payable by the Company under residual value guarantees
- the exercise price of a purchase option if the Company is reasonably certain to exercise that option, and
- payments of penalties for terminating the lease, if the lease term reflects the Company exercising that option

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

To determine the incremental borrowing rate, the Company:

- where possible, uses recent third-party financing received by the individual lessee as a starting point, adjusted to reflect changes in financing conditions since third party financing was received
- uses a build-up approach that starts with a risk-free interest rate adjusted for credit risk for leases held by the Company which does not have recent third party financing, and
- makes adjustments specific to the lease, e.g. term, country, currency and security.

The Company is exposed to potential future increases in variable lease payments based on an index or rate, which are not included in the lease liability until they take effect. When adjustments to lease payments based on an index or rate take effect, the lease liability is reassessed and adjusted against the right-of-use asset.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Variable lease payments that depend on sales are recognised in profit or loss in the period in which the condition that triggers those payments occurs.

- Right-of-use assets are measured at cost comprising the following:
- the amount of the initial measurement of lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs, and
- restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases of equipment and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less. Low-value assets comprise IT equipment and small items of office furniture.

## r) Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

## s) Cash and Cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with Banks, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are displayed within borrowings in current liabilities in the balance sheet.

## t) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

## u) Investments and Other financial assets

### i) Classification

The Company has classified as follows:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through statement of profit and loss), and
- Those measured at amortized cost.

The classification was based on the entity's business model for managing the financial assets and the contractual terms of the cash flow.

### ii) Measurement – financial assets: -

Initially these are recognized at cost.

In addition to transaction cost attributable to such asset, corresponding effect on fair valuation is recognized in statement of profit and loss.

#### Debt Instruments:

Debt instruments are initially recognized at cost.

Debt instruments which are initially recognized at cost are subsequently measured based on the company's business model for managing the asset and cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments.

#### Amortised Cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on

# SUNDARAM AUTO COMPONENTS LIMITED

---

debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in statement of profit and loss when the asset is de-recognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

#### Fair Value through statement of profit and loss:

Assets that do not meet the criteria for amortised cost or Fair Value through Other Comprehensive Income (FVOCI) are measured at fair value through statement of profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through statement of profit and loss and is not part of a hedging relationship is recognised in statement of profit and loss and presented in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

#### Equity instruments:

The Company subsequently measures all investments in equity (except of the subsidiaries/ associate) at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss. Dividends from such investments are recognised in statement of profit and loss as other income when the Company's right to receive payments is established.

Where the Company elects to measure fair value through profit and loss, changes in the fair value of such financial assets are recognised in the statement of profit and loss.

Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately. Where the Company elects to measure fair value through profit and loss, changes in the fair value of such financial assets are recognised in the statement of profit and loss.

#### Investment in subsidiary / associate:

Investment in subsidiary/associate are measured at cost less provision for impairment.

#### iii) Impairment of financial assets

The company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment mythology applied depends on whether there has been significant increase in credit risk. Note 30 details how the company determines whether there has been a significant increase in credit risk.

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected credit losses to be recognised from initial recognition of the receivables.

#### iv) De-recognition of financial assets

A financial asset is derecognised only when:

- the Company has transferred the rights to receive cash flows from the financial asset or
- the Company retains the contractual rights to receive the cash flows of the financial asset, but a contractual obligation exists to pay the such flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized, if the Company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

#### v) Borrowings

Borrowings are initially recognised at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognized in statement of profit and loss over the period of the borrowings, using the effective interest method. Fees paid on the established loan facilities are recognised as transaction cost of the loan, to the extent that it is probable that some or all the facility will be drawn down.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any

non-cash assets transferred or liabilities assumed, is recognized in statement of profit and loss as other gain/(loss).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

#### w) Borrowing Costs:

Borrowing costs that are directly attributable to the acquisition, construction, production or erection of a qualifying asset are capitalized if such qualifying asset takes a substantial period of time to get ready for its intended use. Substantial period is determined on a case to case basis depending on the nature of the asset and time involved in putting them on ready for use. Other borrowing costs are expensed in the period in which they are incurred.

#### x) Current and Non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. In respect of other assets, it is treated as current when it is:

- expected to be realized or intended to be sold or consumed in the normal operating cycle
- held primarily for the purpose of trading
- expected to be realized within twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- it is expected to be settled in the normal operating cycle
- it is held primarily for the purpose of trading
- it is due to be settled within twelve months after the reporting period, or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

#### y) Business Combinations:

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a business comprises the

- Fair values of the assets acquired;
- Liabilities incurred to the former owners of the acquired business;

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, measured initially at their fair values at the acquisition date.

#### z) Earnings Per Share:

##### (i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for new equity shares issued during the year (note 37)

##### (ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(iii) Other Comprehensive Income is not considered for computing earnings per share

### 15.b Note related to transition Ind AS 116 and Lease liability

The Company has adopted Ind AS 116 'Leases' with the date of initial application being April 1, 2019. Ind AS 116 replaces Ind AS 17 – Leases. The Company has applied Ind AS 116 using the modified retrospective approach, under which the cumulative effect of initial application is recognised in retained earnings at April 1, 2019. The comparative information in the financial statements would not be restated and would be presented based on the requirements of the previous standard i.e. Ind AS 17.

In adopting Ind AS 116, the Company has applied the below practical expedients:

- a) The company applied a single discount rate to a portfolio of leases with reasonably similar characteristics
- b) The company relied on its assessment of whether leases are onerous applying Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets, immediately before the date of initial application as an alternative to performing an impairment review as per Ind AS 36 Impairment of assets
- c) The Company has treated the leases with remaining lease term of less than 12 months as "short term leases"
- d) The Company has excluded the initial direct costs from measurement of the right-of-use asset at the date of transition
- e) The company used hindsight, such as in determining the lease term if the contract contains options to extend or terminate the lease.

Effective 1st April 2019, the company has adopted Ind AS 116 "Leases" and applied the Standard to its leases retrospectively and has recognised the effect of the cumulative adjustment (net of taxes) of Rs. 0.29 Crores in the opening balance of retained earnings, on the date of initial application (1st April 2019). Accordingly, comparatives for the period prior has not been restated.

The adoption of the Standard has resulted in recognising "Right-of—Use Asset" of Rs. 2.43 Crores and a corresponding "Lease Liability" of Rs. 2.72 Crores as at the date of initial application.( ie 1st April 2019 )

### Measurement of lease liabilities

The lease liabilities as at 1 April 2019 can be reconciled to the operating lease commitments as of 31 March 2019, as follows:

Particulars	Amount
Operating lease commitments disclosed as at 31 March 2019	5.48
Weighted average incremental borrowing rate as at 1 April 2019	8.20%
Discounted using the lessee's incremental borrowing rate of at the date of initial application	2.18
<b>Add:</b>	
Lease payments relating to renewal periods not included in operating lease commitments as at 31 March 2019	0.55
Commitments relating to short-term leases	-
Commitments relating to leases of low-value assets	-
Lease liabilities as at 1 April 2019	2.72
Of which are:	
Current lease liabilities	0.73
Non-current lease liabilities	1.98
	2.72
Lease liability recognised as at 31st March 2020	
Of which are:	
Current lease liabilities	0.38
Non-current lease liabilities	1.60
	1.98

Rupees in crores

### (i) Post-Employment benefits

*Significant estimates: actuarial assumptions and sensitivity*

The significant actuarial assumptions were as follows:

Details	Gratuity		Pension		Leave Salary	
	March 31, 2020	March 31, 2019	March 31, 2020	March 31, 2019	March 31, 2020	March 31, 2019
Discount rate	6.65%	7.71%	7.50%	7.50%	6.64%	7.68%
Inflation	-	-	-	-	-	-
Salary growth rate	5.50%	5.50%	5.50%	5.50%	5.50%	5.50%
Pension growth rate	-	-	-	-	-	-
Attrition rate	-	-	-	-	-	-

Assumptions regarding future mortality for pension and medical benefits are set based on actuarial advice in accordance with published statistics and experience. These assumptions translate into an average life expectancy in years for a pensioner retiring at 60 years.

### (ii) Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

#### Gratuity Impact on defined benefit obligation

Details	Change in assumption	Increase in assumption	Decrease in assumption
	March 31, 2020	March 31, 2020	March 31, 2020
Discount rate	0.50%	-4.93%	5.39%
Salary growth rate	0.50%	5.43%	-5.01%
Attrition growth rate	5.00%	0.16%	-0.16%
Life expectancy	5.00%	0.02%	-0.02%

#### Pension Impact on defined benefit obligation

Details	Change in assumption		Increase in assumption		Decrease in assumption	
	March 31, 2020	March 31, 2019	March 31, 2020	March 31, 2019	March 31, 2020	March 31, 2019
Discount rate	1.00%	1.00%	-16.75%	-16.94%	21.02%	21.25%
Salary growth rate	1.00%	1.00%	21.68%	22.09%	-17.44%	-17.75%
Attrition growth rate	5.00%	5.00%	-0.73%	0.00%	0.00%	0.00%
Life expectancy	5.00%	5.00%	0.00%	-0.62%	0.75%	0.64%

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

### (iii) Risk exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

**Asset volatility:** The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets under perform this yield, this will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk with derivatives to minimise risk to an acceptable level. A portion of the funds are invested in equity securities and in alternative investments which have low correlation with equity securities. The equity securities are expected to earn a return in excess of the discount rate and contribute to the plan deficit. The company has a risk management strategy where the aggregate amount of risk exposure on a portfolio level is maintained at a fixed range. Any deviations from the range are corrected by rebalancing the portfolio. The company intends to maintain the above investment mix in the continuing years.

**Changes in bond yield:** A decrease in bond yields will increase plan liabilities, although this will be partially offset by an yields increase in the value of the plans' bond holdings.

**Inflation risks:** In the pension plans, the pensions in payment are not linked to inflation, so this is a less material risk.

**Life expectancy:** The pension plan obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plan liabilities. This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

## NOTES TO ACCOUNTS

Rupees in crores

### 30 Financial risk management

The company's activities expose it to market risk, liquidity risk and credit risk. This note explains the sources of risk which the entity is exposed to and how the entity mitigates the risk and the impact of hedge accounting in the financial statements.

Risk	Exposure arising from	Measurement	Mitigation plan
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Ageing analysis Credit ratings	Diversification of bank deposits, credit limits and letters of credit
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk – foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow forecasting Sensitivity analysis	Forward foreign exchange contracts
Market risk – interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Interest rate swaps

The company's risk management is carried out by the treasury department under policies approved by the Board of director. Treasury identifies, evaluates and hedges financial risks in close co-operation with the company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

#### (A) Credit risk

Credit risk arises from cash and cash equivalents, investments carried at amortised cost and deposits with banks and financial institutions, as well as credit exposures to wholesale customers including outstanding receivables.

##### (i) Credit risk management

Credit risk is managed by the entity. For banks and financial institutions, only high rated banks/institutions are accepted.

For other financial assets, The company assesses and manages credit risk based on internal credit rating system. The finance function consists of a separate team who assess and maintain an internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- 1 : High-quality assets, negligible credit risk
- 2 : Quality assets, low credit risk
- 3 : Standard assets, moderate credit risk
- 4 : Substandard assets, relatively high credit risk
- 5 : Low quality assets, very high credit risk
- 6 : Doubtful assets, credit-impaired

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk The company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers available reasonable and supportive forward-looking information. Especially the following indicators are included -

- Internal credit rating
- External credit rating (as far as available)
- Actual or expected significant adverse changes in business, financial or economic conditions that are expected to cause a significant change to the borrower's ability to meet its obligations
- Actual or expected significant changes in the operating results of the borrower
- Significant increase in credit risk on other financial instruments of the same borrower
- Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements
- Significant changes in the expected performance and behaviour of the borrower, including changes in the payment status of borrowers in The company and changes in the operating results of the borrower.

In general, it is presumed that credit risk has significantly increased since initial recognition if the payments are more than 30 days past due.

A default on a financial asset is when the counterparty fails to make contractual payments within 60 days of when they fall due. This definition of default is determined by considering the business environment in which entity operates and other macro-economic factors.

##### (ii) Provision for expected credit losses

The company provides for expected credit loss based on the following:

**Year ended 31 March 2020:**

#### (a) Expected credit loss for loans, security deposits and investments

Particulars	Category	Asset group	Internal credit rating	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Loss allowance measured at 12 month expected credit losses	Financial assets for which credit risk has not increased significantly since initial recognition	Security Deposits	1	0.52	-	-	0.52
Loss allowance measured at life-time expected credit losses	Financial assets for which credit risk has increased significantly and credit-impaired	NA	NA	NA	NA	NA	NA

#### (b) Expected credit loss for trade receivables under simplified approach

Ageing	Less than 180 days	More than 180 days	Total
Gross carrying amount	60.92	0.23	61.15
Expected loss rate	-	100%	-
Expected credit losses (Loss allowance provision)	-	(0.23)	(0.23)
<b>Carrying amount of trade receivables (net of impairment)</b>	<b>60.92</b>	<b>-</b>	<b>60.92</b>

# SUNDARAM AUTO COMPONENTS LIMITED

## NOTES TO ACCOUNTS - (continued)

Year ended 31 March 2019:

Rupees in crores

(a) Expected credit loss for loans, security deposits and investments

Particulars	Category	Asset group	Internal credit rating	Estimated gross carrying amount at default	Expected probability of default	Expected credit losses	Carrying amount net of impairment provision
Loss allowance measured at 12 month expected credit losses	Financial assets for which credit risk has not increased significantly since initial recognition	Security Deposits	1	0.52	-	-	0.52
Loss allowance measured at life-time expected credit losses	Financial assets for which credit risk has increased significantly and credit-impaired	NA	NA	NA	NA	NA	NA

(b) Expected credit loss for trade receivables under simplified approach

Ageing	Less than 180 days	More than 180 days	Total
Gross carrying amount	76.80	0.08	76.88
Expected loss rate	-	100%	
Expected credit losses (Loss allowance provision)	-	(0.08)	(0.08)
<b>Carrying amount of trade receivables (net of impairment)</b>	<b>76.80</b>	-	<b>76.80</b>

### (iv) Reconciliation of loss allowance provision – Trade receivables

Details	Amount in Cr.
Loss allowance on 1 April 2019	0.08
Changes in loss allowance (net)	0.15
<b>Loss allowance on 31 March 2020</b>	<b>0.23</b>

### (B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the entity's treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. In addition, the company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

#### (i) Financing arrangements

The company had access to the following undrawn borrowing facilities at the end of the reporting period:

Details	31 March, 2020	31 March, 2019
<b>Floating rate</b>		
- Expiring within one year (bank overdraft and other facilities)	6.65	10.96

The bank overdraft facilities may be drawn at any time and may be terminated by the bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in INR.

#### (ii) Maturities of financial liabilities

The tables below analyse the company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

- a) all non-derivative financial liabilities, and
- b) net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows.

Particulars	Maturity	31-Mar-20	31-Mar-19
		31-Mar-20	31-Mar-19
Term loan	> than 12 months	120.79	158.83
Short-term borrowings	< than 12 months	48.35	44.04
Trade payables	< than 12 months	53.41	61.08
Consideration payable for purchase of investment property	< than 12 months	-	-
Current maturities of term loan	< than 12 months	20.80	10.22
Interest accrued and due on loans	< than 12 months	0.72	0.81
Payable under hedge instruments	< than 12 months	-	-
Employee related	< than 12 months	2.48	3.35
Lease rent	> than 12 months	4.55	5.48

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying

balances as the impact of discounting is not significant.

### (C) Market risk

#### (i) Foreign currency risk

The company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (INR). The risk is measured through a forecast of highly probable foreign currency cash flows.

The company's exposure to foreign currency risk at the end of the reporting period expressed in INR, are as follows

### 31 Capital management

#### (a) Risk management

The company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, The company may vary the amount of dividends payable to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

Consistently, the company monitors capital on the basis of the following gearing ratio: Net debt (total borrowings net of cash and cash equivalents) divided by Total 'equity' (as shown in the balance sheet).

The company's strategy is to maintain an optimum gearing ratio. The gearing ratios were as follows:

Details	March 31, 2020	March 31, 2019
Net debt	188.67	211.85
Total equity	405.07	348.36
Net debt to equity ratio	46.58%	60.81%

#### (b) Dividends

	March 31, 2020	March 31, 2019
(i) Equity shares		
First and Final dividends for the year ended 31 March 2020 of Rs.0.50 per fully paid share	2.11	-
First and Final dividends for the year ended 31 March 2019 of Rs.0.65 per fully paid share	-	2.34
(ii) Dividends not recognised at the end of the reporting period	-	-

#### (i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

<b>Financial assets</b>					
Investments					
Deposits	6				0.52
<b>Total financial assets</b>		-	-	<b>0.52</b>	<b>0.52</b>
<b>Financial Liabilities</b>					
<b>Total financial liabilities</b>		-	-	-	-

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

**Level 2:** The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

There are no transfers between levels 1 and 2 during the year.

The company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

#### (ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of foreign currency option contracts is determined using Black Scholes valuation model.
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 2

#### Fair value measurements using significant unobservable inputs (level 3)

	Unlisted Securities	Pension Assets
As at 1 April 2019	-	0.36
Acquisition/(Disposal)	-	
Gains/losses recognised in profit or loss		0.04
Gains/losses recognised in OCI		
31-Mar-20	-	0.40

### Valuation inputs and relationships to fair value

Particulars	Fair value as at			Probability-weighted range		
	31-Mar-20	31-Mar-19	Significant unobservable inputs*	31-Mar-20	31-Mar-19	Sensitivity
Pension Asset	0.40	0.36	Risk adjusted discount rate	7.0%	7%	50 Basis point decrease in discount rate would have increased assets by Rs.0.02 crs and 50 Basis point increase in discount rate has would have decreased the asset by Rs.0.02 Crs

# SUNDARAM AUTO COMPONENTS LIMITED

## NOTES TO ACCOUNTS - (continued)

Rupees in crores

### (v) Valuation processes

The finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the Chief Financial Officer (CFO) and the Audit Committee (AC). Discussions of valuation processes and results are held between the CFO, AC and the valuation team at least once in every three months, in line with the group's quarterly reporting periods.

The main level 3 inputs for unlisted equity securities, contingent considerations and indemnification asset used by the group are derived based on the the discount rates that are determined using a capital asset pricing model to calculate a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the asset

### (vi) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, deposits, cash and cash equivalents and other current financial liabilities are considered to be the same as their fair values, due to their short-term nature and in-significant change in interest rate

### 33 Business combination

During 2015-16, the company acquired a automobile seat manufacturing business at Nalagarh, Himachal Pradesh. On the purchase of this business, assets and liabilities were recorded at fair values based on a chartered engineer's technical valuation. Consideration paid in excess of net assets acquired has been treated as Goodwill.

Details	Amount
Land & Building	4.33
Plant & Equipments	4.79
Current Assets	1.28
<b>Sub total (1)</b>	<b>10.40</b>
Current Liabilities (2)	(3.60)
<b>Sub total (3)=(1)+(2)</b>	<b>6.80</b>
Consideration Paid (4)	9.00
<b>Goodwill (5)=(4)-(3)</b>	<b>2.20</b>

#### Note:

(i) Goodwill is monitored by the management taking in to account the cash generated by the acquired business. As per the management assessment no impairment is warranted as the current level of operations and cash inflows acquired from the business is sufficient to cover the carrying value goodwill and net assets.

(ii) Following are the assumptions used by the management for the said assessment:

Annual Cash Inflow Rs.Crs	5.00
Remaining useful life of the assets No.of Yrs	10
Pre-tax Discount rate%	8%

(iii) Company has assessed a constant net cash inflow of Rs.5 Crores over the next 5 years for the purpose of impairment testing

### 34 Earnings per share

(a) Basic and diluted earnings per share	31 March, 2020	31 March, 2019
Basic and diluted earnings per share attributable to the equity holders of the Company	1.27	2.60
(b) Earnings used in calculating earnings per share		
Basic and diluted earnings per share	4.90	9.33
(c) Weighted average number of equity shares used as the denominator in calculating basic earnings per share	38,573,000	35,925,000

### 35 Disclosure under Micro, Small and Medium Enterprises Development Act, 2006

Year ended 31-03-2020	Year ended 31-03-2019
--------------------------	--------------------------

1. The principal amount and interest due thereon (to be shown separately) remaining unpaid to any supplier as at the end of each accounting year:

(i) Principal (all are within agreed credit period and not due for payment)	4.87	4.67
(ii) Interest (as no amount is overdue)	Nil	Nil

2. The amount of interest paid by the buyer in terms of Section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along with the amount of the payment made to the supplier beyond the appointed day during each accounting year	Nil	Nil
---	-----	-----

3. The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the Micro, Small and Medium Enterprises Development Act, 2006	Nil	Nil
---	-----	-----

4. The amount of interest accrued and remaining unpaid at the end of each accounting year	Nil	Nil
---	-----	-----

5. The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise, for the purpose of disallowance as a deductible expenditure under section 23 of the Micro, Small and Medium Enterprises Development Act, 2006.	Nil	Nil
---	-----	-----

### 36 Revenue from contracts with customers

#### 1 Disaggregated revenue

Revenue from contracts with customers are disaggregated into categories that depict how the nature, amount, timing and uncertainty of revenue and cash flows are affected by economic factors. The Company identifies the product lines, amongst others to indicate the factors as mentioned above. The details of revenue from contracts with customers on the basis of various product lines are as under :

Particulars	For the year ended 31-03-2020

## NOTES TO ACCOUNTS - *(continued)*

38. The Manufacturing facilities and all offices of the Company were closed on March 23, 2020 following the countrywide lockdown due to COVID 19. The Company has since obtained required permissions and restarted its manufacturing facilities and all offices partially. Based on assessment of the impact of COVID 19 on the operations of the Company and ongoing discussions with customers, vendors and service providers, the Company is confident of obtaining regular supply of raw materials and components, resuming supply chain logistics and serving customers.

The Company has considered the possible effects of COVID 19 on the carrying amounts of Property, Plant and Equipment, Investments, Inventories, Trade Receivable and Other Current Assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the company, as at the date of approval of the financial results, has used external and internal sources of information/ indicators to estimate the future performance of the Company. Based on current estimates the Company expects the carrying amount of these assets to be recovered. The impact of the COVID 19 on the Company's financial results may differ from that estimated as at the date of approval of these results.

39. Previous year's figures have been regrouped wherever necessary to confirm to the current year's classification

## Directors' Report to the Shareholders of the Company

The directors have pleasure in presenting the eleventh annual report on the progress of the Company together with the audited statement of accounts for the year ended 31<sup>st</sup> March 2020.

### 1. Financial Results

The highlights of the financial performance of the Company are given below:

(Rs. in lakhs)

Particulars	Year ended 31-03-2020	Year ended 31-03-2019
Revenue from Operations	-	28.62
Other Income	-	101.47
<b>Total</b>	<b>-</b>	<b>130.09</b>
Purchases of Stock-in trade	-	27.18
Finance Cost	1088.65	1629.89
Administrative & other expenses	58.21	56.53
Profit / (Loss) before tax	(1146.86)	(1583.51)
Less:		
- Provision for tax		
Add:		
- Deferred Tax Asset	(432.96)	(950.96)
Profit / (Loss) after tax	(713.90)	(632.55)
Other Comprehensive Income (net of tax)		-
Total Comprehensive Income for the year	(713.90)	(632.55)

### 2. Dividend

The board of directors does not recommend any dividend for the year under consideration, in view of the loss sustained by the Company for the year ended 31<sup>st</sup> March 2020.

### 3. Share Capital

During the year under review, the company increased its authorized share capital from Rs.625,00,00,000 (Rupees Six Hundred and Twenty five crores only) to Rs. 675,00,00,000 (Rupees Six Hundred and Seventy five crores only) divided into

- i. 6,00,00,000 (Six Crore only) Equity shares of Rs. 10/- (Rupees ten only) each, aggregating to Rs.60,00,00,000 (Rupees Sixty crores only); and
- ii. 61,50,00,000 (Sixty one crores Fifty Lakhs only) Non-Cumulative Redeemable Preference shares of Rs. 10/- (Rupees ten only) each, aggregating to Rs.615,00,00,000 (Rupees six hundred and Fifteen crores only)

During the year under review, the board of directors issued and allotted 4,50,00,000 equity shares of Rs.10 each on rights basis to its holding company viz. TVS Motor Company Limited.The paid up capital of the company accordingly stood increased from Rs.8.63 Cr (86,33,814 equity shares of Rs.10/- each) to Rs.53.63 Cr (5,36,33,814 equity shares of Rs.10/- each)

### 4. Debentures

The Company has bought the Unsecured Redeemable Zero Coupon Debentures of TVS Finance & Services Limited from TVS Credit Services Limited (TVS CS) amounting to Rs.248 Cr redeemable between 7<sup>th</sup> and 12<sup>th</sup> year from the date of allotment. This was acquired by the Company from TVS CS in terms of tripartite agreement entered among the company, the subsidiary and TVS F&S. The consideration for acquisition of this investment from the subsidiary was agreed to be settled by the Company in six equal installments of Rs. 41.33 Cr each between the 7<sup>th</sup> year and the 12<sup>th</sup> year as per the terms agreed. For meeting the agreed payables, the company raised funds through issue of Secured Non-convertible Redeemable Debentures. The Company has issued 4,50,00,000 8% Secured Non-Convertible Debentures of Rs.10/- each and necessary allotment was made to TVS Motor Foundation on 24.03.2020.

The Company has appointed M/s B. Chandra & Associates, Practising Company Secretaries, Chennai as debenture trustees.

### 5. Material changes and commitments

The Company was initially the investment SPV of the Company, for funding TVS Credit Services Limited (TVS CS).The National Company Law Tribunal, Chennai (NCLT), on 16<sup>th</sup> April 2019 approved a Scheme of Arrangement (Scheme) between the Company, TVS CS and their respective shareholders and became effective from 9<sup>th</sup> May 2019, being the date of filing of the said approved Scheme with the Ministry of Corporate Affairs.

In terms of the said Scheme, the Company redeemed its entire Non-cumulative Redeemable Preference Shares (NCRPS) held by the Company by transferring the investment held by it in TVS CS equity shares in favour of the Company on 6<sup>th</sup> June 2019.Pursuant to the scheme, the company ceased to be a holding company of TVS Credit Services Limited since 13,47,41,600 equity shares were transferred to TVS Motor Company Limited.The company presently holds 10,90,125 equity shares (0.59%) in TVS Credit Services Limited.

### 6. Significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status of the Company

There are no significant and material orders passed by the regulators or courts or tribunals, which would impact the going concern status of the Company. However, the members' attention is drawn to the statement on contingent liabilities, commitments, given in the notes forming part of the financial statements.

### 7. Internal control systems

The Company has adequate internal control systems to ensure operational efficiency, accuracy and promptness in financial report and compliance of various laws and regulations.The internal control system is supported by the internal audit process. An internal auditor has been appointed for this purpose. The audit committee of directors will review the internal audit report and the adequacy and effectiveness of internal controls periodically.

The Board is accountable for evaluating and approving the effectiveness of the internal controls, including financial, operational and compliance controls. Company has a proper and adequate internal control system to ensure that all the assets of the Company are safeguarded and protected against any loss and that all the transactions are properly authorized and recorded.

### 8. Risk management

Our risk management framework is well embedded and continually reviewed by the Board. It enables to identify, evaluate and monitor principal risks and where possible, actively manage internal or external risks that could threaten the attainment of the Company targets.

As a process, risks associated with the business are identified and prioritized based on the Company's overall risk appetite, strategy, severity and probability of occurrence.

As a process, the risks associated with the business are identified and prioritized based on severity, likelihood and effectiveness of current detection. Such risks are reviewed by the senior management on a quarterly basis. Process owners are identified for each risk and matrixes are developed for monitoring and reviewing the risk mitigation

The risk function is looked after by a team reporting to the Director & CEO of the Company. The Audit Committee considers both current and emerging risks as part of its oversight of Company's risk management framework. Committee defines emerging risks as those which are on the three-year horizon. The Board is satisfied that there are adequate systems and procedures in place to identify, assess, monitor and manage risks.

### 9. Related Party Transactions

All contracts / arrangements entered by the Company during the financial year with related parties were in the ordinary course of business and at arm's length in terms of section 188 read with the Companies (Meetings of board and its powers) Rules, 2014.

# TVS MOTOR SERVICES LIMITED

---

Pursuant to the provisions of section 134(h) of the Companies Act, 2013 read with rule 8(2) of the Companies (Accounts) Rules 2014, the particulars of contracts or arrangements entered into by the Company with Related Parties have been done at arm's length and are in the ordinary course of business.

Hence, no particulars are being provided in Form AOC-2. Related Party disclosures, as per the Accounting Standard 18 have been provided in Notes to the financial statements.

## 10. Directors' responsibility statement

Pursuant to the requirement of Section 134(5) of the Act, 2013 with respect to Director's Responsibility Statement, it is hereby stated that:

- (a) in the preparation of the annual accounts for the year ended 31<sup>st</sup> March 2020, the applicable accounting standards had been followed along with proper explanation relating to material departures, if any;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the loss of the Company for that period;
- (c) the directors had taken proper and sufficient care for maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) the directors had prepared the accounts for the financial year ended 31<sup>st</sup> March 2020 on a going concern basis; and
- (e) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

## 11. Directors

### Independent Directors (IDs)

The Board of Directors of the Company comprises of two Independent Directors viz., Mr L Bhadri and Ms Sasikala Varadachari and as required under sub-section 6 of Section 149 of the Act 2013, the Company received necessary declarations from IDs that they meet the criteria of independence as provided therein.

At the Extra ordinary general meeting held on 23<sup>rd</sup> March 2018, the shareholders approved their re-appointment for the second term effective 31<sup>st</sup> March 2018 till the conclusion of the Annual General Meeting to be held in 2021 and to receive remuneration by way of fees, reimbursement of expenses for participation in the meetings of the board and / or committees and profit related commission, if any, in terms of applicable provisions of the Companies Act 2013, as determined by the board, from time to time.

### Separate meeting of Independent Directors (IDs):

During the year under review, a separate meeting of IDs was held on 10<sup>th</sup> March 2020 and all the Independent Directors were present at the Meeting.

A complete feedback on Non-Independent Directors and details of various activities undertaken by the Company were provided to them to facilitate their review / evaluation through a set of questionnaire.

The IDs were fully kept informed of the Company's activities in all its spheres.

### Woman Director

In terms of Section 149 of the Act 2013 read with the Companies (Appointment and Qualification of Directors) Rules, 2014, the Company is required to have a woman Director on its Board.

For the purposes of this rule, a woman director to be on the board if the paid up capital is more than Rs. 100 Cr, as on the last date of latest audited financial statements shall be taken into account. In view of the above, Ms Sasikala Varadachari continues to be on the Board of the Company as an Independent Woman Director.

### Directors liable to retire by rotation

In terms of Article 21 of the Articles of Association of the Company, all the directors other than the independent directors, viz., Mr V N Venkatanathan, Mr Arvind Balaji, Mr S G Murali and Mr K N Radhakrishnan, retire from the office at the ensuing annual general meeting and being eligible, offer themselves for re-appointment.

### Policy on Directors appointment and remuneration of directors, Key Managerial Personnel (KMPs)

In accordance with Section 178 of the Act, 2013 the Nomination and Remuneration Committee has formulated a Nomination & Remuneration Policy (NRC Policy) to ensure that executive directors and other employees are sufficiently compensated for their performance. The Policy seeks to provide criteria for determining qualifications, positive attributes and independence of a director.

### Remuneration Policy

#### Directors:

NRC will recommend the remuneration for executive and non-executive directors. This will be then approved by the board and shareholders. Prior approval of shareholders will be obtained, whenever required, in case of remuneration to non-executive directors.

The non-executive independent directors are appointed to the board of the Company in terms of regulatory requirements.

#### Key Managerial Personnel:

The remuneration of employees largely consists of basic salary, perquisites, allowances and performance incentives. Perquisites and retirement benefits are paid according to the Company's policy, subject to prescribed statutory ceiling.

The components of the total remuneration vary for different grades and are governed by the industry pattern, qualification & experience / merits and performance of each employee.

The Company while deciding the remuneration package takes into consideration current employment scenario and remuneration package of the industry.

The annual variable pay of senior executives is linked to the performance of the Company in general and their individual performance for the relevant year measured against Company's objectives fixed in the beginning of the year.

### Criteria for Board Membership

#### Directors:

The Company will generally consider (i) their relevant experience in Finance/ Law/ Management/ Administration/ Research/ Corporate Governance/ Technical Operations or other disciplines related to company's business, (ii) having the highest personal and professional ethics, integrity and values and (iii) their willingness to devote sufficient time and energy in carrying out their duties and responsibilities.

#### Independent Directors:

Independent Director is a director who has no direct or indirect pecuniary relationship with the Company and or any of its officers. They should meet all criteria specified in Section 149(7) of the Act, 2013 and rules made thereunder.

# TVS MOTOR SERVICES LIMITED

---

## **Number of board meetings held**

During the year under review, the board met nine times on 8<sup>th</sup> April 2019, 29<sup>th</sup> April 2019, 16<sup>th</sup> July 2019, 23<sup>rd</sup> July 2019, 8<sup>th</sup> August 2019, 13<sup>th</sup> September 2019, 20<sup>th</sup> December 2019, 20<sup>th</sup> February 2020 and 24<sup>th</sup> March 2020 and the gap between two meetings did not exceed one hundred and twenty days.

## **Change in Key Managerial Personnel (KMPs)**

In lieu of resignation of Mr G Venkatraman as Chief Executive Officer, Mr V Gopalakrishnan as Chief Financial Officer and Mr J Ashwin as Company secretary of the company, the following persons have been designated as Key Managerial Personnel of the Company under Section 203 of the Act, 2013 read with the Rules framed thereunder, based on the recommendations of the Nomination and Remuneration Committee.

Mr V Karunakara Reddy as Chief Executive Officer; Mr S Sridhar as Chief Financial Officer and Mr K S Srinivasan as Company Secretary

## **Corporate Governance**

### Audit Committee:

In terms of Section 177 of the Companies Act, 2013 (Act, 2013), the Audit Committee of the Company is required to consist of minimum of three members, with majority of independent directors.

The present committee consists of Mr Arvind Balaji, non-executive and non-independent director, Mr L Bhadri and Ms Sasikala Varadachari, (ID) as its members. Thus, the composition of the audit committee is in accordance with the requirements of the Act and the Committee meets periodically to discuss and review such matters as required under the applicable provisions of the Act, 2013.

### Nomination and Remuneration Committee:

In terms of Section 178 of the Act, 2013, the Nomination and Remuneration Committee is required to consist of minimum of three members, of which not less than one-half shall be independent directors.

The Committee consists of Mr Arvind Balaji, non-executive and non-independent director, Mr L Bhadri and Ms Sasikala Varadachari, (ID) as its members.

The Committee has a Nomination and Remuneration Policy to govern the terms of nomination / appointment and remuneration of (i) directors; and (ii) key managerial personnel of the Company.

### Remuneration criteria to Directors:

All the directors are non-executive directors. They have not received any remuneration from the Company.

### Corporate Social Responsibility (CSR) Committee:

The Corporate Social Responsibility Committee consists of the following directors namely, Mr V N Venkatanathan, Mr S G Murali and Mr L Bhadri, as members.

## **Evaluation of the board, committees and directors**

In terms of Section 134 of the Companies Act 2013 and the rules made there-under, the board has carried out evaluation of its own performance and that of its committees and individual directors.

The board discussed and assessed its own composition, size, mix of skills and experience, its meeting sequence effectiveness of discussion, decision making, follow up action, quality of information and the performance and reporting by the various committees. Besides, the board considered both its characteristics and the effectiveness of its performance in carrying out its role and responsibilities in the context of the nature, scope, complexity and risk profile of the Company.

The evaluation of individual directors was made on the following criteria, namely (i) attendance for the meetings, participation and independence during the meetings, (ii) interaction with management, (iii) role and accountability of the board and knowledge and proficiency etc.

The evaluation of each committee, namely audit committee, nomination and remuneration committee (NRC) and Corporate Social Responsibility, were evaluated by the board after seeking inputs from its members on the basis of the criteria such as matters assessed against the terms of reference, time spent by the committees in considered matters, quality of information received, work of each committee, overall effectiveness and decision making and compliance with the corporate governance requirements and concluded that all the committees continued to function effectively, with full participation by all its members and members of the management.

## **12. Deposits**

The Company has not accepted any deposit from the public within the meaning of Chapter V of the Act 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 during the year ended 31<sup>st</sup> March 2020.

## **13. Auditors**

### Statutory Auditors

On recommendation of Board of Directors of the Company, members of the Company appointed M/s. Raghavan Chaudhuri & Narayanan., Chartered Accountants, Bengaluru having Firm Registration No. 007761S allotted by the Institute of Chartered Accountants of India as Statutory Auditors of the Company at the 10<sup>th</sup> Annual General Meeting of the Company for a term of 5 consecutive years i.e. till the conclusion of 15<sup>th</sup> Annual General Meeting pursuant to Section 139 of the Act, 2013, at such remuneration in addition to applicable taxes, out of pocket expenses, travelling and other expenses as may be mutually agreed between the Board of Directors of the Company and the Auditors.

The Statutory Auditors will continue to hold office for the 2<sup>nd</sup> year in the first term of five consecutive years, from the conclusion of this AGM.

The Company has obtained necessary certificate under Section 141 of the Act, 2013 conveying their eligibility for being the Statutory Auditors of the Company for the year 2020-21.

The Auditors' Report for the financial year 2019-20 does not contain any qualification, reservation or adverse remark and the same is attached with the annual financial statements.

### Secretarial Auditors

As required under Section 204 of the Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules 2014, the Company is required to appoint a Secretarial Auditor for auditing secretarial and related records of the Company.

As required under Section 204 of the Act, 2013, the Secretarial Audit Report for the year 2019-20, given by Mr T N Sridharan, Practicing Company Secretary, Chennai for auditing the secretarial and related records is attached to this report. The Secretarial Audit Report does not contain any qualification, reservation or other remarks. Mr T N Sridharan, Practicing Company Secretary, Chennai, was appointed as Secretarial Auditor for carrying out the secretarial audit for the financial year 2020-21.

Both the Statutory Auditors Report and Secretarial Audit Report are free from any qualification, reservation or adverse remark or disclaimer, and hence do not warrant any explanation or comments by the board.

## **14. Disclosures**

### Information on conservation of energy, technology absorption, foreign exchange etc:

The Company has no activity relating to conservation of energy or technology absorption. The Company did not have any foreign exchange earnings or outgo, in terms of the requirements of Section 134(3) (m) of the Act 2013 read with the Companies (Accounts) Rules 2014.

## FORM NO.MR-3 SECRETARIAL AUDIT REPORT OF TVS MOTOR SERVICES LIMITED FOR THE FINANCIAL YEAR ENDED 31<sup>st</sup> MARCH 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To  
The Members CIN: U50404TN2009PLC071075  
TVS MOTOR SERVICES LIMITED, Authorised Capital:Rs.675,00,00,000/-  
No.29, Haddows Road, Paid up Capital: Rs.53,63,38,140/-  
Chennai 600 006

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practice by TVS MOTOR SERVICES LIMITED, (CIN: U50404TN2009PLC071075 (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliance and expressing my opinion thereon.

Based on my verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2020 complied with the statutory provisions listed hereunder and also that the company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the company for the financial year ended on 31<sup>st</sup> March, 2020 according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii) Since the company is a wholly owned subsidiary of TVS Motor Company Limited, the provisions of Rule 9A of the Companies (Prospectus and Allotment of Securities) Rules, 2014 is not applicable to the company. However the company has effected dematerialization of its shares and has complied with the provisions of The Depositories Act, 1996 and the Regulations and Bye-Laws framed thereunder;
- iii) The Company being unlisted public limited company, the provisions of The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder are not applicable;
- iv) As the company has not done any Foreign Direct Investment, or overseas Direct Investment nor availed any External Commercial Borrowings, the provisions of Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings is not applicable to the company;
- v) The Company being unlisted public limited company, the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') are not applicable viz.
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
  - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
  - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (i) Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
- (j) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- (k) Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013;
- vi) The Company has materially complied with laws applicable specifically to the Company.

I have also examined compliance with the applicable clauses of the following:

- i) The Secretarial Standards with regard to Meetings of Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of Company Secretaries of India in terms of sub-section 10 of Section 118 of the Companies Act, 2013, for the financial year under review;
- ii) The company being unlisted public limited company, the company is not required to enter into Listing Agreements with any Stock Exchange(s), and hence compliance in relation thereto is not applicable.

From the verification of records and as per the information and explanation furnished to me, during the period under review, the company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, wherever applicable.

I further report that

- i) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- ii) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- iii) Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes. However on perusal of the minutes of the board or audit committee meetings, it was observed that there was no dissenting note made by any of the member.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. The company has

- i) Constituted Nomination and Remuneration Committee of Directors and has formulated 'Nomination and Remuneration Policy' in terms of Section 178 of the Companies Act, 2013 and the Rules made thereunder;
- ii) Constituted the Audit Committee of directors in terms of Section 177 of the Companies Act, 2013;

**TVS MOTOR SERVICES LIMITED**

- iii) Constituted Corporate Social Responsibility Committee (CSR) to formulate and recommend to the board a Corporate Social Responsibility Policy, prepare and recommend a list of CSR projects/ programs, which the company plans to undertake. However, since the company has incurred loss during the preceding three financial years, the company is not liable to spend any amount in pursuance of its Corporate Social Responsibility Policy as required under Section 135(4) of the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014.
  - iv) Considered and recorded the Risk Management Policy followed by the Company in terms of Section 134(3)(n) of the Companies Act, 2013 including identification therein of elements of risk, if any, which in the opinion of the board, may threaten the existence of the company;
  - v) Considered and approved the “Code of Business Conduct and Ethics” of the Company framed in terms of Section 149 read with Schedule IV of the Companies Act, 2013;
  - vi) has appointed woman director in compliance with the provisions of Section 149 of the Companies Act, 2013 read with Rule 3 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

I further report that from the information and explanations furnished to me, during the audit period

- i) the company has in the Extra Ordinary General Meeting held on 5<sup>th</sup> August, 2019, approved for increase of the authorised share capital from Rs.625 crores to Rs.675 crores comprised of 6,00,00,000 (six crore) equity shares of Rs.10/- each aggregating to Rs.60 crores and 61,50,00,000 Non Cumulative Redeemable Preference Shares of Rs.10/- each aggregating to Rs.615 crores and has complied with the provisions of the Act in relation thereto.
  - ii) The company has allotted 4,50,00,000 equity shares of Rs.10/- each aggregating to Rs.45 crores on rights basis to TVS Motor Company Limited on 8<sup>th</sup> August, 2019 and has complied with the provisions of the Act in relation thereto;
  - iii) The company has allotted 4,50,00,000 8% secured Non-Convertible Debentures (NCD) of Rs.10/- each aggregating to Rs.45 Crores to TVS Motor Foundation, on 24<sup>th</sup> March, 2020, which was secured in terms of the Debenture Trust Deed as amended from time to time to secure Class A NCD;

- iv) In pursuance of the Scheme of Arrangement sanctioned by the National Company Law Tribunal (NCLT), Chennai Bench, Chennai vide its order CP/220/CAA/2018 (the order) dated 16<sup>th</sup> April, 2019, the company has effected transfer of its investment of 13,36,51,475 Equity shares of Rs.10/- each aggregating to Rs.133,65,14,750/- (One Hundred And Thirty Three Crores, Sixty Five Lakhs Fourteen Thousand Seven Hundred And Fifty Only) in TVS Credit Services Limited, (TVS CS) (Out of the total investment in 13,47,41,600 equity shares of TVS CS held by the company) to TVS Motor Company Limited (TVSM) in consideration for redemption of 61,30,10,000 (Sixty One Crore Thirty Lakhs And Ten Thousand) Non Convertible Redeemable Preference Shares(NCRPS) held by TVSM in the company and accordingly the entire NCRPS so redeemed and all liabilities attached thereto, were cancelled and extinguished. Consequent to this transfer of 13,36,51,475 Equity shares of TVS CS to TVSM, TVS CS ceased to be a subsidiary subsidiary of the company. Besides the above Redemption of preference shares, the company has not done any buyback of securities;
  - v) The shareholders in the Extra Ordinary General Meeting held on 23<sup>d</sup> March, 2020 has passed resolution for authorizing the board of directors for making borrowing under section 180(1)(c) of the Act upto Rs.50 crores and also delegated powers under Section 180(1)(a) of the Act, to secure the borrowings and has complied with the provisions of the Act in relation thereto. Pursuant to the above approval by the shareholders, the company has issued and allotted 4,50,00,000 8% NCDs aggregating to Rs.45 crores to TVS Motor Company Ltd. and that the company has complied with the provisions of the Act in relation thereto.
  - vi) No Foreign technical collaborations have been entered into during the year under review.

## INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2020

### To the Members of TVS Motor Services Limited

#### Report on the Audit of the Stand-alone financial statements

##### Opinion

We have audited the financial statements of TVS Motor Services Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the company as at 31<sup>st</sup> March 2020, the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

##### Basis for Opinion

We conducted our audit of the financial statements in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Information Other than the Financial Statements and Auditor's Report Thereon.

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

##### Emphasis of Matter

As described in Note no. 34 to the financial statements, the company has given impact to the opening balance of the retained earnings to account for rectification of error in the prior period, in line with the treatment prescribed in IND AS for the same. Our opinion is not modified in respect of the above matter.

#### Responsibilities of the Management and Board of Directors, for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making

judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

##### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher, than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during

our audit.

We also provide those charged with governance, a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law Not Sure or regulation precludes public disclosure about the matter, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.

As required by the Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose our audit.
- (b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with book of accounts.
- (d) In our opinion, the aforesaid financial statements comply with Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rule, 2014.
- (e) On the basis of written representations received from the directors as on 31<sup>st</sup> March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2020 from being appointed as directors in term of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over the financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the renumeration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

(h) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on the financial position in its financial statements- Refer Note 32 to the financial statements;
- ii. The company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, the Investor Education and Protection Fund by the Company.

## Annexure "A" to Independent Auditors' Report 31<sup>st</sup> March 2019

(Referred to in our report of even date)

- i) a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets;
- b) The fixed assets of the Company consist of land. We are informed by the management that the same has been verified during the year, and no material discrepancies were noticed. In our view the periodicity of such verification is reasonable;
- c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of the immovable properties (investment property) are held in the name of the company, except in the case of the Land with a book value of Rs. 5,542 lakhs wherein the Company holds unregistered agreement to sell in its name;
- ii) The company is not a manufacturing or a trading company and does not carry any inventory. Hence, clause (ii) to paragraph 3 of the order does not apply here;
- iii) During the year, the Company has not granted any loan to a company, firm or other parties covered in the register maintained under section 189 to the Companies act 2013;
- iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act in respect of grant of loans, making investments, as applicable. The company has not provided any guarantees or securities;
- v) The Company has not accepted any deposits from the public within the meaning of section 73 to 76. Hence, reporting under sub-clause (v) of paragraph 3 of the Order is not applicable to the company;
- vi) The Central Government has not specified the maintenance of cost records under section 148(1) of the Act. Therefore, the provisions of clause (vi) of paragraph 3 of the Order are not applicable to the Company;
- vii) a) According to the information and explanation given to us, and on the basis of our examination of the records of the company, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees state insurance, Income-tax, sales-tax, custom duty, excise duty, service tax, value added tax, cess, goods and services tax and any other material statutory dues with the appropriate authorities;
- b) According to the information and explanations given to us, no undisputed amounts payable in respect of income-tax, sales-tax, custom duty, excise duty, service tax, value added tax, cess, goods and services tax, were in arrears as at 31st March 2020 for a period of more than six months from the date they became payable;
- c) According to the information and explanations given to us, following are the details of the disputed dues that were not been deposited on account of any dispute as on 31<sup>st</sup> March 2020:

Name of State/ Nature of Dues	Period of dues	Amount (in lakhs)	Forum where dispute is pending
Income Tax Act 1961	2011-12	1.06	Commissioner of Income Tax (Appeals)
	2012-13	0.35	
Orissa Entry Tax	2008-09 to 2012-13	2.03	High Court of Orissa - subject to appeal by Commercial Tax department

- viii) Based on our verification and according to the information and explanations given by the management, the company has not defaulted in repayment to debenture holders. The company has not borrowed monies from the government, financial institutions or banks;
- ix) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer, or term loans. The monies raised from the issue of debentures have been utilized for the purposes for which they were raised;
- x) Based on the audit procedures adopted and the information and explanation given to us, no material frauds by the company or on the company by its officers or were noticed or reported during the year;
- xi) In our opinion and according to the information and explanations given to us, no managerial remuneration has been provided for or paid during the year. Hence there is no requirement to report under clause (xi) of The Order;
- xii) The Company is not a Nidhi Company and as such this clause of the order is not applicable;
- xiii) In our opinion and according to the information and explanations given to us, all transactions with the related parties are in compliance with section 177 and 188 of the act and details of such transactions have been disclosed in Ind AS financial statements as required by the applicable accounting standards;
- xiv) According to the information and explanation given to us and in our opinion, the company has made a preferential allotment of shares during the year under review, and the requirements of Section 42 of the Act have been complied with in this regard. The amounts raised have been used for the purpose for which the funds have been raised;
- xv) According to the information and explanation given to us and in our opinion, the company has not entered into any non-cash transactions with directors or persons connected with them;
- xvi) The company is not required to be registered under section 45-IA of the Reserve Bank Act, 1934.

Annexure "B" to Independent Auditors' Report 31<sup>st</sup> March 2020

(Referred to in our report of even date)

## Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of TVS Motor Services Limited ("the Company"), "Jayalakshmi Estates" No.29 Haddows Road Chennai 600006 , as of 31<sup>st</sup> March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management's and Board of Directors Responsibility for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained, and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial

reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that;

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

## 1. Significant Accounting Policies forming part of Financial Statements

### COMPANY BACKGROUND

TVS Motor Services Limited ('the Company') is a public limited company incorporated and domiciled in India. The registered office is located at "Jayalakshmi Estates", 29, Haddows Road, Nungambakkam, Chennai – 600006, Tamil Nadu, India.

### SIGNIFICANT ACCOUNTING POLICIES

#### a. Basis of preparation of accounts:

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

#### b. Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

➤ certain financial assets and liabilities that is measured at fair value;

#### c. Critical Estimates and judgments

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

#### d. Prior period error

Errors have been made in the previous years in estimates of fair value and eligibility of deferred tax. These errors are such that it is difficult to estimate accurately the period in which the impact has to be considered. As a result, in accordance with Ind AS the accounting of these errors, after quantification, has been reflected in the opening balance for the current year with concomitant impact adjusted in the Opening Reserves and Surplus.

#### e. Investment property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefit associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

#### f. Revenue Recognition

- Income is recognized as per the terms of contract, on accrual basis.
- Dividends are recognised in profit or loss only when the right to receive payment is established.

#### g. Financial Assets:

##### 1) Classification

The Company classifies its financial assets in the following categories, those to be measured subsequently at

- fair value through other comprehensive income,
- fair value through profit or loss, and
- Measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

##### 2) Measurement:

At initial recognition, the company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss. Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

#### Debt Instruments:

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments.

##### Amortised Cost:

Assets that are held for collection of contractual cash flows where those cash flows represent sole payments of principal and interest are measured at amortised cost. A gain or loss on debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is de-recognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

##### Fair Value through profit or loss:

Assets that do not meet the criteria for amortised cost or Fair Value through Other Comprehensive Income (FVOCI) are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented in the statement of profit and loss within other gains / (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

#### 3. Impairment of financial assets:

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for, the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

#### 4. De-recognition of financial assets:

A financial asset is derecognised only when:

The Company has transferred the rights to receive cash flows from the financial asset or the Company retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised, if the Company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

#### 5. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

#### h. Taxation

- Provision for current tax is made on the basis of taxable income for the current accounting year in accordance with the Income Tax Act, 1961.
- Deferred income tax provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

# TVS MOTOR SERVICES LIMITED

---

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

A deferred tax asset is recognised for unclaimed tax credits that are carried forward as deferred tax assets.

## i. Functional Currency:

Functional and presentation currencies:

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"), i.e in Indian rupees (INR) and all values are rounded off to nearest lakhs except where otherwise indicated.

## j. Goods and Service Tax Input Credit

Eligible Goods and Service Tax input credit is accounted as receivable when the underlying service is received, as per the Goods and Service Tax Act Rules applicable to Non-Banking Financial activities.

## k. Borrowings

Borrowings that are not eligible to be carried under amortised cost model is designated as fair value through profit or loss on initial recognition.

Borrowings are initially recognised at fair value, net of transaction cost incurred. Processing fee on loan borrowed is amortized over the tenor of the respective loan.

Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of the borrowings, using the effective interest method. Fees paid on the established loan facilities are recognised as transaction cost of the loan, to the extent that it is probable that some or all the facility will be drawn down.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gain/(loss).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

## l. Borrowings cost:

Borrowing costs are expensed in the period in which they are incurred.

## m. Recovery cost:

Recovery cost representing the expenditure incurred in recovery of the outstanding dues are accounted in the year in which the expenditure are incurred.

## n. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of the transactions of non cash nature. Deposits which are lien marked with maturity period exceeding 3 months are not treated as cash and cash equivalent for cash flow statement.

## o. Earnings Per Share

The basic earnings per share is computed by dividing the net profit / loss attributable to the equity shareholders for the period by the weighted average number of equity shares outstanding during the reporting period. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving earnings per share, and also the weighted average number of equity shares, which could have

been issued on the conversion of all dilutive potential shares. In computing dilutive earnings per share, only potential equity shares that are dilutive and that reduce profit per share are included.

## p. Impairment

The carrying amounts of assets are reviewed at each balance sheet date for indication of any impairment based on internal/external factors. An impairment loss is recognized wherever carrying amount of the assets exceeds its recoverable amount. Any such impairment loss is recognized by charging it to the Statement of Profit and Loss. A previously recognized impairment loss is reversed where it no longer exists and the assets are restated to the effect.

## q. Operating Cycle

All assets & liabilities are classified as Current and Non-Current based on the operating cycles which have been estimated to be 12 months and which are expected to be realized and settled within a period of 12 months from the date of the Balance sheet.

## r. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker

## s. Provisions

A provision is recorded when the Company has a present or constructive obligation as a result of present obligation, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

## t. Contingent liabilities

Wherever there is a possible obligation that may, but probably will not require an outflow of resources, the same is disclosed by way of contingent liability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

## u. Equity

Equity shares are classified as equity, Distributions to holders of an equity instrument are recognised by the entity directly in equity. Transaction costs of an equity transaction shall be accounted for as a deduction from equity.

## v. Business Combination

Business combinations involving entities under common control are accounted for using the pooling of interests method as follows:

- (i) The assets and liabilities of the combining entities are reflected at their carrying amounts.
- (ii) No adjustments are made to reflect fair values, or recognise any new assets or liabilities. The only adjustments that are made are to harmonise accounting policies.
- (iii) The financial information in the financial statements in respect of prior periods should be restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, if business combination had occurred after that date, the prior period information shall be restated only from that date.
- (iv) The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee or is adjusted against general reserve.
- (v) The identity of the reserves are preserved and the reserves of the transferor becomes the reserves of transferee.
- (vi) The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves.

**FVTPL:- Fair Value through Profit and loss**

**FVOCI:- Fair Value through Other comprehensive Income**

#### (i) Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

#### Financial assets and liabilities measured at fair value - recurring fair value measurements

Particulars	Notes	At 31 March 2020	At 31 March 2019
<b>Level 3 Measurements</b>			
<b>Financial Assets</b>			
Investments	4	340.55	345.56
<b>Total financial Assets</b>		<b>340.55</b>	<b>345.56</b>
<b>Financial liabilities</b>			
Borrowings	15	0.00	104,248.15
<b>Total financial liabilities</b>		<b>0.00</b>	<b>104,248.15</b>

#### Assets and liabilities which are measured at amortised cost for which fair values are disclosed

Particulars	Notes	At 31 March 2019	At 31 March 2018
<b>Level 3 Measurements</b>			
<b>Financial assets</b>			
6% Preference shares	4	-	13,771.43
<b>Total financial assets</b>		<b>-</b>	<b>13,771.43</b>
<b>Financial liabilities</b>			
Payable towards purchase of Investments	16	8,344.68	11,435.13
<b>Total financial liabilities</b>		<b>8,344.68</b>	<b>11,435.13</b>

(Rs. In Lakhs)

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

**Level 2:** The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, included in level 3.

There are no transfers between levels 1 and 2 during the year.

The company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

**(ii) Valuation technique used to determine fair value**

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the use of entity specific growth rates and discount rates applicable to the entity
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 2

**(iii) Fair value measurements using significant unobservable inputs (level 3)**

		Preference shares
As at 1 April 2019		104,248.15
Issue/ (redemption)		(104,248.15)
Gains/losses recognised in profit or loss		-
Gains/losses recognised in OCI		-
<b>31-Mar-20</b>		<b>0.00</b>

**(iv) Valuation inputs and relationships to fair value**

Particulars	Fair value as at		Significant unobservable inputs*	Probability-weighted range for the year end		Sensitivity
	31-Mar-20	31-Mar-19		31-Mar-20	31-Mar-19	
Preference shares	-	104,248.15	a) Earnings growth rate  b) Risk adjusted discount rate	-	20-30%  18.32%	If the growth rate increases by 5% and reduction in discount rate by 50bps, the value of preference shares will increase by 2% and vice versa.

**(v) Valuation processes**

Discount rates are determined using a capital asset pricing model to calculate a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the asset and Earnings growth factor.

Risk adjustments have been derived based on the market risk premium adjusted for companies levered financial data

# TVS MOTOR SERVICES LIMITED

(Rs. In Lakhs)

**(vi) Fair value of financial assets and liabilities measured at amortised cost**

	31-Mar-20		31-Mar-19	
	Carrying amount	Fair value	Carrying amount	Fair value
<b>Financial assets</b>				
Zero Coupon bond	-	-	-	-
6% Preference shares	-	-	14,657.32	13,771.43
Cash and cash equivalents	625.27	625.27	292.56	292.56
Receivable towards sale of property	6,298.05	6,298.05	6,298.05	6,298.05
<b>Total financial assets</b>	<b>6,923.31</b>	<b>6,923.31</b>	<b>21,247.93</b>	<b>20,362.03</b>
<b>Financial Liabilities</b>				
Trade payables	170.44	170.44	207.43	207.43
Payable towards purchase of Investments	3,953.04	8,344.68	11,016.40	11,435.13
Other financial liability	4,327.70	4,327.70	460.40	460.40
<b>Total financial liabilities</b>	<b>8,451.18</b>	<b>12,842.82</b>	<b>11,684.24</b>	<b>12,102.97</b>

The carrying amounts of trade receivables, receivables for sale of property, trade payables, cash and cash equivalents and other current financial liabilities are considered to be the same as their fair values, due to their short-term nature.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

## 29 Financial risk management

The company's activities expose it to liquidity risk and credit risk.

**(A) Credit risk**

Credit risk arises from cash and cash equivalents, and receivables for sale of property

*(i) Credit risk management*

Credit risk on cash and cash equivalents are managed by depositing in high rated banks/institutions are accepted and company faces negligible credit risk on receivable from sale of property

**(B) Liquidity risk**

Company is managing liquidity risk by issue of Preference Shares

*(i) Maturities of financial liabilities*

The tables below analyse The company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

a) all non-derivative financial liabilities, and

b) net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

**Contractual maturities of financial liabilities:**

31 March 2020	Less than 3 months	Between 3 Month and 1 year	Between 1 and 2 years	Greater than 2 years	Total
<b>Non-derivatives</b>

## 30 Capital management Risk management

The company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, The company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

Consistent with others in the industry, The company monitors capital on the basis of the following gearing ratio:

Net debt (total borrowings net of cash and cash equivalents) divided by Total 'equity' (as shown in the balance sheet).

The company's strategy is to maintain a optimal gearing ratio. The gearing ratios were as follows:

	March 31, 2020	March 31, 2019
Net debt	4,512.48	104,248.15
Total equity	6,746.56	23,148.28
<b>Net debt to equity ratio</b>	<b>0.67</b>	<b>4.50</b>

## 31 Segment information

<b>Surplus / (Deficit) carried to Balance sheet</b>	<b>521.21</b>	<b>388.35</b>

### Company's Performance

During the year under review, the assets under management stood at ₹9,215 Cr as against ₹8,335 Cr during the previous year registering a growth of 11%. Total income during the financial year 2019-20 increased to ₹2,014.68 Cr from ₹1,634.17 Cr during the financial year, an increase of 23% over the previous year. The profit before tax and exceptional items for the year has also improved and stood at ₹218.31 Cr as against ₹215.97 Cr during the previous year.

Above financial performance are based on Indian Accounting Standards (Ind-AS). The Company has adopted Ind-AS from April 1, 2018 with effective transition date of April 1, 2017 pursuant to MCA notification dated March 31, 2016 and financial statements has been prepared in accordance with Division III of Schedule III of Companies Act 2013 notified by Ministry of Corporate Affairs (MCA) on October 11, 2018.

### Key Performances During the Financial Year

The Company disbursed ₹3,223 Cr of Two Wheeler Loans as against ₹3,265 Cr in the previous year, registering a de-growth of 1.3%. The Company continues to be the leading financier for TVS Motor Company Ltd.

The Company disbursed ₹740 Cr of Used Car Loans as against ₹1,123 Cr in the previous year by focusing more on profitable areas.

The Company disbursed ₹1,172 Cr in overall Tractor Loan segment as against ₹832 Cr in the previous year, registering a growth of 41%.

In Consumer Durable Loans, the Company disbursed ₹1,025 Cr to 5.2 lakh customers as against ₹1,046 Cr to 5.3 lakh customers in the previous year.

The Company scaled up its Used Commercial Vehicle finance and disbursed ₹574 Cr during the current year as against ₹268 Cr in the previous year.

The Company also did Cross Selling business to its existing customers to the tune of ₹525 Cr as against ₹479 Cr during the previous year registering a growth of 9.6%.

In line with Company's long term vision of being preferred financier with diversified and profitable portfolios, the Company commenced Medium Small and Micro Enterprises (MSME) financing. The Company has scaled up MSME financing through 5 branches in Tamilnadu and Karnataka in addition to financing through Pan-India alliance programmes and made disbursal of ₹326 Cr during the financial year.

## **2. MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **Economic Outlook**

GDP outlook for FY21 is forecasted to be around 1.8% to 1.9% due to sharp contraction of private consumption as a result of large scale loss of income across the economy on account of COVID-19 outbreak. Besides both domestic supply and demand disruptions (on the back of weak external demand) are expected to result in a sharp growth deceleration in FY21.

Current Account Deficit (CAD) outlook for FY21 will be around 0.2% of GDP due to culmination of softer prices of commodity and crude oil. 10 Yr G-sec yield stood at 6.2% as at end Mar'20 as compared to 7.5% as at end Mar'19. Outlook of FY21 will be expected to be higher at 6.5% despite lower inflation and softer policy rates, higher market borrowings amid fiscal slippage will push up yields.

### **Industry Developments**

#### **1. Non-Banking Finance Companies (NBFCs)**

The Assets Under Management (AUM) of NBFCs grew by around 6% to 8% translating estimated value of Rs 25.4 trillion. AUM growth was at decadal low in FY20. There is de-growth in both Corporate loan segment and Retail loan segment. Retail loan de-growth was mainly due to demand slowdown in the vehicle segment, which contributes almost 50% to the overall Retail-NBFC AUM. Corporate loan growth shrinkage is due to weaker off take in the small and medium enterprises (SME) segment led to slower growth.

Non-banks largely cater to the self-employed borrower segment in the retail space, where the cash flows are expected to be more volatile in the current situation vis-à-vis their salaried counterparts. Other non-bank (non-retail) exposures are to entities or SMEs with relatively moderate risk profiles, which accentuates their credit risk in the current scenario. The outlook for NBFCs is, therefore, negative at present, as the business growth and all key performance parameters (asset quality, solvency, liquidity and earnings) are expected to weaken over the next 1-2 quarters and recovery in the latter part of the next fiscal would depend on the overall economic turnaround. Non-banks, which are already facing funding constraints and an expected increase in delinquencies, are likely to focus more on collections at least in the near term. Non-bank are turning cautious and tightening lending norms post COVID-19, while reiterating concerns around unsecured retail credit.

#### **2. Two Wheeler**

With around 18% year-on-year decline in wholesale dispatches, the domestic Two wheeler industry witnessed the worst volume contraction in more than a decade during FY2020. Over the past 18 months the two-wheeler customer has been facing rising cost of ownership amidst slowing macroeconomic growth and liquidity constraints. Demand headwinds would continue over near term amidst weak global and domestic economic sentiments which have been further aggravated by COVID-19 pandemic. Demand may revive, albeit at muted space, in second half of FY21, supported by pickup in economic activity, agri-trends and availability of BS-VI vehicles, which provides clean and safe mode of mobility. Two wheeler demand largely rural driven may recover at a faster pace than rest of automotive industry.

The demand for personal mobility will increase due to customers' need to ensure personal safety. With the growing aspirations of common man and good financing options being made available, there is fundamental head room for increase in penetration which will lead to increase in demand and growth in coming years.

Two wheeler finance is estimated to de-grow by 8% to 10% since affected by unprecedented COVID-19, however the damage can be minimised to some extent because of increase in farm income due to Rabi harvest, improved rural development and availability of attractive financing options.

### **3. Passenger Vehicle**

Domestic passenger vehicle (PV) industry is in the grip of slowdown for the last 4-6 quarters, amid slowdown in economy and tighter financing environment. Moreover, inventory destocking at dealerships has taken further toll on wholesale despatches. Impact of COVID-19 on economy and consumers' confidence will result in deferral of discretionary purchases like cars and H1FY21 likely to witness muted retail demand. Recovery in rural income and improvement in overall economic activity remain crucial to have any meaningful improvement in retail demand off take.

Used Car sales are growing at greater than 20% CAGR in last 3 fiscal years mainly due to shorter car replacement cycles and increasing market penetration as more than 60% of used car purchase are by first time buyers. Considering de-growth of new passenger vehicle, lower cost factor, more preference to private transport due to COVID-19, the used car segment will comparatively fair better.

The used car segment is estimated to be bigger (in volume terms) than the new car market. Used car provides with an opportunity for affordable entry into car market and also some down-trading might happen due to the current economic conditions. Low finance penetration in this segment provides an opportunity for growth.

### **4. Tractor**

The growth of Tractor declined in FY20, despite normal monsoon, mainly due to higher inventory levels, slowdown in rural construction activities, de-growth in Kharif production. Now Agri tractor demand contributes only 75% and commercial contributes 25%. It is expected that Agri tractor demand contribution will increase to 85% because of increase in crop output. In FY21, the tractor industry is expected to decline by 6%-8% owing to unprecedented COVID-19 crisis; however it is the least affected segment comparatively. Above normal monsoon expectations and healthy reservoir levels should help growth revival.

NBFC credit performance to tractor is expected to be impacted by tepid tractor sales, further accentuated by the base effect of AUM growth in last year. With low rural income growth, low demand in commercial tractor sales, the outlook for FY21 is expected to decline by ~6%. The haulage segment (estimated to be 40-50% of the overall non-bank portfolio) would be affected as the economic activity slows. However, the agri segment would be relatively less impacted.

### **5. Consumer Durable**

The consumer durables demand is estimated to decline by around 14-16% in FY21. On the supply side, companies will take some time to streamline the supply chain and manage inventories and are hopeful of revival in demand and opening of outlets with improvement in COVID-19 situation.

The loan disbursals in the consumer durables segment is set to de-grow at a rate of ~10-12% in FY21 owing to COVID-19 and tight credit underwriting norms might get implemented by NBFCs and lower income growth inducing customer to spend lower on discretionary items.

### **6. Commercial Vehicle (CV)**

The slowdown in the domestic CV industry, which started from H2 FY2019, has accentuated during FY2020, with volumes contracting by sharp 19%. The segment has been impacted by double

whammy of excess capacity along with subdued freight availability, which has suppressed freight rates and kept profitability of fleet operators under pressure. Coupled with tight liquidity in the NBFC space, and expectations of a GST rate cut, fleet operators had deferred their vehicle purchases in the current scenario. In FY2021, CV industry is expected to de-grow by ~14% owing to slump in demand due to COVID-19 and increase in vehicle cost due to BS-VI. The customers will prefer used CV's since the cost of ownership will be lower and the industrial activity is expected to revive gradually. However, sizeable share of older vehicles plying the roads given subdued new CV volumes and regulatory restrictions on age of vehicles will be deterrent.

NBFC credit to new CV segment grew 11% year-on-year (y-o-y) while used CV segment registered a growth of 13% y-o-y. New CV disbursement rate is witnessing a downward trend since Q4 FY2019 as demand has slowed. In FY2021, New CV segment is expected to de-grow by ~15-17%, used CV by ~9-11% and overall ~9-10% owing to impact of COVID-19, lower industrial activity and subdued demand scenario. However, with growth of ecommerce industry and logistics aggregators, there will be increase in demand for SCV, LCV and ICV vehicles.

## **7. MSME**

Currently accounting for 29% of India's GDP, the MSME sector comprises 63.3 million enterprises and employs more than 110 million of India's population across rural and urban areas. The MSME sector has registered a CAGR of around 10% in gross value addition over the last five years.

The COVID-19 impact has been devastating on Indian start-ups and SMEs which were considered the backbone of the Indian economy.

Owing to COVID-19, all the industries are hit tremendously with no activity and it is estimated that it will take atleast six months for everything to get normalised. In such scenarios the credit to MSME sector is estimated to de-grow by ~4% owing to adverse outcomes looming large on the economy and clampdown on economic activity in the past few weeks owing to COVID-19.

### **Opportunities**

Even though NBFCs have been diversifying into various lending segments – niche presence in few specific segments has remained a key success mantra for most NBFCs. Developing suitable innovative products to address B2B requirements and digital lending solutions to SME eco systems will be key focus areas of growth. With increasing presence across geographies, relatively faster turnaround time and adaption of new technology platforms, there is wider scope for NBFCs to improve their retail finance penetrations. Cross-selling of existing products, mining of existing good payment track customers in the current situation and generating fee-based income has also been the emerging opportunities.

Emerging technology driven business models provides good opportunity to transform the lending and underwriting landscape by improving productivity, lowering cost, expansion of target market segment and geographical reach.

To ensure optimum utilisation of available opportunities, the Company will be focusing on :

- Working in close coordination with TVS Motor Company through integration of systems , providing attractive financing schemes and expansion on fast recovering geographies and segments
- Undertaking measures to improve productivity and optimise cost across products
- In Used CV financing, focus will be on SCV, LCV & ICV segments and extending finance to existing customers with proven track record along with tighter credit norms
- Since agri economy is least impacted by COVID-19, expansion to new tractor dealers with better credit will be explored
- High affordability and low risk segment customers for cross-selling
- Focus on current tie-ups and early revival sectors for MSME ecosystem finance along with tightening of credit filters across all sectors

- Leverage digital marketplaces and Fin Tech companies to co-originate MSME loans in the identified sectors

### **Threats**

Due to minimal GDP outlook, NBFC credit growth will decline around 3% to 4% in extremely challenging environment. Underscoring that COVID-19 and its aftermath will affect many businesses, the SME and retail segments will be more affected than the corporate segment. Resumption of timely repayments after moratorium, which only provides near-term respite, remains doubtful, especially for the unorganised segments with limited alternative funding avenues. NPAs are expected to rise 150 bps to 200 bps in FY21 since debt servicing ability of borrowers likely to be hit due to pandemic-led economic slowdown. With low credit growth, challenges in recovery / collections, likely rise in credit cost, weakness in asset quality will adversely affect profitability in FY21.

### **New Regulatory Framework – Reserve Bank of India**

Reserve Bank of India has issued following important guidelines to NBFCs during the year:

- Appointment of Chief Risk Officer (CRO) for NBFCs with asset size of more than ₹50 billion.
- Amending KYC master directions with reference to changes made in Aadhar and Other Laws (amendment) Ordinance, 2019 and amendments made by GOI to the Prevention of Money-laundering (Maintenance of Records) Rules, 2005. vide Gazette Notification G.S.R. 108(E) dated February 13, 2019, permitting Video based Customer Identification Process (V-CIP) as a consent based alternate method of establishing the customer's identity, for customer onboarding.
- Prudential Framework for Resolution of Stressed Assets in terms of the provisions of Section 35AA of the Banking Regulation Act, 1949, for initiation of insolvency proceedings against specific borrowers under the Insolvency and Bankruptcy Code, 2016 (IBC).
- NBFCs not to charge foreclosure charges/ pre-payment penalties on any floating rate term loan sanctioned for purposes other than business to individual borrowers, with or without co-obligant(s).
- Liquidity Risk Management Framework for Non-Banking Financial Companies and Core Investment Companies.
- Restructuring of Advances given to MSME sector subject to certain stipulations.
- Regulatory guidelines on Implementing of Ind AS on finalisation of accounts by NBFCs.
- COVID-19 - Operational and Business Continuity Measures - Steps to be taken by the banks/ financial institutions as a part of their existing operational and business continuity plans for preventing and controlling the local transmission of disease
- COVID-19 - Regulatory Package: Regulatory measures to mitigate the burden of debt servicing brought about by disruptions on account of COVID-19 pandemic and to ensure the continuity of viable businesses.

### **Key Initiatives during the Year**

#### **1. Alternative Sourcing models and Network expansion**

The Company is present in 22 States and Union Territories covering more than 3000+ distribution networks. In the drive to improve the service level to its customers, digitize its service offerings and process flows, the Company uses web based platforms, mobile applications and tablets for loan processing and collections. The Company is investing in fintech projects and data analytics which helps in faster primary decision making at the time of customer underwriting and life cycle management thereafter.

The Company implemented the following major technology initiatives through robust IT network systems and point of sale solutions.

- Implemented new process and system for cross-selling Personal Loans to existing customers of Two Wheeler, Used Car & Tractor having good repayment history & good credit bureau score.
- Integration with Customer Service Center (CSC) for sourcing leads for Company's Loans and for receiving payments from customers in rural areas.
- Integration with external partners for Tyre and Fuel Loan requests from their network of users into Company's MSME system
- Developed Alliance Partner Portal for Channel Partner Usage with respect to MSME Loans
- Integration with consumer OEM dealers to source loans and to enable customer repayment tracking
- Straight Through Process for Two Wheeler Loan customers to apply online and obtain soft sanction
- Straight Through Process for Used Car Dealer Partners to check eligibility on behalf of customers

In the Used tractor segment, alternate channels through referral agents were scaled up for demand generation. In-house blue book credit evaluation model has been scaled up for Tractor financing.

## **2. Recovery Management**

The Company has implemented tele-calling process based on collection score technique to improve easy self-pay method by the customers. Statistical tools are used extensively to improve predictability in resolutions of delinquent customers and residual management to minimise loss to the Company. Data analytics are being used for allocation of collectibles to the field resulting in cost optimisation and improved productivity. The Company has given alternate payment methods to encourage customers to make cash less payment through payment gateways and tie up with other digital platforms.

The Company simplified the collection updating process and online Hypothecation cancellation form generation by automating through Robotics Process Automation (RPA). The Company also introduced image based Auto Debit mandate registration process for Consumer durable financing to expedite process timelines. Besides, the Company implemented Chatbot & Whatsapp Bot on the Company's website for automating the frequently asked queries at Call center.

## **3. Quality**

In the journey towards excellence, the Company continues to focus on quality. The Company carries out periodic assessment of gaps and takes immediate actions to address such identified gaps which have resulted in strengthening the process across the Company. The Company obtained ISO Quality ISO9001/2008 and ISMS 27001:2013 certification in 2017 for all processing hubs and central operations. ISMS 27001:2013 recertification obtained with coverage of all hubs of the Company.

### **Information Technology**

The Company strengthened its security landscape by implementing prioritized cyber security projects focusing on access management, Network Security, Data Protection and Secured Development. Regulatory and Compliance standards were adhered by completing IPv6 migration, applications VAPT and all mobile applications security wrapping. It successfully performed Business Continuity & Disaster Recovery Drills. Implemented the Reserve Bank of India Information Technology framework recommendations for the NBFC sector and ensured compliance to the same.

During COVID-19 period, secured VPN access was provided to users to connect to organizational resources and perform their day to day activities seamlessly. Desktops, Laptops & accessories for Internet connectivity were arranged for the end users in a timely manner to work from home. Calls

were redirected to the IT Helpdesk Team directly from the Toll-free number for continuous support to the employees

The Company will continue to focus on data privacy and information security. With growth in business and geographical expansion, the Company is investing in artificial intelligence and machine learning systems to strengthen its internal financial control framework and fraud control systems.

### **Marketing**

The Company has launched the new TVS Credit visual identity in-line with the changing business model and focus. The Company continues to strive to create best in class user experience for its customers and channel partners through digital points like Saathi app, interactive chat bot in the website and conducting NPS and brand health researches. The Company has conducted TVS Credit E.P.I.C. – first campus connect contest which garnered over 10,000 registrations across more than 500 B-Schools and Engineering colleges. The Company also implemented innovative ambient branding across dealerships in order to increase brand visibility and saliency. In partnership with NGO, the Company provided vocational training to customers and their families in Tier 3/Tier 4 towns towards enriching their lives and empowering their aspirations. The Company also increased its engagement with customers through campaigns on social media channels. The Company has won several awards ranging from NBFC Leadership award by eLets, Drivers of Digital Awards by Inkspell Media, Champions of Rural Markets by the Economic Times, and Big 50 CIO Innovators Award by Trescon CIO.

During COVID-19 period, the Company provided:

- Calenderised communication to employees, customers and partners focusing on the following objectives: 1. Awareness Creation, 2. Employee Engagement and 3. Business Continuity.
- Our daily employee communication focused on key elements such as overall guidelines for COVID-19 symptoms, precautions, government guidelines, Work from Home Guidelines, Employee engagement, People Measures, etc.
- In order to ensure maximum reach, the Company used multiple medium such as SMS, mailers, posters , LinkedIn, whatsapp. Guidelines were converted into Visual SOPs in order to ensure ease of understanding for all employees.
- In terms of moratorium-related customer communication, spirit and tonality has been in line with Company's core brand values of Empathy and Pro-activeness.
- For both existing and prospective customers, innovative social media campaigns are being run with tips on continuous learning, ways to reconnect with loved ones during COVID-19 and tips on staying mentally and physically fit during this period.

### **Human Resources**

People remain the most valuable assets of the Company. The Company has developed a robust human resource management framework to maximise employee performance. The Company is professionally managed with senior management team having rich experience and long tenure with the Company. The Company has created succession roadmap to build leadership pipeline and also has undertaken many initiatives to develop organisational leadership and culture. The Company continuously focuses on Talent management and leadership development processes which included development centers, Individual development plan and upskilling programs. The Company uses contemporary technology and automation for recruitment process, training and performance monitoring to improve productivity. The Company has also launched continuous employee recognition and training programs to develop a talented workforce to meet day to day business challenges. The cornerstone of our people strategy is to ensure that talent development, internal mobility, promotion, rewards and performance work in a well synchronised manner to reinforce our values - Nurturing, Innovation and Empowerment. The Company also introduced change management process programme named "Last Mile Connectivity" with objective that the final doer (called Last Mile) of the required action understands the change and is able to execute the required changes confidently. The Company has won an award for better attrition prediction model under the category "Talent Accelerator – Future Ready Workforce" at the Digital Transformation Awards 2019.

During COVID-19, the core objectives that drove the Response Action Plan were Awareness creation, Employee Well – Being and Business Continuity. Emergency financial assistance, transport arrangements to medical emergencies, medical assistance for pregnant ladies / elderly parents and children support has been provided to employees. Virtual Learning and Recognition played a vital role in keeping the employees engaged and motivated during this period.

The Company duly complied with all the statutory compliances related to employment and labour laws. As on 31<sup>st</sup> March 2020, the Company had 13,106 employees on its rolls.

### **Data & Analytics**

The Company leveraged machine learning based credit underwriting for Two-wheeler and consumer durable loans. These automated, algorithmic models have improved credit performance and efficiencies. Besides the above, the Company also started machine learning based Intellectual Property development in collections by developing and deploying a series of models that predict propensity to pay for customers in current and overdue status. The Company also deployed an attrition prediction model already noted above. Further, the Company completed the data management and governance assessment to understand areas to strengthen underlying data to further AI and algorithmic deployments. Data lake program has also begun to modernize the analytics data infrastructure. The Company has started a data enrichment program to harness additional data and has created several customer dimensions that are being leveraged in the cross-sell program. The Company added geographic and demographic variables related to COVID-19 to refresh the algorithmic models and fine tune collections and cross-sell programs.

### **Funding**

With equity infusion, participation from NBFCs, banks and financial institutions in the form of Tier 1 (Perpetual Debt Instrument) and Tier 2 capital (Subordinated Debt), the Company has an adequate Capital Adequacy Ratio (CAR) and Prudent Asset Liability Mix (ALM). The CRAR as on 31<sup>st</sup> March 2020 stood at 17%. As on 31<sup>st</sup> March 2020, cumulative ALM mismatch (within 1 year Bucket) turned positive around 9% as against accepted mismatch of 15% as per RBI Guidelines.

During the year, the Company has obtained fresh sanctions to the tune of ₹3,450 Cr (including long & short term borrowings) to meet its business requirement. The Company has raised maiden External Commercial Borrowings (ECB) to the tune of ₹635 Cr on fully hedged basis during FY20. In these challenging situations, the Company has taken various initiatives to raise funds at the cost commensurate with its rating by way of funding mix with borrowings from Public sector banks, Private sector banks, Foreign Banks, Financial Institutions, ECB and Capital Markets.

All interest and principal repayments were paid on time. The assets of the Company which are available by way of security are sufficient to discharge the claims of the banks as and when they become due.

With the diversification of business into MSME loans, consumer durable, used commercial vehicles and other segments, the funding programme is managed effectively to meet the business requirements at competitive rates.

### **Credit Ratings**

<b>Facility</b>	<b>Rating</b>
Commercial Paper	CRISIL/ICRA:A1+
Working Capital Demand Loans	CRISIL/BWR:AA-
Cash Credit	CRISIL/BWR:AA-
Term Loans	CRISIL/BWR:AA-
Non-Convertible Debentures-Long-Term	CRISIL:AA-
Perpetual Debt	CRISIL/BWR: A+
Subordinated Debt	CRISIL:AA-

### **Share Capital**

During the year under review, the board of directors issued and allotted 69,76,600 equity shares at a face value of ₹10 per share with premium of ₹119 per share.

The paid up capital of the Company accordingly stood increased from ₹178.20 Cr (17,82,05,700) equity shares of ₹10/- each to ₹185.18 Cr (18,51,82,300) equity shares of ₹10/- each as on 31<sup>st</sup> March 2020.

### **Dividend**

The Directors have not proposed any dividend for the year under review, as the resources are required for future growth of business of the Company.

### **Transfer to Statutory Reserves**

During the year, ₹30 Crores were transferred to the Statutory Reserve created as required under Section 45-IC of the Reserve Bank of India Act, 1934.

### **Public Deposits**

The Company is a Systemically Important Non-Deposit taking Non-Banking Finance Company (NBFC-ND-SI) and has not accepted any deposits during the year under review. The Board has also passed a resolution for non-acceptance of deposits from public.

### **Consolidated Financial Statements**

As per SEBI circular dated: 22<sup>nd</sup> October 2019, Companies, which have listed Commercial Papers, are required to prepare and submit financial results in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, (Listing Regulations).

The consolidated financial statements of the Company are prepared in accordance with the provisions of Section 129 of the Companies Act, 2013 (the Act, 2013) read with the Companies (Accounts) Rules, 2014 and Regulation 33 of the Listing Regulations along with a separate statement containing the salient features of the financial performance of subsidiaries / associates in the prescribed form. The audited consolidated financial statements together with Auditors' Report form part of the Annual Report.

The audited financial statements of the subsidiary companies will be made available to the Shareholders, on receipt of a request from any Shareholder and it has also been placed on the website of the Company. This will also be available for inspection by the Shareholders at the Registered Office during the business hours as mentioned in the Notice of AGM.

The consolidated Profit Before Tax of the Company and its subsidiaries amounted to ₹211.01 Cr for the financial year 2019-20 as compared to ₹216.71 Cr in the previous year.

### **Subsidiary Companies**

The following companies are the subsidiaries of the Company as on 31<sup>st</sup> March, 2020.

S. No.	Name of the Companies
1.	TVS Two Wheeler Mall Private Limited
2.	TVS Micro Finance Private Limited
3.	Harita ARC Private Limited
4.	Harita Collection Services Private Ltd
5.	TVS Commodity Financial Solutions Pvt Ltd
6.	TVS Housing Finance Private Limited

### **Performance of Subsidiaries**

A report on the performance of the subsidiary companies including the salient features of the financial statements in Form AOC-I is attached and forms part of this Report (Annexure IV).

All the subsidiaries are yet to commence its operations.

**Holding Company:**

The National Company Law Tribunal, Chennai (NCLT), on 16<sup>th</sup> April 2019 approved a Scheme of Arrangement (Scheme) between TVS Motor Services Limited (TVSMS), the Company and their respective shareholders and became effective from 9<sup>th</sup> May 2019, being the date of filing of the said approved Scheme with the Ministry of Corporate Affairs.

In terms of the said scheme, TVSMS redeemed its entire Non-cumulative Redeemable Preference Shares (NCRPS) by transferring the equity shares held by it in the Company to TVS Motor Company Limited.

Post transfer of equity shares of the Company, TVS Motor Company Limited is the holding Company and holds 84% equity shares as on the date of this report.

**Corporate Governance**

Good corporate governance, acting in accordance with the principles of responsible management which aimed at increasing enterprise value on a sustainable basis, is an essential requirement for the TVS Group.

The Company has a strong legacy of fair, transparent and ethical governance practices. The Company's philosophy on corporate governance is founded on the fundamental ideologies of the group viz., Trust, Value, Exactness and Passion for Customers.

The Company constantly endeavours to improve on these aspects. The Company ensures good governance through the implementation of effective policies and procedures, which is mandated and reviewed by the board and committees of the Board.

The Company has experts in banking industry and well informed Board. The Board along with the Corporate Governance mechanism in place undertakes its fiduciary duties to all its stakeholders.

The Company has framed internal Corporate Governance guidelines, in compliance with the Directions issued by RBI for NBFCs, in order to enable adoption of best practices and greater transparency in the business operations. A report on Corporate Governance regarding compliance with the conditions of Corporate Governance as stipulated under RBI guidelines forms part of the Report and is annexed herewith as Annexure V.

**Directors**

Mr R Ramakrishnan, an independent director (ID) of the Company deceased on 7<sup>th</sup> July 2019 who served as a Director for more than a decade. He was a person of versatile knowledge and business acumen which helped the Company over a decade to achieve its current growth. The Board placed on record its sincere appreciation for the invaluable contribution and guidance provided by Mr R Ramakrishnan during his tenure as Independent Director of the Company.

As per Regulation 24 of the Listing Regulations, an ID of the holding Company to be a director on the board of its material subsidiary. Hence Mr R Gopalan, ID of TVS Motor Company Limited, the holding Company, was appointed as an ID of the Company on 20<sup>th</sup> July 2019 in the place of Mr R Ramakrishnan.

During the year under review, Mr B Sriram, a retired banking professional, was appointed as an ID of the Company with effect from 12<sup>th</sup> October 2019.

The Nomination and Remuneration Committee (NRC) at their respective meetings held on 20<sup>th</sup> July 2019 and 12<sup>th</sup> October 2019 recommended the appointment of Mr R Gopalan and Mr B Sriram as IDs of the Company after evaluating their track record, integrity and other fit and proper criteria as laid down under RBI guidelines.

Based on the recommendation of the NRC, the Board being satisfied with their skills, experience and knowledge in the fields of banking finance, management and corporate governance, considered their appointment as IDs of the Company.

The Board also felt that the core skills / expertise / competencies of both IDs would be required for the Company in the context of its business(es) and sector(s) to function effectively.

In terms of the provisions of Section 149 read with Schedule IV to the Act, 2013, the appointment of NE-IDs would require approval of the shareholders of the Company.

Hence, it was proposed to appoint Mr R Gopalan and Mr B Sriram as Additional Directors to hold office upto the date of ensuing AGM. The Company has also received a notice from a member under Section 160 of the Act, 2013, proposing their candidature for the office of IDs of the Company. Hence, the Company is seeking approval of the shareholders for their appointment as IDs, under section 149, 150, 152 read with Schedule IV and all other applicable provisions of the Act, 2013 and the Companies (Appointment and Qualification of Directors) Rules, 2014, effective from the date of appointment by the board for a term of 5 (five) consecutive years, at the ensuing AGM.

#### **Directors Liable to Retire by Rotation**

In terms of Section 152 of the Act 2013, two-third of the total number of directors i.e., excluding IDs, are liable to retire by rotation and out of which, one-third is liable to retire by rotation at every annual general meeting. Mr Venu Srinivasan is Chairman of the Board and he is not liable to retire by rotation as per Articles of Association of the Company.

Mr Sudarshan Venu and Mr T K Balaji, non-executive and non-independent directors, who are liable to retire at the ensuing AGM and being eligible, offers themselves for re-appointment.

The NRC at their meeting held on 27<sup>th</sup> May 2020 recommended their re-appointment after evaluating their track record, integrity and other fit and proper criteria as laid down under RBI guidelines.

#### **Woman Director**

In compliance with Section 149 of the Act 2013 read with the Companies (Appointment and Qualification of Directors) Rules, 2014, Ms Sasikala Varadachari, is the Independent Woman Director of the Company.

#### **Independent Directors**

In accordance with Section 149(7) of the Act, 2013, all IDs have declared that they meet the criteria of independence as provided under Section 149(6) of the Act, 2013 and the Board confirms that they are independent of the management.

The detailed terms of appointment of IDs is disclosed on the Company's website in the following link [www.tvscredit.com](http://www.tvscredit.com). All the IDs have registered with the databank of Independent Directors developed by the Indian Institute of Corporate Affairs in accordance with the provisions of Section 150 of the Act, 2013 and obtained ID registration certificate.

#### **Declaration and Undertaking**

During the year, as per the directions of RBI on 'Non-banking financial companies – Corporate Governance (Reserve Bank) Directions, 2015, the board obtained necessary annual 'declarations of undertaking' from the directors, in the format prescribed by RBI.

#### **Separate Meeting of IDs**

During the year under review, a separate meeting of IDs was held on 10<sup>th</sup> March 2020. All IDs were present and they were enlightened about the objectives and process involved in evaluating the performance of board, Non-IDs, Chairman and timeliness of flow of information from management.

Based on the set of questionnaires, complete feedback on Non-Independent Directors and details of various activities undertaken by the Company were provided to IDs to facilitate their review / evaluation.

#### **Non-Independent Directors (Non-IDs)**

IDs were accomplished with the criteria and methodology and inputs for evaluation of Non-IDs namely, M/s. Venu Srinivasan, Sudarshan Venu, T K Balaji, and K N Radhakrishnan.

IDs evaluated the performance of all Non-IDs individually, through a set of questionnaires. They reviewed the Non-IDs interaction during the Board / Committee meetings and thoughtful inputs given by them to improve the risk management, internal controls and contribution to the Company's growth.

IDs were satisfied fully with the performance of all Non-IDs

#### **Chairman**

The IDs reviewed the performance of Chairman of the Board after taking into account his performance and benchmarked the achievement of the Company with industry under the stewardship of Chairman.

The IDs also placed on record, their appreciation of Chairman's high level of integrity, trust, confidentiality, impartial & judicious approach, transparency and commitment to governance, setting high standards for the Company; Outstanding ability to motivate the board's involvement and stimulate discussions particularly during a year of diverse challenges and tough state of economy and clear initiatives for staying ahead of competition.

Chairman was also nominated for the "Padma Bhushan" award, the third highest civilian award, and was conferred with the prestigious Deming 'Distinguished Service Award for Dissemination and Promotion Overseas', and becomes the First Industrialist from India to be bestowed this prestigious award for his contributions in the field of Total Quality Management (TQM).

The Deming Prize is the highest award for TQM in the world. Deming 'Distinguished Service Award for Dissemination and Promotion Overseas' is given to individuals who have made outstanding contributions in the dissemination and promotion of TQM and is sponsored by Japanese Union of Scientists and Engineers (JUSE). He is also a key member of Prime Minister council on Trade and Industry.

IDs also recorded the growth story of the Company under the stewardship of Chairman and significant increase in turnover & Profit.

#### **Board**

The IDs also evaluated Board's composition, size, mix of skills and experience, its meeting sequence, effectiveness of discussion, decision making, follow up action, so as to improve governance and enhance personal effectiveness of Directors.

The evaluation process focused on Board Dynamics. The Company has a Board with wide range of expertise in all aspects of business and outstanding diversity of the Board with the presence of varied personalities from diverse fields particularly from finance field. The Board upon evaluation concluded that it is well balanced in terms of diversity of experience with expert in each domain viz., Automotive, Leadership / Strategy, Finance, Legal & Regulatory and Governance. The Company endeavours to have a diverse board representing a range of experience at policy-making levels in business and technology.

IDs recorded that they were always kept involved through open and free discussions and provided additional inputs in emerging areas being forayed into by the Company and high levels of Corporate Governance in all management discussion and decisions were maintained.

The IDs unanimously evaluated the prerequisites of the Board viz., formulation of strategy, acquisition & allocation of overall resources, setting up policies, directors' selection processes and cohesiveness on key issues and satisfied themselves that they were adequate.

They were satisfied with the Company's performance in all fronts and finally concluded that the Board operates with best practices.

#### **Quality, Quantity and Timeliness of flow of Information between the Company, Management and the Board**

All IDs have expressed their overall satisfaction with the support received from the management and the excellent work done by the management during the year under review and also the relationship between the top management and Board is smooth and seamless.

The information provided for the meetings were clear, concise and comprehensive to facilitate detailed discussions and periodic external presentations on specific areas well supplemented the management inputs. The emerging e-technology was duly incorporated in the overall review of the board.

### **Performance Evaluation of the Board**

In terms of Section 134 of the Act, 2013, the Board has carried out an annual evaluation of its own performance and that of its Committees as well as performance of the Directors individually (including Independent Directors).

The evaluation framework for assessing the performance of Directors comprises of various key areas such as attendance at Board and Committee Meetings, quality of contribution to Board discussions and decisions, strategic insights or inputs regarding future growth of the Company and its performance, understanding of industry and global trends, etc.

Evaluation framework based on well-defined and structured questionnaires covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, areas of responsibility, execution and performance of specific duties, obligations and governance, compliance, oversight of Company's subsidiaries, etc., and feedback by way of comments were sought from the Directors.

The performance evaluation of the Independent Directors was carried out by the entire Board excluding the Director being evaluated.

Qualitative comments and suggestions of Directors were taken into consideration by the Board. The Directors have expressed their satisfaction with the evaluation process.

### **Policy on appointment and remuneration of Directors, Key Managerial Personnel**

In accordance with Section 178 of the Act, 2013 the NRC has formulated a Nomination & Remuneration Policy (NRC Policy) to ensure that executive directors and other employees are sufficiently compensated for their performance. The Policy seeks to provide criteria for performance evaluation, disclosures on the remuneration of Directors, criteria of making payments to Non-Executive Directors have been disclosed as part of Corporate Governance Report attached herewith.

### **Key Managerial Personnel**

Mr G Venkatraman, Chief Executive Officer, Mr V Gopalakrishnan, Chief Financial Officer and Mr J Ashwin, Company Secretary are the Key Managerial Personnel of the Company as on the date of this Report.

Hence, the Company is fully compliant with the provisions of Section 203 of the Act 2013.

### **Chief Risk Officer (CRO)**

The board at its meeting held on 10<sup>th</sup> March 2020, appointed Mr S Rammohan as Chief Risk Officer (CRO) of the Company with defined roles and responsibilities, in terms of RBI circular RBI/2018-19/184 DNBR (PD) CC.NO.099/03.10.001/2018-19 dated 16th May 2019.

### **Statutory Auditors**

On recommendation of Board of Directors of the Company, members of the Company appointed M/s. Raghavan Chaudhuri & Narayanan., Chartered Accountants, Bengaluru having Firm Registration No. 007761S allotted by the Institute of Chartered Accountants of India as Statutory Auditors of the Company at the 11<sup>th</sup> Annual General Meeting of the Company for a term of 5 consecutive years i.e. till the conclusion of 16<sup>th</sup> Annual General Meeting pursuant to Section 139 of the Act, 2013, at such remuneration in addition to applicable taxes, out of pocket expenses, travelling and other expenses as may be mutually agreed between the Board of Directors of the Company and the Auditors.

The Statutory Auditors will continue to hold office for the 2<sup>nd</sup> year in the first term of five consecutive years, from the conclusion of this AGM.

The Company has obtained necessary certificate under Section 141 of the Act, 2013 conveying their eligibility for being Statutory Auditors of the Company for the year 2020-21.

The Auditors' Reports for the financial year 2019-20 do not contain any qualifications, reservations and adverse remarks and the same is attached with the annual financial statements.

### **Secretarial Audit**

Mr T N Sridharan, Practicing Company Secretary, Chennai, was appointed as Secretarial Auditor for carrying out the secretarial audit for the financial year 2019-20.

As required under Section 204 of the Act, 2013 the Secretarial Audit Report for the year 2019-20, given by him is attached as Annexure VI to this report. The Secretarial Audit Report does not contain any qualifications, reservations or other remarks.

The Board at its meeting held on 27<sup>th</sup> May 2020 have re-appointed Mr T N Sridharan, Practicing Company Secretary, Chennai, as Secretarial Auditor for the financial year 2020-21.

### **DIRECTORS' RESPONSIBILITY STATEMENT**

Pursuant to the requirement of Section 134(5) of the Act, 2013 with respect to Director's Responsibility Statement, it is hereby stated that:

- (a) in the preparation of the annual accounts for the year ended 31<sup>st</sup> March 2020, the applicable accounting standards had been followed along with proper explanation relating to material departures , if any;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period;
- (c) the directors had taken proper and sufficient care for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) the directors had prepared the accounts for the financial year ended 31<sup>st</sup> March 2020 on a going concern basis;
- (e) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

### **Extract of Annual Return**

Pursuant to the provisions of Section 134(3) (a) and Section 92(3) of the Act, 2013 read with Rule 12(1) of the Companies (Management and Administration) Rules, 2014, an extract of the Annual Return in Form MGT- 9 is annexed to this Report. (Annexure I).

### **Number of Meetings of the Board**

The Board met 6 (six) times during the financial year, the details of which are given in the Corporate Governance Report.

### **Corporate Governance**

#### Board Meetings:

During the year under review, the board met six times on 29<sup>th</sup> April 2019, 20<sup>th</sup> July 2019, 12<sup>th</sup> October 2019, 4<sup>th</sup> February 2020, 10<sup>th</sup> March 2020 and 31<sup>st</sup> March 2020 and the gap between two meetings did not exceed one hundred and twenty days.

The Board Committees play a crucial role in the governance structure of the Company and have been constituted to deal with specific areas / activities in accordance with the requirements of the applicable provisions of the Act 2013 / Non-Banking Financial Companies – Corporate Governance (Reserve Bank) Directions 2015.

The Board has established the following committees viz., Audit Committee: Nomination and Remuneration Committee, Corporate Social Responsibility Committee (CSR), Asset Liability Management Committee (ALCO), Risk Management Committee, Information Technology (IT) Strategy Committee, Senior Management Committee and Credit Sanction Committee.

Details of Composition of Committees, roles and responsibilities and meetings and the members attendance are explained in the Corporate Governance Report attached with this report as Annexure – V.

### **Nomination and Remuneration Policy**

#### Directors:

NRC will recommend the remuneration for executive and non-executive directors. This will be then approved by the board and shareholders. The non-executive independent directors are appointed to the board of the Company in terms of regulatory requirements.

The board has approved the payment of remuneration by way of profit related commission to the non-executive Independent directors, for the financial year 2019-20, based on the recommendation of the Nomination and Remuneration Committee. The approval of the shareholders by way of an ordinary resolution was obtained at the seventh annual general meeting held on 29<sup>th</sup> July 2015, in terms of Sections 197 and 198 and any other applicable provisions of the Act 2013.

#### Commission:

The Company benefits from the expertise, advise and inputs provided by the IDs. The IDs devote their valuable time in deliberating on strategic and critical issues in the course of the board / committee meetings of the Company and give their valuable advice, suggestions and guidance to the management of the Company, from time to time and hence IDs are being paid by way of commission.

As approved by the shareholders at the annual general meeting of the Company held on 29<sup>th</sup> July 2015, Non-executive and Independent Directors are being paid commission, subject to a maximum, as determined by the board, for each such director from the financial year 2015-16. Non Executive Directors (NEDs) devote considerable time in deliberating the operational and other issues of the Company and provide valuable advice in regard to the management of the Company from time to time, and the Company also derives substantial benefit through their expertise and advice.

In view of the increased involvement and participation by such NEDs and having regard to their contribution and involvement in policy issues concerning the Company's operations, the board, on the recommendation of NRC, proposed to seek the authorization of the Shareholders, in terms of Section 197 of the Act, 2013 to continue with the payment of commission to NEDs from 1st April 2020.

The amount of commission for every financial year will be decided by the board.

#### Key Managerial Personnel :

The remuneration of employees largely consists of basic salary, perquisites, allowances and performance incentives. Perquisites and retirement benefits are paid according to the Company's policy, subject to prescribed statutory ceiling.

The components of the total remuneration vary for different grades and are governed by the industry pattern, qualification & experience / merits and performance of each employee. The Company while deciding the remuneration package takes into consideration current employment scenario and remuneration package of the industry.

### **Criteria for Board Membership**

#### Directors:

The Company will generally consider (i) Their relevant experience in Leadership/ Strategy / Finance/ Governance / Legal and Regulatory or other disciplines related to Company's business, and (ii) Having the highest personal and professional ethics, integrity and values.

#### Independent Directors:

Independent Director is a director who has no direct or indirect pecuniary relationship with the Company and or any of its officers. They should meet all criteria specified in Section 149(7) of the Act 2013 and rules made thereunder.

#### Related Party Transactions:

All contracts / arrangements entered by the Company during the period ended 31st March 2020 with related parties were in the ordinary course of business and at arm's length price in terms of section 188 of the Act, 2013 read with the Companies (Meetings of board and its powers) Rules, 2014.

Pursuant to the provisions of section 134(h) of the Act, 2013 read with rule 8(2) of the Companies (Accounts) Rules 2014, the particulars of contracts or arrangements entered into by the Company with Related Parties have been done at arm's length and are in the ordinary course of business.

Hence, no particulars are being provided in Form AOC-2. Related Party disclosures, as per Ind AS have been provided in Note No 41.7 to the financial statement.

### **Risk Management Policy**

The Company, being in the business of financing of two wheelers, used cars, new tractors and used tractors, three wheelers, consumer durables, used commercial vehicles and MSME has to manage various risks. These risks include credit risk, liquidity risk, interest rate risk and operational risk. In order to strengthen risk management, the Company is in the process of developing robust Enterprise Risk Management Framework and risk registers.

Risk assessment reports are periodically placed before the Risk Management Committee and the Asset Liability Management Committee for reviewing and monitoring these risks at periodic intervals.

Liquidity risk and interest rate risk arising out of maturity mismatch of assets and liabilities are managed through regular monitoring of the maturity profiles. Operational risks arising from inadequate or failed internal processes, people and systems or from external events are adequately addressed by the internal control systems and are continuously reviewed and monitored. Standard Operating Procedures are well documented to ensure enhanced control over processes and regulatory compliance.

### **Internal Control Systems**

The Company's comprehensive and effective internal control system ensures smooth business operations, meticulously recording all transaction details and ensuring regulatory compliance and protecting the Company's assets from loss or misuse.

The Board is accountable for evaluating and approving the effectiveness of the internal controls, including financial, operational and compliance controls.

The internal control system is subject to continuous improvement, with system effectiveness assessed regularly. The internal control system is supported by an internal audit process for reviewing the adequacy and efficacy of the internal controls including its system and processes and compliance with regulations and procedures. Information provided to management is reliable and timely. Company ensures the reliability of financial reporting and compliance with laws and regulations.

Company is strengthening the controls by leveraging technology and centralising processes, enhancing monitoring and maintaining effective tax and treasury strategies.

The Audit Committee continues to monitor the effectiveness of internal control over the use of new technologies that impact the financial controls and reporting enterprise risk.

### **Internal Audit**

As part of the effort to evaluate the effectiveness of the internal control systems, the Company's internal audit function reviews all the control measures on a periodic basis and recommends improvements, wherever appropriate. The Audit Committee regularly reviews the audit findings as well as the adequacy and effectiveness of the internal control measures.

The Company's internal control system is commensurate with its size, nature and operations.

### **Corporate Social Responsibility initiatives**

Pursuant to Section 135 of the Act, 2013 read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, the Company at the Board Meeting held on 27<sup>th</sup> March, 2015 approved a policy on CSR and the policy is hosted on the website of the Company. Based on the recommendation of the CSR Committee, the Board has approved the projects / programmes carried out as CSR activities by Srinivasan Services Trust (SST), to a sum of ₹3.80 Cr constituting more than 2% of the average net profits of the Company, made during the three immediately preceding financial years, towards CSR spending for the financial year 2019-20.

CSR activities have already been textured into the Company's value system through SST, established in 1996 with the vision of building self-reliant rural community.

Over 24 years of service, SST has played a pivotal role in changing lives of people in rural India by creating self-reliant communities that are models of sustainable development. The Company spent an additional sum of ₹8 Cr by way of contribution to PM CARES fund, which is covered under the CSR provisions of the Act, 2013.

The Company is eligible to spend on their ongoing projects/ programmes, falling within the CSR activities specified under the Act, 2013, as mandated by the MCA for carrying out the CSR activities. As required under Section 135 of the Act, 2013 read with Rule 8 of the Companies (Corporate Social Responsibility Policy) Rules, 2014, the annual Report on CSR, containing the particulars of the projects / programmes approved and recommended by CSR Committee and approved by the Board for the financial year 2019-20 are given by way of Annexure III attached to this Report.

#### **Policy on Vigil Mechanism**

The Board has adopted a Policy on Vigil Mechanism in accordance with the provisions of the Act, 2013 which provides a formal mechanism for all directors, employees and other stakeholders of the Company, to report to the management their genuine concerns or grievances about unethical behaviour, actual or suspected fraud and any violation of the Company's Code of Business Conduct or Ethics policy.

The policy also provides a direct access to the Chairperson of the Audit Committee to make protective disclosures to the management about grievances or violation of the Company's Code of Business Conduct and Ethics. The policy is disclosed on the Company's website in the following link [www.tvscredit.com](http://www.tvscredit.com).

#### **Sexual Harassment Policy**

Company has in place a Sexual Harassment Policy in line with the requirements of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) (POSH) Act, 2013. The Company has an Internal Complaints Committee as required under POSH.

During the year under review, there were no cases filed pursuant to the provisions of POSH.

#### **Significant and material orders**

There are no significant and material orders passed by the regulators or courts or tribunals, which would impact the going concern status of the Company and its future operations.

#### **Conservation of energy, technology absorption, foreign exchange earnings and outgo**

The Company, being a non-banking finance Company, does not have any manufacturing activity and hence the reporting on "Conservation of Energy and Technology Absorption" does not arise.

Foreign currency expenditure in FY20 is ₹11.29 cr (previous year ₹15.55cr). The Company did not have any foreign exchange earnings.

#### **Material changes and commitments:**

There have been no material changes and commitments affecting the financial position of the Company, which have occurred between the end of the financial year of the Company to which the financial statements relate and to the date of the report.

#### **Employees' remuneration:**

Details of Employees receiving the remuneration in excess of the limits prescribed under Section 197 of the Act, 2013 read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are annexed as a statement and given in Annexure-II. In terms of first proviso to Section 136(1) of the Act, 2013 the Annual Report, excluding the aforesaid annexure is being sent to the Shareholders of the Company. The annexure is available for inspection at the Registered Office of the Company as mentioned in the Notice of AGM and any Shareholder interested in obtaining a copy of the said annexure may write to the Company Secretary at the Registered Office of the Company. Certain incentive / performance related payments for the financial year 2019-20 for SMPs have been reduced / deferred on account of COVID-19.

**Details of Loans / Guarantees / Investments made**

Furnishing the details of investments under Section 186 of the Act, 2013 for the financial year 2019-20 does not arise, since the Company has not made any investment during the year under review.

In terms of Rule 11(2) of the Companies (Meetings of Board and its Powers) Rules, 2014 NBFC Companies are excluded from the applicability of Section 186 of the Act, 2013, where the loans, guarantees and securities are provided in the ordinary course of its business.

On loans granted to the employees, the Company has charged interest as per its remuneration policy, in compliance with Section 186 of the Act, 2013.

**Reporting of Fraud**

The Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Act, 2013.

**Maintenance of Cost Records**

The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Act, 2013 for the business activities carried out by the Company.

**ADHERENCE TO RBI NORMS AND STANDARDS**

The Company has fulfilled the prudential norms and standards as laid down by RBI pertaining to income recognition, provisioning of non-performing assets and capital adequacy. The capital adequacy ratio of the Company is 17% which is well above the prescribed minimum of 15% by RBI.

As a prudent practice, the Company's current provisioning standards are more stringent than Reserve Bank of India (RBI) prudential norms. In line with its conservative approach, the Company continues to strengthen its provisioning norms beyond the RBI regulation by accelerating the provisioning to an early stage of delinquencies based on past experience and emerging trends. The Company has also complied with direction of RBI with regard to COVID-19 - regulatory package in terms of granting moratorium to eligible customers, asset classification and provisioning requirements.

The Fair Practices Code and KYC norms framed by RBI seek to promote good and fair practices by setting minimum standards in dealing with customers, increase transparency so that customers have a better understanding of what they can reasonably expect of the services being offered, encourage market forces through competition to achieve higher operating standards, promote fair and cordial relationships between customers and the finance Company and foster confidence in the NBFC system.

The Company has put in place all the Committees prescribed by RBI and have formulated a comprehensive Corporate Governance Policy. The Company has instituted a mechanism to monitor and review adherence to the Fair Practices Code, KYC norms, and Investment & Credit policies as approved by the Board of Directors.

**ACKNOWLEDGEMENT**

The Directors gratefully acknowledge the continued support and co-operation received from the holding Company, namely TVS Motor Company Limited and other investors. The Directors thank the bankers, investing institutions, customers, dealers of TVS Motor Company Limited and Tractors and Farm Equipment Limited and all channel partners for their valuable support and assistance.

The directors wish to place on record their appreciation of the very good work done by all the employees of the Company during the year under review.

For and on behalf of the Board of Directors

### Committees of the Board

The Board has constituted Committees with specific terms of reference to focus on specific issues and ensure expedient resolution of diverse matters. These are the Audit Committee, Corporate Social Responsibility Committee, Nomination and Remuneration Committee, Risk Management Committee, Asset Liability Management Committee, Information Technology (IT) Strategy Committee and Credit Sanction Committee.

#### i. Audit Committee:

The Company has in place an Audit Committee constituted in accordance with the provisions of Para 11 of the Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007 and as required under Section 177 of the Act, 2013. The composition of the Committee is in accordance with the requirements of Section 177 of the Act, 2013.

The primary objective of the Audit Committee is to monitor and provide effective supervision of the management's financial reporting process with a view to ensure accurate, timely and proper disclosure and transparency, integrity and quality of financial reporting.

Brief description of terms of reference:

The Audit Committee of the Company is entrusted with the responsibility to supervise the Company's internal control and financial reporting process and inter alia performs the following functions:

- The recommendation for appointment, remuneration and terms of appointment of auditors of the Company;
- Review and monitor the auditor's independence and performance and effectiveness of audit process;
- Examination of the financial statement and the auditor's report thereon;
- approval or any subsequent modification of transactions of the Company with related parties;
- Scrutiny of inter-corporate loans and investments;
- Valuation of undertakings of assets of the Company, wherever it is necessary;
- Evaluation of internal financial controls and risk management systems;

- Monitoring the end use of funds raised through public offers and related matters.
- Monitoring, reviewing, recommending and approving all related party transactions including granting omnibus approval for RPTs having value not exceeding ₹1 cr per transaction for a period of one year.
- Ratification of any RPT involving amount not exceeding ₹1 Cr entered into by a director or officer of the Company without obtaining the approval of the Audit Committee within three months from the date of the transaction.

### Roles and Responsibilities:

- Oversight of Company's financial reporting process and disclosure of its financial information to ensure that the financial statements are fair and transparent, sufficient and credible.
- The role of the Audit Committee would include the review and audit the working of the management of the Company in terms of the profitability, cost control and performance of credit exposures.
- Recommending the appointment of and removal of external and internal auditors, fixation of audit fee and approval for payment for any other services.
- Approval of Annual Plans before it is placed before the Board
- Reviewing with the management the quarterly and annual financial statements before submission to the Board, focusing, primarily on the following as may be applicable.
  - i. Accounting policies and practices followed and any deviations or changes with reference to the earlier policies and practices.
  - ii. Major accounting entries based on exercise of judgment by management.
  - iii. Qualifications in draft audit report.
  - iv. Significant adjustments arising out of audit.
  - v. The going concern assumption.
  - vi. Compliance with accounting standards.
  - vii. Compliance with the legal requirements concerning financial statements.
  - viii. Any related party transaction i.e. transactions of Company of material nature, with promoters or the management, their subsidiaries or relatives etc. that may have potential conflict with the interest of Company at large.
- Reviewing with the management, reports of external and internal auditors, and the adequacy of internal control systems.
- Reviewing the adequacy of internal audit function, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure, coverage and frequency of internal audit, plan and scope of internal audit.
- Discussion with internal auditors any significant findings and follow up thereon.
- Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud, irregularity, or a failure of internal control systems of a material nature and reporting the matter to the Board.
- Discussion with external auditors before the audit commences, nature and scope of audit as well as post audit discussion to ascertain any area of concern.
- Reviewing the Company's financial and risk management policies.
- Review of Company's asset position, realisability and other related matters in respect of collateral securities, sale of properties etc.,
- To look into the reasons for substantial defaults in the payment to the depositors, debenture holders, shareholders (in case of non-payment of dividends declared) and creditors.
- To review the quarterly and annual financial statements before submission to the Board and ensure compliance of internal control systems.
- Authority to investigate into any matter referred to it by the Board.

The Audit Committee also ensures that an Information System Audit of the internal systems and processes is conducted every year to assess operational risks faced by the Company.

Consequent to the demise of Mr R Ramakrishnan, Mr R Gopalan was appointed as member and Chairman of the Committee at the board meeting held on 20<sup>th</sup> July 2019.

The particulars of meetings and attendance by the members of the Committee, during the year under review, are given in the table below:

#Appointed effective 20<sup>th</sup> July 2019

## ii. Corporate Social Responsibility Committee:

In accordance with the provisions of Section 135 of the Act, 2013 read with Rules made there under, the Board of Directors of the Company have constituted the Corporate Social Responsibility Committee (CSR Committee). The Committee has formulated and recommended a CSR Policy to the Board and various recommendations of the Committee including the amount of expenditure to be incurred on CSR activities are submitted to the Board for its approval. The Committee has framed a transparent monitoring mechanism for implementation of CSR projects or programs or activities undertaken by the Company and also monitors CSR policy from time to time.

Roles and Responsibilities:

- To review, agree and establish the Company's corporate strategy to ensure that CSR is and remains an integral part of its business strategy;
- To review the standards, policies and conduct of the Company relating to the application of CSR principles;
- To review the effectiveness of the compliance programme, including compliance with the Code of Conduct;
- To review reports of CSR progress and audits of CSR performance against key performance indicators across programme areas;
- To review an annual budget for CSR activities approved by the Board, as part of the overall budget;
- To ensure that the Company's website communicates and reports its CSR approach and performance in a timely, complete and coherent manner; and
- To perform such other function related or incidental to the CSR Policy of the Company, at the request of the Board.

Consequent to the demise of Mr R Ramakrishnan, Mr R Gopalan was appointed as member of the Committee at the board meeting held on 20<sup>th</sup> July 2019.

Based on the recommendation of the CSR Committee, the board has approved the projects / programs to be carried out as CSR activities by Srinivasan Services Trust (SST) by undertaking these programmes / projects, in compliance with the CSR policy of the Company and contributed ₹380 lakhs constituting more than 2% of average net profits, for the immediate past three financial years, towards CSR spending for the current financial year 2019-20.

SST, over 24 years of service, has played a pivotal role in changing lives of people in many villages in rural India by creating self-reliant communities that are models of sustainable development.

The Company is eligible to spend on their ongoing projects / programmes, falling within the CSR activities specified under the Act 2013, as mandated by the MCA for carrying out its CSR activities.

During the year under review, the Committee met on 29<sup>th</sup> April 2019 and all the members were present at the meeting.

**iii. Nomination and Remuneration Committee:**

The Company has in place the Nomination & Remuneration Committee (NRC). It was constituted to formulate and recommend to the board of directors, the Company's policies relating to identification of directors, key managerial personnel and senior management personnel one level below the board and remuneration payable to them and the criteria for determining qualifications, positive attributes and independence of a director.

The NRC lays down the evaluation criteria for evaluating the performance of every director, committees of the board and the board as a whole and also the performance of key managerial personnel (KMP) and senior management personnel (SMP).

The performance evaluation of the board as a whole will be assessed based on the criteria like its composition, size, mix of skills and experience, its meeting sequence, effectiveness of discussion, decision making, follow up action, quality of information, governance issues and reporting by various committees set up by the board.

The performance evaluation of individual director will be carried out based on his / her commitment to the role and fiduciary responsibilities as a board member, attendance and active participation, strategic and lateral thinking, contribution and recommendations given professionally, heading / acting as members of various sub-committees etc.

The performance of SMP was measured against the achievement of the business plans approved by the board during and at the completion of the financial year and their annual at risk remuneration reflects their business plan achievements.

The NRC has the overall responsibility for evaluating and approving the compensation plans, policies and programmes applicable to the SMP. The NRC also delegated its authority to the Chairman, wherever appropriate, for this purpose.

The NRC also ensures 'fit and proper' status of proposed and existing directors and on a continual basis.

Brief description of terms of reference:

- 1.1 Guiding the board of TVS CS ("Board") to lay down the terms and conditions in relation to appointment and removal of Director(s), KMP and SMP.
- 1.2 Evaluating the performance of the Director(s) and providing necessary report to the Board for its further evaluation and consideration.
- 1.3 Recommending to the Board on remuneration payable to the Director(s), KMP and SMP of TVS CS based on (i) TVS CS's structure and financial performance and (ii) remuneration trends and practices that prevail in peer companies across automobile industry.
- 1.4 Retaining, motivating and promoting talent among the employees and ensuring long term sustainability of talented SMP by creation of competitive advantage through a structured talent review.
- 1.5 Devise a policy on diversity in the Board.
- 1.6 Develop a succession plan for the Board and SMP.

Consequent to the demise of Mr R Ramakrishnan, Mr R Gopalan was appointed as a member and Chairman of the Committee at the board meeting held on 20<sup>th</sup> July 2019.

The board at its meeting held on 4th February 2020, reconstituted the Committee by designating Mr K N Radhakrishnan as Chairman of the Committee in the place of Mr R Gopalan, who continues to be a member of the Committee.

The particulars of meetings and attendance by the members of the Committee, during the year under review, are given in the table below:

Date of the meetings	Members present (M/s)			
	R Ramakrishnan*	V Srinivasa Rangan	K N Radhakrishnan	R Gopalan#

#### Remuneration criteria to Directors:

The non - executive / independent director(s) receive remuneration by way of fees for attending meetings of board or any committee in which director(s) is member.

In addition to the sitting fees, the non - executive independent director(s) shall be entitled to commission from the Company subject to the monetary limit approved by shareholders of the Company and aggregate commission amount would not exceed the limit as prescribed under the provisions of the Act, 2013.

#### **iv. Risk Management Committee:**

The Company has laid down procedures to inform board about the risk assessment and mitigation procedures, to ensure that executive management controls risk through means of a properly defined framework.

This Committee ensures that the risks associated with the functioning of the Company are identified, controlled and mitigated and also lay procedures regarding managing and mitigating the risk through integrated risk management systems, strategies and mechanism.

In conformity with the Corporate Governance guidelines issued by RBI vide its circular (DNBR (PD) CC.No.053/03.10.119/2015-16) the Committee meets periodically to review the effectiveness of progressive risk management system that has been put in place, to review the risk management practices , policies and risk mitigation/minimization plans, engagement of services of external consultant by covering gap assessment of risk practices, risk mitigation and to strengthen the existing Risk Management framework.

#### Roles and Responsibilities :

- To review various risks measures adopted by the Company for identification, measurement, monitoring and mitigation of risks involved in various areas of functioning.
- To approve and review various credit policies including its amendments laid down by the Company and monitor performance levels.
- To review and discuss the issues reported in Asset Liability Management Committee in relation to risk aspects.
- Monitoring risk levels and also reviews of results and progress in implementation of decisions taken in earlier meeting.
- To approve and review Enterprise Risk Management framework inter alia approving Risk rating criteria and review of key risks along with mitigants and Risk register.
- To approve and review Risk management policy and its amendments.

Consequent to the demise of Mr R Ramakrishnan the Board at its meeting held on 12<sup>th</sup> October 2019 appointed Mr B Sriram as a member and Chairman of the Committee with effect from 12<sup>th</sup> October 2019.

The Board at its meeting held on 10th March 2020, reconstituted the Committee by designating Ms Sasikala Varadachari as Chairman of the Committee and appointing Mr V Srinivasa Rangan as a member of the Committee.

Mr B Sriram ceased to be a member of the Committee effective 10th March 2020.

The particulars of meetings and attendance by the members of the Committee, during the year under review, are given in the table below:

#### v. Asset Liability Management Committee (ALCO):

The Company constituted an Asset Liability Management Committee (ALCO), in terms of Guidelines issued by RBI to NBFCs in order to manage liquidity risk, market risks, and other funding / asset related risks for effective risk management in its portfolios.

Roles and responsibilities :

- Adherence to the financial and credit limits set by the Board in its operations.
- Deciding business strategy on the assets and liabilities side in line with the budget and risk management objectives of the Company.
- Responsible for balance sheet planning from risk return perspective and asset liability mix position.
- Strategic management of interest rate risks, liquidity risks and other market risks.
- Responsible for business issues like product pricing for its asset and liability products.
- To review funding plan, ALM coverage, Interest rate sensitivity statements, liquid coverage ratios, fixation of limits and monitoring against limits.
- Approve credit facilities from various banks / financial institutions and to authorize directors / officials of the Company for this purpose credit facilities upto the limits delegated by the Board
- Approve and review ALCO policy and its amendments.

Consequent to the demise of Mr R Ramakrishnan, the Board at its meeting held on 12th October 2019 appointed Mr B Sriram as a member and Chairman of the Committee with effect from 12<sup>th</sup> October 2019.

The particulars of meetings and attendance by the members of the Committee, during the year under review, are given in the table below:

**vi. Information Technology (IT) Strategy Committee:**

In line with the information technology / information systems directions issued by RBI vide their circular dated 8th June 2017, in addition to IT Governance, the Company constituted an IT strategy committee which shall consist of an independent director as chairman of the Committee and Chief Information Officer (CIO) and Chief Technology Officer (CTO) shall be part of the Committee.

Roles and Responsibilities:

- Approving IT strategy and policy documents and ensuring that the management has put an effective strategic planning process in place;
- Ascertaining that management has implemented processes and practices that ensure that the IT delivers value to the business;
- Ensuring IT investments represent a balance of risks and benefits and that budgets are acceptable;
- Monitoring the method that management uses to determine the IT resources needed to achieve strategic goals and provide high-level direction for sourcing and use of IT resources;
- Ensuring proper balance of IT investments for sustaining NBFC's growth and becoming aware about exposure towards IT risks and controls; and
- To review the effectiveness of IT outsourced operations.

Consequent to the demise of Mr R Ramakrishnan, Mr B Sriram was appointed as a member of the Committee and Mr K N Radhakrishnan was designated as Chairman of the Committee with effect from 12<sup>th</sup> October 2019.

The Board at its meeting held on 4th February 2020, reconstituted the Committee by appointing Mr B Sriram as Chairman of the Committee.

Further, the Board at its meeting held on 10th March 2020 appointed Ms Sasikala Varadachari as a member and Chairman of the Committee in the place of Mr B Sriram, who ceased to be a member and Chairman of the Committee, effective 10th March 2020.

**vii. Credit Sanction Committee**

The Board at its meeting held on 10<sup>th</sup> March 2020 constituted the Credit Sanction Committee (CSC) to consider and approve credit proposals of material nature.

Roles and Responsibilities:

- The Committee will consider all large credit proposals recommended by Business heads / Credit heads within the specified thresholds delegated to it by the board from time to time;

- Review Credit Appraisal Memo (CAM) before approving each sanction
- Review existing credit facilities on an annual basis and deferral of customer annual reviews;
- CSC shall assess and recommend to the board any credit proposals above threshold limits of CSC and to take appropriate action on the inputs / suggestion provided by the Board.
- Annual review of Committee charter

The Committee to assess the credit proposal of prospective borrowers. The Credit Appraisal Memo (CAM) to incorporate (as applicable case to case basis) some of the qualitative information such as borrower's background, exposure details, details about KMP, shareholding pattern, track record of directors, bankers report, rating reports and quantitative information such as financial details, group exposure details, collateral details, networth of promoters, and repayment track records.

The particulars of meetings and attendance by the members of the Committee, during the year under review, are given in the table below:

Date of the meetings	Members present (M/s)				
	B Sriram	Sudarshan Venu	G Venkatraman	V Gopalakrishnan	K Gopala Desikan
10 <sup>th</sup> March 2020	✓	LOA	✓	✓	✓

#### viii. Senior Management Committee

The Company constituted the Senior Management Committee to ensure adherence and compliance by monitoring and controlling the outsourcing activities engaged by the Company in accordance with the requirements of RBI guidelines issued on 9<sup>th</sup> November 2017 in this regard.

Roles and Responsibilities :

- Evaluating the risks and materiality of all existing and prospective outsourcing, based on the framework approved by the Board;
- Developing and implementing sound and prudent outsourcing policies and procedures commensurate with the nature, scope and complexity of the outsourcing;
- Reviewing annually the effectiveness of policies and procedures;
- Communicating information pertaining to material outsourcing risks to the Board in a timely manner;
- Ensuring that contingency plans, based on realistic and probable disruptive scenarios, are in place and tested;
- Ensuring that there is independent review and regular audit for compliance with set policies;
- Undertaking quarterly review of outsourcing arrangements to identify new material outsourcing risks as they arise;
- Reviewing central record of all material outsourcing arrangements quarterly and placing the records before the Board / RMC half yearly;
- Reviewing compliance with contractual conditions by outsourcing service providers quarterly based on pre-defined criteria for assessment; and
- Any other activity which is required to be carried out in order to adhere to the guidelines.

During the year under review, the committee met four times on 10<sup>th</sup> June 2019, 4<sup>th</sup> September 2019, 10<sup>th</sup> December 2019 and 11<sup>th</sup> March 2020.

#### **Related Party Transactions Policy**

The Company has formulated a policy on related party transactions (RPTs). The Audit Committee reviews and approves said transactions between the Company and related parties, as defined under the Act, 2013, to ensure that the terms of such RPTs would reasonably be expected of transactions negotiated on an arm's length basis. The Committee meets prior to each scheduled Board meeting to review all RPTs of the Company.

Copy of the said policy is available in the Company's website with the following link <https://www.tvscredit.com/>

- iii) Pursuant to the guidelines on 'Fair Practices Code' issued by RBI, the Company has adopted a "Code", which is posted on the website of the Company and also a regular review on the implementation of the same is conducted by the Committee members.
- iv) The Company has adopted a Code of conduct for employees of the Company and due care is taken that the employees adhere to it.
- v) The Company has fulfilled the prudential norms and standards as laid down by RBI pertaining to income recognition, provisioning of non-performing assets and capital adequacy.

The Capital adequacy ratio of the Company is well within the limit prescribed by RBI. The Fair Practices Code and KYC norms framed by the Company seek to promote good and fair practices by setting minimum standards in dealing with customers, increase transparency so that customers have a better understanding of what they can reasonably expect of the services being offered, encourage market forces through competition to achieve higher operating standards, promote fair and cordial relationships between customers and the Company and foster confidence in the finance system.

The Company has put in place a mechanism to monitor and review adherence to the Fair Practices Code, KYC norms & Credit policies as approved by the Board of Directors.

- vi) The Board of directors of the Company reviews, records and adopts the minutes of the meetings of various committees constituted by the Company.

The Company is keeping with proper responsibility and authority matrix inculcated in the structure of certification to ensure compliance from diversified and various locations.

- vii) The Company proposes to pay commission to the Non-executive directors (NEDs) of the Company for the year ended 31<sup>st</sup> March 2020. None of the NEDs holds equity shares of the Company.
- viii) Sitting fees for attending the meetings of the Board and Committees of are paid to NEDs within the maximum prescribed limits.
- ix) Sitting fees paid to NEDs for the meetings held during 2019-20 are as follows:-

S.No.	Name of the directors (M/s.)	Sitting Fees (Amount in ₹)	Commission (Amount in ₹)
1	Venu Srinivasan	60,000	NA
2	T K Balaji	30,000	NA
3	Sudarshan Venu	1,10,000	NA
4	K N Radhakrishnan	1,70,000	NA

S.No.	Name of the directors (M/s.)	Sitting Fees (Amount in ₹)	Commission (Amount in ₹)
5	R Ramakrishnan	80,000	3,18,936
6	V Srinivasa Rangan	1,60,000	12,00,000
7	Sasikala Varadachari	1,50,000	12,00,000
8	R Gopalan	90,000	8,38,440
9	B Sriram	1,10,000	5,62,248

- x) The certification from Mr G Venkatraman, Chief Executive Officer and Mr V Gopalakrishnan, Chief Financial Officer on the financial statements has been obtained.
- xi) For further clarification / information, stakeholders are requested to visit the Company's website at [www.tvscredit.com/](http://www.tvscredit.com/)

**SECRETARIAL AUDIT REPORT OF TVS CREDIT SERVICES LIMITED****FOR THE FINANCIAL YEAR ENDED 31<sup>st</sup> MARCH 2020**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

CIN: U65920TN2008PLC069758

Authorised Capital: ₹200,00,00,000/-

Paid up capital: ₹185,18,23,000/-

To

The Members  
 TVS CREDIT SERVICES LIMITED,  
 "Chaitanya", No.12, Khader Nawaz Khan Road,  
 Nungambakkam,  
 Chennai 600 006

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practice by TVS CREDIT SERVICES LIMITED, (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliance and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31<sup>st</sup> March, 2020 according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii) The Depositories Act, 1996 and the Regulations and Bye-Laws framed thereunder;
- iii) The Company being unlisted public limited company, the provisions of The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder are not applicable;
- iv) The Company has received External Commercial Borrowings of USD 40 Million from HSBC Bank (Mauritius) Ltd. and USD 35 Million from MUFG Bank Ltd., Singapore Branch in compliance with the provisions of Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of External Commercial Borrowings is applicable. Besides this, the Company has not received any Foreign Direct Investment, Overseas Direct Investment and hence the provisions of Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings is not applicable;
- v) Though the Company is a unlisted public limited company, the Company being a subsidiary company of a listed company, viz. TVS Motor Company Ltd., whose income or net worth exceeds 20% of the consolidated income or net-worth respectively of the listed entity, in the immediately preceding accounting year, it will be treated as a material subsidiary of the listed entity and hence the Company has to comply with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, to the extent applicable which it is observed the Company has complied during the year under review.

Besides this, the Company being a unlisted public limited company the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') are not applicable to the Company viz.

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
  - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Rules 2009;
  - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
  - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
  - (f) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018.
- vi) The Company has complied with the provisions of the other laws as applicable to the Company which inter alia includes:-
- 1) Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007.
  - 2) Contract Labour (Regulations & Abolition) Act, 1970
  - 3) Compliance with the requirements of Foreign Exchange Management Act and Non Banking Finance Companies (Reserve Bank) Directions 1998 with regard to non-acceptance of Deposits from Public;
  - 4) Compliance under Prevention of Money Laundering Act, (PMLA) 2002 for the purpose of compliance with the obligations under Know your Customer Norms/ Anti Money Laundering (AMC) standards & fair pricing code (FPC) and Combating of Finance of Terrorism (CFT) obligations under PMLA,2002.
  - 5) Motor Vehicles Act, 1938;
  - 6) Income Tax Act, 1961 and the Income Tax Rules, 1962 and Finance Act;
  - 7) Profession Tax, 1992;
  - 8) Labour laws like Equal Remuneration Act, 1976 and rules made thereunder; Employees Provident Fund and Miscellaneous Provisions Act, 1952 & Employees Provident Fund Scheme, 1952; Apprentice Act, 1961; Employees' State Insurance Act, 1948; Payment of Wages Act, 1936; Payment of Gratuity Act, 1972 & the Payment of Gratuity (Central) Rules, 1972.; Payment of Bonus Act, 1965 & the Payment of Bonus Rules, 1975 and other applicable employee welfare or labour legislations covering the Company and its establishments;
  - 9) Goods and Services Tax & Rules made thereunder;
  - 10) Indian & State Stamp Act and Rules;
  - 11) Competition Act, 2002;
  - 12) Trade & Merchandise Marks Act, 1958;
  - 13) Patents Act, 1970
  - 14) Copyright Act, 1957 or any licences issued thereunder.

I have also examined compliance with the applicable clauses of the following:

- i) The Secretarial Standards with regard to Meetings of Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of Company Secretaries of India in terms of sub-section 10 of Section 118 of the Companies Act, 2013, for the financial year under review;
- ii) The Company has listed its Commercial papers with National Stock Exchange of India Ltd (NSE) pursuant to SEBI circular dated 22nd October 2019. The Company has duly complied with the compliances as prescribed in the above mentioned circular.

- iii) From the verification of records and as per the information and explanation furnished to me, during the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, wherever applicable.

I further report that:-

- i) The Board of Directors of the Company is duly constituted with proper balance of Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- ii) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- iii) Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes. However on perusal of the minutes of the board or Audit Committee or Nomination & Remuneration Committee, or Asset Liability Management Committee, or Corporate Social Responsibility Committee meetings, or Risk Management Committee it was observed that there was no dissenting note made by any of the member.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. The Company has

- i) Constituted Nomination and Remuneration Committee of Directors and has formulated "Nomination and Remuneration Policy" in terms of Section 178 of the Companies Act, 2013 and the Rules made thereunder;
- ii) Constituted the Audit Committee of directors in terms of Section 177 of the Companies Act, 2013;
- iii) Constituted Corporate Social Responsibility Committee of Directors (CSR) and has formulated CSR Policy and the projects/programmes, to be undertaken for CSR spending in terms of the Section 135 of the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014.

It was observed on verification of records and based on the information furnished to me that an amount of ₹11.80 Crores, constituting more than 2% of average net profits for the immediate past three financial years, has been spent for the financial year 2019-20 on the projects/programs that have been identified to be undertaken for this purpose through Srinivasan Services Trust (SST), an independent Trust (NGO) in existence since 1996 and a contribution of ₹8 Cr to PM CARES;

- iv) Considered and recorded the Risk Management Policy followed by the Company in terms of Section 134(3)(n) of the Companies Act, 2013 including identification therein of elements of risk, if any, which in the opinion of the board, may threaten the existence of the Company;
- v) Considered and approved the "Code of Business Conduct and Ethics" of the Company framed in terms of Section 149 read with Schedule IV of the Companies Act, 2013;
- vi) Constituted Asset Liability Management Committee as required to be formed as per RBI directions for Non-Banking Finance Companies as part of their overall system for effective risk management in their various portfolios.
- vii) has appointed woman director in compliance with the provisions of Section 149 of the Companies Act, 2013 read with Rule 3 of the Companies (Appointment and Qualification of Directors) Rules, 2014.
- viii) has provided Vigil Mechanism and approved Whistle Blower Policy in terms of Section 177(9) of Companies Act, 2013.
- ix) has complied with the provisions of Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2007.

I further report that from the information and explanations furnished to me, during the audit period under review, the Company has

- i) Made following Preferential allotment aggregating to 69,76,600 equity shares of ₹10/- each at a premium of ₹119/- per equity share total aggregating to ₹89,99,81,400/- on private placement basis, during the year, comprised in two allotments on the following dates to the allottees as given below and has complied with the provisions of the Companies Act, 2013 and the rules made thereunder.

Date of allotment	Name of the allottee	No. of Equity shares allotted	Nominal value of shares @ ₹10/- per share (₹)	Premium @ ₹119/- per equity share (₹)	Total Amount of preferential allotment (₹)
29/06/2019	TVS Motor Foundation	34,88,300	3,48,83,000/-	41,51,07,700/-	44,99,90,700/-
12/10/2019	TVS Motor Company Ltd.	34,88,300	3,48,83,000/-	41,51,07,700/-	44,99,90,700/-
Total		69,76,600	6,97,66,000/-	83,02,15,400/-	89,99,81,400/-

- ii) Not done any Redemption/ buyback of securities;
- iii) Obtained the approval of the shareholders in the 11<sup>th</sup> Annual General Meeting of the Company held on 27<sup>th</sup> June, 2019, delegating the borrowing powers to the board of directors u/s.180(1)(c) of the Companies Act, 2013 for borrowing upto ₹10,000 Crores and also approval u/s.180(1)(a)of the Companies Act, 2013 for creation of charge/ mortgage over the properties of the companies to secure the borrowings made as aforesaid.
- iv) No Merger/ amalgamation/ reconstruction etc. took place during the year under review.
- v) Not entered into any Foreign technical collaborations during the year under review.

To the Members of TVS Credit Services Limited

### **Report on the Audit of the Standalone Financial Statements**

#### **Opinion**

We have audited the standalone financial statements of TVS Credit Services Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31<sup>st</sup> March 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the standalone financial statements in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

S.No.	Key Audit Matter	Auditor's Response.
1	<b>Allowance for Impairment under IND AS 109</b> The standard prescribes provisioning of stage wise Expected Credit Loss (ECL) against the loans issued by the Company, with the value of provisioning being based upon the number of days the receivable is past its due. RBI vide its directive issued on 13 <sup>th</sup> March 2020 has mandated that ECL provision under IND AS and the provision as required under IRACP norms of RBI shall be compared. In the event the provisioning under ECL norms of IND AS is lower than that of the IRACP norms the shortfall shall be provided by way of an appropriation from Profit after Tax to an "Impairment Reserve".	<b>Principal Audit Procedures</b> We have understood the Company's estimation of the stage allocation of the loan assets and understood the policy in place for computation of parameters required to arrive at the expected credit loss and verified for the consistency in application of the policy. We have performed, substantive checks on the calculation, including independent calculation of the parameters, that are estimated by the Company as part of computation of ECL. We have also engaged in analytical tests including but not limited to trend analysis of the ECL number against the loan receivables in comparison to some of the other companies in the same business profile. We have compared ECL provision as computed under IND AS and the comparative requirement under IRACP norms of RBI, ECL provision computed under IND AS was found to be higher than the requirement under IRACP. Hence there was no requirement for an "Impairment Reserve". The Company has also made adequate disclosure in the notes forming part of financial statements regarding the provisions held and adhered to the disclosure requirements prescribed by the RBI.

S.No.	Key Audit Matter	Auditor's Response.
2	<b>Application of IND AS 116</b> From 1 <sup>st</sup> April 2019, IND AS 116 has to be applied on all applicable leasing contracts with the application and appropriate accounting treatment of identifying lease liability, right to use asset, interest on such lease.	<b>Principal Audit Procedures</b> The Company has employed an external agency to assist with the transition into IND AS 116 during the financial year and has extensively documented, for each of its leases, based on a policy of general materiality, the applicability or non-applicability of the standard, to such lease. We have verified the new leases during the year for additional locations and have found that the approach applied is consistent to the policy in place and also in line with the requirements of the standard. We have also performed an independent verification of the calculation of the lease liability, interest on lease and right to use assets based on the information made available to us and found the results satisfactory.

#### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon.**

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Emphasis of Matter**

As described in the note no 36 to the annual financial results, in respect of accounts overdue but standard as on 29 February 2020 where moratorium benefit has been granted, the staging of those accounts as on 31<sup>st</sup> March 2020 is based on the days past due status as on 29 February 2020 in accordance with the Reserve Bank of India COVID-19 Regulatory Package and accordingly, the prescribed provision has also been carried in books for such accounts. Our opinion is not modified in respect of the above matter.

#### **Responsibilities of the Management and Board of Directors, for the Standalone Financial Statements**

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless management either intends to

liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher, than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work; and (ii) To evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance, a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law Not Sure or regulation precludes public disclosure about the matter, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.

As required by the Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose our audit.
- (b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with book of accounts.
- (d) In our opinion, the aforesaid standalone financial statements comply with Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rule, 2014.
- (e) On the basis of written representations received from the directors as on 31<sup>st</sup> March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2020 from being appointed as directors in term of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over the financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the renumeration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on the financial position in its standalone financial statements- Refer Note 41(3) to the financial statements;
  - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
  - iii. There has been no delay in transferring amounts, required to be transferred, the Investor Education and Protection Fund by the Company.

- i) a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets;
- b) Fixed assets are physically verified by the management in accordance with a regular programme at reasonable intervals. In our opinion the interval is reasonable having regard to the size of the Company and nature of its assets. No material discrepancies have been noticed on such verifications;
- c) The title deeds of the immovable properties of the Company are held in the name of the Company;
- ii) The Company is in the business of lending, and does not carry any inventory. Hence, clause (ii) to paragraph 3 of the order does not apply here;
- iii) The Company has granted loans to a party covered in the register maintained under section 189 of the Act. In our opinion and according to the information and explanations given to us, the terms and conditions of the grant of such loans are not prejudicial to the Company's interest;
 

The Company has granted loans to a party covered in the register maintained under section 189 of the Act. The schedule of repayment of principal and payment of interest has been stipulated for the loans granted and the repayment/receipts are regular;

There are no amounts of loans granted to companies, firms or other parties listed in the register maintained under section 189 of the Act which are overdue for more than ninety days;
- iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act in respect of grant of loans, making investments, as applicable. The Company has not provided any guarantees or securities;
- v) The Company has not accepted any deposits from the public within the meaning of section 73 to 76. Hence, reporting under sub-clause (v) of paragraph 3 of the Order is not applicable to the Company;
- vi) The Central Government has not specified the maintenance of cost records under section 148(1) of the Act. Therefore, the provisions of clause (vi) of paragraph 3 of the Order are not applicable to the Company;
- vii) a) According to the information and explanation given to us, and on the basis of our examination of the records of the Company, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees state insurance, Income-tax, sales-tax, custom duty, excise duty, service tax, value added tax, cess, goods and services tax and any other material statutory dues with the appropriate authorities except for few marginal delays;
- b) According to the information and explanations given to us, no undisputed amounts payable in respect of income-tax, sales-tax, custom duty, excise duty, service tax, value added tax, cess, goods and services tax, were in arrears as at 31st March 2020 for a period of more than six months from the date they became payable;
- c) According to the information and explanations given to us, following are the details of the disputed dues that were not been deposited on account of any dispute as on 31st March 2020:

Description	March 31, 2020 (₹ in Crores.)
Disputed Income Tax Demand (adjusted out of refunds)	1.06
Disputed Service Tax Demand inclusive of Penalty – Commissioner order/Additional Commissioner appealed against by Company during previous years (Pre-deposit of Rs 0.29 crores)	7.70

- viii) Based on our verification and according to the information and explanations given by the management, the Company has not defaulted in repayment of borrowings, to financial institutions or banks. The Company does not have any borrowings from the government or debenture holder;

- ix) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. The term loans availed by the Company have been utilized for the purpose for which they were obtained;
- x) Based on the audit procedures adopted and the information and explanation given to us, no fraud by the Company or on the Company, by its officers or employees has been noticed or reported during the course of our audit, except for the 18 cases identified as committed upon the Company, during the year (with individual cases not exceeding ₹1 crore), in the nature of misappropriation or criminal breach of trust. The total value of such frauds committed upon the Company during the year were ₹0.60 crores of which the Company has recovered ₹0.07 crores and appropriately provided for the balance;
- xi) In our opinion and according to the information and explanations given to us, Managerial remuneration paid/provided are in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V of the Act;
- xii) The Company is not a Nidhi Company and as such this clause of the order is not applicable;
- xiii) In our opinion and according to the information and explanations given to us, all transactions with the related parties are in compliance with section 177 and 188 of the act and details of such transactions have been disclosed in standalone Ind AS financial statements as required by the applicable accounting standards;
- xiv) According to the information and explanation given to us and in our opinion, the Company has made a preferential allotment of shares during the year under review, and the requirements of Section 42 of the Act have been complied with in this regard. The amounts raised have been used for the purpose for which the funds have been raised;
- xv) According to the information and explanation given to us and in our opinion, the Company has not entered into any non-cash transactions with directors or persons connected with them;
- xvi) The Company is registered under section 45-IA of the Reserve Bank Act, 1934 and has obtained the certificate of registration dated 13<sup>th</sup> April 2010.

UDIN : 20027716AAAAFH6789

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **TVS Credit Services Limited** ("the Company"), "Chaitanya", No.12, Khader Nawaz Khan Road, Chennai 600 006, as of **31<sup>st</sup> March 2020** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's and Board of Directors Responsibility for Internal Financial Controls**

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained, and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

**Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

## 1. Significant Accounting Policies forming part of Financial Statements

### COMPANY BACKGROUND

TVS Credit Services Limited ('the Company') is a public limited company incorporated and domiciled in India. The registered office is located at "Chaitanya", No. 12 Khader Nawaz Khan Road, Nungambakkam, Chennai – 600006, Tamil Nadu, India. The Company is a subsidiary of TVS Motor Company Limited.

The Company has received Certificate of Registration dated 13<sup>th</sup> April, 2010 from Reserve Bank of India (RBI) and commenced Non-Banking Financial activity there on. The Company is categorized as Systemically Important Non-Banking Finance (Non-Deposit Accepting or Holding) Company, as defined under Section 45-IA of Reserve Bank of India (RBI) Act, 1934. The Company is engaged predominantly in Automobile Financing. The Company falls under the new category of "NBFC - Investment and Credit Company (NBFC-ICC)" post RBI merger of the three categories of NBFCs viz. Asset Finance Companies (AFC), Loan Companies (LCs) and Investment Companies (ICs) during the February 2019.

### SIGNIFICANT ACCOUNTING POLICIES

#### a. Basis of preparation of accounts:

The financial results of the Company have been prepared in accordance with Indian Accounting Standards (Ind-AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with [Companies (Indian Accounting Standards) Rules, 2015] as amended by the Companies (Indian Accounting Standards) Rules, 2016 and other accounting principles generally accepted in India.

The Company has adopted Ind-AS from April 1, 2018 with effective transition date of April 1, 2017 pursuant to MCA notification dated March 31, 2016 and financial statements has been prepared in accordance with Division III of Schedule III of Companies Act 2013 notified by MCA on October 11, 2018. Further, the Company follows application guidance, clarifications, circulars and directions issued by the Reserve Bank of India (RBI) for Non-Banking Financial Companies (NBFC) or other regulators, as and when they are issued and applicable.

#### b. Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities (including derivative instruments) are measured at fair value as stated in notes;
- Defined benefit plans – plan assets measured at fair value.

#### c. Use of estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future period. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

#### d. Significant Estimates and Judgements

The areas involving critical estimates are:

- Determining inputs into the ECL measurement model - (Refer Note 36)
- Estimation of defined benefit obligation - (Refer Note 34)

The areas involving critical judgements are:

- Classification of financial assets: Assessment of the business model within which the assets are held and assessment of whether the contractual terms of the financial asset are SPPI (Solely Payments of Principal and Interest) on the principal amount outstanding.
- Derecognition of financial assets and securitization.
- Categorization of loan portfolios

## e. Property, Plant and Equipment (PPE):

Items of property, plant & equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All repairs and maintenance are charged to the statement of profit or loss during the reporting period in which they are incurred.

## f. Depreciation:

Depreciation is provided on straight-line basis over the estimated useful lives of the assets. Useful life estimated by the Company is in line with the useful life prescribed under Part C of Schedule II of the Companies Act, 2013 except in the case of mobile phone, based on the technical evaluation wherein the useful life is considered as 2 years.

Depreciation on PPE individually costing ₹5,000/- or less is provided 100% in the year of acquisition.

An asset's carrying amount is written down immediately to its estimated recoverable amount, if the asset's carrying amount is greater than its estimated recoverable amount. Gain and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit or loss.

Depreciation on fixed assets added/disposed off during the year is calculated on pro-rata basis with reference to the date of addition/disposal.

## g. Investment property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

## h. Intangible Assets

Intangible assets acquired are recorded at their acquisition cost and are amortised on straight line basis over its useful life. Software is amortised over 3 years period or the license period whichever is lower on Straight Line basis.

## i. Financial Assets and financial liabilities:

### 1. Classification

The Company classifies its financial assets in the following categories, those to be measured subsequently at

- a) Fair value through other comprehensive income (FVOCI),
- b) Fair value through profit or loss (FVTPL), and
- c) Amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

### Business Model Assessment

The Company makes an assessment of the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management.

## Assessment of whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as profit margin.

In assessing whether the contractual cash flows are SPPI, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition.

## Reclassifications

Financial assets are not reclassified subsequent to their initial recognition, except in the period after the Company changes its business model for managing financial assets.

## Financial liabilities

The Company classifies its financial liabilities, other than fully hedged foreign currency loans, financial guarantees and loan commitments, as measured at amortised cost or fair value through profit or loss.

## **2. Measurement:**

At initial recognition, the Company measures a financial assets that are not at fair value through profit or loss at its fair value plus/(minus), transaction costs / origination Income that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

### Debt Instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments.

#### i. Amortised Cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

#### ii. Fair Value through profit or loss:

Assets that do not meet the criteria for amortised cost or Fair Value through Other Comprehensive Income (FVOCI) are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented in the statement of profit and loss within other gains / (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

## **3. Revenue Recognition**

### i. Income from financing activity

a. Interest income is recognized using the Effective Interest Rate (EIR) method for all financial assets measured at amortised cost. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, to its gross carrying amount. The calculation of the effective interest rate includes transaction costs and transaction income that are directly attributable to the acquisition of a financial asset.

- b. For financial assets that are not Purchases Originally Credit Impaired "POCI" but have subsequently become credit-impaired (or 'stage-3'), for which interest revenue is calculated by applying the effective interest rate to their amortised cost and interest recognised is net of expected credit loss provision.
  - c. Income by way of additional interest on account of delayed payment by the customers is recognized on realization basis, due to uncertainty in collection.
- ii. Other revenue from operations
- a. Fees and commission income that are not integral part of the effective interest rate on the financial asset are recognized as the performance obligations are performed and there is no significant financing component of the consideration.
  - b. Dividend income is recognized when the right to receive income is established.
  - c. Incomes in the nature of bounce and related charges are recognized on realisation, due to uncertainty in collection.

#### 4. Impairment of financial assets:

The Company recognizes loss allowance for Expected Credit Loss "ECL" on the following financial instruments that are not measured at FVTPL:

- i. Loans
  - ii. Trade receivables
  - iii. Other receivables
- i. Loans and Other receivables

The Company measures loss allowances at an amount equal to lifetime ECL, except for financial instruments whose credit risk has not increased significantly since initial recognition, for which a 12-month ECL is computed.

Life-time ECL is based on the result from all possible default events over the expected life of the financial instrument.

12-month ECL is based on the result from default events on a financial instrument that are possible within the 12 months after the reporting date.

The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The Company categorizes loan assets into stages based on the Days Past Due status:

Stage	Past due	ECL	Regulatory standards
Stage 1	30 days past due	12 Month ECL	Equivalent to standard assets as per RBI
Stage 2	31-90 Days Past Due	Life-time ECL	
Stage 3	More than 90 Days Past Due	Life-time ECL	Equivalent to NPA assets as per RBI

#### Measurement of ECL

ECL is a probability-weighted estimate of credit losses. They are measured as follows:

- financial assets that are not credit-impaired at the reporting date: as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive);
- financial assets that are credit-impaired at the reporting date: as the difference between the gross carrying amount and the present value of estimated future cash flows.

- ii. Trade Receivables:

For trade receivables only, the Company applies the simplified approach which requires life-time ECL to be recognised from initial recognition of the receivables.

## Presentation of allowance for ECL in the statement of financial position

Loss allowances for ECL are presented in the statement of financial position for financial assets measured at amortised cost as a deduction from the gross carrying amount of the assets.

## Write-off

Loans are written off when there is no reasonable expectation of recovering in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. This assessment is carried out at the individual asset level.

Financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

## **5. Derecognition of financial assets and financial liabilities:**

A financial asset is derecognized only when:

The Company has transferred the contractual rights to receive cash flows from the financial asset or the Company retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized, if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

On derecognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognized) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in profit or loss.

A financial liability is derecognized when its contractual obligations are discharged or cancelled, or expires.

## **6. Derivatives**

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged.

The Company designates derivatives taken on External Commercial Borrowings (ECB) as Cashflow Hedges (hedges of a particular risk associated with the cash flows of recognised assets and liabilities and highly probable forecast transactions).

The Company documents at the inception of the hedging transaction the relationship between hedging instruments and hedged items, as well as its risk management objective and strategy for undertaking various hedge transactions.

The Company also documents its assessment, both at hedge inception and on an ongoing basis, of whether the derivatives that are used in hedging transactions have been and will continue to be highly effective in offsetting changes in cash flows of hedged items.

The fair values of various derivative financial instruments used for hedging purposes are disclosed in Note 35. Movements in the hedging reserve in shareholders' equity are shown in Note 22.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in the "other comprehensive income". The gain or loss relating to the ineffective portion is recognised immediately in profit or loss.

## **7. Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

## j. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured. They are recognised initially at their fair value and subsequently measured at amortised cost.

## k. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in the balance sheet.

## l. Taxation

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

- i. Deferred income tax provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.
- ii. Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the statement of profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

A deferred tax asset is recognised for unclaimed tax credits that are carried forward as deferred tax assets.

The Taxation Laws (Amendment) Ordinance, 2019 contain substantial amendments in the Income Tax Act 1961 and the Finance (No.2) Act, 2019 to provide an option to domestic companies to pay income tax at a concessional rate. The Company has elected to apply the concessional tax rate. Accordingly, the Company has recognized the provision for income tax and re-measured the net deferred tax assets at concessional rate for the year ended 31 March 2020. Further, the opening net deferred tax asset has been re-measured at lower rate with a one-time impact recognized in the statement of profit and loss.

## m. Employee Benefits:

- i. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.
- ii. The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

c) Post-employment Obligation:

The Company operates the following post-employment schemes:

- Defined benefit plans such as gratuity for its eligible employees, pension plan for its senior managers; and
- Defined contribution plans such as provident fund.

i. Pension and gratuity obligation

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

ii. Provident fund:

Contributions to Provident Fund made to Regional Provident Fund Commissioner in respect of Employees' Provident Fund based on the statutory provisions are charged to Statement of Profit and Loss on accrual basis.

n. Functional Currency:

i. Functional and presentation currencies:

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). i.e., in Indian rupees (INR) and all values are rounded off to nearest crores except where otherwise indicated.

ii. Transactions and balances

- Foreign currency transactions are translated into functional currency using exchange rates at the date of transaction.
- Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

o. Borrowings

Borrowings are initially recognised at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of the borrowings, using the effective interest method. Fees paid on the established loan facilities are recognised as transaction cost of the loan, to the extent that it is probable that some or all the facility will be drawn down.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gain/(loss).

Finance charges are expensed in the period in which they are incurred.

**p. Borrowings cost:**

Borrowing costs are expensed in the period in which they are incurred.

**q. Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of the transactions of non-cash nature.

**r. Earnings Per Share**

The basic earnings per share is computed by dividing the net profit / loss attributable to the equity shareholders for the period by the weighted average number of equity shares outstanding during the reporting period. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving earnings per share, and also the weighted average number of equity shares, which could have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share, only potential equity shares that are dilutive and that reduce profit per share are included.

**s. Impairment of assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period

**t. Lease**

The Company evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116.

The Company as a lessee, assesses, whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract involves:-

- i. The use of an identified asset,
- ii. The right to obtain substantially all the economic benefits from use of the identified asset,
- iii. The right to direct the use of the identified asset.

The Company at the inception of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with term of less than twelve months (short term) and low-value assets.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease plus any initial direct costs, less any lease incentives received. Subsequently, the right-of-use assets are measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets.

For lease liabilities at inception, the Company measures the lease liability at the present value of the lease payments that are not paid at that date.

The lease payments are discounted using the incremental borrowing rate.

For short-term leases and low value assets (assets of less than INR 500,000 in value) the Company recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

The Company has also elected not to reassess whether a contract is, or contains a lease at the date of initial application. Instead, for contracts entered into before the transition date the group relied on its assessment made applying Ind AS 17

Lease payments have been classified as Cash flow used in financing activities

The new standard is mandatory for financial years commencing on or after April 1, 2019 and early application is not permitted. The standard permits either a full retrospective or a modified retrospective approach for the adoption. Accordingly, the Company has adopted Ind AS 116, Leases, effective 1 April 2019 using modified retrospective method of transition. Adoption of this standard did not have a material effect on audited financial results for the year ended 31 March 2020.

**u. Segment reporting**

There is no separate reportable segment as per Ind AS 108 on 'Operating Segments' in respect of the Company.

**v. Provisions**

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

**w. Contingent liabilities**

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liabilities. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

**x. Share based payments:**

Equity-settled share-based payments for receipt of services are measured at the estimated average fair value of the equity instruments over the vesting period. The average fair value is determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

**y. Equity**

Equity shares are classified as equity. Distributions to holders of an equity instrument are recognized by the entity directly in equity. Transaction costs of an equity transaction shall be accounted for as a deduction from equity.

**NOTES  
TO THE STANDALONE FINANCIAL STATEMENTS**

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 2 Cash and Cash Equivalents**

S.No.	Description	As at 31st Mar, 2020	As at 31st Mar, 2019
a)	Cash on hand*	1.71	31.47
b)	Balance with banks - current accounts	355.65	45.57
	Total	357.36	77.04

\* Represents cash collected from borrowers as on Balance Sheet date, deposited with Bank subsequently in the process of being deposited.

- a. The stock of loan (automobile finance) includes 13998 nos repossessed vehicles as at Balance Sheet date. (March 31, 2019: 11526 nos).
- b. Automobile financing is secured by hypothecation of vehicles supported by Registration Certificate book issued by Regional Transport Officer and undertaking given by the borrower to register the vehicle with RTO.

Details of Registration are in progress or Registration No. not available:

Product	As at 31st Mar, 2020		As at 31st Mar, 2019	
	Nos	Value	Nos	Value
Two Wheeler	257,142	1,000.97	507,109	1,978.48
Used Car	4,786	151.18	4,412	132.76
Tractor	8,473	312.13	4,964	172.42

**c. Transferred Loans**

The carrying amounts of the automobile financing include Loans which are subject to a Securitisation arrangement. Under this arrangement, Company has transferred the relevant Loans to the Securitisation trust in exchange for cash. However, Company has provided credit enhancements which in substance has been concluded as retention of risk and reward. The Company therefore continues to recognise the transferred assets in their entirety in its balance sheet. The amount repayable under the securitisation agreement is presented as secured borrowing.

	31-Mar-20	31-Mar-19
Total transferred receivables	12.57	62.86
Associated Secured Borrowing (Note 16)	12.57	62.86

#### Details of Security

- i. Term Loan received from Banks and Other Parties of ₹ 5578.66 inclusive of Current and Non-Current Dues (Previous Year: 4436.11 as on 31st March, 2019) is secured against hypothecation of receivables under the financing activity of the Company.
- ii. Working Capital Demand Loan and Cash Credit of ₹ 1,569.36 (Previous Year: ₹ 1,546.58 as at 31st March 2019) is secured by hypothecation of receivables under the financing activity of the Company

#### External Commercial Borrowings

During the year, the Company had raised funds in the overseas market amounting to ₹ 634.84 (equivalent to USD 90 million) under External Commercial Borrowings (ECB) accessed through automatic route after receiving the Loan Registration Number from RBI as per ECB Master Directions. These are unlisted instruments, for total duration of 3 years and the loan has been fully hedged. The net proceeds from the issue of these ECB were applied for the purpose of on-lending, in accordance with the directions issued by the RBI.

**NOTE 34 Employee Benefit Obligations**

**Defined Benefit Obligation**

The Company provides for gratuity employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a funded plan and the Company makes contributions to recognised fund in India.

The Company operates defined benefit pension plan, which provide benefits to members in the form of a guaranteed level of pension payable for life. The level of benefits provided depends on members' length of service and their salary in the final years leading up to retirement.

**ii. The following payments are expected contributions to the defined benefit plan in future years:**

Particulars									
Within the next 12 months (next annual reporting period)									
Between 2 and 5 years									
Beyond 5 years									
<b>Total</b>									

**iii. Risk exposure**

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

**Asset volatility**

The plan liabilities are calculated using a discount rate set with reference to bond yield;

**Changes in bond yields**

A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plans' bond holdings.

**iv. Defined contribution plans:**

The Company's contribution to defined contribution plan viz., provident fund, of ₹ 17.86 (March 31, 2019: ₹ 10.56) has been recognised in the Statement of Profit and Loss. There are numerous interpretative issues relating to the Supreme Court (SC) judgment dated February 28, 2019 on components / allowances paid to employees that need to be taken into account while computing an employer's contribution to provident fund under the EPF Act. The Company is in the process of evaluating the method of computation of its PF contribution in relation to above judgement and would record any further effect in its financial statements, on receiving further clarification on the subject.

Other financial liabilities	Level 3	90.68	57.09
<b>Total financial liabilities</b>		<b>8,857.88</b>	<b>7,562.76</b>

**i. Fair value hierarchy**

Ind AS 113, 'Fair Value Measurement' requires classification of the valuation method of financial instruments measured at fair value in the Statement of Balance sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 113 are described below.

Financial assets and liabilities measured at fair value - recurring fair value measurements (Level 2)	31st March 2020	31st March 2019
<b>Financial assets</b>		
Cross currency swap	-	15.03
Derivative Financial Instruments	23.63	-
Total financial assets	23.63	15.03
<b>Fair value of Financial assets and liabilities carried at amortised cost (Level - 3)</b>	<b>31st March 2020</b>	<b>31st March 2019</b>
<b>Financial assets</b>		
Loan to Employees	8.72	7.03
Advances to Related Parties	86.11	114.35
Security deposit for leased premises	7.54	6.60
<b>Total financial assets</b>	<b>102.38</b>	<b>127.98</b>

There were no transfers between any levels during the year.

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 35 Fair value measurements (Contd.)**

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes publicly traded derivatives and mutual funds that have a quoted price. The quoted market price used for financial assets held by the Company is the current bid price.

**Level 2:** The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

**ii. Valuation technique used to determine fair value**

Specific valuation techniques used to value financial instruments include:

- The fair value of forward foreign exchange contracts and cross currency interest rate swaps (CCIRS) is determined using forward exchange rates at the balance sheet date
- The fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 3 where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

**iii. Valuation process**

Discount rates are determined using a market interest rate for a similar asset adjusted to the risk specific to the asset.

**iv. Fair value of financial assets and liabilities measured at amortised cost**

31st March 2020	Carrying amount	Fair value
<b>Financial assets</b>		
Loan to Employees	8.72	8.72
Advances to Related Parties	80.86	86.11
Security deposit for leased premises	7.54	7.54
<b>Total financial assets</b>	<b>97.13</b>	<b>102.38</b>
31st March 2019	Carrying amount	Fair value
Loan to Employees	7.03	7.03
Advances to Related Parties	110.17	114.35
Security deposit for leased premises	6.60	6.60
<b>Total financial assets</b>	<b>123.80</b>	<b>127.98</b>

The fair values for receivable from holding company and rent advance were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The majority of borrowings are floating rate borrowings, the carrying value is representative of the fair value.

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 36 Financial Risk Management**

**(A) Credit Risk**

Credit Risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The exposure is continuously monitored to determine significant increase in credit risk. The Company monitors the credit assessment on a portfolio basis, assesses all credit exposures in excess of designated limits. The Company does a risk grading based upon the credit worthiness of the borrowers. All these factors are taken into consideration for computation of ECL.

**Other Financial Assets**

Credit risk with respect to other financial assets are extremely low. Based on the credit assessment the historical trend of low default is expected to continue. No provision for Expected Credit Loss (ECL) has been created for Other financial Assets.

**Loans**

The following table sets out information about credit quality of retail loan assets measured at amortised cost based on Number of Days past due information. The amount represents gross carrying amount.

Particulars	31st March 2020	31st March 2019
Gross Carrying value of Loans		
Stage-1 (Less than 30 Days)	8,407.16	7,767.27
Stage-2 (31-90 Days)	869.84	321.98
Stage-3 (More than 90 Days)	370.66	274.69
Total Gross Carrying value on Reporting Date	<b>9,647.66</b>	<b>8,363.94</b>

**Credit Quality**

Financial services business has a comprehensive framework for monitoring credit quality of its retail and other loans based on days past due monitoring. Repayment by individual customers and portfolio is tracked regularly and required steps for recovery is taken through follow ups and legal recourse.

**Inputs considered in the ECL model**

In assessing the impairment of loans assets under ECL model, the loan assets have been segmented into three stages.

The three stages reflect the general pattern of credit deterioration of a financial instrument. The differences in accounting between stages relate to the recognition of expected credit losses and the calculation and presentation of interest revenue.

The Company categorises loan assets into stages based on the Days Past Due status:

- Stage 1: 30 Days Past Due
- Stage 2: 31-90 Days Past Due
- Stage 3: More than 90 Days Past Due

**Assumptions considered in the ECL model**

The financial services business has made the following assumptions in the ECL Model:

- "Loss given default" (LGD) is common for all three stages and is based on loss in past portfolio. Actual cash flows are discounted with average rate for arriving loss rate. EIR has been taken as discount rate for all loans

**Estimation Technique**

The financial services business has applied the following estimation technique in its ECL model:

- "Probability of default" (PD) is applied on Stage 1 and Stage 2 on portfolio basis and for Stage 3 PD is 100%.
- Probability of default for Stage 1 loan assets is calculated as average of historical trend from Stage 1 to Stage 3 in next 12 months.

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 36 Financial Risk Management (Contd.)**

- Probability of default for Stage 2 loan assets is calculated based on the lifetime PD as average of historical trend from Stage 2 to Stage 3 for the remaining tenor.
- Loss given default is calculated based on discounted actual cash flow on past portfolio in default along with reversals.

There is no change in estimation techniques or significant assumptions during the reporting period.

**Assessment of significant increase in credit risk**

When determining whether the risk of default has increased significantly since initial recognition, the financial services business considers both quantitative and qualitative information and analysis based on the business historical experience, including forward-looking information. The financial services business considers reasonable and supportable information that is relevant and available without undue cost and effort.

The financial services business uses the number of days past due to classify a financial instrument in low credit risk category and to determine significant increase in credit risk in retail. As a backstop, the financial services business considers that a significant increase in credit risk occurs no later than when an asset is more than 30 days past due.

In accordance with the board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated March 27, 2020 and April 17, 2020 relating to 'COVID-19 – Regulatory Package', the Company has offered moratorium upto three months on the payment of installments falling due between March 1, 2020 and May 31, 2020 to all eligible borrowers.

For staging classification under ECL computation, the Company has exercised standstill option of asset classification for overdue standard accounts classified under Stage 2 as at 29th February 2020, for which moratorium has been granted. Above relaxation has not been deemed to be automatically triggering significant increase in credit risk based on assessment of the Company. During the moratorium period, the Company continues to recognize interest income and has made the judgment that the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 3 classification criteria.

COVID-19 has severe impact on global as well as domestic macro and micro economies, businesses and consumers. Due to this uncertainty, Company's assessments of impairment loss allowance on its loans are subject to a number of management judgements and estimates. The Company has followed same methodologies and assumptions for impairment loss allowance calculations followed in earlier quarters with additional consideration for Covid related impact and the associated support packages in the measurement of impairment loss allowance. Since the Company's impairment loss allowance estimates are inherently uncertain, actual results may differ from these estimates.

**Definition of default**

The definition of default used for internal credit risk management purposes is based on RBI Guidelines. Under Ind AS, Loans to be in default when it is more than 90 days past due. The financial services business considers Loans under default as 'credit impaired'.

**Impairment loss**

The expected credit loss allowance provision is determined as follows:

	Stage 1	Stage 2	Stage 3	Grand Total
Gross Balance as at 31st Mar'20	8,407.16	869.84	370.66	9,647.66
Expected Credit Loss	39.23	9.50	143.38	192.11
Expected Credit Loss Rate	0.47%	1.09%	38.68%	1.99%
Net of Impairment Provision	8,367.93	860.34	227.28	9,455.55

	Stage 1	Stage 2	Stage 3	Grand Total
Gross Balance as at 31st Mar'19	7,767.27	321.98	274.69	8,363.94
Expected Credit Loss	30.99	3.43	104.61	139.03
Expected Credit Loss Rate	0.40%	1.06%	38.08%	1.66%
Net of Impairment Provision	7,736.28	318.55	170.08	8,224.91

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 36 Financial Risk Management (Contd.)**

**Reconciliation of Expected Credit Loss**

Particulars	Stage-1	Stage-2	Stage-3	Grand Total
<b>Balance as at 1st April 2018</b>	<b>19.75</b>	<b>2.08</b>	<b>82.94</b>	<b>104.77</b>
Transfer to Stage 1	(2.14)	1.06	1.08	-
Transfer to Stage 2	0.21	(1.18)	0.98	-
Transfer to Stage 3	1.34	0.63	(1.97)	-
Loans that have derecognised during the period	(4.32)	(0.60)	(25.43)	(30.36)
New Loans originated during the year	22.44	1.47	13.25	37.16
Net Remeasurement of Loss Allowance	(6.28)	(0.02)	33.75	27.45
<b>Balance as at 31st March 2019</b>	<b>30.99</b>	<b>3.43</b>	<b>104.61</b>	<b>139.03</b>
Transfer to Stage 1	(4.92)	3.27	1.66	-
Transfer to Stage 2	0.28	(1.90)	1.61	-
Transfer to Stage 3	0.71	1.33	(2.04)	-
Loan that have derecognised during the period	(6.58)	(0.72)	(25.18)	(32.49)
New Loans originated during the year	25.12	3.91	12.98	42.02
Net Remeasurement of Loss Allowance	(6.37)	0.18	49.74	43.55
<b>Balance as at 31st March 2020</b>	<b>39.23</b>	<b>9.50</b>	<b>143.38</b>	<b>192.11</b>

**Concentration of Credit Risk**

The business manages concentration of risk primarily by geographical region. The following details show the geographical concentrations of the loans at the year end:

	31st March 2020	31st March 2019
Carrying value		
Concentration by geographical region in India		
South	3,822.92	3,356.79
West	2,091.72	1,999.24
East	1,602.03	1,227.55
North	2,130.99	1,780.36
<b>Total Loans as at reporting period</b>	<b>9,647.66</b>	<b>8,363.94</b>

**(B) Liquidity risk**

The liquidity risk is a risk that an entity will encounter difficulty in meeting financial obligations.

As per Company's policy, management ensures availability of sufficient fund either through Installment receivables/sourcing through debts at each point of time. The Fund requirement ascertained at the beginning of the period by taking into consideration Installment receivable, likely disbursement, Loan installment payment & other operational expenses. The Company is continuously getting good supports from Bankers & Financial Institutions at the time of need.

**i. Financing arrangements**

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

	31st March 2020	31st March 2019
Floating rate		
Expiring within one year (bank overdraft and other facilities)	332.04	653.09
Expiring beyond one year (bank loans)	-	-
	332.04	653.09

The bank overdraft facilities may be drawn at any time and may be terminated by the bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in INR.

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 36 Financial Risk Management (Contd.)**

**ii. Maturities of financial liabilities**

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

- All non-derivative financial liabilities, and
- Net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Contractual maturities of financial liabilities	Less than 3 months	3 to 6 months	6 months to 1 year	Between 1 and 5 years	More than 5 years	Total
<b>31st Mar 2020</b>						
<b>Non-derivatives</b>						
Borrowings	956.35	582.44	3,187.76	3,733.20	99.81	8,559.56
Security Deposit Received	-	17.78	21.24	-	-	39.02
Trade Payables	13.55	120.47	34.61	-	-	168.63
Other financial liabilities	40.62	1.76	25.32	20.11	9.34	97.15
<b>Total non-derivative liabilities</b>	<b>1,010.52</b>	<b>722.45</b>	<b>3,268.93</b>	<b>3,753.31</b>	<b>109.15</b>	<b>8,864.36</b>

Contractual maturities of financial liabilities	Less than 3 months	3 to 6 months	6 months to 1 year	Between 1 and 5 years	More than 5 years	Total
<b>31st Mar 2019</b>						
<b>Non-derivatives</b>						
Borrowings	700.70	384.42	2,765.44	2,569.02	898.18	7,317.76
Security Deposit Received	-	22.27	22.48	3.29	-	48.04
Trade Payables	8.78	93.89	37.21	-	-	139.87
Other financial liabilities	22.01	0.91	34.17	-	-	57.09
<b>Total non-derivative liabilities</b>	<b>731.49</b>	<b>501.48</b>	<b>2,859.30</b>	<b>2,572.31</b>	<b>898.18</b>	<b>7,562.76</b>

**NOTE 37 Financial Risk Management**

**(a) Foreign currency risk exposure:**

Foreign exchange risk arises on financial instruments being denominated in a currency that is not the functional currency of the entity. The Company is exposed to foreign exchange risk due to continuous fluctuation in the foreign currency (USD) of the loan originated. The Company has entered into cross currency swaps (CCS) /forward contracts/ Interest rate swap to fully hedge all foreign currency exchange risk on the principal and interest amount payable on borrowings.

	31st March 2020	31st March 2019
<b>Financial liabilities</b>		
Variable Foreign Currency Borrowings	634.84	252.68
<b>Derivative liabilities</b>		
Hedged through derivatives	634.84	-
Hedged through CCS	-	257.59
<b>Net exposure to foreign currency risk (liabilities)</b>	<b>-</b>	<b>(4.90)</b>

**(b) Sensitivity analysis**

The Company has hedged all its foreign currency exposures by entering into CCS/ Forwards contracts, it shall not be subject to any sensitivity on settlement due to foreign currency fluctuation (USD). Forward Contract & Cross Currency Swap are to buy USD for Hedging Foreign Currency Loan.

Impact on profit after tax		
	31st March 2020	31st March 2019
USD sensitivity		
INR/USD Increases by 5%	-	(0.16)
INR/USD Decreases by 5%	-	0.16

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 37 Financial Risk Management**

**(ii) Cash flow and fair value interest rate risk**

The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. During 31 March 2020 and 31 March 2019, the Company's borrowings at variable rate were mainly denominated in INR, USD.

The Company's floating rate borrowings are carried at amortised cost. For NBFC business loan is the major source for running the business. In India loans are mostly available at Floating rate Interest. And there are no such option available to obtain an option for swapping the Floating rate Interest with Fixed Interest. Hence except foreign currency loans', other loans are not hedged.

**(a) Interest rate risk exposure**

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

	31st March 2020	31st March 2019
Variable rate borrowings	7,173.54	6,324.62
<b>Total borrowings</b>	<b>8,559.56</b>	<b>7,317.76</b>

As at the end of the reporting period, the Company had the following variable rate borrowings outstanding:

	31st March 2020		
	Weighted average interest rate	Balance	% of total loans
Bank overdrafts, bank loans etc.	8.30%	7,173.54	83.81%
31st March 2019			
	Weighted average interest rate	Balance	% of total loans
Bank overdrafts, bank loans etc.	9.12%	6,324.62	86.43%

An analysis by maturities is provided in note 36 B (ii) above.

**(b) Sensitivity**

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates. Other components of equity change as a result of an increase/decrease in the fair value of the cash flow hedges related to borrowings.

	Impact on profit after tax	
	31st March 2020	31st March 2019
Interest rates – increase by 50 basis points*	32.03	23.93
Interest rates – decrease by 50 basis points*	(32.03)	(23.93)

\* Holding all other variables constant.

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 38 Capital management**

**(a) Risk management**

The Risk Management policy includes identification of element of risks, including those which in the opinion of Board may lead to Company not meeting its financial objectives. The risk management process has been established across the Company and designed to identify, access & frame a response to threat that affect the achievement of its objectives. Further it is embedded across all the major functions and revolve around the goals and objectives of the Company.

Maintaining optimal capital to debt is one such measure to ensure healthy returns to the shareholders. Company envisages maintaining gearing ratio of 6 times to the total equity, the Company monitors the ratio as below Net Debt divided by total equity

	<b>31st March 2020</b>	<b>31st March 2019</b>
Net debt (total borrowings, less cash and cash equivalents)	8,202.20	7,240.72
Total Equity (as shown in the balance sheet)	1,372.03	1,151.10
<b>Net debt to equity ratio</b>	<b>5.98</b>	<b>6.29</b>

**(b) Externally imposed capital restrictions**

- As per RBI requirements Capital Adequacy Ratio should be minimum 15%, not meeting RBI requirements will lead cancellation of NBFC licenses issued by RBI
- As per various lending arrangements with banks TOL (Total Outside Liability) to TNW (Total Net Worth) ratio should be less than 8, not meeting the said requirements may lead to higher interest rates.

The Company has complied with these covenants throughout the reporting period.

**NOTE 39 Transition Notes on adoption of Ind AS 116**

The Company has adopted Ind AS 116 'Leases' with the date of initial application being April 1, 2019. Ind AS 116 replaces Ind AS 17 – Leases. The Company has applied Ind AS 116 using the modified retrospective approach, under which the cumulative effect of initial application is recognised in retained earnings at April 1, 2019. As a result, the comparative information has not been restated. In adopting Ind AS 116, the Company has applied the below practical expedients:

- The Company has not reassessed whether a contract is, or contains, a lease at the date of initial application
- The Company applied a single discount rate for all leases arrangements since they have reasonably similar characteristics
- The Company relied on its assessment of whether leases are onerous applying Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets, immediately before the date of initial application as an alternative to performing an impairment review as per Ind AS 36 Impairment of assets
- The Company has treated the leases with remaining lease term of less than 12 months as "short term leases"
- The Company has excluded the initial direct costs from measurement of the right-of-use asset at the date of transition
- The Company used hindsight, such as in determining the lease term if the contract contains options to extend or terminate the lease.
- Effective 1st April 2019, the Company has applied Ind AS 116 "Leases", using the modified retrospective approach. As a result, the Company has recognised Right of Use - assets amounting to ₹21.93 crores and lease liability of ₹24.89 crores, with net impact of ₹1.93 crores recognised in retained earnings as at 01.04.2019 and ₹1.03 crores in deferred tax.

**Measurement of lease liabilities**

The lease liabilities as at 1 April 2019 can be reconciled to the operating lease commitments as of 31 March 2019, as follows:

<b>Particulars</b>	<b>Amount</b>
Operating lease commitments disclosed as at 31 March 2019	47.36
Weighted average incremental borrowing rate as at 1 April 2019	8.75%
Discounted using the lessee's incremental borrowing rate of at the date of initial application	37.44
Adjustments as a result of a different treatment of extension and termination options	(12.54)
<b>Lease liabilities as at 1 April 2019</b>	<b>24.89</b>

**NOTES  
TO THE STANDALONE FINANCIAL STATEMENTS**

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 39 Transition Notes on adoption of Ind AS 116 (Contd.)**

**Lease Disclosures pertaining to Right to use Asset**

Particulars	Amount
Gross Block - Building	
Opening/(On transition to Ind AS 116)	21.93
Additions during the year	10.97
Deletions during the year	-
Closing Balance during the year	32.90
Amortisation	
Additions	-
Amortisation for the year	7.12
Closing Balance during the year	25.78

Company has exercised the option of short-term leases and low value asset exemption.

**Lease Disclosures pertaining to Statement of Profit & Loss**

Particulars	Amount
<b>Finance charges</b>	
Interest expense	2.32
<b>Depreciation</b>	
Amortisation of Right to use asset	7.12
<b>Other expenses</b>	
Rent expenses	
Expense relating to short-term leases (included in other expenses)	8.33
Expense relating to leases of low-value assets that are not short-term leases (included in other expenses)	-
Expense relating to variable lease payments not included in the measurement of lease liabilities	-
Total	8.33

**Lease Disclosures pertaining to Cash Flow Statement**

Particulars	Amount
Cash flow from financing activities	
Principal repayments related to lease liabilities	6.83
Interest payments related to lease liabilities	2.32

**Note 40**

The Taxation Laws (Amendment) Ordinance, 2019 contain substantial amendments in the Income Tax Act 1961 and the Finance (No.2) Act, 2019 to provide an option to domestic companies to pay income tax at a concessional rate. The Company has elected to apply the concessional tax rate. Accordingly, the Company has recognized the provision for income tax and re-measured the net deferred tax assets at concessional rate for the year ended 31 March 2020. Further, the opening net deferred tax asset has been re-measured at lower rate with a one-time impact recognized in the statement of profit and loss.

(All amounts in ₹ Crores, unless otherwise stated)

**41. Additional Notes forming part of Financial Statements for year ended 31<sup>st</sup> Mar, 2020**

**1. Capital Commitments**

Description	March 31, 2020	March 31, 2019
Estimated amount of contracts remaining to be executed on Capital Account not provided for	2.18	2.58

**2. Other Commitments**

Description	March 31, 2020	March 31, 2019
Undrawn Loans sanctioned to borrowers	1.99	29.58

**3. Contingent Liabilities not provided for:**

Claims against the Company not acknowledged as debts.

Description	March 31, 2020	March 31, 2019
Disputed Income Tax Demand (adjusted out of refunds)	1.06	1.06
Disputed Service Tax Demand inclusive of Penalty – Commissioner order/Additional Commissioner appealed against by Company during previous years (Pre-deposit of Rs 0.29 crs)	7.70	6.72
Legal cases filed by borrowers against the Company	1.64	1.29

The Company's pending litigations comprise of claims against the Company and proceedings pending with Statutory Authorities. The future cash flows on the above items are determinable only on receipt of decisions/judgments that are pending at various forums/authorities. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial results.

4. Pursuant to a Business Transfer Agreement (BTA) entered into with TVS Finance and Services Limited (TVSFS) on 21st April 2010, the Company acquired the retail finance business of TVSFS as a going concern along with the related assets (comprising of fixed assets, receivables, loans and advances and Bank balances) of ₹ 50.75 crores and liabilities (comprising of borrowings from Banks and Institution, current liabilities and provisions) of ₹ 298.75 crores. TVSFS issued Unsecured Redeemable Bonds to the Company, for the excess of liabilities over assets of ₹ 248 crores. The bonds are redeemable between 7th and 12th year from the date of allotment. The said bonds have been purchased by TVS Motor Services Limited (TVSMS), during 2010-11 at book value and the same is repayable by TVSMS in 6 years. Instalment of ₹ 41.33 crores due in March 2020 has been paid by TVSMS. Accordingly, the advance from TVSMS to the Company pertaining to this transaction stands at ₹ 78.20 crores as at March 31, 2020 as per Ind AS fair valuation. Advance is partly secured to the extent of ₹ 52.15 crores and balance portion of ₹ 26.05 crores is unsecured. Considering the intrinsic value of land lying with TVSMS and equity shares held by TVSMS in the Company, the unsecured advance is considered good and recoverable.
5. Pursuant to para 2 of general instructions for preparation of financial statements of a NBFC as mentioned in Division III of Schedule III of The Companies Act, 2013, the current and non-current classification has not been provided.
6. As at the balance sheet date, the Company has received dues of ₹ 0.01 crores (PY – ₹ 0.38 crores) included under bank balances, arising out of the assigned asset and the same is shown under payables (Note No. 14)

(All amounts in ₹ Crores, unless otherwise stated)

In terms of the above notification on Implementation of Indian Accounting Standards, Non-Banking Financial Companies (NBFCs) are required to create an impairment reserve for any shortfall in impairment allowances under Ind AS 109 and Income Recognition, Asset Classification and Provisioning (IRACP) norms (including provision on standard assets). The impairment allowances under Ind AS 109 made by the Company exceeds the total provision required under IRACP (including standard asset provisioning), as at 31 March 2020 and accordingly, no amount is required to be transferred to impairment reserve.

### **Report on the Audit of the Consolidated Financial Statements**

#### **Opinion**

We have audited the accompanying consolidated financial statements of TVS Credit Services Limited (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at 31<sup>st</sup> March, 2020, and the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Statement of Cash Flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act 2013, ('the Act') in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS') and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31<sup>st</sup> March, 2020, the consolidated profit, consolidated total comprehensive Income, consolidated changes in equity and its consolidated cash flows for the year then ended.

#### **Basis for Opinion**

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics issued by Institute of Chartered Accountants of India ( ICAI)*, together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013 and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion on the consolidated financial statements

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of the most significant in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.No.	Key Audit Matter	Auditor's Response.
1	<b>Allowance for Impairment under IND AS 109</b> The standard prescribes provisioning of stage wise Expected Credit Loss against the loans issued by the Company, with the value of provisioning being based upon the number of days the receivable is past its due. RBI vide its directive issued on 13 <sup>th</sup> March 2020 has mandated that ECL provision under IND AS and the provision as required under IRACP norms of RBI shall be compared. In the event the provisioning under ECL norms of IND AS is lower than that of the IRACP norms the shortfall shall be provided by way of an appropriation from Profit after Tax to an "Impairment Reserve".	<b>Principal Audit Procedures</b> We have understood the Company's estimation of the stage allocation of the loan assets and understood the policy in place for computation of parameters required to arrive at the expected credit loss and verified for the consistency in application of the policy. We have performed, substantive checks on the calculation, including independent calculation of the parameters, that are estimated by the Company as part of computation of ECL. WE have also engaged analytical tests including but not limited to trend analysis of the ECL number against the loan receivables in comparison to some of the other companies in the same business profile. We have compared ECL provision as computed under IND AS and the comparative requirement under IRACP norms of RBI, ECL provision computed under IND AS was found to be higher than the requirement under IRACP. Hence there was no requirement for an "Impairment Reserve". The Company has also made adequate disclosure in the notes forming part of financial statements regarding the provisions held and adhered to the disclosure requirements prescribed by the RBI.

S.No.	Key Audit Matter	Auditor's Response.
2	<b>Application of IND AS 116</b> From 1 <sup>st</sup> April 2019, IND AS 116 has to be applied on all applicable leasing contracts with the application and appropriate accounting treatment of identifying lease liability, right to use asset, interest on such lease.	<b>Principal Audit Procedures</b> The Company has employed an external agency to assist with the transition into IND AS 116 during the financial year and has extensively documented, for each of its leases, based on a policy of general materiality, the applicability or non-applicability of the standard, to such lease. We have verified the new leases during the year for additional locations and have found that the approach applied is consistent to the policy in place and also in line with the requirements of the standard. We have also performed an independent verification of the calculation of the lease liability, interest on lease and right to use assets based on the information made available to us and found the results satisfactory.

### Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Emphasis of Matter

As described in the note no 35 to the consolidated financial statements, in respect of accounts overdue but standard as on 29 February 2020 where moratorium benefit has been granted, the staging of those accounts as on 31<sup>st</sup> March 2020 is based on the days past due status as on 29 February 2020 in accordance with the Reserve Bank of India COVID-19 Regulatory Package and accordingly, the prescribed provision has also been carried in books for such accounts. Our opinion is not modified in respect of the above matter.

### Responsibilities of Management and Board of Directors, for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group, in accordance with the Ind AS and other accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the each of the companies in the Group, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group, are responsible for overseeing the financial reporting process of each of the companies in the Group.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher, than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company, its subsidiary companies and its which are companies incorporated in India and outside India, has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and board of directors;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the companies in the Group, to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group, to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are

therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matters**

We did not audit the financial statements/financial information of six subsidiaries, whose financial statements / financial information reflect total assets of ₹13.14 crores as at 31st March 2020, total revenues of ₹0.72 crores and net cash outflows amounting to ₹0.28 crores for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

### **Report on Other Legal and Regulatory Requirements**

As required by Section 143(3) Of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2020 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, none of the directors of the Group companies, is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Group consisting of subsidiaries, which are all incorporated in India, and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. - Refer Note 40(3) to the consolidated financial statements.
  - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting Standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the investor Education and Protection Fund by the Holding Company and its subsidiary companies.

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of  
Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31<sup>st</sup> March 2020, we have audited the internal financial controls over financial reporting of **TVS Credit Services Limited** (hereinafter referred to as the 'Holding Company'), "Chaitanya", No.12, Khader Nawaz Khan Road, Chennai 600 006, and its subsidiaries.

**Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Company, its subsidiary companies, are responsible for establishing and maintaining internal financial controls based on the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (" the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company, its subsidiary companies, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained, and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company, its subsidiaries, which are companies incorporated in India.

**Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies which are all incorporated in India, have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31<sup>st</sup> March 2020**, based on internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by Institute of Chartered Accountants of India.

**Other Matters**

Our aforesaid report under section 143 (3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to of its subsidiary companies and, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

**1. Significant Accounting Policies forming part of Financial Statements**

**BRIEF DESCRIPTION OF THE GROUP**

TVS Credit Services Limited ('the Company') is a public limited company incorporated and domiciled in India. The registered office is located at "Chaitanya", No. 12 Khader Nawaz Khan Road, Nungambakkam, Chennai – 600006, Tamil Nadu, India. The Company with its subsidiaries is collectively referred to as the "Group".

The Company has received Certificate of Registration dated 13<sup>th</sup> April, 2010 from Reserve Bank of India (RBI) and commenced Non-Banking Financial activity there on. The Company is categorized as Systemically Important Non-Banking Finance (Non-Deposit Accepting or Holding) Company, as defined under Section 45-IA of Reserve Bank of India (RBI) Act, 1934. The Company is engaged predominantly in Automobile Financing. The Company falls under the new category of "NBFC - Investment and Credit Company (NBFC-ICC)" post RBI merger of the three categories of NBFCs viz. Asset Finance Companies (AFC), Loan Companies (LCs) and Investment Companies (ICs) during February 2019.

**SIGNIFICANT ACCOUNTING POLICIES**

**a. Basis of preparation of accounts:**

The financial results of the Company have been prepared in accordance with Indian Accounting Standards (Ind-AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with [Companies (Indian Accounting Standards) Rules, 2015] as amended by the Companies (Indian Accounting Standards) Rules, 2016 and other accounting principles generally accepted in India.

The Company has adopted Ind-AS from April 1, 2018 with effective transition date of April 1, 2017 pursuant to MCA notification dated March 31, 2016 and financial statements has been prepared in accordance with Division III of Schedule III of Companies Act 2013 notified by MCA on October 11, 2018. Further, the Company follows application guidance, clarifications, circulars and directions issued by the Reserve Bank of India (RBI) for Non-Banking Financial Companies (NBFC) or other regulators, as and when they are issued and applicable.

**Principles of Consolidation**

**Subsidiaries**

Subsidiaries are all entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries are consistent with the policies adopted by the group.

Non-controlling interests (if any) in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet, respectively.

The subsidiary companies considered in consolidated financial statements are:

S. No.	Name of the Subsidiary	Proportion of Ownership (interest/voting power -%)		Reporting Date
		2019-20	2018-19	
1	Haritha ARC Services Private Limited	100%	100%	31-03-2020
2	Haritha Collection Services Private Limited	100%	100%	31-03-2020
3	TVS Commodity Financial Solutions Private Limited	100%	100%	31-03-2020
4	TVS Housing Finance Private Limited	100%	100%	31-03-2020
5	TVS Micro Finance Private Limited	100%	100%	31-03-2020
6	TVS Two Wheeler Mall Private Limited	100%	100%	31-03-2020

All the subsidiaries are incorporated in India

**b. Historical cost convention**

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities (including derivative instruments) are measured at fair value as stated in notes;
- Defined benefit plans – plan assets measured at fair value.

## c. Use of estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future period. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

## d. Significant Estimates and Judgments

The areas involving critical estimates are:

- Determining inputs into the ECL measurement model - (Refer Note 35)
- Estimation of defined benefit obligation - (Refer Note 33)

The areas involving critical judgements are:

- Classification of financial assets: Assessment of the business model within which the assets are held and assessment of whether the contractual terms of the financial asset are SPPI (Solely Payments of Principal and Interest) on the principal amount outstanding.
- Derecognition of financial assets and securitization.
- Categorization of loan portfolios

## e. Property, Plant and Equipment (PPE):

Items of property, plant & equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All repairs and maintenance are charged to the statement of profit or loss during the reporting period in which they are incurred.

## f. Depreciation:

Depreciation is provided on straight-line basis over the estimated useful lives of the assets. Useful life estimated by the Company is in line with the useful life prescribed under Part C of Schedule II of the Companies Act, 2013 except in the case of mobile phone, based on the technical evaluation wherein the useful life is considered as 2 years.

Depreciation on PPE individually costing ₹5,000/- or less is provided 100% in the year of acquisition.

An asset's carrying amount is written down immediately to its estimated recoverable amount, if the asset's carrying amount is greater than its estimated recoverable amount. Gain and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit or loss.

Depreciation on fixed assets added/disposed off during the year is calculated on pro-rata basis with reference to the date of addition/disposal.

## g. Investment property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

## h. Intangible Assets

Intangible assets acquired are recorded at their acquisition cost and are amortised on straight line basis over its useful life. Software is amortised over 3 years period or the license period whichever is lower on Straight Line basis.

i. **Financial Assets and financial liabilities:**

1. **Classification**

The Company classifies its financial assets in the following categories, those to be measured subsequently at

- a. Fair value through other comprehensive income (FVOCI),
- b. Fair value through profit or loss (FVTPL), and
- c. Amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Business model assessment

The Company makes an assessment of the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed and information is provided to management.

Assessment of whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as profit margin.

In assessing whether the contractual cash flows are SPPI, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition.

Reclassifications

Financial assets are not reclassified subsequent to their initial recognition, except in the period after the Company changes its business model for managing financial assets.

Financial liabilities

The Company classifies its financial liabilities, other than fully hedged foreign currency loans, financial guarantees and loan commitments, as measured at amortised cost or fair value through profit or loss.

2. **Measurement:**

At initial recognition, the Company measures a financial assets that are not at fair value through profit or loss at its fair value plus/(minus), transaction costs / origination Income that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt Instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments.

a. **Amortised Cost:**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying value of a financial asset. While calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual

terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

b. Fair Value through profit or loss:

Assets that do not meet the criteria for amortised cost or Fair Value through Other Comprehensive Income (FVOCI) are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented in the statement of profit and loss within other gains / (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

**3. Revenue Recognition**

a. Income from financing activity

- i. Interest income is recognized using the Effective Interest Rate (EIR) method for all financial assets measured at amortised cost. The EIR is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, to its gross carrying amount. The calculation of the effective interest rate includes transaction costs and transaction income that are directly attributable to the acquisition of a financial asset.
- ii. For financial assets that are not Purchases Originally Credit Impaired "POCI" but have subsequently become credit-impaired (or 'stage-3'), for which interest revenue is calculated by applying the effective interest rate to their amortised cost and interest recognised is net of expected credit loss provision.
- iii. Income by way of additional interest on account of delayed payment by the customers is recognized on realization basis, due to uncertainty in collection.

b. Other revenue from operations

- i. Fees and commission income that are not integral part of the effective interest rate on the financial asset are recognized as the performance obligations are performed and there is no significant financing component of the consideration.
- ii. Dividend income is recognized when the right to receive income is established.
- iii. Incomes in the nature of bounce and related charges are recognized on realisation, due to uncertainty in collection.

**4. Impairment of financial assets:**

The Company recognizes loss allowance for Expected Credit Loss "ECL" on the following financial instruments that are not measured at FVTPL:

- i. Loans
- ii. Trade receivables
- iii. Other receivables

i. Loans and Other receivables

The Company measures loss allowances at an amount equal to lifetime ECL, except for financial instruments whose credit risk has not increased significantly since initial recognition, for which a 12-month ECL is computed.

Life-time ECL is based on the result from all possible default events over the expected life of the financial instrument.

12-month ECL is based on the result from default events on a financial instrument that are possible within the 12 months after the reporting date.

The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The Company categorizes loan assets into stages based on the Days Past Due status:

Stage	Past due	ECL	Regulatory standards
Stage 1	30 days past due	12 Month ECL	Equivalent to standard assets as per RBI
Stage 2	31-90 Days Past Due	Life-time ECL	
Stage 3	More than 90 Days Past Due	Life-time ECL	Equivalent to NPA assets as per RBI

#### Measurement of ECL

ECL is a probability-weighted estimate of credit losses. They are measured as follows:

- financial assets that are not credit-impaired at the reporting date: as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive);
- financial assets that are credit-impaired at the reporting date: as the difference between the gross carrying amount and the present value of estimated future cash flows.

#### ii. Trade Receivables:

For trade receivables only, the Company applies the simplified approach which requires life-time ECL to be recognised from initial recognition of the receivables.

#### Presentation of allowance for ECL in the statement of financial position

Loss allowances for ECL are presented in the statement of financial position for financial assets measured at amortised cost as a deduction from the gross carrying amount of the assets.

#### Write-off

Loans are written off when there is no reasonable expectation of recovering in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. This assessment is carried out at the individual asset level.

Financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

### 5. Derecognition of financial assets and financial liabilities:

A financial asset is derecognized only when:

The Company has transferred the contractual rights to receive cash flows from the financial asset or the Company retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized, if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

On derecognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognized) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in profit or loss.

A financial liability is derecognized when its contractual obligations are discharged or cancelled, or expires.

### 6. Derivatives

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged.

The Company designates derivatives taken on foreign external currency borrowings (ECB) as Cashflow Hedges (hedges of a particular risk associated with the cash flows of recognised assets and liabilities and highly probable forecast transactions).

The Company documents at the inception of the hedging transaction the relationship between hedging instruments and hedged items, as well as its risk management objective and strategy for undertaking various hedge transactions.

The Company also documents its assessment, both at hedge inception and on an ongoing basis, of whether the derivatives that are used in hedging transactions have been and will continue to be highly effective in offsetting changes in cash flows of hedged items.

The fair values of various derivative financial instruments used for hedging purposes are disclosed in Note 34. Movements in the hedging reserve in shareholders' equity are shown in Note 21.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in the "other comprehensive income". The gain or loss relating to the ineffective portion is recognised immediately in profit or loss.

## **7. Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### **j. Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured. They are recognised initially at their fair value and subsequently measured at amortised cost.

### **k. Cash and cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in the balance sheet.

### **l. Taxation**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

i. Deferred income tax provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

ii. Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the statement of profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

A deferred tax asset is recognised for unclaimed tax credits that are carried forward as deferred tax assets.

The Taxation Laws (Amendment) Ordinance, 2019 contain substantial amendments in the Income Tax Act 1961 and the Finance (No.2) Act, 2019 to provide an option to domestic companies to pay income tax at a concessional rate. The Company has elected to apply the concessional tax rate. Accordingly, the Company has recognized the provision for income tax and re-measured the net deferred tax assets at concessional rate for the year ended 31 March 2020. Further, the opening net deferred tax asset has been re-measured at lower rate with a one-time impact recognized in the statement of profit and loss.

**m. Employee Benefits:**

- a) Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.
- b) The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.
- c) Post-employment Obligation:

The Company operates the following post-employment schemes:

- Defined benefit plans such as gratuity for its eligible employees, pension plan for its senior managers; and
- Defined contribution plans such as provident fund.

i. Pension and gratuity obligation

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

ii. Provident fund:

Contributions to Provident Fund made to Regional Provident Fund Commissioner in respect of Employees' Provident Fund based on the statutory provisions are charged to Statement of Profit and Loss on accrual basis.

**n. Functional Currency:**

- a) Functional and presentation currencies:

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). i.e., in Indian rupees (INR) and all values are rounded off to nearest lakhs except where otherwise indicated.

- b) Transactions and balances

- Foreign currency transactions are translated into functional currency using exchange rates at the date of transaction.

- Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

**o. Borrowings**

Borrowings are initially recognised at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of the borrowings, using the effective interest method. Fees paid on the established loan facilities are recognised as transaction cost of the loan, to the extent that it is probable that some or all the facility will be drawn down.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gain/(loss).

Finance charges are expensed in the period in which they are incurred.

**p. Borrowings cost:**

Borrowing costs are expensed in the period in which they are incurred.

**q. Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit / (loss) before tax is adjusted for the effects of the transactions of non-cash nature.

**r. Earnings Per Share**

The basic earnings per share is computed by dividing the net profit / loss attributable to the equity shareholders for the period by the weighted average number of equity shares outstanding during the reporting period. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving earnings per share, and also the weighted average number of equity shares, which could have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share, only potential equity shares that are dilutive and that reduce profit per share are included.

**s. Impairment of assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period

**t. Lease**

The Company evaluates each contract or arrangement, whether it qualifies as lease as defined under Ind AS 116.

The Company as a lessee, assesses, whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract involves:-

- (a) The use of an identified asset,
- (b) The right to obtain substantially all the economic benefits from use of the identified asset,
- (c) The right to direct the use of the identified asset.

The Company at the inception of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with term of less than twelve months (short term) and low-value assets.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease plus any initial direct costs, less any lease incentives received. Subsequently, the right-of-use assets are measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets.

For lease liabilities at inception, the Company measures the lease liability at the present value of the lease payments that are not paid at that date.

The lease payments are discounted using the incremental borrowing rate.

For short-term leases and low value assets (assets of less than INR 500,000 in value) the Company recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

The Company has also elected not to reassess whether a contract is, or contains a lease at the date of initial application. Instead, for contracts entered into before the transition date the group relied on its assessment made applying Ind AS 17

Lease payments have been classified as Cash flow used in financing activities

The new standard is mandatory for financial years commencing on or after April 1, 2019 and early application is not permitted. The standard permits either a full retrospective or a modified retrospective approach for the adoption. Accordingly, the Company has adopted Ind AS 116, Leases, effective 1 April 2019 using modified retrospective method of transition. Adoption of this standard did not have a material effect on audited financial results for the year ended 31 March 2020.

**u. Segment reporting**

There is no separate reportable segment as per Ind AS 108 on 'Operating Segments' in respect of the Company.

**v. Provisions**

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

**w. Contingent liabilities**

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liabilities. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

**x. Share based payments:**

Equity-settled share-based payments for receipt of services are measured at the estimated average fair value of the equity instruments over the vesting period. The average fair value is determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

**y. Equity**

Equity shares are classified as equity. Distributions to holders of an equity instrument are recognized by the entity directly in equity. Transaction costs of an equity transaction shall be accounted for as a deduction from equity.

Tractor	8,473	312.13	4,964	172.42

**c. Transferred Loans**

The carrying amounts of the automobile financing include Loans which are subject to a Securitisation arrangement. Under this arrangement, Company has transferred the relevant Loans to the Securitisation trust in exchange for cash. However, Company has provided credit enhancements which in substance has been concluded as retention of risk and reward. The Company therefore continues to recognise the transferred assets in their entirety in its balance sheet. The amount repayable under the securitisation agreement is presented as secured borrowing.

#### Details of Security

- Term Loan received from Banks and Other Parties of ₹5578.66 inclusive of Current and Non-Current Dues (Previous Year: 4436.11 as on 31st March, 2019) is secured against hypothecation of receivables under the financing activity of the Company.
- Working Capital Demand Loan and Cash Credit of ₹1,569.36 (Previous Year: ₹1,546.58 as at 31st March 2019) is secured by hypothecation of receivables under the financing activity of the Company.

#### External Commercial Borrowings

During the year, the Company had raised funds in the overseas market amounting to ₹634.84 (equivalent to USD 90 million) under External Commercial Borrowings (ECB) accessed through automatic route after receiving the Loan Registration Number from RBI as per ECB Master Directions. These are unlisted instruments, for total duration of 3 years and the loan has been fully hedged. The net proceeds from the issue of these ECB were applied for the purpose of on-lending, in accordance with the directions issued by the RBI.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

(All amounts in ₹ Crores, unless otherwise stated)

## NOTE 21 Other Equity (Contd.)

### Statutory Reserves:

According to Section 45 - IC of the Reserve Bank of India Act, 1934, the Company transfers a sum not less than 20% of its net profit every year as disclosed in the statement of Profit and Loss and before declaration of any dividend to the Statutory reserves.

### Securities Premium

The reserve represents premium on issue of shares. It will be utilised in accordance with the provisions of the Companies Act, 2013.

### Retained Earnings:

Represents Company's cumulative undistributed earnings since its inception. This is available for distribution to shareholders through dividends/capitalisation.

## NOTE 22 Interest Income

**NOTE 33 Employee Benefit Obligations**

**Defined Benefit Obligation**

The Company provides for gratuity employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The gratuity plan is a funded plan and the Company makes contributions to recognised fund in India.

The Company operates defined benefit pension plan, which provide benefits to members in the form of a guaranteed level of pension payable for life. The level of benefits provided depends on members' length of service and their salary in the final years leading up to retirement.

Within the next 12 months (next annual reporting period)									4.93
Between 2 and 5 years									10.45
Beyond 5 years									2.83
<b>Total</b>									<b>18.21</b>

**(iii) Risk exposure**

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

**Asset volatility**

The plan liabilities are calculated using a discount rate set with reference to bond yield;

**Changes in bond yields**

A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plans' bond holdings.

**(iv) Defined contribution plans:**

The Company's contribution to defined contribution plan viz., provident fund, of ₹17.86 (March 31, 2019: ₹10.56) has been recognised in the Statement of Profit and Loss. There are numerous interpretative issues relating to the Supreme Court (SC) judgment dated February 28, 2019 on components / allowances paid to employees that need to be taken into account while computing an employer's contribution to provident fund under the EPF Act. The Company is in the process of evaluating the method of computation of its PF contribution in relation to above judgement and would record any further effect in its financial statements, on receiving further clarification on the subject..

Other financial liabilities	Level 3	90.68	57.09
<b>Total financial liabilities</b>		<b>8,857.88</b>	<b>7,562.76</b>

**(i) Fair value hierarchy**

Ind AS 113, 'Fair Value Measurement' requires classification of the valuation method of financial instruments measured at fair value in the Statement of Balance sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). Fair value of derivative financial assets and liabilities are estimated by discounting expected future contractual cash flows using prevailing market interest rate curves. The three levels of the fair-value-hierarchy under Ind AS 113 are described below.

Financial assets and liabilities measured at fair value - recurring fair value measurements (Level 2)	31st March 2020	31st March 2019
<b>Financial assets</b>		
Cross currency swap	-	15.03
Derivative Financial Instruments	23.63	-
Total financial assets	23.63	15.03
<b>Fair value of Financial assets and liabilities carried at amortised cost (Level - 3)</b>	<b>31st March 2020</b>	<b>31st March 2019</b>
<b>Financial assets</b>		
Loan to Employees	8.72	7.03
Advances to Related Parties	86.11	114.35
Security deposit for leased premises	7.54	6.60
<b>Total financial assets</b>	<b>102.38</b>	<b>127.98</b>

There were no transfers between any levels during the year.

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 34 Fair value measurements (Contd.)**

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices. This includes publicly traded derivatives and mutual funds that have a quoted price. The quoted market price used for financial assets held by the Company is the current bid price.

**Level 2:** The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

**(ii) Valuation technique used to determine fair value**

Specific valuation techniques used to value financial instruments include:

- the fair value of forward foreign exchange contracts and cross currency interest rate swaps (CCIRS) is determined using forward exchange rates at the balance sheet date
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

All of the resulting fair value estimates are included in level 3 where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk..

**(iii) Valuation process**

Discount rates are determined using a market interest rate for a similar asset adjusted to the risk specific to the asset.

**(iv) Fair value of financial assets and liabilities measured at amortised cost**

31st March 2020	Carrying amount	Fair value
<b>Financial assets</b>		
Loan to Employees	8.72	8.72
Advances to Related Parties	80.86	86.11
Security deposit for leased premises	7.54	7.54
<b>Total financial assets</b>	<b>97.13</b>	<b>102.38</b>
31st March 2019	Carrying amount	Fair value
Loan to Employees	7.03	7.03
Advances to Related Parties	110.17	114.35
Security deposit for leased premises	6.60	6.60
<b>Total financial assets</b>	<b>123.80</b>	<b>127.98</b>

The fair values for receivable from holding Company and rent advance were calculated based on cash flows discounted using a current lending rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The majority of borrowings are floating rate borrowings, the carrying value is representative of the fair value.

(All amounts in ₹ Crores, unless otherwise stated)

#### **NOTE 35 Financial Risk Management**

##### **(A) Credit Risk**

Credit Risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The exposure is continuously monitored to determine significant increase in credit risk. The Company monitors the credit assessment on a portfolio basis, assesses all credit exposures in excess of designated limits. The Company does a risk grading based upon the credit worthiness of the borrowers. All these factors are taken into consideration for computation of ECL.

##### **Other Financial Assets**

Credit risk with respect to other financial assets are extremely low. Based on the credit assessment the historical trend of low default is expected to continue. No provision for Expected Credit Loss (ECL) has been created for Other financial Assets.

##### **Loans**

The following table sets out information about credit quality of retail loan assets measured at amortised cost based on Number of Days past due information. The amount represents gross carrying amount.

Particulars	31st March 2020	31st March 2019
Gross Carrying value of Loans		
Stage-1 (Less than 30 Days)	8,407.16	7,767.27
Stage-2 (31-90 Days)	869.84	321.98
Stage-3 (More than 90 Days)	370.66	274.69
Total Gross Carrying value on Reporting Date	<b>9,647.66</b>	<b>8,363.94</b>

##### **Credit Quality**

Financial services business has a comprehensive framework for monitoring credit quality of its retail and other loans based on days past due monitoring. Repayment by individual customers and portfolio is tracked regularly and required steps for recovery is taken through follow ups and legal recourse.

##### **Inputs considered in the ECL model**

In assessing the impairment of loans assets under ECL model, the loan assets have been segmented into three stages.

The three stages reflect the general pattern of credit deterioration of a financial instrument. The differences in accounting between stages relate to the recognition of expected credit losses and the calculation and presentation of interest revenue.

The Company categorises loan assets into stages based on the Days Past Due status:

- Stage 1: 30 Days Past Due
- Stage 2: 31-90 Days Past Due
- Stage 3: More than 90 Days Past Due

##### **Assumptions considered in the ECL model**

The financial services business has made the following assumptions in the ECL Model:

- "Loss given default" (LGD) is common for all three stages and is based on loss in past portfolio. Actual cash flows are discounted with average rate for arriving loss rate. EIR has been taken as discount rate for all loans.

##### **Estimation Technique**

The financial services business has applied the following estimation technique in its ECL model:

- "Probability of default" (PD) is applied on Stage 1 and Stage 2 on portfolio basis and for Stage 3 PD is 100%.
- Probability of default for Stage 1 loan assets is calculated as average of historical trend from Stage 1 to Stage 3 in next 12 months.

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 35 Financial Risk Management (Contd.)**

- Probability of default for Stage 2 loan assets is calculated based on the lifetime PD as average of historical trend from Stage 2 to Stage 3 for the remaining tenor.
- Loss given default is calculated based on discounted actual cash flow on past portfolio in default along with reversals.

There is no change in estimation techniques or significant assumptions during the reporting period.

**Assessment of significant increase in credit risk**

When determining whether the risk of default has increased significantly since initial recognition, the financial services business considers both quantitative and qualitative information and analysis based on the business historical experience, including forward-looking information. The financial services business considers reasonable and supportable information that is relevant and available without undue cost and effort.

The financial services business uses the number of days past due to classify a financial instrument in low credit risk category and to determine significant increase in credit risk in retail. As a backstop, the financial services business considers that a significant increase in credit risk occurs no later than when an asset is more than 30 days past due.

In accordance with the board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated March 27, 2020 and April 17, 2020 relating to 'COVID-19 – Regulatory Package', the Company has offered moratorium upto three months on the payment of installments falling due between March 1, 2020 and May 31, 2020 to all eligible borrowers.

For staging classification under ECL computation, the Company has exercised standstill option of asset classification for overdue standard accounts classified under Stage 2 as at 29th February 2020, for which moratorium has been granted. Above relaxation has not been deemed to be automatically triggering significant increase in credit risk based on assessment of the Company. During the moratorium period, the Company continues to recognize interest income and has made the judgment that the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 3 classification criteria.

COVID-19 has severe impact on global as well as domestic macro and micro economies, businesses and consumers. Due to this uncertainty, Company's assessments of impairment loss allowance on its loans are subject to a number of management judgements and estimates. The Company has followed same methodologies and assumptions for impairment loss allowance calculations followed in earlier quarters with additional consideration for Covid related impact and the associated support packages in the measurement of impairment loss allowance. Since the Company's impairment loss allowance estimates are inherently uncertain, actual results may differ from these estimates.

**Definition of default**

The definition of default used for internal credit risk management purposes is based on RBI Guidelines. Under Ind AS, Loans to be in default when it is more than 90 days past due. The financial services business considers Loans under default as 'credit impaired'.

**Impairment loss**

The expected credit loss allowance provision is determined as follows:

	Stage 1	Stage 2	Stage 3	Grand Total
Gross Balance as at 31st Mar'20	8,407.16	869.84	370.66	9,647.66
Expected Credit Loss	39.23	9.50	143.38	192.11
Expected Credit Loss Rate	0.47%	1.09%	38.68%	1.99%
Net of Impairment Provision	8,367.93	860.34	227.28	9,455.55

	Stage 1	Stage 2	Stage 3	Grand Total
Gross Balance as at 31st Mar'19	7,767.27	321.98	274.69	8,363.94
Expected Credit Loss	30.99	3.43	104.61	139.03
Expected Credit Loss Rate	0.40%	1.06%	38.08%	1.66%
Net of Impairment Provision	7,736.28	318.55	170.08	8,224.91

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 35 Financial Risk Management (Contd.)**

**Reconciliation of Expected Credit Loss**

Particulars	Stage-1	Stage-2	Stage-3	Grand Total
<b>Balance as at 1st April 2018</b>	<b>19.75</b>	<b>2.08</b>	<b>82.94</b>	<b>104.77</b>
Transfer to Stage 1	(2.14)	1.06	1.08	-

<b>Balance as at 31st Mar '20</b>	<b>39.23</b>	<b>9.50</b>	<b>143.38</b>	<b>192.11</b>

**Concentration of Credit Risk**

The business manages concentration of risk primarily by geographical region. The following details show the geographical concentrations of the loans at the year end:

	31st March 2020	31st March 2019
Carrying value		
Concentration by geographical region in India		
South	3,822.92	3,356.79
West	2,091.72	1,999.24
East	1,602.03	1,227.55
North	2,130.99	1,780.36
<b>Total Loans as at reporting period</b>	<b>9,647.66</b>	<b>8,363.94</b>

**(B) Liquidity risk**

The liquidity risk is a risk that an entity will encounter difficulty in meeting financial obligations.

As per Company's policy, management ensures availability of sufficient fund either through Installment receivables/ sourcing through debts at each point of time. The Fund requirement ascertained at the beginning of the period by taking into consideration Installment receivable, likely disbursement, Loan installment payment & other operational expenses. The Company is continuous getting good supports from Bankers & Financial Institutions at the time of need.

**(i) Financing arrangements**

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

	31st March 2020	31st March 2019
Floating rate		
Expiring within one year (bank overdraft and other facilities)	332.04	653.09
Expiring beyond one year (bank loans)	332.04	653.09

The bank overdraft facilities may be drawn at any time and may be terminated by the bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in INR.

# NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

(All amounts in ₹ Crores, unless otherwise stated)

## NOTE 35 Financial Risk Management (Contd.)

### (ii) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

- a. All non-derivative financial liabilities, and
- b. Net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Contractual maturities of financial liabilities	Less than 3 months	3 to 6 months	6 months to 1 year	Between 1 and 5 years	More than 5 years	Total
<b>31st Mar 2020</b>						
<b>Non-derivatives</b>						
Borrowings	956.35	582.44	3,187.76	3,733.20	99.81	8,559.56
Security Deposit Received	-	17.78	21.24	-	-	39.02
Trade Payables	13.55	120.47	34.61	-	-	168.63
Other financial liabilities	40.62	1.76	25.32	20.11	9.34	97.15
<b>Total non-derivative liabilities</b>	<b>1,010.52</b>	<b>722.45</b>	<b>3,268.93</b>	<b>3,753.31</b>	<b>109.15</b>	<b>8,864.36</b>

Contractual maturities of financial liabilities	Less than 3 months	3 to 6 months	6 months to 1 year	Between 1 and 5 years	More than 5 years	Total
<b>31st Mar 2019</b>						
<b>Non-derivatives</b>						
Borrowings	700.70	384.42	2,765.44	2,569.02	898.18	7,317.76
Security Deposit Received	-	22.27	22.48	3.29	-	48.04
Trade Payables	8.78	93.89	37.21	-	-	139.87
Other financial liabilities	22.01	0.91	34.17	-	-	57.09
<b>Total non-derivative liabilities</b>	<b>731.49</b>	<b>501.48</b>	<b>2,859.30</b>	<b>2,572.31</b>	<b>898.18</b>	<b>7,562.76</b>

## NOTE 36 Financial Risk Management

### (a) Foreign currency risk exposure:

Foreign exchange risk arises on financial instruments being denominated in a currency that is not the functional currency of the entity. The Company is exposed to foreign exchange risk due to continuous fluctuation in the foreign currency (USD) of the loan originated. The Company has entered into cross currency swaps (CCS) /forward contracts/ Interest rate swap to fully hedge all foreign currency exchange risk on the principal and interest amount payable on borrowings.

	31st March 2020	31st March 2019
<b>Financial liabilities</b>		
Variable Foreign Currency Borrowings( USD 90 million )	634.84	252.68
<b>Derivative liabilities</b>		
Hedged through derivatives	634.84	-
Hedged through CCS	-	257.59
<b>Net exposure to foreign currency risk (liabilities)</b>	<b>-</b>	<b>(4.90)</b>

### (b) Sensitivity analysis

The Company has hedged all its foreign currency exposures by entering into CCS/ Forwards contracts, it shall not be subject to any sensitivity on settlement due to foreign currency fluctuation (USD). Forward Contract & Cross Currency Swap are to buy USD for Hedging Foreign Currency Loan.

Impact on profit after tax	31st March 2020	31st March 2019
USD sensitivity		
INR/USD Increases by 5%	-	(0.16)
INR/USD Decreases by 5%	-	0.16

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 36 Financial Risk Management (Contd.)**

**(ii) Cash flow and fair value interest rate risk**

The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. During 31 March 2020 and 31 March 2019, the Company's borrowings at variable rate were mainly denominated in INR, USD.

The Company's floating rate borrowings are carried at amortised cost. For NBFC business loan is the major source for running the business. In India loans are mostly available at Floating rate Interest. And there are no such option available to obtain an option for swapping the Floating rate Interest with Fixed Interest. Hence except foreign currency loans', other loans are not hedged.

**(a) Interest rate risk exposure**

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

	31st March 2020	31st March 2019
Variable rate borrowings	7,173.54	6,324.62
<b>Total borrowings</b>	<b>8,559.56</b>	<b>7,317.76</b>

As at the end of the reporting period, the Company had the following variable rate borrowings outstanding:

	31st March 2020		
	Weighted average interest rate	Balance	% of total loans
Bank overdrafts, bank loans etc.	8.30%	7,173.54	83.81%
31st March 2019			
	Weighted average interest rate	Balance	% of total loans
	9.12%	6,324.62	86.43%

An analysis by maturities is provided in note 36 B (ii) above.

**(b) Sensitivity**

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates. Other components of equity change as a result of an increase/decrease in the fair value of the cash flow hedges related to borrowings.

	Impact on profit after tax	
	31st March 2020	31st March 2019
Interest rates – increase by 50 basis points (50 bps)*	32.03	23.93
Interest rates – decrease by 50 basis points (50 bps)*	(32.03)	(23.93)

\* Holding all other variables constant.

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 37 Capital management**

**a. Risk management**

The Risk Management policy includes identification of element of risks, including those which in the opinion of Board may lead to Company not meeting its financial objectives. The risk management process has been established across the Company and designed to identify, access & frame a response to threat that affect the achievement of its objectives. Further it is embedded across all the major functions and revolve around the goals and objectives of the Company.

Maintaining optimal capital to debt is one such measure to ensure healthy returns to the shareholders. Company envisages maintaining gearing ratio of 6 times to the total equity, the Company monitors the ratio as below Net Debt divided by total equity.

	<b>31st March 2020</b>	<b>31st March 2019</b>
Net debt (total borrowings, less cash and cash equivalents)	8,201.82	7,240.06
Total Equity (as shown in the balance sheet)	1,373.12	1,151.70
<b>Net debt to equity ratio</b>	<b>5.97</b>	<b>6.29</b>

**b. Externally imposed capital restrictions**

- As per RBI requirements Capital Adequacy Ratio should be minimum 15%, not meeting RBI requirements will lead cancellation of NBFC licenses issued by RBI
- As per various lending arrangements with banks TOL (Total Outside Liability) to TNW (Total Net Worth) ratio should be less than 8, not meeting the said requirements may lead to higher interest rates..

The Company has complied with these covenants throughout the reporting period.

**NOTE 38 Transition Notes on adoption of Ind AS 116**

The Company has adopted Ind AS 116 'Leases' with the date of initial application being April 1, 2019. Ind AS 116 replaces Ind AS 17 – Leases. The Company has applied Ind AS 116 using the modified retrospective approach, under which the cumulative effect of initial application is recognised in retained earnings at April 1, 2019. As a result, the comparative information has not been restated. In adopting Ind AS 116, the Company has applied the below practical expedients:

- The Company has not reassessed whether a contract is, or contains, a lease at the date of initial application
- The Company applied a single discount rate for all leases arrangements since they have reasonably similar characteristics
- The Company relied on its assessment of whether leases are onerous applying Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets, immediately before the date of initial application as an alternative to performing an impairment review as per Ind AS 36 Impairment of assets
- The Company has treated the leases with remaining lease term of less than 12 months as "short term leases"
- The Company has excluded the initial direct costs from measurement of the right-of-use asset at the date of transition
- The Company used hindsight, such as in determining the lease term if the contract contains options to extend or terminate the lease.
- Effective 1st April 2019, the Company has applied Ind AS 116 "Leases", using the modified retrospective approach. As a result, the Company has recognised Right of Use - assets amounting to ₹21.93 crores and lease liability of ₹24.89 crores, with net impact of ₹1.93 crores recognised in retained earnings as at 01.04.2019 and ₹1.03 crores in deferred tax.

**Measurement of lease liabilities**

The lease liabilities as at 1 April 2019 can be reconciled to the operating lease commitments as of 31 March 2019, as follows:

<b>Particulars</b>	<b>Amount</b>
Operating lease commitments disclosed as at 31 March 2019	47.36
Weighted average incremental borrowing rate as at 1 April 2019	8.75%
Discounted using the lessee's incremental borrowing rate of at the date of initial application	37.44
Adjustments as a result of a different treatment of extension and termination options	(12.54)
Lease liabilities as at 1 April 2019	24.89

**NOTES  
TO THE CONSOLIDATED FINANCIAL STATEMENTS**

(All amounts in ₹ Crores, unless otherwise stated)

**NOTE 38 Transition Notes on adoption of Ind AS 116 (Contd.)**

**Lease Disclosures pertaining to Right to use Asset**

Particulars	Amount
Gross Block - Building	
Opening/(On transition to Ind AS 116)	21.93
Additions during the year	10.97
Deletions during the year	-
Closing Balance during the year	32.90
Amortisation	
Additions	-
Amortisation for the year	7.12
Closing Balance during the year	25.78

Company has exercised the option of short-term leases and low value asset exemption.

**Lease Disclosures pertaining to Statement of Profit & Loss**

Particulars	Amount
<b>Finance charges</b>	
Interest expense	2.32
<b>Depreciation</b>	
Amortisation of Right to use asset	7.12
<b>Other expenses</b>	
Rent expenses	
Expense relating to short-term leases (included in other expenses)	8.33
Expense relating to leases of low-value assets that are not short-term leases (included in other expenses)	-
Expense relating to variable lease payments not included in the measurement of lease liabilities	-
Total	8.33

**Lease Disclosures pertaining to Cash Flow Statement**

Particulars	Amount
Cash flow from financing activities	
Principal repayments related to lease liabilities	6.83
Interest payments related to lease liabilities	2.32

**Note 39**

The Taxation Laws (Amendment) Ordinance, 2019 contain substantial amendments in the Income Tax Act 1961 and the Finance (No.2) Act, 2019 to provide an option to domestic companies to pay income tax at a concessional rate. The Company has elected to apply the concessional tax rate. Accordingly, the Company has recognized the provision for income tax and re-measured the net deferred tax assets at concessional rate for the year ended 31 March 2020. Further, the opening net deferred tax asset has been re-measured at lower rate with a one-time impact recognized in the statement of profit and loss.

**NOTES  
TO THE CONSOLIDATED FINANCIAL STATEMENTS**

(All amounts in ₹ Crores, unless otherwise stated)

**40. Additional Notes forming part of Financial Statements for year ended 31<sup>st</sup> Mar, 2020**

**1. Capital Commitments**

Description	March 31, 2020	March 31, 2019
Estimated amount of contracts remaining to be executed on Capital Account not provided for	2.18	2.58

**2. Other Commitments**

Description	March 31, 2020	March 31, 2019
Undrawn Loans sanctioned to borrowers	1.99	29.58

**3. Contingent Liabilities not provided for:**

Claims against the Company not acknowledged as debts.

Description	March 31, 2020	March 31, 2019
Disputed Income Tax Demand (adjusted out of refunds)	1.06	1.06
Disputed Service Tax Demand inclusive of Penalty – Commissioner order/Additional Commissioner appealed against by Company during previous years (Pre-deposit of ₹0.29 crs)	7.70	6.72
Legal cases filed by borrowers against the Company	1.64	1.29

The Company's pending litigations comprise of claims against the Company and proceedings pending with Statutory Authorities. The future cash flows on the above items are determinable only on receipt of decisions/judgments that are pending at various forums/authorities. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial results.

4. Pursuant to a Business Transfer Agreement (BTA) entered into with TVS Finance and Services Limited (TVSFS) on 21st April 2010, the Company acquired the retail finance business of TVSFS as a going concern along with the related assets (comprising of fixed assets, receivables, loans and advances and Bank balances) of ₹50.75 crores and liabilities (comprising of borrowings from Banks and Institution, current liabilities and provisions) of ₹298.75 crores. TVSFS issued Unsecured Redeemable Bonds to the Company, for the excess of liabilities over assets of ₹248 crores. The bonds are redeemable between 7th and 12th year from the date of allotment. The said bonds have been purchased by TVS Motor Services Limited (TVSMS), during 2010-11 at book value and the same is repayable by TVSMS in 6 years. Instalment of ₹41.33 crores due in March 2020 has been paid by TVSMS. Accordingly, the advance from TVSMS to the Company pertaining to this transaction stands at ₹78.20 crores as at March 31, 2020 as per Ind AS fair valuation. Advance is partly secured to the extent of ₹52.15 crores and balance portion of ₹26.05 crores is unsecured. Considering the intrinsic value of land lying with TVSMS and equity shares held by TVSMS in the Company, the unsecured advance is considered good and recoverable.
5. Pursuant to para 2 of general instructions for preparation of financial statements of a NBFC as mentioned in Division III of Schedule III of The Companies Act, 2013, the current and non-current classification has not been provided.
6. As at the balance sheet date, the Company has received dues of ₹0.01 crores (PY – ₹0.38 crores) included under bank balances, arising out of the assigned asset and the same is shown under payables (Note No. 13)

## Directors' Report to the Shareholders

The directors present the third annual report together with the annual audited statement of accounts for the year ended 31<sup>st</sup> March 2020.

### Financial Highlights

The Company is yet to commence its operations.

### Dividend

The directors of the Company do not recommend any dividend for the period ended 31<sup>st</sup> March 2020.

### Risk Management

The Company has in place a mechanism to identify, assess, monitor and mitigate various risks to key business objectives. Major risks identified would be systematically addressed through mitigating actions on a continuous basis.

### Directors' responsibility statement

Pursuant to the requirement of Section 134(3)(c) read with 134(5) of the Companies Act, 2013 (the Act, 2013) with respect to Director's Responsibility Statement, it is hereby stated that:

- (a) in the preparation of the annual accounts for the period from 1<sup>st</sup> April 2019 to 31<sup>st</sup> March 2020, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the loss of the Company for that period;
- (c) the directors had taken proper and sufficient care for maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) the directors had prepared the annual accounts on a going concern basis; and
- (e) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

### Directors liable to retire by rotation

In terms of the provisions of Companies Act, 2013 both the existing directors, viz., Mr V Gopalakrishnan and Mr N Srinivasa Ramanujam, directors of the Company retire from the office at the ensuing annual general meeting and being eligible, offer themselves for re-appointment.

### Number of board meetings held

During the period under review, the board met 4 times on 29<sup>th</sup> April 2019, 26<sup>th</sup> June 2019, 22<sup>nd</sup> October 2019 and 12<sup>th</sup> February 2020 and the gap between two meetings did not exceed one hundred and twenty days.

### Statutory Auditors

The members at its first Annual General Meeting held on 1<sup>st</sup> June 2018 have appointed M/s V Sankar Aiyar & Co., Chartered Accountants having Firm Registration No. 109208W allotted by The Institute of Chartered Accountants of India as statutory auditors of the company till the conclusion of sixth annual general meeting, at such remuneration in addition to applicable taxes, out of pocket expenses, travelling and other expenses as may be mutually agreed between the Board of Directors of the Company and the Auditors.

The Statutory Auditors will continue to hold office for the 3<sup>rd</sup> year in a term of five consecutive years, from the conclusion of this AGM.

The Company has obtained necessary certificate under Section 141 of the Act, 2013 conveying their eligibility for being the Statutory Auditors of the Company for the year 2020-21.

The Auditors' Report for the financial year 2019-20 does not contain any qualification, reservation or adverse remark and the same is attached with the annual financial statements.

### Disclosures

#### Material changes and commitments

There have been no material changes and commitments affecting the financial position of the Company, which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report.

#### Significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status of the Company

There are no significant and material orders passed by the regulators or courts or tribunals, which would impact the going concern status of the Company.

#### Deposits:

The Company has not accepted any deposit from the shareholders and others within the meaning of Chapter V of the Act 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 during the period ended 31<sup>st</sup> March 2020 and hence the question of furnishing any details relating to deposits covered under Chapter V of the Act 2013 does not arise.

#### Annual Return:

Extract of Annual Return in the prescribed form is given as Annexure I to this report.

#### Employee's remuneration:

There are currently no employees in the Company, hence the requirement of attaching a statement under Section 197 of the Act 2013, read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 containing the details of employee's remuneration is not applicable.

#### Details of loans / guarantees / investments made:

As regards furnishing the details of loans, guarantees and investments made by the Company as per Section 186 of the Act 2013 for the period ended 31<sup>st</sup> March 2020, the Company has not extended any guarantee or loans to other companies and has not made any investment during the period under review.

### Related Party Transactions

All contracts / arrangements entered by the Company during the period ended 31<sup>st</sup> March 2020 with related parties were in the ordinary course of business and at arm's length price in terms of section 188 read with the Companies (Meetings of board and its powers) Rules, 2014.

Pursuant to the provisions of section 134(h) of the Companies Act 2013 (the Act 2013) read with rule 8(2) of the Companies (Accounts) Rules 2014, the particulars of contracts or arrangements entered into by the Company with Related Parties have been done at arm's length and are in the ordinary course of business.

Related Party disclosures as per the Indian Accounting Standards have been provided in Note 2 of Additional Notes forming part of the financial statements.

#### Conservation of energy, technology absorption, foreign exchange earnings and outgo:

The provisions of Section 134(3)(m) of the Act 2013 and the rules made thereunder relating to the information and details on conservation of energy, technology absorption do not apply to the Company, as the Company is not a manufacturing company.

#### Reporting of fraud:

The Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Act 2013.

## HARITA ARC PRIVATE LIMITED

# HARITA ARC PRIVATE LIMITED

## INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2020

### To the Members of Harita ARC Private Limited

#### Report on the Audit of the Standalone financial statements

##### Opinion

We have audited the standalone financial statements of Harita ARC Private Limited ("the Company"), which comprise the standalone Balance Sheet as at 31<sup>st</sup> March 2020, the standalone Statement of Profit and Loss (including Other Comprehensive Income), standalone Statement of changes in Equity and standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its loss, Other total Comprehensive Income, Changes in Equity and Cash Flows for the year ended on that date.

##### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included Directors' Report to the Shareholders but does not include the standalone financial statements and our auditor's report thereon. The Directors' Report to the Shareholders is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Directors' Report to the Shareholders, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

#### Responsibilities of Management and Those Charged with Governance for the Standalone financial statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due

to fraud or error.

In preparing the standalone financial statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

## HARITA ARC PRIVATE LIMITED

---

2. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) Since the Company's turnover as per last audited financial statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the year is less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) There are no pending litigations as at 31<sup>st</sup> March 2020.
  - (ii) The Company has not entered into any long term contract including derivative contracts.
  - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act. In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors.

## HARITA ARC PRIVATE LIMITED

### Annexure "A" to Independent Auditors' Report 31<sup>st</sup> March 2020

(Referred to in our report of even date)

- (i) The Company does not own any fixed asset. Hence, Clause (i) of paragraph 3 of the Order is not applicable to the Company.
- (ii) The Company does not have any inventory. Therefore, Clause (ii) of paragraph 3 of the Order is not applicable to the Company.
- (iii) The company has not granted any loans secured or unsecured to companies, partnership, limited liability partnership or other parties covered in the register maintained under section 189 of the Act. Therefore, the provision of Clause (iii) of paragraph 3 of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loan or made investments and has not provided guarantees and securities which has application of the provisions of Section 185 and 186 of the Act. Therefore, the provisions of Clause (iv) of the paragraph 3 of the Order are not applicable to the Company.
- (v) The Company has not accepted any deposits from the public, within the meaning of Section 73 to 76 or any other relevant provisions of the Act and Rules framed thereunder. We are informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or other tribunal.
- (vi) The Central Government has not prescribed the maintenance of cost records under section 148 (1) of the Act. Therefore, the provisions of Clause (vi) of the Order are not applicable to the Company.
- (vii) (a) According to the records of the Company, the Company does not have the liability to deposit statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax and Cess and other material statutory dues with the appropriate authorities. There is also no liability in respect of duty of Customs.  
(b) According to the information and explanations given to us, there are no dues of Income Tax and Goods and Service Tax which have not been deposited on account of any dispute.
- (viii) On the basis of verification of records and according to the information and explanations given to us, the Company has not borrowed loans from Financial Institutions/Banks and Governments. Also, the Company has not raised any monies against issue of debentures. Therefore, the provisions of clause (viii) of the Order are not applicable to the Company.
- (i) According to the information and explanations given to us, the Company has not availed any term loan and has not raised monies by way of initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of clause (ix) of the Order are not applicable to the Company.
- (ix) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given to us by the Management and the representations obtained from the management, we report that no fraud by the Company and no fraud on the company by its officers or employees have been noticed or reported during the year.
- (i) In our opinion and according to the information and explanations given to us, the Company has not paid managerial remuneration as referred under section 197 read with Schedule V to the Act.
- (i) The Company is not a Nidhi Company and hence reporting under Clause (xii) of the Order is not applicable.
- (x) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and Section 177 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xi) During the year the Company has not made any preferential allotment of equity shares and hence the requirement for compliance of Section 42 of the Act does not arise. The company has not made any private placement of shares or fully or partly convertible debentures during the year.
- (xii) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Act are not applicable.
- (xiii) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, Clause (xvi) of the Order is not applicable

# HARITA ARC PRIVATE LIMITED

---

## Brief Description of the Company:

The Company was incorporated on 22<sup>nd</sup> August 2017 under the name of Harita ARC Private Limited, wholly owned subsidiary of TVS Credit Services Limited. The Company is yet to commence its business.

## 8. Significant Accounting Policies forming part of Financial Statements

### a. Basis of preparation of financial statements

The financial statements are prepared on historical cost convention, on a going concern basis and in accordance with the applicable Indian Accounting Standard (Ind AS) as notified under Section 133 in the Companies Act, 2013. All expenses and income to the extent ascertained with reasonable certainty are accounted for on accrual basis.

### b. Use of estimates

The preparation of the financial statements in conformity with the applicable Accounting Standard requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of financial statement. The recognition, measurement, classification or disclosure of an item or information in the financial statement has been made relying on these estimates.

### c. Cash Flow Statement

Cash flow statement is prepared under "Indirect Method" and the same is annexed.

### d. Contingencies and events occurring after balance sheet date

There are no contingencies that need to be provided as on the balance sheet date.

## Additional Notes forming part of Financial Statements for year ended 31<sup>st</sup> March 20

1. There are no dues to micro medium small enterprises and hence the particulars required under notification no GSR 719(E) dt. 16.11.07 is not furnished.

### 2. Related Party Disclosures:

## Directors' Report to the Shareholders

The directors present the third annual report together with the annual audited statement of accounts for the year ended 31<sup>st</sup> March 2020.

### Financial Highlights

The Company is yet to commence its operations.

### Dividend

The directors of the Company do not recommend any dividend for the period ended 31<sup>st</sup> March 2020.

### Risk Management

The Company has in place a mechanism to identify, assess, monitor and mitigate various risks to key business objectives. Major risks identified would be systematically addressed through mitigating actions on a continuous basis.

### Directors' responsibility statement

Pursuant to the requirement of Section 134(3)(c) read with 134(5) of the Act, 2013 with respect to Director's Responsibility Statement, it is hereby stated that:

- (a) in the preparation of the annual accounts for the period from 1<sup>st</sup> April 2019 to 31<sup>st</sup> March 2020, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the loss of the Company for that period;
- (c) the directors had taken proper and sufficient care for maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) the directors had prepared the annual accounts on a going concern basis; and
- (e) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

### Directors liable to retire by rotation

In terms of the provisions of Companies Act, 2013 both the existing directors, viz., Mr V Gopalakrishnan and Mr N Srinivasa Ramanujam, directors of the Company retire from the office at the ensuing annual general meeting and being eligible, offer themselves for re-appointment.

### Number of board meetings held

During the period under review, the board met 4 times on 29<sup>th</sup> April 2019, 26<sup>th</sup> June 2019, 22<sup>nd</sup> October 2019 and 12<sup>th</sup> February 2020 and the gap between two meetings did not exceed one hundred and twenty days.

### Statutory Auditors

The members at its first Annual General Meeting held on 1<sup>st</sup> June 2018 have appointed M/s V Sankar Aiyar & Co., Chartered Accountants having Firm Registration No. 109208W allotted by The Institute of Chartered Accountants of India as statutory auditors of the company till the conclusion of sixth annual general meeting, at such remuneration in addition to applicable taxes, out of pocket expenses, travelling and other expenses as may be mutually agreed between the Board of Directors of the Company and the Auditors.

The Statutory Auditors will continue to hold office for the 3<sup>rd</sup> year in a term of five consecutive years, from the conclusion of this AGM.

The Company has obtained necessary certificate under Section 141 of the Act, 2013 conveying their eligibility for being the Statutory Auditors of the Company for the year 2020-21.

The Auditors' Report for the financial year 2019-20 does not contain any qualification, reservation or adverse remark and the same is attached with the annual financial statements.

### Disclosures

#### Material changes and commitments

There have been no material changes and commitments affecting the financial position of the Company, which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report.

#### Significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status of the Company

There are no significant and material orders passed by the regulators or courts or tribunals, which would impact the going concern status of the Company.

#### Deposits:

The Company has not accepted any deposit from the shareholders and others within the meaning of Chapter V of the Act 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 during the period ended 31<sup>st</sup> March 2019 and hence the question of furnishing any details relating to deposits covered under Chapter V of the Act 2013 does not arise.

#### Annual Return:

Extract of Annual Return in the prescribed form is given as Annexure I to this report.

#### Employee's remuneration:

There are currently no employees in the Company, hence the requirement of attaching a statement under Section 197 of the Companies Act 2013, read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 containing the details of employee's remuneration is not applicable.

#### Details of loans / guarantees / investments made:

As regards the furnishing the details of loans, guarantees and investments made by the Company as per Section 186 of the Act 2013 for the period ended 31<sup>st</sup> March 2020, the Company has not extended any guarantee or loans to other companies and has not made any investment during the period under review.

#### Related Party Transactions

All contracts / arrangements entered by the Company during the period ended 31<sup>st</sup> March 2020 with related parties were in the ordinary course of business and at arm's length price in terms of section 188 read with the Companies (Meetings of board and its powers) Rules, 2014.

Pursuant to the provisions of section 134(h) of the Companies Act 2013 (the Act 2013) read with rule 8(2) of the Companies (Accounts) Rules 2014, the particulars of contracts or arrangements entered into by the Company with Related Parties have been done at arm's length and are in the ordinary course of business.

Related Party disclosures as per the Indian Accounting Standards have been provided in Note 2 of Additional Notes forming part of the financial statements.

## HARITA COLLECTION SERVICES PRIVATE LIMITED

# HARITA COLLECTION SERVICES PRIVATE LIMITED

## INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2020

### To the Members of Harita Collection Services Private Limited

### Report on the Audit of the Stand-alone financial statements

#### Opinion

We have audited the standalone financial statements of Harita Collection Services Private Limited ("the Company"), which comprise the standalone Balance Sheet as at 31<sup>st</sup> March 2020, the standalone Statement of Profit and Loss (including Other Comprehensive Income), standalone Statement of changes in Equity and standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its loss, Other total Comprehensive Income, Changes in Equity and Cash Flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included Directors' Report to the Shareholders but does not include the standalone financial statements and our auditor's report thereon. The Directors' Report to the Shareholders is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Directors' Report to the Shareholders, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### Responsibilities of Management and Those Charged with Governance for the Standalone financial statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively

for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) Since the Company's turnover as per last audited financial statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the year is less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act. In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors..
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - (i) There are no pending litigations as at 31<sup>st</sup> March 2020.
    - (ii) The Company has not entered into any long term contract including derivative contracts.
    - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

## Annexure "A" to Independent Auditors' Report 31<sup>st</sup> March 2020

(Referred to in our report of even date)

- (i) The Company does not own any fixed asset. Hence, Clause (i) of paragraph 3 of the Order is not applicable to the Company.
- (ii) The Company does not have any inventory. Therefore, Clause (ii) of paragraph 3 of the Order is not applicable to the Company.
- (iii) The company has not granted any loans secured or unsecured to companies, partnership, limited liability partnership or other parties covered in the register maintained under section 189 of the Act. Therefore, the provision of Clause (iii) of paragraph 3 of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loan or made investments and has not provided guarantees and securities which has application of the provisions of Section 185 and 186 of the Act. Therefore, the provisions of Clause (iv) of the paragraph 3 of the Order are not applicable to the Company.
- (v) The Company has not accepted any deposits from the public, within the meaning of Section 73 to 76 or any other relevant provisions of the Act and Rules framed thereunder. We are informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or other tribunal.
- (vi) The Central Government has not prescribed the maintenance of cost records under section 148 (1) of the Act. Therefore, the provisions of Clause (vi) of the Order are not applicable to the Company.
- (vii) (a) According to the records of the Company, the Company does not have the liability to deposit statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax and Cess and other material statutory dues with the appropriate authorities. There is also no liability in respect of duty of Customs.  
(b) According to the information and explanations given to us, there are no dues of Income Tax and Goods and Service Tax which have not been deposited on account of any dispute.
- (viii) On the basis of verification of records and according to the information and explanations given to us, the Company has not borrowed loans from Financial Institutions/Banks and Governments. Also, the Company has not raised any monies against issue of debentures. Therefore, the provisions of clause (viii) of the Order are not applicable to the Company.
- (ix) According to the information and explanations given to us, the Company has not availed any term loan and has not raised monies by way of initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of clause (ix) of the Order are not applicable to the Company.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given to us by the Management and the representations obtained from the management, we report that no fraud by the Company and no fraud on the company by its officers or employees have been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has not paid managerial remuneration as referred under section 197 read with Schedule V to the Act.
- (xii) The Company is not a Nidhi Company and hence reporting under Clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and Section 177 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment of equity shares and hence the requirement for compliance of Section 42 of the Act does not arise. The company has not made any private placement of shares or fully or partly convertible debentures during the year.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Act are not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, Clause (xvi) of the Order is not applicable.

# HARITA COLLECTION SERVICES PRIVATE LIMITED

## Brief Description of the Company:

The Company was incorporated on 22<sup>nd</sup> August 2017 under the name of Harita Collection Services Private Limited, wholly owned subsidiary of TVS Credit Services Limited. The Company is yet to commence its business.

## 8. Significant Accounting Policies forming part of Financial Statements

### a. Basis of preparation of financial statements

The financial statements are prepared on historical cost convention, on a going concern basis and in accordance with the applicable Indian Accounting Standard (Ind AS) as notified under Section 133 in the Companies Act, 2013. All expenses and income to the extent ascertained with reasonable certainty are accounted for on accrual basis.

b. The Company was incorporated on 22nd August 2017 under the name of Harita Collection Services Private Limited.

### c. Use of estimates

The preparation of the financial statements in conformity with the applicable Accounting Standard requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of financial statement. The recognition, measurement, classification or disclosure of an item or information in the financial statement has been made relying on these estimates.

### d. Cash Flow Statement

Cash flow statement is prepared under "Indirect Method" and the same is annexed.

### e. Contingencies and events occurring after balance sheet date

There are no contingencies that need to be provided as on the balance sheet date..

## Additional Notes forming part of Financial Statements for year ended 31<sup>st</sup> March 20

1. There are no dues to micro medium small enterprises and hence the particulars required under notification no GSR 719(E) dt. 16.11.07 is not furnished.

### 2. Related Party Disclosures:

## Directors' Report to the Shareholders

The directors present the third annual report together with the annual audited statement of accounts for the year ended 31<sup>st</sup> March 2020.

### Financial Highlights

The Company is yet to commence its operations.

### Dividend

The directors of the Company do not recommend any dividend for the period ended 31<sup>st</sup> March 2020.

### Risk Management

The Company has in place a mechanism to identify, assess, monitor and mitigate various risks to key business objectives. Major risks identified would be systematically addressed through mitigating actions on a continuous basis.

### Directors' responsibility statement

Pursuant to the requirement of Section 134(3)(c) read with 134(5) of the Act, 2013 with respect to Director's Responsibility Statement, it is hereby stated that:

- (a) in the preparation of the annual accounts for the period from 1<sup>st</sup> April 2019 to 31<sup>st</sup> March 2020, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the loss of the Company for that period;
- (c) the directors had taken proper and sufficient care for maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) the directors had prepared the annual accounts on a going concern basis; and
- (e) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

### Directors liable to retire by rotation

In terms of the provisions of Companies Act, 2013 both the existing directors, viz., Mr V Gopalakrishnan and Mr N Srinivasa Ramanujam, directors of the Company retire from the office at the ensuing annual general meeting and being eligible, offer themselves for re-appointment.

### Number of board meetings held

During the period under review, the board met 4 times on 29<sup>th</sup> April 2019, 26<sup>th</sup> June 2019, 22<sup>nd</sup> October 2019 and 12<sup>th</sup> February 2020 and the gap between two meetings did not exceed one hundred and twenty days.

### Statutory Auditors

The members at its first Annual General Meeting held on 1<sup>st</sup> June 2018 have appointed M/s V Sankar Aiyar & Co., Chartered Accountants having Firm Registration No. 109208W allotted by The Institute of Chartered Accountants of India as statutory auditors of the company till the conclusion of sixth annual general meeting, at such remuneration in addition to applicable taxes, out of pocket expenses, travelling and other expenses as may be mutually agreed between the Board of Directors of the Company and the Auditors.

The Statutory Auditors will continue to hold office for the 3<sup>rd</sup> year in a term of five consecutive years, from the conclusion of this AGM.

The Company has obtained necessary certificate under Section 141 of the Act, 2013 conveying their eligibility for being the Statutory Auditors of the Company for the year 2020-21.

The Auditors' Report for the financial year 2019-20 does not contain any qualification, reservation or adverse remark and the same is attached with the annual financial statements.

### Disclosures

#### Material changes and commitments

There have been no material changes and commitments affecting the financial position of the Company, which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report.

#### Significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status of the Company

There are no significant and material orders passed by the regulators or courts or tribunals, which would impact the going concern status of the Company.

#### Deposits:

The Company has not accepted any deposit from the shareholders and others within the meaning of Chapter V of the Act 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 during the period ended 31<sup>st</sup> March 2020 and hence the question of furnishing any details relating to deposits covered under Chapter V of the Act 2013 does not arise.

#### Annual Return:

Extract of Annual Return in the prescribed form is given as Annexure I to this report.

#### Employee's remuneration:

There are currently no employees in the Company, hence the requirement of attaching a statement under Section 197 of the Companies Act 2013, read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 containing the details of employee's remuneration is not applicable.

#### Details of loans / guarantees / investments made:

As regards the furnishing the details of loans, guarantees and investments made by the Company as per Section 186 of the Act 2013 for the period ended 31<sup>st</sup> March 2020, the Company has not extended any guarantee or loans to other companies and has not made any investment during the period under review.

### Related Party Transactions

All contracts / arrangements entered by the Company during the period ended 31<sup>st</sup> March 2020 with related parties were in the ordinary course of business and at arm's length price in terms of section 188 read with the Companies (Meetings of board and its powers) Rules, 2014.

Pursuant to the provisions of section 134(h) of the Companies Act 2013 (the Act 2013) read with rule 8(2) of the Companies (Accounts) Rules 2014, the particulars of contracts or arrangements entered into by the Company with Related Parties have been done at arm's length and are in the ordinary course of business.

Related Party disclosures as per the Indian Accounting Standards have been provided in Note 2 of Additional Notes forming part of the financial statements.

## TVS COMMODITY FINANCIAL SOLUTIONS PRIVATE LIMITED

---

### Conservation of energy, technology absorption, foreign exchange earnings and outgo:

The provisions of Section 134(3)(m) of the Act 2013 and the rules made there-under relating to the information and details on conservation of energy, technology absorption do not apply to the Company, as the Company is not a manufacturing company.

### Reporting of fraud:

The Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Act 2013.

### Maintenance of cost records

The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company.

### Disclosure in terms of Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act, 2013:

The Company was not required to constitute an Internal Complaints Committee as required under The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 since there are no employees in the Company.

During the period under review, there were no cases filed pursuant to the provisions of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

During the period under review, there was no foreign exchange earning or expenditure in the Company.

### **Acknowledgement**

The directors gratefully acknowledge the continued support and co-operation received from the holding company viz., TVS Credit Services Limited. The directors thank the bankers for their continued support and assistance.

# TVS COMMODITY FINANCIAL SOLUTIONS PRIVATE LIMITED

## INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2020

### To the Members of TVS Commodity Financial Solutions Private Limited

#### Report on the Audit of the Stand-alone financial statements

##### Opinion

We have audited the standalone financial statements of TVS Commodity Financial Solutions Private Limited ("the Company"), which comprise the standalone Balance Sheet as at 31<sup>st</sup> March 2020, the standalone Statement of Profit and Loss (including Other Comprehensive Income), standalone Statement of changes in Equity and standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its loss, Other total Comprehensive Income, Changes in Equity and Cash Flows for the year ended on that date.

##### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included Directors' Report to the Shareholders but does not include the standalone financial statements and our auditor's report thereon. The Directors' Report to the Shareholders is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Directors' Report to the Shareholders, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

#### Responsibilities of Management and Those Charged with Governance for the Standalone financial statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:

## TVS COMMODITY FINANCIAL SOLUTIONS PRIVATE LIMITED

---

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) Since the Company's turnover as per last audited financial statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the year is less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - (i) There are no pending litigations as at 31<sup>st</sup> March 2020.
  - (ii) The Company has not entered into any long term contract including derivative contracts.
  - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act. In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors

## Annexure "A" to Independent Auditors' Report 31<sup>st</sup> March 2020

(Referred to in our report of even date)

- (i) The Company does not own any fixed asset. Hence, Clause (i) of paragraph 3 of the Order is not applicable to the Company.
- (ii) The Company does not have any inventory. Therefore, Clause (ii) of paragraph 3 of the Order is not applicable to the Company.
- (iii) The company has not granted any loans secured or unsecured to companies, partnership, limited liability partnership or other parties covered in the register maintained under section 189 of the Act. Therefore, the provision of Clause (iii) of paragraph 3 of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loan or made investments and has not provided guarantees and securities which has application of the provisions of Section 185 and 186 of the Act. Therefore, the provisions of Clause (iv) of the paragraph 3 of the Order are not applicable to the Company.
- (v) The Company has not accepted any deposits from the public, within the meaning of Section 73 to 76 or any other relevant provisions of the Act and Rules framed thereunder. We are informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or other tribunal.
- (vi) The Central Government has not prescribed the maintenance of cost records under section 148 (1) of the Act. Therefore, the provisions of Clause (vi) of the Order are not applicable to the Company.
- (vii) (a) According to the records of the Company, the Company does not have the liability to deposit statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax and Cess and other material statutory dues with the appropriate authorities. There is also no liability in respect of duty of Customs.  
(b) According to the information and explanations given to us, there are no dues of Income Tax and Goods and Service Tax which have not been deposited on account of any dispute.
- (viii) On the basis of verification of records and according to the information and explanations given to us, the Company has not borrowed loans from Financial Institutions/Banks and Governments. Also, the Company has not raised any monies against issue of debentures. Therefore, the provisions of clause (viii) of the Order are not applicable to the Company.
- (ix) According to the information and explanations given to us, the Company has not availed any term loan and has not raised monies by way of initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of clause (ix) of the Order are not applicable to the Company.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given to us by the Management and the representations obtained from the management, we report that no fraud by the Company and no fraud on the company by its officers or employees have been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has not paid managerial remuneration as referred under section 197 read with Schedule V to the Act.
- (xii) The Company is not a Nidhi Company and hence reporting under Clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and Section 177 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment of equity shares and hence the requirement for compliance of Section 42 of the Act does not arise. The company has not made any private placement of shares or fully or partly convertible debentures during the year.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Act are not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, Clause (xvi) of the Order is not applicable.

# TVS COMMODITY FINANCIAL SOLUTIONS PRIVATE LIMITED

## Brief Description of the Company:

The Company was incorporated on 22<sup>nd</sup> August 2017 under the name of TVS Commodity Financial Services Private Limited, wholly owned subsidiary of TVS Credit Services Limited. The Company is yet to commence its business.

## 8. Significant Accounting Policies forming part of Financial Statements

### a. Basis of preparation of financial statements

The financial statements are prepared on historical cost convention, on a going concern basis and in accordance with the applicable Indian Accounting Standard (Ind AS) as notified under Section 133 in the Companies Act, 2013. All expenses and income to the extent ascertained with reasonable certainty are accounted for on accrual basis.

### b. Use of estimates

The preparation of the financial statements in conformity with the applicable Accounting Standard requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of financial statement. The recognition, measurement, classification or disclosure of an item or information in the financial statement has been made relying on these estimates.

### c. Cash Flow Statement

Cash flow statement is prepared under "Indirect Method" and the same is annexed.

### d. Contingencies and events occurring after balance sheet date

There are no contingencies that need to be provided as on the balance sheet date..

## Additional Notes forming part of Financial Statements for year ended 31<sup>st</sup> March 20

1. There are no dues to micro medium small enterprises and hence the particulars required under notification no GSR 719(E) dt. 16.11.07 is not furnished.

### 2. Related Party Disclosures:

## Directors' Report to the Shareholders

The directors present the third annual report together with the annual audited statement of accounts for the year ended 31<sup>st</sup> March 2020.

### Financial Highlights

The Company is yet to commence its operations.

### Dividend

The directors of the Company do not recommend any dividend for the period ended 31<sup>st</sup> March 2020.

### Risk Management

The Company has in place a mechanism to identify, assess, monitor and mitigate various risks to key business objectives. Major risks identified would be systematically addressed through mitigating actions on a continuous basis.

### Directors' responsibility statement

Pursuant to the requirement of Section 134(3)(c) read with 134(5) of the Act, 2013 with respect to Director's Responsibility Statement, it is hereby stated that:

- (a) in the preparation of the annual accounts for the period from 1<sup>st</sup> April 2019 to 31<sup>st</sup> March 2020, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the loss of the Company for that period;
- (c) the directors had taken proper and sufficient care for maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) the directors had prepared the annual accounts on a going concern basis; and
- (e) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

### Directors liable to retire by rotation

In terms of the provisions of Companies Act, 2013 both the existing directors, viz., Mr V Gopalakrishnan and Mr Srinivasa Ramanujam, directors of the Company retire from the office at the ensuing annual general meeting and being eligible, offer themselves for re-appointment.

### Number of board meetings held

During the period under review, the board met 4 times on 29<sup>th</sup> April 2019, 26<sup>th</sup> June 2019, 22<sup>nd</sup> October 2019 and 12<sup>th</sup> February 2020 and the gap between two meetings did not exceed one hundred and twenty days.

### Statutory Auditors

The members at its first Annual General Meeting held on 1<sup>st</sup> June 2018 have appointed M/s V Sankar Aiyar & Co., Chartered Accountants having Firm Registration No. 109208W allotted by The Institute of Chartered Accountants of India as statutory auditors of the company till the conclusion of sixth annual general meeting, at such remuneration in addition to applicable taxes, out of pocket expenses, travelling and other expenses as may be mutually agreed between the Board of Directors of the Company and the Auditors.

The Statutory Auditors will continue to hold office for the 3<sup>rd</sup> year in a term of five consecutive years, from the conclusion of this AGM.

The Company has obtained necessary certificate under Section 141 of the Act, 2013 conveying their eligibility for being the Statutory Auditors of the Company for the year 2020-21.

The Auditors' Report for the financial year 2019-20 does not contain any qualification, reservation or adverse remark and the same is attached with the annual financial statements.

### Disclosures

#### Material changes and commitments

There have been no material changes and commitments affecting the financial position of the Company, which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report.

Significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status of the Company

There are no significant and material orders passed by the regulators or courts or tribunals, which would impact the going concern status of the Company.

#### Deposits:

The Company has not accepted any deposit from the shareholders and others within the meaning of Chapter V of the Act 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 during the period ended 31<sup>st</sup> March 2020 and hence the question of furnishing any details relating to deposits covered under Chapter V of the Act 2013 does not arise.

#### Annual Return:

Extract of Annual Return in the prescribed form is given as Annexure I to this report.

#### Employee's remuneration:

There are currently no employees in the Company, hence the requirement of attaching a statement under Section 197 of the Companies Act 2013, read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 containing the details of employee's remuneration is not applicable.

#### Details of loans / guarantees / investments made:

As regards the furnishing the details of loans, guarantees and investments made by the Company as per Section 186 of the Act 2013 for the period ended 31<sup>st</sup> March 2020, the Company has not extended any guarantee or loans to other companies and has not made any investment during the period under review.

### Related Party Transactions

All contracts / arrangements entered by the Company during the period ended 31<sup>st</sup> March 2020 with related parties were in the ordinary course of business and at arm's length price in terms of section 188 read with the Companies (Meetings of board and its powers) Rules, 2014.

Pursuant to the provisions of section 134(h) of the Companies Act 2013 (the Act 2013) read with rule 8(2) of the Companies (Accounts) Rules 2014, the particulars of contracts or arrangements entered into by the Company with Related Parties have been done at arm's length and are in the ordinary course of business.

Related Party disclosures as per the Indian Accounting Standards have been provided in Note 2 of Additional Notes forming part of the financial statements.

## TVS MICRO FINANCE PRIVATE LIMITED

---

### Conservation of energy, technology absorption, foreign exchange earnings and outgo:

The provisions of Section 134(3)(m) of the Act 2013 and the rules made there-under relating to the information and details on conservation of energy, technology absorption do not apply to the Company, as the Company is not a manufacturing company.

### Reporting of fraud:

The Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Act 2013.

### Maintenance of cost records

The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company.

### Disclosure in terms of Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act, 2013:

The Company was not required to constitute an Internal Complaints Committee as required under The Sexual Harassment of Women at Workplace (Prevention,

Prohibition and Redressal) Act, 2013 since there are no employees in the Company.

During the period under review, there were no cases filed pursuant to the provisions of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

During the period under review, there was no foreign exchange earnings or expenditure in the Company

### **Acknowledgement**

The directors gratefully acknowledge the continued support and co-operation received from its shareholders, customers and bankers for their continued support and assistance.

# TVS MICRO FINANCE PRIVATE LIMITED

## INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2020

### To the Members of TVS Micro Finance Private Limited

#### Report on the Audit of the Stand-alone financial statements

##### Opinion

We have audited the standalone financial statements of TVS Micro Finance Private Limited ("the Company"), which comprise the standalone Balance Sheet as at 31<sup>st</sup> March 2020, the standalone Statement of Profit and Loss (including Other Comprehensive Income), standalone Statement of changes in Equity and standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its loss, Other total Comprehensive Income, Changes in Equity and Cash Flows for the year ended on that date.

##### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included Directors' Report to the Shareholders but does not include the standalone financial statements and our auditor's report thereon. The Directors' Report to the Shareholders is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Directors' Report to the Shareholders, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

#### Responsibilities of Management and Those Charged with Governance for the Standalone financial statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

## TVS MICRO FINANCE PRIVATE LIMITED

---

2. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) Since the Company's turnover as per last audited financial statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the year is less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - (i) There are no pending litigations as at 31<sup>st</sup> March 2020.
    - (ii) The Company has not entered into any long term contract including derivative contracts.
    - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act. In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors.

## Annexure "A" to Independent Auditors' Report 31<sup>st</sup> March 2020

(Referred to in our report of even date)

- (i) The Company does not own any fixed asset. Hence, Clause (i) of paragraph 3 of the Order is not applicable to the Company.
- (ii) The Company does not have any inventory. Therefore, Clause (ii) of paragraph 3 of the Order is not applicable to the Company.
- (iii) The company has not granted any loans secured or unsecured to companies, partnership, limited liability partnership or other parties covered in the register maintained under section 189 of the Act. Therefore, the provision of Clause (iii) of paragraph 3 of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loan or made investments and has not provided guarantees and securities which has application of the provisions of Section 185 and 186 of the Act. Therefore, the provisions of Clause (iv) of the paragraph 3 of the Order are not applicable to the Company.
- (v) The Company has not accepted any deposits from the public, within the meaning of Section 73 to 76 or any other relevant provisions of the Act and Rules framed thereunder. We are informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or other tribunal.
- (vi) The Central Government has not prescribed the maintenance of cost records under section 148 (1) of the Act. Therefore, the provisions of Clause (vi) of the Order are not applicable to the Company.
- (vii) (a) According to the records of the Company, the Company does not have the liability to deposit statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax and Cess and other material statutory dues with the appropriate authorities. There is also no liability in respect of duty of Customs.  
(b) According to the information and explanations given to us, there are no dues of Income Tax and Goods and Service Tax which have not been deposited on account of any dispute.
- (viii) On the basis of verification of records and according to the information and explanations given to us, the Company has not borrowed loans from Financial Institutions/Banks and Governments. Also, the Company has not raised any monies against issue of debentures. Therefore, the provisions of clause (viii) of the Order are not applicable to the Company.
- (ix) According to the information and explanations given to us, the Company has not availed any term loan and has not raised monies by way of initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of clause (ix) of the Order are not applicable to the Company.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given to us by the Management and the representations obtained from the management, we report that no fraud by the Company and no fraud on the company by its officers or employees have been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has not paid managerial remuneration as referred under section 197 read with Schedule V to the Act.
- (xii) The Company is not a Nidhi Company and hence reporting under Clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and Section 177 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment of equity shares and hence the requirement for compliance of Section 42 of the Act does not arise. The company has not made any private placement of shares or fully or partly convertible debentures during the year.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Act are not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, Clause (xvi) of the Order is not applicable

# TVS MICRO FINANCE PRIVATE LIMITED

## Brief Description of the Company:

The Company was incorporated on 22nd August 2017 under the name of TVS Micro Finance Private Limited, wholly owned subsidiary of TVS Credit Services Limited. The Company is yet to commence its business.

## 8. Significant Accounting Policies forming part of Financial Statements

### a. Basis of preparation of financial statements

The financial statements are prepared on historical cost convention, on a going concern basis and in accordance with the applicable Indian Accounting Standard (Ind AS) as notified under Section 133 in the Companies Act, 2013. All expenses and income to the extent ascertained with reasonable certainty are accounted for on accrual basis.

### b. Use of estimates

The preparation of the financial statements in conformity with the applicable Accounting Standard requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of financial statement. The recognition, measurement, classification or disclosure of an item or information in the financial statement has been made relying on these estimates.

### c. Cash Flow Statement

Cash flow statement is prepared under "Indirect Method" and the same is annexed.

### d. Contingencies and events occurring after balance sheet date

There are no contingencies that need to be provided as on the balance sheet date.

## Additional Notes forming part of Financial Statements for year ended 31<sup>st</sup> March 2020

1. There are no dues to micro medium small enterprises and hence the particulars required under notification no GSR 719(E) dt. 16.11.07 is not furnished.

### 2. Related Party Disclosures:

## Directors' Report to the Shareholders

The directors present the third annual report together with the annual audited statement of accounts for the year ended 31<sup>st</sup> March 2020.

### Financial Highlights

The Company is yet to commence its operations.

### Dividend

The directors of the Company do not recommend any dividend for the period ended 31<sup>st</sup> March 2020.

### Risk Management

The Company has in place a mechanism to identify, assess, monitor and mitigate various risks to key business objectives. Major risks identified would be systematically addressed through mitigating actions on a continuous basis.

### Directors' responsibility statement

Pursuant to the requirement of Section 134(3)(c) read with 134(5) of the Act, 2013 with respect to Director's Responsibility Statement, it is hereby stated that:

- (a) in the preparation of the annual accounts for the period from 1<sup>st</sup> April 2019 to 31<sup>st</sup> March 2020, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the loss of the Company for that period;
- (c) the directors had taken proper and sufficient care for maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) the directors had prepared the annual accounts on a going concern basis; and
- (e) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

### Directors liable to retire by rotation

In terms of the provisions of Companies Act, 2013 both the existing directors, viz., Mr V Gopalakrishnan and Mr N Srinivasa Ramanujam, directors of the Company retire from the office at the ensuing annual general meeting and being eligible, offer themselves for re-appointment.

### Number of board meetings held

During the period under review, the board met 4 times on 29<sup>th</sup> April 2019, 26<sup>th</sup> June 2019, 22<sup>nd</sup> October 2019 and 12<sup>th</sup> February 2020 and the gap between two meetings did not exceed one hundred and twenty days.

### Statutory Auditors

The members at its first Annual General Meeting held on 1<sup>st</sup> June 2018 have appointed M/s V Sankar Aiyar & Co., Chartered Accountants having Firm Registration No. 109208W allotted by The Institute of Chartered Accountants of India as statutory auditors of the company till the conclusion of sixth annual general meeting, at such remuneration in addition to applicable taxes, out of pocket expenses, travelling and other expenses as may be mutually agreed between the Board of Directors of the Company and the Auditors.

The Statutory Auditors will continue to hold office for the 3<sup>rd</sup> year in a term of five consecutive years, from the conclusion of this AGM.

The Company has obtained necessary certificate under Section 141 of the Act, 2013 conveying their eligibility for being the Statutory Auditors of the Company for the year 2020-21.

The Auditors' Report for the financial year 2019-20 does not contain any qualification, reservation or adverse remark and the same is attached with the annual financial statements.

### Disclosures

#### Material changes and commitments

There have been no material changes and commitments affecting the financial position of the Company, which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report.

#### Significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status of the Company

There are no significant and material orders passed by the regulators or courts or tribunals, which would impact the going concern status of the Company.

#### Deposits:

The Company has not accepted any deposit from the shareholders and others within the meaning of Chapter V of the Act 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 during the period ended 31<sup>st</sup> March 2020 and hence the question of furnishing any details relating to deposits covered under Chapter V of the Act 2013 does not arise.

#### Annual Return:

Extract of Annual Return in the prescribed form is given as Annexure I to this report.

#### Employee's remuneration:

There are currently no employees in the Company, hence the requirement of attaching a statement under Section 197 of the Companies Act 2013, read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 containing the details of employee's remuneration is not applicable.

#### Details of loans / guarantees / investments made:

As regards the furnishing the details of loans, guarantees and investments made by the Company as per Section 186 of the Act 2013 for the period ended 31<sup>st</sup> March 2020, the Company has not extended any guarantee or loans to other companies and has not made any investment during the period under review.

### Related Party Transactions

All contracts / arrangements entered by the Company during the period ended 31<sup>st</sup> March 2020 with related parties were in the ordinary course of business and at arm's length price in terms of section 188 read with the Companies (Meetings of board and its powers) Rules, 2014.

Pursuant to the provisions of section 134(h) of the Companies Act 2013 (the Act 2013) read with rule 8(2) of the Companies (Accounts) Rules 2014, the particulars of contracts or arrangements entered into by the Company with Related Parties have been done at arm's length and are in the ordinary course of business.

Related Party disclosures as per the Indian Accounting Standards have been provided in Note 2 of Additional Notes forming part of the financial statements.

## **TVS TWO WHEELER MALL PRIVATE LIMITED**

---

### Conservation of energy, technology absorption, foreign exchange earnings and outgo:

The provisions of Section 134(3)(m) of the Act 2013 and the rules made there-under relating to the information and details on conservation of energy, technology absorption do not apply to the Company, as the Company is not a manufacturing company.

### Reporting of fraud:

The Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Act 2013.

### Maintenance of cost records

The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company.

### Disclosure in terms of Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act, 2013:

The Company was not required to constitute an Internal Complaints Committee as required under The Sexual Harassment of Women at Workplace (Prevention,

Prohibition and Redressal) Act, 2013 since there are no employees in the Company.

During the period under review, there were no cases filed pursuant to the provisions of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

During the period under review, there was no foreign earning or expenditure in the Company.

### **Acknowledgement**

The directors gratefully acknowledge the continued support and co-operation received from the holding company viz., TVS Credit Services Limited. The directors thank the bankers for their continued support and assistance.

# TVS TWO WHEELER MALL PRIVATE LIMITED

## INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2020

### To the Members of TVS Two Wheeler Mall Private Limited

#### Report on the Audit of the Stand-alone financial statements

##### Opinion

We have audited the standalone financial statements of TVS Two Wheeler Mall Private Limited ("the Company"), which comprise the standalone Balance Sheet as at 31<sup>st</sup> March 2020, the standalone Statement of Profit and Loss (including Other Comprehensive Income), standalone Statement of changes in Equity and standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its loss, Other total Comprehensive Income, Changes in Equity and Cash Flows for the year ended on that date.

##### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included Directors' Report to the Shareholders but does not include the standalone financial statements and our auditor's report thereon. The Directors' Report to the Shareholders is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Directors' Report to the Shareholders, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

#### Responsibilities of Management and Those Charged with Governance for the Standalone financial statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

## TVS TWO WHEELER MALL PRIVATE LIMITED

---

2. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
  - (f) Since the Company's turnover as per last audited financial statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the year is less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial
- (g) controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i There are no pending litigations as at 31<sup>st</sup> March 2020.
  - ii The Company has not entered into any long term contract including derivative contracts.
  - iii There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act. In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors

## TVS TWO WHEELER MALL PRIVATE LIMITED

Annexure "A" to Independent Auditors' Report 31<sup>st</sup> March 2020

(Referred to in our report of even date)

- (i) The Company does not own any fixed asset. Hence, Clause (i) of paragraph 3 of the Order is not applicable to the Company.
- (ii) The Company does not have any inventory. Therefore, Clause (ii) of paragraph 3 of the Order is not applicable to the Company.
- (iii) The company has not granted any loans secured or unsecured to companies, partnership, limited liability partnership or other parties covered in the register maintained under section 189 of the Act. Therefore, the provision of Clause (iii) of paragraph 3 of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loan or made investments and has not provided guarantees and securities which has application of the provisions of Section 185 and 186 of the Act. Therefore, the provisions of Clause (iv) of the paragraph 3 of the Order are not applicable to the Company.
- (v) The Company has not accepted any deposits from the public, within the meaning of Section 73 to 76 or any other relevant provisions of the Act and Rules framed thereunder. We are informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or other tribunal.
- (vi) The Central Government has not prescribed the maintenance of cost records under section 148 (1) of the Act. Therefore, the provisions of Clause (vi) of the Order are not applicable to the Company.
- (vii) (a) According to the records of the Company, the Company does not have the liability to deposit statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax and Cess and other material statutory dues with the appropriate authorities. There is also no liability in respect of duty of Customs.  
(b) According to the information and explanations given to us, there are no dues of Income Tax and Goods and Service Tax which have not been deposited on account of any dispute.
- (viii) On the basis of verification of records and according to the information and explanations given to us, the Company has not borrowed loans from Financial Institutions/Banks and Governments. Also, the Company has not raised any monies against issue of debentures. Therefore, the provisions of clause (viii) of the Order are not applicable to the Company.
- (ix) According to the information and explanations given to us, the Company has not availed any term loan and has not raised monies by way of initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of clause (ix) of the Order are not applicable to the Company.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given to us by the Management and the representations obtained from the management, we report that no fraud by the Company and no fraud on the company by its officers or employees have been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has not paid managerial remuneration as referred under section 197 read with Schedule V to the Act.
- (xii) The Company is not a Nidhi Company and hence reporting under Clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and Section 177 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment of equity shares and hence the requirement for compliance of Section 42 of the Act does not arise. The company has not made any private placement of shares or fully or partly convertible debentures during the year.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Act are not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, Clause (xvi) of the Order is not applicable.

# TVS TWO WHEELER MALL PRIVATE LIMITED

---

## Brief Description of the Company:

The Company was incorporated on 22nd August 2017 under the name of TVS Two Wheeler Mall Private Limited, wholly owned subsidiary of TVS Credit Services Limited. The Company is yet to commence its business.

## 8. Significant Accounting Policies forming part of Financial Statements

### a. Basis of preparation of financial statements

The financial statements are prepared on historical cost convention, on a going concern basis and in accordance with the applicable Indian Accounting Standard (Ind AS) as notified under Section 133 in the Companies Act, 2013. All expenses and income to the extent ascertained with reasonable certainty are accounted for on accrual basis.

### b. Use of estimates

The preparation of the financial statements in conformity with the applicable Accounting Standard requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of financial statement. The recognition, measurement, classification or disclosure of an item or information in the financial statement has been made relying on these estimates.

### c. Cash Flow Statement

Cash flow statement is prepared under "Indirect Method" and the same is annexed.

### d. Contingencies and events occurring after balance sheet date

There are no contingencies that need to be provided as on the balance sheet date.

## Additional Notes forming part of Financial Statements for year ended 31<sup>st</sup> March 20

1. There are no dues to micro medium small enterprises and hence the particulars required under notification no GSR 719(E) dt. 16.11.07 is not furnished.
2. Related Party Disclosures:

### Reporting Entity:

## Directors' Report to the Shareholders

The directors present the third annual report together with the annual audited statement of accounts for the year ended 31<sup>st</sup> March 2020.

### Financial Highlights

The Company is yet to commence its operations.

### Dividend

The directors, in order to conserve the resources for its future business activities, have not proposed any dividend for the period under review.

### Risk Management

The Company has in place a mechanism to identify, assess, monitor and mitigate various risks to key business objectives. Major risks identified would be systematically addressed through mitigating actions on a continuous basis.

### Directors' Responsibility Statement

Pursuant to the requirement of Section 134(5) of the Companies Act, 2013 with respect to Director's Responsibility Statement, it is hereby stated that:

- (a) in the preparation of the annual accounts for the year ended 31<sup>st</sup> March 2020, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- (b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the loss of the Company for that period;
- (c) the directors had taken proper and sufficient care for maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) the directors had prepared the accounts for the financial year ended 31<sup>st</sup> March 2020 on a going concern basis; and
- (e) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

### Directors liable to retire by rotation

In terms of the provisions of Companies Act, 2013 all the existing directors, viz., Mr Venu Srinivasan, Mr Sudarshan Venu, Mr K Gopala Desikan, Ms Kalpana Unadkat and Mr G Venkatraman, directors of the Company retire from the office at the ensuing annual general meeting and being eligible, offer themselves for re-appointment.

### Number of board meetings held

During the period under review, the board met 4 times on 29<sup>th</sup> April 2019, 26<sup>th</sup> June 2019, 22<sup>nd</sup> October 2019 and 12<sup>th</sup> February 2020 and the gap between two meetings did not exceed one hundred and twenty days.

### Key Managerial Personnel (KMPs)

The following persons have been designated as Key Managerial Personnel of the Company pursuant to Section 2(51) and Section 203 of the Act 2013, read with the Rules framed thereunder.

1. Mr G Venkatraman, Whole-time Director
2. Mr V Gopalakrishnan, Chief Financial Officer
3. Mr Ashwin J, Company Secretary

## Statutory Auditors

The members at its first Annual General Meeting held on 18<sup>th</sup> June 2018 have appointed M/s V Sankar Aiyar & Co., Chartered Accountants having Firm Registration No. 109208W allotted by The Institute of Chartered Accountants of India as statutory auditors of the company till the conclusion of sixth annual general meeting, at such remuneration in addition to applicable taxes, out of pocket expenses, travelling and other expenses as may be mutually agreed between the Board of Directors of the Company and the Auditors.

The Statutory Auditors will continue to hold office for the 3<sup>rd</sup> year in a term of five consecutive years, from the conclusion of this AGM.

The Company has obtained necessary certificate under Section 141 of the Act, 2013 conveying their eligibility for being the Statutory Auditors of the Company for the year 2020-21.

The Auditors' Report for the financial year 2019-20 does not contain any qualification, reservation or adverse remark and the same is attached with the annual financial statements.

### Disclosures

#### Material changes and commitments

There have been no material changes and commitments affecting the financial position of the Company, which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report.

#### Significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status of the Company

There are no significant and material orders passed by the regulators or courts or tribunals, which would impact the going concern status of the Company.

#### Deposits:

The Company has not accepted any deposit from the shareholders and others within the meaning of Chapter V of the Act 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 during the period ended 31<sup>st</sup> March 2020 and hence the question of furnishing any details relating to deposits covered under Chapter V of the Act 2013 does not arise.

#### Annual Return:

Extract of Annual Return in the prescribed form is given as Annexure I to this report.

#### Employee's remuneration:

There are currently no employees in the Company, hence the requirement of attaching a statement under Section 197 of the Companies Act 2013, read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 containing the details of employee's remuneration is not applicable.

#### Details of loans / guarantees / investments made:

As regards furnishing the details of loans, guarantees and investments made by the Company as per Section 186 of the Act 2013 for the financial year 2019-20, the Company has not extended any guarantee or has given loans to other companies during the period under review.

### Related Party Transactions

All contracts / arrangements entered by the Company during the period ended 31<sup>st</sup> March 2020 with related parties were in the ordinary course of business and at arm's length price in terms of section 188 read with the Companies (Meetings of board and its powers) Rules, 2014.

## TVS HOUSING FINANCE PRIVATE LIMITED

---

Pursuant to the provisions of section 134(h) of the Companies Act 2013 (the Act 2013) read with rule 8(2) of the Companies (Accounts) Rules 2014, the particulars of contracts or arrangements entered into by the Company with Related Parties have been done at arm's length and are in the ordinary course of business.

Related Party disclosures as per the Indian Accounting Standards have been provided in Note 3 of Additional Notes forming part of the financial statements.

**Conservation of energy, technology absorption, foreign exchange earnings and outgo:**

The provisions of Section 134(3)(m) of the Act 2013 and the rules made there-under relating to the information and details on conservation of energy, technology absorption do not apply to the Company, as the Company is not a manufacturing company and there are no foreign exchange earnings and outgo.

**Reporting of fraud:**

The Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Act 2013.

**Maintenance of cost records**

The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company.

Disclosure in terms of Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act, 2013:

The Company was not required to constitute an Internal Complaints Committee as required under The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 since there are no employees in the Company.

During the period under review, there were no cases filed pursuant to the provisions of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

During the period under review, there were no foreign earnings or expenditure in the Company.

**Acknowledgement**

The directors gratefully acknowledge the continued support and co-operation received from the holding company viz., TVS Credit Services Limited. The directors thank the bankers for their continued support and assistance.

# TVS HOUSING FINANCE PRIVATE LIMITED

## INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2020

### To the Members of TVS Housing Finance Private Limited

#### Report on the Audit of the Stand-alone financial statements

##### Opinion

We have audited the standalone financial statements of TVS Housing Finance Private Limited ("the Company"), which comprise the standalone Balance Sheet as at 31<sup>st</sup> March 2020, the standalone Statement of Profit and Loss (including Other Comprehensive Income), standalone Statement of changes in Equity and standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its profit, Other total Comprehensive Income, Changes in Equity and Cash Flows for the year ended on that date.

##### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included Directors' Report to the Shareholders but does not include the standalone financial statements and our auditor's report thereon. The Directors' Report to the Shareholders is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Directors' Report to the Shareholders, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

#### Responsibilities of Management and Those Charged with Governance for the Standalone financial statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

## TVS HOUSING FINANCE PRIVATE LIMITED

---

2. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (a) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (a) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - (a) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (a) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
  - (a) Since the Company's turnover as per last audited financial statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the year is less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017
- (a) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- (i) There are no pending litigations as at 31<sup>st</sup> March 2020.
  - (ii) The Company has not entered into any long term contract including derivative contracts.
  - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act. In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors.

## Annexure "A" to Independent Auditors' Report 31<sup>st</sup> March 2020

(Referred to in our report of even date)

- (i) The Company does not own any fixed asset. Hence, Clause (i) of paragraph 3 of the Order is not applicable to the Company.
- (ii) The Company does not have any inventory. Therefore, Clause (ii) of paragraph 3 of the Order is not applicable to the Company.
- (iii) The company has not granted any loans secured or unsecured to companies, partnership, limited liability partnership or other parties covered in the register maintained under section 189 of the Act. Therefore, the provision of Clause (iii) of paragraph 3 of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loan or made investments and has not provided guarantees and securities which has application of the provisions of Section 185 and 186 of the Act. Therefore, the provisions of Clause (iv) of the paragraph 3 of the Order are not applicable to the Company.
- (v) The Company has not accepted any deposits from the public, within the meaning of Section 73 to 76 or any other relevant provisions of the Act and Rules framed thereunder. We are informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or other tribunal.
- (vi) The Central Government has not prescribed the maintenance of cost records under section 148 (1) of the Act. Therefore, the provisions of Clause (vi) of the Order are not applicable to the Company.
- (vii) (a) According to the records of the Company, the Company does not have the liability to deposit statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Service Tax and Cess and other material statutory dues with the appropriate authorities. There is also no liability in respect of duty of Customs.  
(b) According to the information and explanations given to us, there are no dues of Income Tax and Goods and Service Tax which have not been deposited on account of any dispute.
- (viii) On the basis of verification of records and according to the information and explanations given to us, the Company has not borrowed loans from Financial Institutions/Banks and Governments. Also, the Company has not raised any monies against issue of debentures. Therefore, the provisions of clause (viii) of the Order are not applicable to the Company.
- (ix) According to the information and explanations given to us, the Company has not availed any term loan and has not raised monies by way of initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of clause (ix) of the Order are not applicable to the Company.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given to us by the Management and the representations obtained from the management, we report that no fraud by the Company and no fraud on the company by its officers or employees have been noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us, the Company has not paid managerial remuneration as referred under section 197 read with Schedule V to the Act.
- (xii) The Company is not a Nidhi Company and hence reporting under Clause (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us the Company is in compliance with Section 188 and Section 177 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) During the year the Company has not made any preferential allotment of equity shares and hence the requirement for compliance of Section 42 of the Act does not arise. The company has not made any private placement of shares or fully or partly convertible debentures during the year.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Act are not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, Clause (xvi) of the Order is not applicable.

# TVS HOUSING FINANCE PRIVATE LIMITED

## Brief Description of the company:

The Company was incorporated on 22<sup>nd</sup> August 2017 under the name of TVS Housing Finance Private Limited, wholly owned subsidiary of TVS Credit Services Limited. The company is yet to commence its business

## 13. Significant Accounting Policies forming part of Financial Statements

### a. Basis of preparation of financial statements

The financial statements are prepared on historical cost convention, on a going concern basis and in accordance with the applicable Indian Accounting Standard (Ind AS) as notified under Section 133 in the Companies Act, 2013. All expenses and income to the extent ascertained with reasonable certainty are accounted for on accrual basis.

### b. Use of estimates

The preparation of the financial statements in conformity with the applicable Accounting Standard requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of financial statement. The recognition, measurement, classification or disclosure of an item or information in the financial statement has been made relying on these estimates.

### c. Cash Flow Statement

Cash flow statement is prepared under "Indirect Method" and the same is annexed.

### d. Taxes on Income

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction.

### e. Contingencies and events occurring after balance sheet date

There are no contingencies that need to be provided as on the balance sheet date.

## Additional Notes forming part of Financial Statements for year ended 31<sup>st</sup> March 20

1. The Company has applied for the registration under Housing Finance Companies (NHB) Act, 1987 and the same is pending and hence it has not commenced its business of Housing Finance. Consequently, the requirements of disclosures and other compliances under NHB Act and Directions are not applicable.
2. There are no dues to micro medium small enterprises and hence the particulars required under notification no GSR 719(E) dt. 16.11.07 is not furnished.
3. Related Party Disclosures:

## Directors' Report to the Shareholders

The directors are pleased to present the Tenth annual report and the audited financial statements for the year ended 31<sup>st</sup> March 2020.

### Financial Highlights

(Rs. In Lakhs)

Details	Year ended 31.03.2020	Year ended 31.03.2019
Sales and other income	63.16	7.20
Less: Expenses	61.08	6.87
Profit before tax	2.08	0.33
Provision for taxation (including deferred tax)	0.54	0.09
Profit after tax	1.54	0.24

### Preparation of financial statements under Indian Accounting Standards

Pursuant to the notification issued by the Ministry of Corporate Affairs dated 16<sup>th</sup> February, 2015 relating to the Companies (Indian Accounting Standard) Rules, 2015, TVS Motor Company Limited (TVSM), the holding company, is required to adopt Indian Accounting Standards ("IND AS") from financial year 2016-17.

In terms of Rule 4(1)(ii) of the aforesaid rules, the holding, subsidiary, joint venture and associate companies are required to comply with Ind AS from financial year 2016-17 onwards. Accordingly, the financial statements of the Company for the year 2019-20 have been prepared in compliance with the said rules.

### Dividend

The directors, in order to conserve the resources for its future business activities, have not proposed any dividend for the year under review.

### Internal control systems

The Company has adequate internal control systems to ensure operational efficiency, accuracy and promptness in financial report and compliance of various laws and regulations. The internal control system is supported by the internal audit (IA) process. The IA department evaluates the efficacy and adequacy of internal control system, its compliance with operating systems and policies of the Company and accounting procedures at all locations of the Company.

The Company has well-documented Standard Operating Procedures (SOPs), policies and procedures for various processes which are periodically reviewed.

Based on the report of IA function, process owners undertake corrective action in their respective areas. Significant audit observations and corrective actions thereon are presented to the Audit Committee of the Board.

### Risk management

The Company has in place a mechanism to identify, assess, monitor and minimize various risks to key business objectives. Major risks identified would be systematically addressed through mitigating actions on a continuous basis.

### Directors' responsibility statement

In accordance with the provisions of Section 134(5) of the Companies Act, 2013 (the Act 2013), with respect to Directors' Responsibility Statement, it is hereby stated that -

- (i) in the preparation of the annual accounts for the financial year ended 31<sup>st</sup> March 2020, the applicable accounting standards had been followed along with proper explanation relating to material departures, if any;
- (ii) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit/ loss of the Company for that period;
- (iii) the directors had taken proper and sufficient care for maintenance of adequate accounting records in accordance with the provisions of the Act 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (iv) the directors had prepared the accounts for the financial year ended 31<sup>st</sup> March 2020 on a "going concern basis"; and
- (v) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

### Directors liable to retire by rotation

In terms of the Articles of Association of the Company and the applicable provisions of the Act 2013, Mr V Karunakara Reddy is liable to retire by rotation at the ensuing Annual General Meeting and being eligible, offers himself for re-appointment.

### Changes in the Board of Directors

During the year Mr C Mukundhan resigned as director and Mr V Karunakara Reddy was appointed as Director of the Company with effect from 28<sup>th</sup> May 2019. Mr V Ganesh resigned as director and Mr N Srinivasa Ramanujam was appointed as director of the company with effect from 31<sup>st</sup> March 2020. Mr V Ganesh was appointed as director of the company with effect from 19<sup>th</sup> May 2020.

### Board Meetings

During the year under review, the board met 6 times on 19<sup>th</sup> April 2019, 28<sup>th</sup> May 2019, 18<sup>th</sup> July 2019, 11<sup>th</sup> October 2019, 23<sup>rd</sup> January 2020 and 31<sup>st</sup> March 2020. The gap between two meetings did not exceed one hundred and twenty days.

### Statutory Auditors

In terms of Section 139 of the Act, 2013, read with Rule 6 of the Companies (Audit and Auditors) Rules, 2014, M/s V Sankar Aiyar & Co., Chartered Accountants, having Firm Registration No. 109208W allotted by The Institute of Chartered Accountants of India, have been appointed as statutory auditors of the Company for five years at such remuneration in addition to reimbursement of all applicable taxes, out-of-pocket, travelling and other expenses, etc., as may be decided between the Board of Directors and statutory auditors of the Company.

The current auditors hold office till the conclusion of the 14<sup>th</sup> Annual General Meeting of the Company.

The Auditors' Report for the financial year 2019-20 does not contain any qualification, reservation or adverse remark and the same is attached as part of the annual financial statements.

### Information on conservation of energy, technology absorption, foreign exchange earnings and outgo etc.,

The information do not apply to the Company, as the Company is not a manufacturing Company. During the year under review, there were no foreign exchange earnings or expenditure in the Company.

### Material changes and commitments

There have been no material changes and commitments affecting the financial position of the Company, which have occurred between the end of the financial year of the Company to which the financial statements relate and the date of the report.

### Significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status of the Company

There are no significant and material orders passed by the regulators or courts or tribunals, which would impact the going concern status of the Company.

### Annual Return

Extract of Annual Return in the prescribed form is given as Annexure I to this report, in terms of the requirements of Section 134(3)(a) of the Act, 2013 read with the Companies (Accounts) Rules, 2014.

### Deposits

The Company has not accepted any deposit from the shareholders and others within the meaning of Chapter V of the Act 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 during the year ended 31<sup>st</sup> March 2020 and hence the question of furnishing any details relating to deposits covered under Chapter V of the Act 2013 does not arise.

### Employee's remuneration

There are no employees on the rolls of the Company, hence there is no disclosure under Section 197(12) of the Act 2013 read with Rule 5(1) and 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

### Details of loans / guarantees / investments made

As regards the furnishing of the details of loans, guarantees and investments made by the Company as per Section 186 of the Act 2013 for the financial year 2019-20,

## **TVS HOUSING LIMITED**

---

the Company has not extended any guarantee or has given loans to other companies or made any investment during the year under review.

### **Related Party Transactions**

Pursuant to the provisions of section 134(h) of the Act, 2013 read with Rule 8(2) of the Companies (Accounts) Rules, 2014, furnishing of particulars of contracts or arrangements entered into by the Company with related parties during the year under review is furnished in Form AOC 2 as Annexure II to this Report.

All related party transactions during the year were on ordinary course of business and at arm's length price and have been approved by the Board of Directors.

### **Maintenance of cost records**

Pursuant to Section 148(1) of the Act, 2013 cost records are required to be maintained by specified class of Companies whose turnover exceeds 35 Crores during the immediately preceding financial year.

The Company's operations do not fall under any of the activities requiring maintenance and subsequent audit of cost records.

### **Reporting of fraud**

The Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Act 2013.

### **Disclosure in terms of Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act, 2013**

The Company was not required to constitute an Internal Complaints Committee as required under The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 since there are no employees in the Company.

During the year under review, there were no cases filed pursuant to the provisions of Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act 2013.

### **Acknowledgement**

The directors gratefully acknowledge the continued support and co-operation received from the holding Company, namely, TVS Motor Company Limited, and bankers for their continued support and assistance.

## INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED 31<sup>ST</sup> MARCH 2020

### To the Members of TVS Housing Limited

#### Report on the Audit of the Standalone financial statements

##### Opinion

We have audited the financial statements of TVS Housing Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013("Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and Profit, Other Comprehensive Income, Changes in Equity and Cash Flows for the year ended on that date.

##### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report to the Shareholders but does not include the financial statements and our auditor's report thereon. The Directors' Report to the Shareholders is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Directors' Report to the Shareholders, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance

#### Responsibilities of Management and Those Charged with Governance for the financial statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

## TVS HOUSING LIMITED

---

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31<sup>st</sup> March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31<sup>st</sup> March 2020 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit

and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- (i) There are no pending litigations on its financial position as at 31<sup>st</sup> March 2020.
- (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act. In our opinion and according to the information and explanations given to us, the Company has not paid any remuneration to its directors.

### Annexure "A" to Independent Auditors' Report 31<sup>st</sup> March 2020

(Referred to in our report of even date)

- (i) The company does not have any fixed assets (plant, property and equipment). Therefore, the provisions of clause(i) of the para 3 of the order are not applicable to the company.
- (ii) As informed to us, the inventories have been physically verified by the management during the year. In our opinion the frequency of the physical verification is reasonable. There were no material discrepancies noticed during such verification.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to Companies, firms, Limited Liability Partnerships or Other parties covered in the register maintained under Section 189 of the Companies Act 2013. Accordingly, the provisions of clause (iii) of Para 3 of the Order are not applicable.
- (iv) The company has not granted any loan, made investments and provided guarantees and security. Therefore, the provisions of clause (iv) of the para 3 of the Order are not applicable to the Company
- (v) The Company has not accepted any deposits from the public, within the meaning of Sections 73 to 76 or any other relevant provisions of the Act and Rules framed thereunder. We are informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or other tribunal
- (vi) Maintenance of cost records is not specified under section 148 (1) of the Companies Act, 2013, for the operations carried on by the Company, as the net worth or turnover of previous year are within the threshold limit as per Clause C of Rule 3 of Companies (Cost records and audit) Rules, 2014. Therefore, the provisions of clause (vi) of the para 3 of the Order are not applicable to the Company.
- (vii) a). According to the records of the Company, the Company is generally regular in depositing undisputed statutory dues payable including Income Tax, Goods and Service Tax, Cess and other material statutory dues with the appropriate authorities. We are informed that there is no liability towards Provident Fund, Employee's State Insurance and Customs Duty. According to the information and explanations given to us, no undisputed amounts payable in respect of Income Tax, Goods and Service Tax, Cess and other material statutory dues were in arrears as at 31st March 2020 for a period of more than six months from the date they became payable.  
b). According to the information and explanations given to us and the records of the Company, there are no dues of Income-Tax, Customs Duty, Sales Tax, Service Tax, Goods and Service Tax, Value added Tax and Cess which have not been deposited on account of any dispute as at 31st March 2020.
- (viii) The company has no borrowings or has raised any monies against issue of debentures. Also, has not raised monies by way of initial public offer or further public offer (including debt instruments) during the year. Therefore, the provisions of clause (viii) and (ix) of Para 3 of the Order are not applicable to the company.
- (ix) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given to us by the Management and the representations obtained from the management, we report that no fraud by the Company and no fraud on the company by its officers or employees has been noticed or reported during the year.
- (x) In our opinion and according to the information and explanations given to us, the Company has not paid/ provided managerial remuneration under section 197 read with Schedule V to the Act and hence reporting under clause (xi) of Para 3 of the Order is not applicable.
- (xi) The Company is not a Nidhi Company and hence reporting under clause (xii) of Para 3 of the Order is not applicable.
- (xii) In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and Section 188 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiii) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of Para 3 of the Order is not applicable to the Company.
- (xiv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him and hence provisions of section 192 of the Act are not applicable.
- (xv) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Annexure "B" to Independent Auditors' Report 31<sup>st</sup> March 2020

(Referred to in our report of even date)

## Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of TVS Housing Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Managements Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial Control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the ICAI.

## 1. SIGNIFICANT ACCOUNTING POLICIES

### a. Brief description of the Company

TVS Housing Limited ('the Company') is a public limited company incorporated in the year 2010 and domiciled in India. The registered office is located at "1st Floor, Greenways Towers, No. 119, St.Marys Road, Abhiramapuram, Chennai – 600018, Tamil Nadu, India".

### b. Basis of preparation

#### i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

#### ii) Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities measured at fair value;
- defined benefit plans – plan assets measured at fair value;

### c. Use of estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

### d. Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable.

The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria for recognition have been met. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

### e. Property, Plant and Equipment

Property plant and equipment are stated at historic cost less depreciation and impairment, if any. Cost includes purchase price, taxes and duties, labor cost and directly attributable overhead expenditure incurred up to the date the asset is ready for its intended use. However, cost excludes all duties and taxes wherever credit of the same is availed.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred.

### f. Depreciation and amortization

The company depreciates the carrying amount of the assets over the remaining useful life of the assets as per schedule II of the Companies Act, 2013 under straight line method, except in the case of Computers, Mobile

phones, Vehicles, and Plant and Machinery which are charged over 3.33 years, 2 years, 5.56 years and 6.67 years respectively which are different from the useful life given under the said schedule, which is based on valuer's certification of useful life being shorter than specified in schedule. Improvement on leased property is depreciated over the primary lease period. Depreciation on fixed assets added or disposed off during the year is calculated on pro-rata basis with reference to the date of addition/disposal.

### g. Intangible assets

Intangible assets are stated at original cost net of tax / duty credits availed, if any, less accumulated amortization and cumulative impairment. Intangible assets are recognized when it is probable that future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets being Software cost is amortized at 50% per annum.

### h. Inventories

#### i) Stock-In-Trade

Land is valued at the lower of cost and net realizable value. Cost includes cost of acquisition and all related costs.

#### ii) Work-In-Progress

Work in Progress is valued at cost. Cost includes cost of construction and services, employee cost, other overheads related to project under construction and borrowing cost.

### i. Employee benefits

#### (i) Short term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

#### (ii) Other long term employee benefit:

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of the expected future payments to be made in respect of services provided by employee up to the end of reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

#### (iii) Post-employment obligation:

The Company operates the following post-employment schemes:

a) Defined benefit plans such as gratuity and pension for its eligible employees, and

b) Defined contribution plans such as provident fund.

#### (iv) Pension and Gratuity obligation:

The liability or asset recognized in the balance sheet in respect of defined benefit pension and gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

# TVS HOUSING LIMITED

---

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on the government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

(v) **Bonus plans:**

The Company recognizes a liability and an expense for bonuses. The Company recognizes a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

**J) Income Tax**

Tax expense comprises of current and deferred taxes.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognized in profit or loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognized in other comprehensive income or directly in equity, respectively.

**K. Provisions and contingent liabilities**

i) **Provision:**

A provision is recorded when the Company has a present or constructive obligation as a result of present obligation, it is probable that an outflow of

resources will be required to settle the obligation and the amount can be reasonably estimated

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expenses.

ii) **Contingent liabilities:**

Wherever there is a possible obligation that may, but probably will not require an outflow of resources, the same is disclosed by way of contingent liability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

**I. Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

**m. Impairment of assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**n. Cash and Cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**o. Trade receivables**

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. Trade receivables are recognized initially at the amount of consideration that is unconditional unless they contain significant financing components, when they are recognized at fair value. The Company holds the trade receivables with the intention to collect the contractual cash flows and therefore measures them subsequently at amortized cost using effective interest method, less loss allowance.

**p. Investments and Other financial assets**

i) **Classification**

The Company classifies its financial assets in the following categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flow.

ii) **Measurement**

At initial recognition, the company measures a financial asset at its fair value plus (in the case of a financial asset not a fair value through profit or loss) transaction cost that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

## Debt Instruments:

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments.

### **Amortized Cost:**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is de-recognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

### **Fair Value through profit or loss:**

Assets that do not meet the criteria for amortized cost or Fair Value through Other Comprehensive Income (FVOCI) are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in profit or loss and presented in the statement of profit and loss within other gains / (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

## Equity instruments-Investment in subsidiaries / associates:

Investment in subsidiaries/ associates are measured at cost.

### **iii) Impairment of financial assets**

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been significant increase in credit risk.

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected credit losses to be recognized from initial recognition of the receivables.

### **iv) Derecognition of financial assets**

A financial asset is derecognized only when:

The Company has transferred the rights to receive cash flows from the financial asset or

The Company retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized, if the Company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

### **v) Income recognition**

## Interest Income:

Interest income is recognized on time proportion basis, determined by the amount outstanding and the rate applicable.

While calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial

instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

## Dividends:

Dividends are recognized in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of dividend can be reliably measured.

## **q. Functional Currency:**

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is functional and presentation currency.

## **Transactions and balances:**

- i. Transactions in foreign currencies are translated into the functional currency using the exchange rates prevailing on the date of transaction.
- ii Exchange differences arising on settlement of transactions are recognized as income or expense in the year in which they arise.

## **r. Trade and other payables:**

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are usually unsecured and paid within the credit periods. Trade and other payables are presented as current liabilities unless payment is not due within twelve months after reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using effective interest method.

## **s. Borrowings:**

Borrowings are initially recognized at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognized in profit or loss over the period of the borrowings, using the effective interest method. Fees paid on the established loan facilities are recognized as transaction cost of the loan, to the extent that it is probable that some or all the facility will be drawn down.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other gain/(loss).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

## **t. Leases**

### As a lessee

Leases of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalized at the inception of the lease at the lower of the fair value of the leased asset and the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received

## TVS HOUSING LIMITED

---

from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

### **u. Current and Non-current classification**

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. In respect of other assets, it is treated as current when it is:

- expected to be realized or intended to be sold or consumed in the normal operating cycle
- held primarily for the purpose of trading

All other assets are classified as non-current.

A liability is treated as current when:

- it is expected to be settled in the normal operating cycle
- it is held primarily for the purpose of trading or

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

### Operating Cycle:

The normal operating cycle in respect of operation relating to real estate project depends on singing of agreement, size of the project, phasing of the project, type of development, project complexities, approvals needed & realization of project into cash & cash equivalents and range from 3 to 7 years. Accordingly assets & liabilities have been classified into current & non-current based on operating cycle.

### **v. Earnings Per Share:**

#### **(i) Basic earnings per share:**

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for new equity shares issued during the year (Note No.27)

#### **(ii) Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

			<b>Financial assets</b>	
			Cash and cash equivalents	15.27 16.57
			<b>Total Financial Assets</b>	
			<b>Financial liabilities</b>	
			Trade payables	2.27 2.35
			Payable to related parties	287.73 349.45
			<b>Total Financial Liabilities</b>	
			<b>290.00 351.80</b>	
(c) Weighted average number of equity shares used as the denominator in calculating basic/diluted earnings per share	50,000	50,000	The Company has no Financial Assets or Liabilities that are valued at Fair Value through Profit and Loss or Fair Value through Other Comprehensive Income	
			(ii) Fair value of financial assets and liabilities measured at amortised cost	
			The carrying amounts of trade payables, cash and cash equivalents, and other current financial liabilities are considered to be the same as their fair values, due to their short-term nature.	

## 18 Financial risk management

The company's activities expose only to credit risk.

Risk	Exposure arising from	Risk Mitigation
Credit risk	Cash and cash equivalents, financial assets measured at amortised cost.	Surplus cash is deposited only with banks/financial institutions with high external rating

### (A) Credit risk

Credit risk arises from cash and cash equivalents and deposits with banks and financial institutions.

#### (i) Credit risk management

Credit risk is managed on a company basis. For banks and financial institutions, only high rated banks/institutions are accepted.

### (B) Liquidity risk

#### (i) Maturities of financial liabilities

The tables below analyse The company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

- a) all non-derivative financial liabilities, and
- b) net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

#### Contractual maturities of financial liabilities:

Particulars	Maturity	March 31, 2020	March 31, 2019
Trade payables	< than 12 months	2.27	2.35
Other financial liabilities	> than 12 months	287.73	349.45

## 19 Capital management

### Risk management

The company's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

26 In the opinion of the management, the current assets, loans & advances have a value of realisation in ordinary course of business or at least equal to the amount at which they are stated in the balance sheet.

27 The real estate development operations and all offices of the Company were closed on March 23, 2020 following the countrywide lockdown due to COVID 19. The Company has since obtained required permissions and restarted its development operations and all offices partially. Based on assessment of the impact of COVID 19 on the operations of the Company and ongoing discussions with customers, contractors and service providers, the Company is confident of obtaining regular service from the contractors and service providers and serving customers.

The Company has considered the possible effects of COVID 19 on the carrying amounts of Property, Plant and Equipment, Investments, Inventories, Trade Receivable and Other Current Assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the company, as at the date of approval of the financial results, has used external and internal sources of information/ indicators to estimate the future performance of the Company. Based on current estimates, the Company expects the carrying amount of these assets to be recovered. The impact of the COVID 19 on the Company's financial results may differ from that estimated as at the date of approval of these results.

## Directors' Statement

The directors present their statement to the member together with the audited financial statements of TVS MOTOR (SINGAPORE) PTE. LIMITED (the "company") for the financial year ended 31 March 2020.

### 1. OPINION OF THE DIRECTORS

In the opinion of the directors,

- (a) the financial statements of the company are drawn up so as to give a true and fair view of the financial position of the company as at 31 March 2020 and the financial performance, changes in equity and cash flows of the company for the year then ended; and
- (b) at the date of this statement, there are reasonable grounds to believe that the company will be able to pay its debts as and when they fall due.

### 2. DIRECTORS

The directors of the company in office at the date of this statement are:

Venu Srinivasan

Hari Hara Iyer Lakshmanan

Seenivasan Elayalwar

### 3. ARRANGEMENTS TO ENABLE DIRECTORS TO ACQUIRE SHARES AND DEBENTURES

Neither at the end of nor at any time during the financial year was the company a party to any arrangement whose object are, or one of whose objects is, to enable the directors of the company to acquire benefits by means of the acquisition of shares in, or debentures of, the company or any other body corporate.

### 4. DIRECTORS' INTERESTS IN SHARES AND DEBENTURES

The directors who held office at the end of the financial year, had no interest in the share capital of the company and related corporations as recorded in the register of directors' shareholdings

required to be kept by the company under Section 164 of the Singapore Companies Act, Chapter 50 except as stated below::

	Number of ordinary shares of INR1 each	
Name of directors and corporation In which interests are held	At beginning of year	At end of year
TVS Motor Company Limited (Holding company)		
Venu Srinivasan	2,569,726	2,569,726
Hari Hara Iyer Lakshmanan	55,870	55,870

### 5. SHARE OPTION

During the financial year, no option to take up unissued shares of the company was granted. During the financial year, there were no shares of the company issued by virtue of the exercise of options to take up unissued shares.

As at the end of the financial year, there were no unissued shares of the company under option.

### 6. AUDITOR

Rama & Co. has expressed its willingness to accept re-appointment as auditor.

## Independent Auditors' report to the Member of TVS Motor (Singapore) Pte. Limited

### Report on the audit of the financial statements

#### Opinion

We have audited the financial statements of TVS MOTOR (SINGAPORE) PTE. LIMITED (the "company"), which comprise the statement of financial position as at 31 March 2020, and statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to financial statements, including a summary of significant accounting policies. In our opinion, the accompanying financial statements of the company are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the Act) and Financial Reporting Standards in Singapore (FRSs) so as to give a true and fair view of the financial position of the company as at 31 March 2020 and of the financial performance, changes in equity and cash flows of the company for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

Management is responsible for the other information. The other information comprises the Directors' Statement set out on pages 1 and 2.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### Report on Other legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the company have been properly kept in accordance with the provisions of the Act.

# TVS MOTOR (SINGAPORE) PTE. LIMITED

## NOTES TO THE FINANCIAL STATEMENTS - 31 MARCH 2020

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

### 1. GENERAL

#### a) Corporate Information

TVS Motor (Singapore) Pte. Limited (the "company") (Registration number: 200301438H) is a private limited company incorporated and domiciled in the Republic of Singapore with its registered office at:

17 Phillip Street #05-01  
Grand Building  
Singapore 048695

The principal activities of the company are to carry on the business as an investment holding company.

#### b) Authorisation of financial statements for issue

The financial statements of the company for the year ended 31 March 2020 were authorised for issue by the Board of Directors on 27 May 2020.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### 2.1. Basis of Accounting

The financial statements are prepared in accordance with the historical cost convention, except as disclosed in the accounting policies below, and are drawn up and in accordance with the provisions of the Singapore Companies Act and Singapore Financial Reporting Standards ("FRS").

Historical cost is generally based on the fair value of the consideration given in the exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability which market participants would take into account when pricing the asset or liability at the measurement date.

In addition, for financial reporting purpose, fair value measurements are described in Note 5.

The preparation of financial statements in conformity with FRS requires management to exercise its judgement in the process of applying the company's accounting policies. It also requires the use of accounting estimates and assumption. The areas involving a higher degree of judgement or complexity or areas when assumption and estimates are significant to the financial statements as disclosed in Note 4.

### 2.2. Changes in Accounting Policies

#### a) Adoption of new revised FRSs and INT FRSs

In the current financial year, the company has adopted all the new and revised FRSs and Interpretations of FRS ("INT FRS") that are relevant to its operations and effective for annual periods beginning on or after 1 April 2019. The adoption of these new/ revised FRSs and INT FRSs did not result in substantial changes to the company's accounting policies and had no material effect on the amounts reported for the current or prior financial years except as discussed below:

##### **FRS 116 - Leases, effective for annual periods beginning on or after 1 April 2019**

FRS 116 Leases supersedes FRS 17 Leases and introduces a new single lessee accounting model which eliminates the current distinction between operating and finance leases for lessees. FRS 116 requires lessees to capitalise all leases on the statement of financial position by recognising a 'right-of-use' asset and a corresponding lease liability for the present value of the obligation to make lease payments, except for certain short-term leases and leases of low-value assets. Subsequently, the lease assets will be depreciated and the lease liabilities will be measured at amortised cost.

The new standard is applied only to contracts that were previously identified as leases. Contracts that were not identified as leases under FRS 17 were not reassessed for whether there is a lease under FRS 116. Therefore, the definition of a lease under FRS 116 was applied only to contracts entered into or changed on or after 1 April 2019.

##### Impact on adoption of FRS 116

The company capitalises and presents right-of-use assets in "plant and equipment" and lease liability in the statement of financial position in respect of the lease agreement entered during the year.

The accounting policies for leases under FRS 116 are disclosed in Note 2.8.

#### b) Standards issued but not yet effective

At the date of authorisation of financial statements, the following FRSs that are relevant to the company were issued but not effective are as follows:

Reference	Description	Effective for annual periods beginning on or after
Various	Amendments to Reference to the Conceptual Framework in FRS standards	1 January 2020
FRS 1 & FRS 8	Amendments to FRS 1 and FRS 8: Definition of material	1 January 2020

The management anticipate that the adoption of the above FRSs, INT FRS and amendments to FRS in future periods standards will not have a materials impact on the financial statements of the company in the period of their initial adoption.

### 2.3. Functional and Foreign Currency

#### a) Functional and presentation currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the company operates (the "functional currency"). The financial statements of the company are presented in Singapore dollar, which is also the functional currency of the company.

#### b) Foreign currency transactions

Transactions in foreign currencies are measured in the functional currency of the company and are recorded on initial recognition in the functional currency at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. All realised and unrealised exchange adjustment gains and losses are dealt with in profit or loss.

### 2.4. Associates

An associate is an entity over which the company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

Investments in the associate companies is stated at cost, less impairment if any.

### 2.5. Plant and Equipment

#### a) Measurement

Plant and equipment are initially stated at cost and subsequently carried at cost less accumulated depreciation and any impairment losses.

#### b) Components of costs

The cost of an item of plant and equipment includes its purchase price and any cost that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. The projected cost of dismantlement, removal or restoration is also included as part of the cost of plant and equipment if the obligation for the dismantlement, removal or restoration is incurred as a consequence of acquiring or using the asset.

#### c) Depreciation

Depreciation is calculated on the straight line method to write off the cost of the plant and equipment over their estimated useful lives, or in the case of right-of-use asset, over the lease term, as follows:

	Years
Office equipment	3
Vehicle (Right-of-Use asset)	7

No depreciation is provided for office artwork.

Fully depreciated assets are retained in the financial statements until they are no longer in use and no further charge for depreciation is made in respect of these assets.

The residual values, useful life and depreciation method are reviewed at the end of each reporting period to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of plant and equipment.

#### d) Subsequent expenditure

Subsequent expenditure relating to plant and equipment that has already been recognised is added to the carrying amount of the asset only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. Other subsequent expenditure is recognised as repair and maintenance expense in profit or loss during the financial year in which it is incurred.

## NOTES TO THE FINANCIAL STATEMENTS - 31 MARCH 2020 (Continued)

### e) Disposal

On disposal of an item of plant and equipment, the difference between the net disposal proceeds and its carrying amount is taken to profit or loss. Any amount in revaluation reserve relating to that asset is transferred to retained earnings directly.

### 2.6. Impairment of Non-Financial Assets

At the end of each reporting period, the company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss. Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

### 2.7. Bank balances

Bank balances in statements of cash flows comprise cash at bank that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value. These are classified as measured at amortised cost under FRS 109.

### 2.8. Leases

The accounting policy for leases after 1 April 2019 under FRS 116 is as follows:

#### As a lessee

New leases entered into on or after 1 April 2019

For any new contracts entered into on or after 1 April 2019, the company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At lease commencement date, the company recognises a right-of-use asset within "Plant and Equipment" and a lease liability on the statement of financial position.

#### Right-of-Use Asset

The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs, an estimate of any costs to dismantle and remove the asset at the end of the lease, and any lease payments made in advance of the lease commencement date (net of any incentives received).

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life (which is determined on the same basis as those of plant and equipment).

The company also assesses the right-of-use asset for impairment when such indicators exist. In addition, the right-of-use asset is periodically adjusted for certain remeasurements of the lease liability.

#### Lease liability

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the company's incremental borrowing rate, being the rate, it would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

Lease payments included in the measurement of the lease liability are made up of fixed payments, variable payments based on an index or rate, amounts expected to be payable under a residual value guarantee, lease payments arising from extension options reasonably certain to be exercised, exercise price under purchase option reasonably certain to be exercised and penalties for early termination of a lease unless the company is reasonably certain not to terminate early.

Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is remeasured to reflect any reassessment or modification. It

is remeasured when there is a change in future lease payments arising from a change in an index or rate, if the company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset, or profit and loss if the carrying amount of the right-of-use asset has been reduced to zero.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

#### Short-term leases and leases of low-value assets

The company has elected not to recognise right-of-use assets and lease liabilities for short-term leases and leases of low-value assets. Lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

Short-term leases are leases with a lease term of 12 months or less. Low-value assets comprise items of office equipment with individual values not exceeding S\$5,000.

The accounting policy for leases before 1 April 2019 under FRS 17 was as follows:

#### Operating leases

Leases where a significant portion of the risks and rewards incidental to ownership are retained by the lessor are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are taken to profit or loss on a straight-line basis over the period of the lease. Contingent rents, if any, are charged as expenses in the periods in which they are incurred. When an operating lease is terminated before the lease period expires, any payment required to be made to the lessor by way of penalty is recognised as an expense in the period in which termination takes place.

### 2.9. Revenue Recognition

Revenue from sale of goods and services in the ordinary course of business is recognised when the company satisfies a performance obligation ("PO") by transferring control of a promised good or service to the customer. The amount of revenue recognised is the amount of the transaction price allocated to the satisfied PO.

The transaction price is the amount of consideration in the contract to which the company expects to be entitled in exchange for transferring the promised goods or services. The transaction price may be fixed or variable and is adjusted for time value of money if the contract includes a significant financing component.

Revenue may be recognised at a point in time or over time following the timing of satisfaction of the PO. If a PO is satisfied over time, revenue is recognised based on the completion reflecting the progress towards complete satisfaction of that PO.

#### Passenger service income

The company provides aircraft usage and passenger transport services and, operational and maintenance services for customers. Revenue from these services are recognised when services are performed over the usage and service period (i.e. over time).

### 2.10. Other income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

### 2.11. Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax.

#### a) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the statement of comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are not taxable or tax deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted at the end of reporting period.

#### b) Deferred tax

Deferred tax is provided, using the liability method on all temporary differences at the end of reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all temporary differences except where the deferred tax liability arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at that time of the transaction, affects neither accounting profit or loss nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences carry-forward of unutilised tax assets and unutilised tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, carry-forward of unutilised tax assets and unutilised tax losses can be utilised except where the deferred tax asset relating to the deductible temporary difference arise from the initial recognition

# TVS MOTOR (SINGAPORE) PTE. LIMITED

## NOTES TO THE FINANCIAL STATEMENTS - 31 MARCH 2020 (Continued)

of an asset or liability in a transaction and at the time of transaction affects neither the accounting profit or loss nor taxable profit or loss.

The carrying amount of a deferred tax asset is reviewed at each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of reporting period and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

### 2.12. Employee Benefits

#### a) Defined contribution plans

Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state-managed schemes, such as the Singapore Central Provident Fund, are dealt with as payments to defined contribution plans where the company's obligations under the plans are equivalent to those arising in a defined contribution plan.

#### b) Employee leave entitlement

Employee entitlements to annual leave are recognised when they accrued to employees. All unused leave at the end of the reporting period is encashed to the employees.

### 2.13. Related Parties

A related party is a person or an entity related to the company and is further defined as follows:

#### a) A person or a close member of that person's family is related to the company if that person:

- i) has control or joint control over the company;
- ii) has significant influence over the company; or
- iii) is a member of the key management personnel of the company or of a parent of the company.

#### b) An entity is related to the company if any of the following conditions applies:

- i) the entity and the company are members of the same group i.e each parent, subsidiary and fellow subsidiary is related to the others;
- ii) one entity is an associate or joint venture of the other entity or an associate or joint venture of a member of a group of which the other entity is a member;
- iii) both entities are joint ventures of the same third party;
- iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
- v) the entity is a post-employment benefit plan for the benefit of employees of either the company or an entity related to the company. If the company is itself such a plan, the sponsoring employers are also related to the company;
- vi) the entity is controlled or jointly controlled by a person identified in (a);
- vii) a person identified in (a) i) has significant influence over the entity or is a member of the key management personnel of the entity or of a parent of the entity; or
- viii) the entity, or any member of the group of which it is a part, provides key management personnel services to the company or to the parent of the company.

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity and include:

- (a) that person's children and spouse or domestic partner;
- (b) children of that person's spouse or domestic partner; and
- (c) dependants of that person or that person's spouse or domestic partner.

Key management personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director of the company.

Related party transactions and outstanding balances disclosed in the financial statement are in accordance with the above definition as per FRS 24 – Related Party Disclosures.

### 2.14. Provisions

Provisions are recognised when the company has present obligations (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

### 2.15. Contingent Liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future event not wholly within the control of the company. It can also be a present obligation arising from past events that is not recognised because it is not probable that outflow of economic resources will be required or the amount of obligation cannot be measured reliably.

A contingent liability is not recognised but is disclosed in the notes to the financial statements. When changes in the probability of an outflow occur so that the outflow is probable, it will then be recognised as a provision.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain events not wholly within the control of the company.

Contingent assets are not recognised but are disclosed in the notes to the financial statements when an inflow of economic benefits is probable. When inflow is virtually certain, an asset is recognised.

### 2.16. Events after the Reporting Period

Events after the reporting period that provide additional information about the company's position at the end of the reporting period or those that indicate the going concern assumption is not appropriate are adjusting events and are reflected in the financial statements. Events after the reporting period that are not adjusting events are disclosed in the notes to the financial statements when material.

## 3. FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised on the company's statement of financial position when and only when the company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

### 3.1. Financial Assets

#### a) Classification and subsequent measurement

Financial assets are classified, at initial recognition, as either measured at amortised cost, fair value through other comprehensive income (OCI), or fair value through profit or loss.

The classification of financial assets, at initial recognition depends on the financial asset's contractual cash flow characteristics and the company's business model for managing them. The company initially measures a financial asset at its fair value plus transaction costs that are directly attributable to the acquisition of the financial asset.

#### Debt Instruments at amortised cost

A financial asset is measured at amortised cost if the financial asset is held with the objective of collecting contractual cash flows and these contractual cash flows comprises solely principal and interest payments.

After initial measurement at fair value, debt instruments are measured at amortised cost using the effective interest rate (EIR) method, less impairment. Gains and losses are recognised in profit or loss when the assets are derecognised, or impaired, and through the amortisation process. Interest income from these financial assets is included in interest income using the effective interest rate (EIR) method.

As at the reporting date, the company's debt instruments at amortised cost consist of other receivables and bank balances.

#### Financial assets at fair value through other comprehensive income (FVTOCI)

Equity instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and

## NOTES TO THE FINANCIAL STATEMENTS - 31 MARCH 2020 (Continued)

- the contractual terms of the financial asset give rise on specified dates to cash flows that solely payments of principal and interest on the principal amount outstanding.

As at the reporting date, the company's financial assets at FVTOCI cost consist of unquoted equity investments.

### b) Impairment of financial assets

When applicable, the company recognises a loss allowance for expected credit losses ("ECL") on investments in debt instruments that are measured at amortised cost. The amount of expected credit losses is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective financial instruments.

When applicable, the company will recognise lifetime ECL for trade receivables. The expected credit losses on these financial assets will be estimated using a provision matrix based on the company's historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate.

For all other financial instruments, the company will recognise lifetime ECL when there has been significant increase in credit risk since initial recognition. If, on the other hand, the credit risk on the financial instrument has not increased significantly since initial recognition, the company measured the loss allowance for that financial instrument at an amount equal to 12 months ECL. The assessment of whether lifetime ECL should be recognised is based on significant increase in the likelihood or risk of default occurring since initial recognition instead of an evidence of a financial asset being credit-impaired at the reporting date or an actual default occurring.

Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of a financial instrument. In contrast, 12-month expected credit loss is the expected credit loss that result from default events that are possible within 12 months after the reporting date.

A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

### Measurement and recognition of expected credit losses

The measurement of expected credit losses is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information. As for the exposure at default, for financial assets, this is represented by the assets gross carrying amount at the reporting date; or for loan commitments and financial guarantee contracts, the exposure includes the amount drawn down as at reporting date, together with any additional amounts expected to be drawn down in the future by default date determined based on historical trend, the company's understanding of the specific future financing needs of the debtors, and other relevant forward-looking information.

For financial assets, the expected credit loss is estimated as the difference between all contractual cash flows for the company in accordance with the contract and all the cash flows that the company expects to receive, discount at the original effective interest rate.

### c) Derecognition of financial assets

A financial asset is derecognised where the contractual rights to receive cash flows from the asset have expired.

On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of (a) the consideration received and (b) any cumulative gain or loss that has been recognised directly in equity is recognised in profit or loss.

The company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the company retains substantially all the risks and rewards of ownership of a transferred financial asset, the company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

## 3.2. Equity and Financial Liabilities

Equity instruments issued by the company and financial liabilities are classified according to the substance of the contractual arrangements entered into and the definitions of an equity instrument and a financial liability.

### a) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs.

Ordinary share capital is classified as equity.

### b) Financial liabilities

Financial liabilities at amortised cost

The company determines the classification of its financial liabilities at initial recognition. Financial liabilities are initially recognised at fair value of consideration received net of transaction costs.

After initial recognition, they are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised and through the amortisation process.

Financial liabilities at amortised cost consist of other payables and lease liability.

### c) Derecognition of financial liabilities

The company derecognises financial liabilities when, and only when, the company's obligations are discharged, cancelled or they expire. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payables, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

## 4. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

### 4.1. Critical Accounting Judgements

In the application of the company's accounting policies, which are described in Note 2 to the financial statements, management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Determination of functional currency

In determining the functional currencies of the company, judgement is required to determine the currency that mainly influences sales prices for goods and services and of the country whose competitive forces and regulations mainly determines the sales prices of its goods and services. The functional currency of the company is determined based on management's assessment of the primary economic environment in which the company operates and the company's process of determining sales prices.

### 4.2. Key Sources of Estimation Uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

#### a) Impairment of investments in associates and other investments

The company follows the guidance of FRS 36 in determining the recoverability of its investment in associate and other investments. This requires assessment as to whether the carrying values of its investment can be supported by the net present values of future cash flows derived from such investment using cash flow projections which have been discounted at an appropriate rate. This determination requires significant judgement. The company determines forecasts of future cash flows based on its estimates of future revenues and operating expenses using historical and industry trends, general market conditions, forecasts and other available information. The carrying amount of investment in associate and other investments are disclosed in Note 9 and Note 10 to the financial statements.

#### b) Impairment of plant and equipment

As the end of the reporting period, the company assesses whether plant and equipment have any indication of impairment, in accordance with relevant accounting policies. The recoverable amounts of plant and equipment have been determined based on value-in-use calculations. These calculations and valuations require the use of judgement and estimates on future operating cash flows and discount rates adopted.

The carrying amounts of the company's plant and equipment are disclosed in Note 8 to the financial statements.

#### c) Depreciation of plant and equipment

The cost of plant and equipment is depreciated on a straight-line basis over their estimated useful lives or over their lease terms, in the case of right-of-use asset. Changes in the expected level of usage and technological developments could impact the economic useful lives and the residual values of these assets, therefore, future depreciation charges could be revised.

# TVS MOTOR (SINGAPORE) PTE. LIMITED

## NOTES TO THE FINANCIAL STATEMENTS - 31 MARCH 2020 (Continued)

### 5. FINANCIAL INSTRUMENTS, FINANCIAL RISK MANAGEMENT AND CAPITAL MANAGEMENT

#### 5.1. Categories of financial assets and liabilities

The carrying amounts of financial assets and financial liabilities included in the statement of financial position and the headings in which they are included are as follows:

	2020 S\$	2019 S\$
<b>Financial asset</b>		
At amortised cost:		
- Other receivables	3,223,577	5,440,795
- Bank balances	<b>46,866,365</b>	1,073,431
At fair value through other comprehensive income:		
- Other investments	<b>12,746,390</b>	-
	<b>62,836,332</b>	6,514,226
<b>Financial liabilities</b>		
At amortised cost:		
- Other payables	1,493,166	2,509,483
- Lease liability	<b>17,586,555</b>	-
	<b>19,079,721</b>	2,509,483

#### 5.2. Financial Risk Management Policies and Objectives

The company's overall risk management policy seeks to minimise potential adverse effects on the financial performance of the company. The company, however, does not have any written risk management policies and guidelines. The management meet periodically to analyse, formulate and monitor the following risk management of the company and believe that the financial risks associated with these financial instruments are minimal. The company adopt systematic approach towards risk assessment and management. This is carried out in three phases, i.e. identification and assessment of risks, formulation and implementation of risk treatment, and monitoring and reporting of risk profile.

There has been no change to the company's exposure to the financial risks or the manner in which it manages and measures the risks. The company's policies for managing its financial risks are summarised below:

##### a) Credit risk

Credit risk refers to risk that a counterparty will default on its contractual obligations to repay amounts owing to company resulting in a loss to the company. The company's primary exposure to credit risk arises through its bank balance. It is the company's policy to enter into transactions with creditworthy customers and high credit rating counter-parties to mitigate any significant credit risk. The company has procedures in place to control credit risk and that exposure to such risk is monitored on an ongoing basis.

##### Credit risk management

The company considers the probability of default upon initial recognition of asset and at each reporting date, assesses whether there has been a significant increase in credit risk since initial recognition. If credit risk has not increased significantly since initial recognition or if the credit quality of the financial instruments improves such that there is no longer a significant increase in credit risk since initial recognition, loss allowance is measured at an amount equal to 12-month ECLs. When credit risk has increased significantly since initial recognition, loss allowance is measured at an amount equal to lifetime ECLs.

##### Significant increase in credit risk

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the company considers reasonable and supportable information that is relevant and available without undue cost or effort.

This includes both quantitative and qualitative information and analysis, based on the company's historical experience and informed credit assessment and includes forward-looking information such as the following:

- Credit rating information supplied by publicly available financial information;
- Existing or forecast adverse changes in business, financial or economic conditions that are expected to cause a significant decrease in the debtor's ability to meet its debt obligations; and
- Significant changes in the expected performance and behavior of the debtor, including changes in the payment status of debtors and changes in the operating results of the debtor.

Regardless of the analysis above, a significant increase on credit risk is presumed if a debtor is more than 30 days past due in making contractual payment unless the company has reasonable and supportable information that demonstrates otherwise.

The maximum period considered when estimating ECLs is the maximum contractual period over which the company is exposed to credit risk.

##### Low credit risk

The company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the reporting date.

##### A financial asset is considered to have low credit risk if:

- The financial instrument has a low risk of default;
- The borrower has a strong capacity to meet its contractual cash flow obligations in the near term and
- Adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations.

##### Credit-impaired

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Evidence that a financial asset is credit-impaired includes observable data about the following events:

- Significant financial difficulty of the counter-party or the borrower;
- A breach of contract, such as default or past due event; or
- It is becoming probable that the debtor will enter bankruptcy or other financial reorganisation;

##### Default event

The company considers the following as constituting an event of default when:

- The borrower fails to make contractual payments, within 90 days when they fall due, unless the company has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate; or
- Internal or external information indicates that the borrower is unlikely to pay its credit obligations to the company in full, without recourse by the company to actions such as realising security (if any is held).

##### Write-off policy

The company categorises a receivable for potential write-off when:

- There is information indicating that the counterparty is in severe financial difficulty and there is no realistic prospect of recovery
- When a debtor fails to make contractual payments more than 365 days past due.

Where receivables have been written off, the company continues to engage enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

##### Credit risk grading framework

The company's current credit risk grading framework comprises the following categories:

Category	Definition of category	Basis for recognizing expected credit loss (ECL)
I - Performing	Counterparty has a low risk of default and does not have any past due amounts and a strong capacity to meet contractual cash flows.	12-month ECL
II – Under performing	Amount is > 30 days past due or there has been a significant increase in credit risk since initial recognition.	Lifetime ECL – not credit impaired
III – Default	Amount is > 90 days past due or there is evidence indicating the asset is credit-impaired (in default).	Lifetime ECL – credit impaired
IV – Write off	Amount is > 365 days past due or there is evidence indicating that the debtor is in severe financial difficulty and there is no realistic prospect of recovery.	Amount is written off

There are no significant changes to estimation techniques or assumptions made during the reporting period.

##### Simplified approach

When applicable, the company will apply the simplified approach using the provision matrix to provide for ECLs for trade receivables. The simplified approach requires the loss allowance to be measured at an amount equal to lifetime ECLs.

The provision matrix is based on historical credit loss experience over the past three years and adjusted for forward-looking estimates. Trade receivables are grouped based on similar credit risk characteristics and days past due.

##### Expected credit loss assessment

The following are qualitative information on expected credit loss for financial assets under

# TVS MOTOR (SINGAPORE) PTE. LIMITED

## NOTES TO THE FINANCIAL STATEMENTS - 31 MARCH 2020 (Continued)

amortised cost:

- Other receivables

Management determined credit risk for the amount due from third parties has not increased significantly since their initial recognition. Accordingly, the company measured the impairment loss allowance at 12-month ECL and determined that the ECL is insignificant.

- Bank balances

The company places its bank deposit with credit worthy financial institution. Impairment on bank balances is measured on the 12-month expected loss basis. Management considers that its bank balances have low credit risk based on the external credit ratings of the counterparty. Therefore, management considers the amount of ECL is insignificant.

### b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the company's financial instruments will fluctuate because of changes in market interest rate.

The company has bank balances that is non-interest bearing, therefore has no exposure to cash flow interest rate risk.

No interest rate sensitivity analysis is disclosed as the impact of changes in interest rate is not expected to be material.

### c) Foreign currency exchange rate risk

Foreign currency exchange rate risk arose from the change in foreign exchange rates that may have an adverse effect on the company in the current reporting period and in the future periods.

The company transacts mainly in Singapore dollar. Management believes that the foreign exchange rate risk is manageable. Hence, the company does not use derivative financial instruments to mitigate this risk.

The company's exposure to foreign currency exchange rate risk in equivalent Singapore dollar is as follows:

In Singapore dollar	2020 US\$	2019 US\$
Financial assets		
Other investments	12,746,390	-
Other receivables	2,696,782	5,440,795
Bank balances	46,865,381	1,073,431
	<u>62,308,553</u>	<u>6,514,226</u>
Financial liabilities		
Lease liability	17,586,555	-
Other payables	66,492	281,428
	<u>17,653,047</u>	<u>281,428</u>
Net exposure	<u>44,655,506</u>	<u>6,232,798</u>

#### Sensitivity analysis

A 10% increase or decrease is used when reporting foreign currency exchange rate risk internally to key management personnel and represents management's assessment of the possible change in foreign currency exchange rates.

A 10% strengthening of Singapore dollar against the following currency would increase/(decrease) profit or loss and equity by the amount shown below:

US\$ impact	2020 SS	2019 SS
	<u>(4,465,551)</u>	<u>(623,280)</u>

A 10% weakening of Singapore dollar against the above currency would have had the equal but opposite effect on the above currency to the amounts shown above, on the basis that all other variables remain constant.

### d) Liquidity risk management

Liquidity risk refer to risk that the company will not have sufficient funds to pay its debts as and when they fall due.

In the management of the liquidity risk, the company monitors and maintains a level of bank balances deemed adequate by the management to finance the company's operations and mitigate the effects of fluctuations in cash flows.

The following table summarises the company's remaining contractual maturity for its non-derivative financial liabilities at the end of the reporting period based on undiscounted cash flows of financial instruments based on the earlier of the contractual date or when the company is expected to pay.

2020	Contractual undiscounted cash flows					
	Effective interest rate (%)	Carrying amount	Less than a year	Within 2 to 5 years	Later than 5 years	Total
		\$	\$	\$	\$	\$
<b>Financial liabilities</b>						
Lease liability	3%	17,586,555	3,595,440	13,141,248	2,354,928	19,091,616
Other payables	-	1,493,166	1,493,166	-	-	1,493,166
		19,079,721	5,088,606	13,141,248	2,354,928	19,415,513
2019	Contractual undiscounted cash flows					
	Effective interest rate (%)	Carrying amount	Less than a year	Within 2 to 5 years	Later than 5 years	Total
		\$	\$	\$	\$	\$
<b>Financial liabilities</b>						
Other payables	-	2,509,483	2,509,483	-	-	2,509,483

# TVS MOTOR (SINGAPORE) PTE. LIMITED

## NOTES TO THE FINANCIAL STATEMENTS - 31 MARCH 2020 (Continued)

### e) Fair value of financial assets and financial liabilities

Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in an arm's length transaction, other than in a forced or liquidation sale. Fair values are obtained through discounted cash flow models as appropriate.

#### i) Financial assets and liabilities

Management has determined that the carrying amounts of bank balances, other receivables, lease liability and other payables, based on their notional amounts, reasonably approximate their fair values because these are mostly short-term in nature. The fair value of non-current receivables is disclosed in Note 11 to the financial statements.

#### ii) Fair value hierarchy

The company categorises fair value measurements using a fair value hierarchy that is dependent on the valuation inputs used as follows:

- a) Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at the measurement date;
- b) Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- c) Level 3 – Unobservable inputs for the asset or liability.

Fair value measurements that use inputs of different hierarchy levels are categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

During the financial year ended 31 March 2020, there was no transfer between instruments in Level 1, Level 2 and Level 3, or vice versa.

The company does not anticipate that the carrying amounts recorded at end of the reporting period would significantly be different from the values that would eventually be received or settled.

#### iii) Assets measured at fair value

Financial Assets	Fair Value 2020 S\$	Valuation Technique and Key Impact Hierarchy	Significant unobservable input	Relationship of unobservable inputs to fair value
At fair value through other comprehensive income				
Other investments - Equity securities (unquoted)	12,746,390	Level 3	Income approach – discounted cash flow method was used to capture the present value of the expected future economic benefits to be derived from the ownership of these investees.	Discount for lack of marketability, determined by reference to the share price of listed entities in similar industries accordingly from the cost. A significant increase in the marketability would result in a significant decrease in fair value.

### 5.3. Capital Risk Management Policies and Objectives

The company's objective when managing capital is to safeguard the company's ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value. In order to maintain or achieve an optimal capital structure, the company may adjust the amount of dividend payment, return capital to shareholders, issue new shares, obtain new borrowings or sell assets to reduce borrowings.

The company monitors capital using gearing ratio, which is net debt divided by total capital. Net debt is calculated as other payables plus lease liability less bank balances. Total capital is calculated as equity and net debt. The company's overall strategy remains unchanged during the period.

	2020 S\$	2019 S\$
Other payables	1,493,166	2,509,483
Lease liability	17,586,555	-
Less: Bank balances	(46,866,365)	(1,073,431)
Net (cash position)/ debt	(27,786,244)	1,436,052
Total equity	144,559,241	79,394,902
Total capital	116,772,997	80,830,954
Gearing ratio	N.M.	2%
N.M. – Not meaningful.		

The company is not subject to externally imposed capital requirements.

### 6. HOLDING COMPANY

The company is wholly-owned subsidiary of TVS Motor Company Ltd, incorporated in India. The company's ultimate holding company is Sundaram Clayton Limited, incorporated in India. The registered office of the holding company is at No.12, Chaitanya Building, Khader Nawaz Khan Road, Chennai – 600 006, India.

Following the adoption of FRS 116, the company has presented its aircraft as right-of-use asset within 'Plant and Equipment' under the category of Vehicle.

The company leases an aircraft for business use. The lease term is 84 months starting from 1 April 2019 and the remaining lease term as at 31 March 2020 is 72 months.

Management has reviewed for the impairment of its plant and equipment at the end of each reporting period. No allowance for impairment is required as the carrying amount of the plant and equipment is expected to be less than its recoverable value, which is the higher of the fair value less cost to sell and its value-in use.

Cost of defined benefits plans included in employee benefits expenses	17,340	17,340

## 23. RECONCILIATION OF LIABILITIES ARISING FROM FINANCING ACTIVITIES

The table below details changes in the company's liabilities arising from financing activities, including both cash and non-cash changes.

Liabilities arising from financing activities are those for which cash flows were, or future cash flows will be, classified in the statement of cash flows as cash flows from financing activities.

Lease liability (Note 16)	S\$	-
As at 1 April 2019		19,097,634
Addition during the year		
<i>Financing cash flows on cash transaction:</i>		
- Repayment of lease liability	(3,424,108)	
<i>Non-cash transactions:</i>		
- Foreign currency exchange loss	1,074,194	
- Interest expense	558,947	
As at 31 March 2020		17,586,555
	2020	2019
Payable to holding company (Note 17)	S\$	S\$
Balance as at beginning of the year	503,693	555,056
<i>Financing cash flow on cash transaction:</i>		
Add: Advances from holding company	392,000	3,367,772
<i>Non-cash transaction:</i>		
Less: Issuance of shares	(832,895)	(3,419,135)
Less: Foreign currency exchange gain	(62,798)	-
<b>Balance at the end of year</b>	<b>-</b>	<b>503,693</b>

## 25. EVENTS AFTER THE REPORTING PERIOD

No items, transactions or events of material and unusual nature have arisen between the end of the reporting period and the date of authorisation for issue of the financial statements which are likely to affect substantially the results of operations of the company for the succeeding financial year except as follows:

During March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. The outbreak and the response of the Singapore government in dealing with the pandemic through the imposition of Covid Circuit Breaker measures on April 4 2020, necessitated the closure of many businesses and implementation of work from home measures within the economy and therefore affected the operations of the company. It is not possible to estimate the impact of the outbreak's near-term and longer effects or governments' varying efforts to combat the outbreak and support businesses. This being the case, it is not considered practicable nor possible to provide a quantitative or qualitative estimate of the potential impact of this outbreak on the future operations of the company at this time. Financial statements at 31 March 2020 have been prepared based on the conditions existing at the end of the reporting period and COVID-19 did not have any material impact on the activities of the company as at that date. Accordingly, no adjustments were required to be made for the impacts of COVID-19.

Subsequent to the financial year end, the company, through a newly incorporated UK subsidiary, Project 303 Bidco Limited, acquired certain assets of Norton Motorcycles (U.K.) Limited for a cash consideration of GBP16 million.

## General notes

### 1. General

TVS Motor Company (Europe) B.V. (the Company) is a private company with limited liability (a wholly-owned subsidiary of TVS Motor Company Ltd.), incorporated under the laws of The Netherlands on 21 July 2005, having its corporate seat in Amsterdam, with offices at Hoogorddreef 15, 1101BA Amsterdam.

The Company is registered at the Chamber of Commerce under number 34229984.

#### Activities

The principal activities of the Company are to act as a holding and finance company.

#### Group structure

The Company is part of the TVS group. The head of this group is T V Sundram Iyengar & Sons Private Limited in Chennai, India. The financial statements of the Company are included in the consolidated financial statements of T V Sundram Iyengar & Sons Private Limited.

The Company can be qualified as a so-called 'micro-sized company' after consolidation, consolidation has been dispensed pursuant to Article 407 section 2 Title 9 Book 2 of the Dutch Civil Code.

#### Going concern

The accounting policies used are based on the going concern assumption. However, as a result of the worldwide outbreak of the Coronavirus, drastic measures have been taken by the Dutch government to control the spread of this virus. These measures and possible further measures are expected to have important financial consequences for companies in the Netherlands. Consequences are not clear at this time. The measures taken by the Dutch government may have an impact on the development of net turnover and thus the development of the result of the Company. This can also put pressure on the financial position (liquidity and solvency) of the Company, resulting in a possible (serious) uncertainty about the going concern assumption. The Dutch government has taken a wide range of measures to support companies and additional measures may still be taken. Due to the financial position of the Company at the balance sheet date and given the positive impact of government support measures that will limit the negative financial consequences of the Coronavirus outbreak, the board of the Company considers a sustainable continuation of the business operations not impossible. The annual accounts are therefore prepared on the assumption of continuity of the company.

#### Directors' report

The Company has taken advantage of Article 395a section 6, Title 9, Book 2 of the Dutch Civil Code and has not presented a directors' report.

#### Estimates

The preparation of the financial statements requires the management to form opinions and to make estimates and assumptions that influence the application of principles and the reported values of assets and liabilities and of income and expenditure.

The actual results may differ from these estimates. The estimates and the underlying assumptions are constantly assessed. Revisions of estimates are recognized in the period in which the estimate is revised and in future periods for which the revision has consequences.

#### Comparison with previous year

The principles of valuation and determination of the result remained unchanged in comparison to previous year.

#### Related parties

All legal entities that can be controlled, jointly controlled or significantly influenced are considered to be a related party. Also entities which can control the Company are considered to be a related party. In addition, statutory directors, other key management of the Company or the ultimate parent company and close relatives are regarded as related parties.

Transactions with related parties are disclosed in the notes insofar as they are not transacted under normal market conditions. The nature, extent and other information is disclosed if this is necessary in order to provide the required insight.

### 2. General accounting principles

#### Accounting policies

The financial statements have been prepared in accordance with the provisions of Title 9, Book 2 of the Dutch Civil Code and the Dutch Accounting Standards applicable for micro legal entities, as published by the Dutch Accounting Standards Board ('Raad voor de Jaarverslaggeving').

Based on Title 9, Book 2 of the Dutch Civil Code, the Company can be qualified as a so-called 'micro-sized company', but voluntarily discloses more information to meet the legal requirement to provide a true and fair view.

Valuation of assets and liabilities and determination of the result take place under the historical cost convention, unless presented otherwise.

Income and expenses are accounted for on accrual basis. Profit is only included when realized on balance sheet date. Liabilities and any losses originating before the end of the financial year are taken into account, if they have become known before preparation of the financial statements.

#### Foreign currency

Items included in the financial statements of the Company are valued with due regard for the currency in the economic environment in which the Company carries out most of its activities (the functional currency).

The financial statements are denominated in USD, this is both the functional currency and presentation currency of the Company.

#### Transactions, receivables and liabilities

Transactions in foreign currency during the financial year are recognized in the financial statements at the exchange rates prevailing at transaction date. The exchange differences resulting from the translation as at balance sheet date, taking into account possible hedge transactions, are recorded in the profit and loss account.

#### Group companies

Foreign group companies and associated companies outside the Netherlands qualify as carrying on business operations in a foreign country, with a functional currency different from that of the Company. For the translation of the financial statements of these business operations in a foreign country the balance sheet items are translated at the exchange rate as at balance sheet date and the profit and loss account items at the average rate. The translation differences that arise are directly deducted from or added to shareholders' equity.

### 3. Principles of valuation of assets and liabilities

#### FIXED ASSETS

##### Participations

Participations over which no significant influence can be exercised are valued at historical cost. The result represents the dividend declared in the reporting year, whereby dividend not distributed in cash is valued at fair value.

In the event of an impairment loss, valuation takes place at the realizable value (see also section "Impairment of non-current assets"); an impairment is recognized and charged to the profit and loss account.

##### Impairment of non-current assets

On each balance sheet date, the Company assesses whether there are any indications that a fixed asset may be subject to impairment. If there are such indications, the realizable value of the asset is determined. If it is not possible to determine the realizable value of the individual asset, the realizable value of the cash- generating unit to which the asset belongs is determined.

An impairment occurs when the carrying amount of an asset is higher than the realizable value; the realizable value is the higher of the fair value less cost to sell and the value in use. An impairment loss is directly recognized in the profit and loss account while the carrying amount of the asset concerned is concurrently reduced.

If it is established that an impairment that was recognized in the past no longer exists or has reduced, the increased carrying amount of the asset concerned is set no higher than the carrying amount that would have been determined if no impairment value adjustment for the asset concerned had been reported.

#### CURRENT ASSETS

##### Receivables

Upon initial recognition the receivables are valued at fair value and then valued at amortized cost. The fair value and amortized cost equal the face value. Provisions deemed necessary for possible bad debt losses are deducted. These provisions are determined by individual assessment of the receivables.

##### Cash at banks

Cash at banks represents bank balances and deposits with terms of less than twelve months. Overdrafts at banks are recognized as part of debts to lending institutions under current liabilities. Cash at banks is carried at nominal value.

#### LIABILITIES

##### Current liabilities

On initial recognition current liabilities are recognized at fair value. After initial recognition current liabilities are recognized at the amortized cost price, being the amount received, taking into account premiums or discounts, less transaction costs. This usually is the nominal value.

### 4. Principles for the determination of the result

#### Financial income and expenses

Interest income and expenses are recognized on a pro rata basis, taking account of the effective interest rate of the assets and liabilities to which they relate. When accounting for interest expenses, the recognized transaction expenses for loans received are taken into consideration.

#### Income tax

Tax on the result is calculated based on the result before tax in the profit and loss account, taking account of the losses available for set-off from previous financial years (to the extent that they have not already been included in the deferred tax assets) and exempt profit components and after the addition of non-deductible costs. Also changes are taken into account which occur in the deferred tax assets and deferred tax liabilities in respect of changes in the applicable tax rate.

	<u>82,505</u>	<u>85,190</u>

### Average number of employees

The Company had no employees during the year under review (2018/2019: none).

### Notes to the profit and loss account for the year 2019/2020

#### Events after balance sheet date

At the time of preparation of the annual accounts, the Coronavirus (COVID-19) prevails in the Netherlands and its neighbouring countries, as well as in several parts of the world. Government measures are now being taken and it is likely that additional government measures will be taken to minimize the effects of this virus as much as possible. We cannot exclude that the economic impact of the Coronavirus, partly influenced by the aforementioned government measures, will lead to serious impediments of the company's business operations for some time, which could (seriously) endanger the company's financial position. At the same time, the government offers various facilities to help healthy companies survive the crisis as much as possible, offering a reasonable expectation that healthy companies in principle will be helped. For this reason, the principles of valuation and determination of result used in the financial statements are based on the assumption of continuity. No other major activities have occurred after balance sheet date that could have a material effect on the annual accounts.

## Independent Auditors' Report

No. 0326/2.1265/AU.1/04/0556-1/I/V/2020

The Stockholders, Board of Commissioners and Director  
PT. TVS Motor Company Indonesia

We have audited the accompanying financial statements of PT. TVS Motor Company Indonesia, which comprise the statement of financial position as of March 31, 2020, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Indonesian Financial Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Standards on Auditing established by the Indonesian Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those

risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of PT. TVS Motor Company Indonesia as of March 31, 2020, and its financial performance and cash flows for the year then ended, in accordance with Indonesian Financial Accounting Standards.

### Other Matter

The financial statements of PT TVS Motor Company Indonesia as of March 31, 2019 and for the year then ended were previously audited by other independent auditors who expressed an unmodified opinion on those statements on April 22, 2019.

# PT. TVS MOTOR COMPANY INDONESIA

## NOTES TO FINANCIAL STATEMENTS

March 31, 2020 and for the year then ended

### 1. GENERAL

PT. TVS Motor Company Indonesia (the "Company") was established within the framework of the Foreign Capital Investment Law No. 1 year 1967 as amended by Law No. 11 year 1970 based on notarial deed No. 21 dated August 8, 2005 of Siti Rayhana, S.H., substitute of Bandoro Raden Ayu Mahyastoeti Notonagoro, S.H., notary in Jakarta. The Deed of Establishment was approved by the Minister of Law and Human Rights of the Republic of Indonesia in his Decision Letter No. C-24361 HT.01.01.TH.2005 dated September 5, 2005. The Company's Articles of Association have been amended several times, most recently by notarial deed No. 04 dated February 17, 2020 of Susana Tanu, S.H., notary in Jakarta, regarding the issuance of shares and increase in the Company's subscribed and paid-up capital which was acknowledged by the Minister of Law and Human Rights of the Republic of Indonesia in his Notification Letter No. AHU-AH.01.03-0095740 dated February 19, 2020.

In accordance with article 3 of the Company's Articles of Association, the scope of its activities include production of motorcycles, motorcycle component parts and accessories, three wheelers and its components. The Company started commercial operations on April 29, 2007.

The Company is domiciled in Jakarta and its head office is located at Wirausaha Building, 3rd Floor, Jl. HR. Rasuna Said, Kav. C5 Kuningan, Jakarta. As of March 31, 2020, the Company has 445 employees (2019: 435 employees).

The Company's management consists of the following:

	March 31, 2020	March 31, 2019
President Commissioner	Kunnath Narayanan Radhakrishnan	Kunnath Narayanan Radhakrishnan
Commissioners	Ramgopal Dilip Ramaswami Anandakrishnan	Rangaswami Ramakrishnan Ramaswami Anandakrishnan
President Director	Venkataraman Thiagarajan	Venkataraman Thiagarajan

### 2. ADOPTION OF NEW AND REVISED STATEMENTS OF FINANCIAL ACCOUNTING STANDARDS("PSAK") AND INTERPRETATIONS OF PSAK ("ISAK")

#### a. Standards, Amendments/Improvements and Interpretation to Standards Effective in the current year

In the current year, the Company has applied a number of amendments of PSAK that are relevant to its operations and effective for accounting period beginning on January 1, 2019.

- PSAK 24 (amendment), Plan Amendment, Curtailment or Settlement
- PSAK 46 (improvement), Income Tax

#### b. Standards, amendments/improvements and interpretations to standards issued not yet adopted

Amendments/improvements and interpretations to standards effective for periods beginning on or after January 1, 2020, with early application permitted are as follows

- PSAK 71, Financial Instruments
- PSAK 71, (amendment), Financial Instruments:Prepayment Features with Negative Compensation
- PSAK 72, Revenue from Contracts with Customers
- PSAK 73, Leases
- PSAK 1, (amendment) Presentation of Financial Statements: Definition of Material and PSAK 25, (amendment) Accounting Policies, Changes in Accounting Estimates, and Errors: Definition of Material
- PSAK 1, (amendment) Presentation of Financial Statements: Titles of Financial Statements
- PSAK 1, (Annual improvements 2019) Presentation of Financial Statements

Standards and amendments to standards effective for periods beginning on or after January 1, 2021, with early application permitted are as follows:

- PSAK 112, Accounting for Endowments
- PSAK 22, (amendment) Business Combination: Definition of a Business

As of the issuance date of the financial statements, the effects of adopting these standards, amendments and interpretations on the financial statements is not known nor reasonably estimable by management.

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### a. Statement of Compliance

The financial statements of the Company have been prepared in accordance with Indonesian Financial Accounting Standards.

#### b. Basis of Preparation

The financial statements have been prepared in accordance with the historical cost basis, except as disclosed in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

#### c. Financial Instruments

Financial assets and financial liabilities are recognized on the statement of financial position when the Company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets and financial liabilities, as appropriate, on initial recognition.

##### Effective interest method

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or where appropriate, a shorter period to the net carrying amount on initial recognition.

Income is recognized on an effective interest basis for debt instruments other than those financial assets classified as at fair value through profit or loss.

##### Financial assets

The Company's financial assets are classified as loans and receivables.

Cash in banks, trade accounts receivable, other accounts receivable, other current assets and security deposits are subsequently measured at amortized cost using the effective interest method less impairment losses. Interest is recognized by applying the effective interest method, except for short-term balances when the effect of discounting is immaterial.

##### Derecognition of financial assets

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

##### Classification as debt or equity

Debt and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

##### Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

##### Financial liabilities

The Company's financial liabilities are classified as at amortized cost.

Trade accounts payable and accrued expenses are initially measured at fair value and subsequently measured at amortized cost, using the effective interest method, except for short-term balances when the effect of discounting is immaterial.

Interest-bearing bank loan is initially measured at fair value and subsequently measured at amortized cost, using the effective interest method. Interest expense calculated using the effective interest method is recognized over the term of the borrowing in accordance with the Company's accounting policy for borrowing costs (Note 3j).

##### Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

#### d. Cash on Hand and in Banks

For cash flow presentation purposes, cash and cash equivalents consist of cash on hand and in banks with maturities of three months or less from the date of placement.

#### e. Inventories

Inventories are stated at cost or net realizable value, whichever is lower. Cost is determined using the weighted average method. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

#### f. Property, Plant and Equipment

Property, plant and equipment held for use in the production or supply of goods or services or for

# PT. TVS MOTOR COMPANY INDONESIA

## NOTES TO FINANCIAL STATEMENTS

March 31, 2020 and for the year then ended (*Continued*)

administrative purposes, are stated at cost less accumulated depreciation and any impairment losses.

Depreciation is recognized so as to write off the cost of assets less residual values using the straight-line method based on the estimated useful lives of the assets as follows:

	Years
Buildings	20
Machinery and tools	4 - 10
Office equipment and furnitures	4
Vehicles	5

Moulds and dies are depreciated based on units of production of 125,000 - 150,000 units in 2020 and 2019.

The estimated useful lives, residual values and depreciation method are reviewed at each year end, with the effect of any changes in estimate accounted for on a prospective basis.

Land stated in the statement of financial position at its revalued amount, being the fair value at the date of the revaluation. Revaluations are made with sufficient regularity to ensure that the carrying amounts do not differ materially from those that would be determined using fair values at the end of the reporting date.

Any revaluation increase arising on the revaluation of land is credited in other comprehensive income and accumulated in equity and presented as revaluation surplus, under other comprehensive income, except to the extent that it reverses a revaluation decrease for the same asset previously recognized in profit or loss, in which case the increase is credited to profit or loss to the extent of the decrease previously expensed. A decrease in the carrying amount arising on the revaluation land is recognized in profit or loss to the extent that it exceeds the balance, if any, held in the revaluation reserve relating to a previous revaluation of that asset.

The cost of maintenance and repairs is charged to operations as incurred. Other costs incurred subsequently to add to, replace part of, or service an item of property, plant and equipment, are recognized as asset if, and only if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. When assets are retired or otherwise disposed of, their carrying values and the related accumulated depreciation and any impairment loss are removed from the accounts and any resulting gain or loss is reflected in the current operations.

An items of property, plant, and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant, and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss.

Fully depreciated assets still in use are retained in the financial statements.

### g. Impairment of Assets

Assets of the Company are subject to impairment requirements as stated below.

#### Loans and receivables

The amount of the impairment loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

The carrying amount of loans and receivables are reduced through the use of an allowance account. When a receivable is considered uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognized in profit or loss.

#### Property, plant and equipment

At the end of each reporting period, the Company reviews the carrying amount of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Estimated recoverable amount is the higher of fair value less cost to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of the non-financial asset (cash generating unit) is less than its carrying amount, the carrying amount of the asset (cash generating unit) is reduced to its recoverable amount and an impairment loss is recognized immediately in profit or loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognized immediately in profit or loss.

### h. Leases

Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Operating lease payments are recognized as an expense on a straight-line basis over the lease term, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognized as an expense in the period in which they are incurred.

### i. After Sales Warranty

The Company makes a provision to cover possible cost on after sales warranty granted to customers. Such provision is recognized based on certain percentage of sales

### j. Revenue and Expense Recognition

#### Sale of goods

Revenue from the sale of goods is recognized upon the transfer of significant risk and rewards of ownership of the goods to the customer, which generally coincides with delivery and acceptance of the goods sold. Revenue is not recognized to the extent where there are significant uncertainties regarding recovery of the consideration due, associated costs or the possible return of goods.

#### Interest Income

Interest income from a financial asset is recognized when is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

#### Expenses

Expenses are recognized when incurred.

### k. Employee Benefits

The Company provides post-employment benefits as required under Labor Law No. 13/2003 (the "Labor Law").

#### Defined benefit plan

The cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement comprising actuarial gains and losses are recognized immediately in the statement of financial position with a charge or credit recognized in other comprehensive income in the period in which they occur. Remeasurements recognized in other comprehensive income are reflected immediately in "retained earnings" and will not be reclassified to profit or loss. Past service cost is recognized in profit or loss when the plan amendment or curtailment occurs, or when the Company recognizes related restructuring costs or termination benefits, if earlier. Curtailment gains and losses are accounted for as past service costs. Interest is calculated by applying a discount rate at the beginning of the period to the defined benefit liability. Defined benefit costs are divided into three categories:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Interest expense; and
- Remeasurement.

The Company presents the first two components of defined benefit costs in profit or loss.

### l. Income Tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in profit or loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

A provision is recognized for those matters for which the tax determination is uncertain but it is considered probable that there will be a future outflow of funds to a tax authority. The provisions are measured at the best estimate of the amount expected to become payable. The assessment is based on the judgement of tax professionals within the Company supported by previous experience in respect of such activities and in certain cases based on specialist independent tax advice.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary differences arise from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

## NOTES TO FINANCIAL STATEMENTS

March 31, 2020 and for the year then ended (*Continued*)

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on the tax rates (and tax laws) that have been enacted, or substantively enacted, by the end of the reporting period.

The measurement of deferred tax assets and liabilities reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of their assets and liabilities.

The carrying amount of deferred tax asset is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Current and deferred tax are recognized as an expense or income in profit or loss, except when they relate to items that are recognized outside of profit or loss (whether in other comprehensive income or directly in equity), in which case the tax is also recognized outside of profit or loss.

Deferred tax assets and liabilities are offset when there is legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities [appropriate for Group financial statements, delete when not relevant] when there is an intention to settle its current tax assets and current tax liabilities on a net basis, or to realize the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

### m. Foreign Currency Transactions and Translation

The financial statements of the Company are presented in Indonesia Rupiah, which is the functional currency and the presentation currency for the financial statements.

In preparing the financial statements, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences are recognized in profit or loss in the period.

### n. Transactions with Related Parties

A related party is a person or entity that is related to the Company (the reporting entity):

- a. A person or a close member of that person's family is related to the reporting entity if that person:
  - i. has control or joint control over the reporting entity;
  - ii. has significant influence over the reporting entity; or
  - iii. is a member of the key management personnel of the reporting entity or of a parent of the reporting entity.
- b. An entity is related to the reporting entity if any of the following conditions applies:
  - i. The entity, and the reporting entity are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
  - ii. One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
  - iii. Both entities are joint ventures of the same third party.
  - iv. One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
  - v. The entity is a post-employment benefit plan for the benefit of employees of either the reporting entity, or an entity related to the reporting entity. If the reporting entity is itself such a plan, the sponsoring employers are also related to the reporting entity.
  - vi. The entity is controlled or jointly controlled by a person identified in (a).
  - vii. A person identified in (a) (i) has significant influence over the entity or is a member of the key management personnel of the entity (or a parent of the entity).
  - viii. The entity, or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.

Significant transactions with related parties are disclosed in the financial statements.

### 4. CRITICAL ACCOUNTING JUDGMENTS AND ESTIMATES

In the application of the Company accounting policies, which are described in Note 3, the director is required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

#### Critical Judgments in Applying Accounting Policies

In the process of applying the accounting policies described in Note 3, management has not made any critical judgment that has significant impact on the amounts recognized in the financial statements, apart from those involving estimates, which are dealt with below.

#### Key Sources of Estimation Uncertainty

The key assumptions concerning future and other key sources of estimation at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

- Impairment Loss on Loans and Receivables

The Company assesses their loans and receivables for impairment at each reporting date. In determining whether an impairment loss should be recorded in profit or loss, management makes judgment as to whether there is an objective evidence that loss event has occurred. Management also makes judgment as to the methodology and assumptions for estimating the amount and timing of future cash flows which are reviewed regularly to reduce any difference between loss estimate and actual loss. The carrying amount of loans and receivables are disclosed in Notes 5, 6 and 7.

- Allowance for Decline in Value of Inventories

The Company provides allowance for decline in value of inventories based on estimated future usage of such inventories. While it is believed that the assumptions used in the estimation of the allowance for decline in value of inventories are appropriate and reasonable, significant changes in these assumptions may materially affect the assessment of the allowance for decline in value of inventories, which ultimately will impact the result of the Company's operations. The carrying amount of inventories is disclosed in Note 8.

- Income Taxes and Realization of Deferred Tax Assets

The Company is exposed to assessments on its income taxes and significant judgment is involved in determining the provision for income taxes. In certain circumstances, the Company may not be able to determine the exact amount of its current or future tax liabilities due to ongoing investigations by, or negotiations with, the taxation authority. Uncertainties exist with respect to the interpretation of complex tax regulations and the amount and timing of future taxable income. The Company recognizes liabilities for expected tax issues based on estimates of whether additional taxes will be due. Where the final outcome of these matters is different from the amounts that were initially recognized, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

The Company recognizes deferred tax assets on deductible temporary differences and fiscal loss carry forwards to the extent that it is probable that taxable income will be available in future periods against which the deductible temporary differences and fiscal loss can be utilized. In assessing whether deferred tax assets should be recognized, management makes judgement as to the assumptions used in estimating future taxable income. Any significant changes in the assumptions may materially affect the amount of deferred tax assets and ultimately will have an impact on its results of operations.

The carrying amounts of the prepaid taxes, taxes payable and deferred tax assets (net of deferred tax liabilities) at the end of the reporting period are discussed in Notes 9, 15 and 24.

- Fair Value of Land

Effective April 1, 2013, the Company's land is measured at fair value. In estimating the fair value of land, management engages third party qualified appraisal to perform the valuation. Management works closely with the qualified external appraisal to establish the appropriate valuation techniques and inputs. Any changes in the inputs and valuation techniques may have a material effect in the financial statements.

As of March 31, 2020, the carrying value of land amounted to Rp304,162,000,000 (2019: Rp 306,416,500,680 (Note 11)).

	March 31, 2020 Rp	March 31, 2019 Rp
c. By currency		
US Dollar	350,883,884,952	174,395,024,783
Rupiah	60,585,673,740	63,899,479,978
Subtotal	<u>411,469,558,692</u>	<u>238,294,504,761</u>
Allowance for impairment losses	<u>(5,702,360,470)</u>	<u>(679,129,737)</u>
Total	<u>405,767,198,222</u>	<u>237,615,375,024</u>

The changes in allowance for impairment losses are as follows:

	March 31, 2020 Rp	March 31, 2019 Rp
Balance at beginning of year	679,129,737	490,017,129
Provision during the year (Note 23)	6,235,139,425	189,112,608
Write off during the year	<u>(1,211,908,692)</u>	-
Balance at the end of the year	<u>5,702,360,470</u>	<u>679,129,737</u>

The strategic focus of the Company in building up its business through aggressive approach in export of two wheelers in ASEAN and African market and three wheelers to ASEAN market as well as sales within Indonesia, has led to the increase in receivables which the management is fully aware and conscious of. The management views this phenomenon as part of its growth strategy and is optimistic of overcoming this condition in the next fiscal year.

Included in the Company's trade accounts receivable are past due but not impaired receivables with carrying amounts of Rp 173,375,340,217 as of March 31, 2020 (2019: Rp 82,442,620,630).

Allowance for impairment losses are recognized against trade accounts receivable that are current and past due based on estimated irrecoverable amounts determined by reference to past default experience of the counterparty and an analysis of the counterparty's current financial position.

As of March 31, 2020, an allowance for impairment losses of Rp 5,702,360,470 (2019: Rp 679,129,737) was provided. Management believes that the allowance for impairment losses on trade accounts receivable from third parties is adequate to cover possible losses on uncollectible accounts.

Trade accounts receivable are used as collateral for bank loans (Note 12).

### 7. OTHER ACCOUNTS RECEIVABLE FROM RELATED PARTY

Other accounts receivable from related party represents service fees and claim for reimbursements in 2020 and 2019 from TVS Motor Company Limited, India (Note 25).

### 8. INVENTORIES

	March 31, 2020 Rp	March 31, 2019 Rp

#### VAT – 2008

In August 2018, based on the Tax Decision letter, the Company received Rp 1,878,034,793 out of its total claim of Rp 2,481,263,587, related with the tax claim for year 2008. The difference of Rp 195,537,513 was recorded as tax expense under others-net in the statement of profit or loss and other comprehensive income. The remaining amount of Rp 407,691,281 will be appealed by the Company.

In March 2020, the Company recorded Rp 407,691,281 as tax expense under others-net in the statement of profit or loss and other comprehensive income, related with the tax claim for year 2008.

#### VAT – 2018

In November 2018, the Company received Rp 34,841,492,200 out of its total claim of Rp 35,386,935,603. The difference of Rp 254,804,104 was recorded as tax expense under others-net in the statement of profit or loss and other comprehensive income. The remaining amount of Rp 290,639,299 will be appealed by the Company.

In March 2020, the Company recorded Rp 59,000,575 as tax expense under others-net in the statement of profit or loss and other comprehensive income, related with the tax claim for year 2018.

#### VAT – 2019

In 2020, the Company received Rp 38,731,977,627 out of its total claim of Rp 38,980,455,707. The difference of Rp 235,734,860 was recorded as tax expense under others-net in the statement of profit or loss and other comprehensive income. The remaining amount of Rp 12,743,220 have been received fully on April 2020.

#### VAT – 2020

In March 2020, the Company can either apply for VAT refund or can be compensated for future period amounting to Rp 64,398,202,265.

Management believes that the above claims are recoverable.

### 10. ADVANCES TO SUPPLIERS

This account represents advances made by the Company to its suppliers for the purchase of raw materials, tools and other components.

## NOTES TO FINANCIAL STATEMENTS

March 31, 2020 and for the year then ended (*Continued*)

The Company owns a piece of land located in Karawang, Ciampel – Kutanegara, Jawa Barat with a total area of 126,541 square meters as of March 31, 2020 and 2019, with Building Use Rights (HGB) expiring on November 11, 2028. Management believes that there will be no difficulty in the extension of the land rights since the land were acquired legally and supported by sufficient evidence of ownership.

The fair value of land was obtained from independent sources and was determined based on market approach that considers current market value from identical or comparable assets transaction and is classified as level two. Level two fair value measurements are those derived from inputs that are observable for the asset either directly or indirectly.

Property, plant and equipment except land were insured with PT. Asuransi Multi Artha Guna Tbk., PT Asuransi Harta Aman Pratama Tbk., and PT. Asuransi FPG Indonesia, against earthquake, fire, lightning, explosion and other possible risks for US\$ 31,500,000 as of March 31, 2020 (2019: US\$ 44,293,650). Management believes that the insurance coverage is adequate to cover possible losses on the assets insured.

Sales of property, plant and equipment are as follows:

	2020	
	Rp	
Net book value	10,123,678	
Proceeds from sales of property, plant and equipment	5,340,000	
Loss on sale and disposal	4,783,678

<b>Total</b>	<b>53,432,605,773</b>	<b>55,147,573,063</b>

In 2020, interest rate per annum is at 7.30% (2019: 7.40%) for US Dollar denominated loans and at 13% (2019: 13.50%) for IDR denominated loans.

Interest expense recognized in the statement of profit or loss and other comprehensive income amounting to Rp 5,793,093,805 in 2020 (2019: Rp 6,676,517,682).

The above loan facilities with DBS Indonesia contains certain covenant such as maintaining an adequate ratio of collateral to capital not exceeding 120% and maintaining gearing ratio not to exceed more than 6 times, computed based on the financial statements. The loan facilities require the Company to maintain certain positive covenants. As of March 31, 2020 and 2019, the Company is compliant to the loan covenants.

### PT. Bank SBI Indonesia

In 2019, the Company renewed the revolving credit facility from PT. Bank SBI Indonesia with a maximum credit limit of US\$ 12,350,000, which is a combination of demand loan, foreign exchange facility and LC facility which is due within twelve months since the signing of the credit agreement. The facilities are secured by a Standby Letter of Credit (SBLC) issued by the State Bank of India, CAG, Chennai – India amounting to US\$ 13,000,000. The loan bears an interest rate of 7.50% per annum.

In 2020, the Company renewed the revolving credit facility from PT. Bank SBI Indonesia with a maximum credit limit of US\$ 13,350,000, which is a combination of demand loan, foreign exchange facility and LC facility which is due within twelve months since the signing of the credit agreement. The facilities are secured by a Standby Letter of Credit (SBLC) issued by the State Bank of India, CAG, Chennai – India amounting to US\$ 13,000,000. The loan bears an interest rate of 7.50% per annum.

Interest expense recognized in the statement of profit or loss and other comprehensive income amounting to Rp 10,278,436,854 in 2020 (2019: Rp 13,570,898,957).

The above loan facilities with Bank SBI Indonesia contains certain covenant which, among other, submits a quarterly financial report, with submission no later than 30 days from the reporting date and annual financial statement, with submission no later than 90 days from reporting date.

### Deutsche Bank AG, Singapore branch

In July 2017, the Company signed an amendment and restatement deed relating to the pre-shipment facility agreement dated September 23, 2016 with Deutsche Bank AG, Singapore branch where the Company was provided with a usance letter of credit facility to the extent of US\$ 5,000,000 in favour of TVS Company Motor Limited, India towards supply of materials. This facility has been utilised by the Company and the letter of credit was issued in July 2017. This additional facility of US\$ 5,000,000 has to be liquidated in three equal installments at end of the 12th month, 18th month and 24th month. The loan is based on "Advance Payment and Supply Agreement" between the Company and TVS Motor Company Limited India and is secured over a lien on the collection account with Deutsche Bank AG, Jakarta branch. The outstanding balance as of March 31, 2019 is US\$ 1,666,725. This facility has been paid in July 2019.

In March 2019, the Company obtained a working capital loan facility of US\$ 15,000,000 from Deutsche Bank AG, Singapore branch. The loan bears an interest rate of three months LIBOR + 4.45%. The Company drew the first tranche of US\$ 10,000,000 in March 2019 and several tranches of US\$ 2,000,064 during March 2020, which are outstanding as of March 31, 2020.

Interest expense recognized in the statement of profit or loss and other comprehensive income amounting to Rp 12,207,134,065 in 2020 (2019: Rp 4,732,244,079).

### Deutsche Bank AG, Jakarta branch

In October 2019, Company obtained a revolving credit facility with Deutsche Bank, Jakarta for US\$ 3,000,000 which is renewable. The interest rate is 5.75%.

Interest expense recognized in the statement of profit or loss and other comprehensive income amounting to Rp 676,792,664 in 2020.

The above loan facilities with Deutsche Bank AG, Singapore branch and Jakarta branch contains certain covenant which, among other, submits a semesterly financial report, with submission no later than 90 days from the reporting date, and annual financial statement, with submission no later than 180 days from reporting date

As per loan agreements entered with banks, all the above short term loans are renewable in nature and there are no fixed due dates. No principal payment is becoming due in year 2020 - 2021.

### 17. POST-EMPLOYMENT BENEFITS OBLIGATION

The Company provides post-employment benefits for its qualifying employees in accordance with Labor Law No. 13/2003. The number of employees entitled to the benefits are 330 employees (2019: 342 employees).

The defined benefit pension plan typically exposes the Company to actuarial risks such as: interest rate risk and salary risk.

Interest risk

A decrease in the bond interest rate will increase the plan liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Amounts recognized in the statement of profit or loss and other comprehensive income with respect to these post-employment benefits are as follows:

	March 31 2020	March 31 2019
	Rp	Rp
Service cost:		
Current service cost	2,726,069,000	2,806,033,000
Interest cost	1,450,832,000	1,231,854,000
Gain on settlement	(1,517,227,000)	-
Components of defined benefits cost recognised in profit or loss	<u>2,659,674,000</u>	<u>4,037,887,000</u>
Remeasurement on the net defined benefit obligation		
Actuarial gains arising from changes in financial assumptions	(793,616,000)	(1,624,737,000)
Actuarial gains arising from experience adjustments	(501,346,000)	(614,940,000)
Components of defined benefit costs recognised in other comprehensive income	(1,294,962,000)	(2,239,677,000)
Total	<u>1,364,712,000</u>	<u>1,798,210,000</u>

The amounts recognized in the statements of financial position arising from the Company's obligation with respect to its post-employment benefits are as follows:

	March 31 2020	March 31 2019
	Rp	Rp
Present value of post-employment benefits obligation	18,653,913,000	17,882,492,000

Changes in the present value of unfunded defined benefits obligations are as follows:

	March 31 2020	March 31 2019
	Rp	Rp
Balance at beginning of year	17,882,492,000	16,765,168,000
Component of defined benefit costs recognized in profit or loss	2,659,674,000	4,037,887,000
Component of defined benefit costs recognized in other comprehensive income	(1,294,962,000)	(2,239,677,000)
Benefits payment	(593,291,000)	(680,886,000)
Balance at end of year	<u>18,653,913,000</u>	<u>17,882,492,000</u>

Significant actuarial assumptions for the determination of the defined benefits obligation is discount rate and expected salary growth. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

- If the discount rate is 1% higher (lower), the defined benefits obligation would decrease to Rp 16,610,718,000 (increase to Rp 21,080,376,000).
- If the expected salary growth is 1% higher (lower), the defined benefits obligation would increase to Rp 21,292,234,000 (decrease to Rp 16,409,973,000).

The sensitivity analysis presented above may not be representative of the actual change in the defined benefits obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumption may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefits obligation has been calculated using the projected unit credit method at the end of the reporting year, which is the same as that applied in calculating the defined benefits obligation liability recognized in the statement of financial position.

# PT. TVS MOTOR COMPANY INDONESIA

## NOTES TO FINANCIAL STATEMENTS

March 31, 2020 and for the year then ended(Continued)

The cost of providing post-employment benefits is calculated by an independent actuary, PT. Milliman Indonesia. The actuarial valuation was carried out using the following key assumptions:

	2020	2019
Discount rate per annum	8.8%	8.3%
Salary increment rate per annum	7.0%	7.0%
Normal retirement age	56 years old and can be extended up to 60 years old	55 years old and can be extended up to 60 years old
Mortality rate	TMI III	TMI III
Resignation rate	5% p.a. at age of 25 and decreasing linearly to 0% p.a. at age 45 and thereafter	5% p.a. at age of 25 and decreasing linearly to 0% p.a. at age 45 and thereafter
Disability	10% of TMI III	10% of TMI III

Property, plant and equipment	(16,214,862,573)	(709,068,078)	-	(16,923,930,651)	2,763,730,297	-	(14,160,200,354)
Post-employment benefits obligation	4,191,292,000	839,250,250	(559,919,250)	4,470,623,000	(480,848,000)	(258,992,400)	3,730,782,600
Deferred Tax Asset - Net	28,865,702,162	3,456,286,138	(559,919,250)	31,762,069,050	(10,006,786,091)	(258,992,400)	21,496,290,559

In accordance with Government Regulation in Lieu of Acts (Perpu) No. 1 Tahun 2020, regarding State Financial Policy and Financial System Stability for Handling the Corona Virus Disease 2019 (Covid- 19) and/or in Order to Face Threats that Harm National Economy and/or Financial System Stability, the corporate income tax rate of 25% is reduced to 22% for fiscal year 2020 and 20% for fiscal year 2022 onwards.

Based on the Company's estimates, the Company will be able to realize the fiscal loss against taxable income in any of the five years following the year in which the fiscal loss is incurred, thus a deferred tax of Rp 29,512,214,510 was recognized as of March 31, 2020 (2019: Rp 40,910,441,976).

A reconciliation between the tax expense and the amounts computed by applying the effective tax rates to profit before tax is as follows:

	2020 Rp	2019 Rp
Loss before tax per statements of profit or loss and other comprehensive income		
	(82,396,767,280)	(94,377,807,304)
Tax benefit at effective tax rates	(16,479,353,456)	(23,594,451,826)
Unrecognized deferred tax on fiscal loss	16,084,454,522	17,558,582,065
Tax effect of permanent differences	2,879,776,978	1,492,049,760
Adjustment of deferred tax asset beginning due to decrease in tax rate	6,352,413,810	-
Tax base correction	1,169,494,237	1,087,533,863
Adjustment of Tax Assessment	467,640,000	-
Tax expense (benefit)	10,474,426,091	(3,456,286,138)

In 2020, the Company wrote off prepaid income tax Article 28A for 2017 amounting to Rp 467,640,000 and recorded under tax expense.

## NOTES TO FINANCIAL STATEMENTS

March 31, 2020 and for the year then ended(Continued)

### 25. NATURE OF RELATIONSHIP AND TRANSACTIONS WITH RELATED PARTIES

#### Nature of Relationship

- a. TVS Motor Company (Europe) B.V. and TVS Motor (Singapore) Pte., Limited, are stockholders of the Company.
- b. TVS Motor Company Limited, India (TVS India) is the ultimate holding company of the Company and a stockholder.
- c. Related party which conform to criterias on Note 3n is TVS Auto Bangladesh Ltd.

#### Transactions with Related Parties

The Company entered into certain transactions with related parties, including the following:

- a. Compensation paid to the Board of Commissioners and Director of the Company amounted to Rp 5,357,167,751 in 2020 (2019: Rp 5,009,593,680).
- b. Net sales to related parties accounted for 3.1% in 2020 (2019: 2.6%), of the total net sales. At reporting date, the receivables for these sales were presented as trade accounts receivable which constituted 0.6% of the total assets as of March 31, 2020 and 2019.

c. Purchases from a related party constituted 63% in 2020 (2019: 54%) of the total purchases of raw materials and components. At reporting date, the liabilities for these purchases were presented as trade accounts payable which constituted 35% as of March 31, 2020 (2019: 26%) of the total liabilities.

d. The Company also entered into non-trade transactions such as service fee, claim for reimbursements (Note 7), and information technology services fees with a related party (Note 14).

### 26. SIGNIFICANT CONTRACTS AND AGREEMENTS

On April 1, 2017, the Company and TVS Motor Company Limited entered into a new License and Technical Assistance Agreement, wherein the Company obtains the right to use industrial property rights and technical information in connection with the manufacture, assembly, sale and service of TVS two and three wheeler brands. As per agreement, the Company has to pay royalty of 2% on the net ex-factory price of every product sold. The payment of royalty will only begin when the combined production of two and three wheelers exceed 20,000 units per month. This agreement will be valid for 5 years from effectivity date.

The Company and TVS Motor Company Limited entered into a Memorandum of understanding February 9, 2019, which has been further amended on February 13, 2020. As per memorandum, the Company is entitled to receive service fee of every vehicle, both two and three wheelers, sold by TVS Motor Company Limited in the ASEAN region except for sale of TVS XL 100 in Philippines. During the year, the income from such service fee amounted to Rp 9,756,721,325 in 2020 (2019: Rp 1,825,704,300).

### Capital Risk Management

The Company manages capital risk to ensure that it will be able to continue as a going concern, in addition to maximizing the profits of the shareholders through the optimization of the balance of debt and equity. The Company's capital structure consists of cash and cash equivalents (Note 5), bank loans (Note 12), and equity, consisting of subscribed and paid-up capital (Note 18), foreign exchange rate difference on paid-in capital (Note 19), revaluation surplus (Note 20), other comprehensive income and deficit.

The gearing ratio as of March 31, 2020 and 2019 is as follows:

	March 31,2020	March 31, 2019
	Rp	Rp
Debt	4 98,483,813,857	383,710,003,393
Cash and cash equivalents	70,361,133,361	58,118,052,945
Debt - net	428,122,680,496	325,591,950,448
Equity	317,405,797,237	327,147,521,688
Net debt to equity ratio	135%	100%

### b. Financial risk management objectives and policies

The Company's overall financial risk management and policies seek to ensure that adequate financial resources are available for operations and development of its business, while managing its exposure to foreign exchange, interest rate, credit and liquidity risks. The Company operates within defined guidelines that are approved by the Director.

#### i. Interest rate risk management

The interest rate risk exposure relates to the amount of assets or liabilities which is subject to a risk that a movement in interest rates will adversely affect the loss for the year. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings. The Company has a policy of obtaining financing from banks which offer the most favorable interest rate. Approvals from the Director and Commissioners must be obtained before committing the Company to any of the instruments to manage the interest rate risk exposure.

Financial instruments that are exposed to interest rate risk are included in the liquidity table in item (iv).

The sensitivity analysis below had been determined based on the exposure of the financial liabilities to floating interest rates as of March 31, 2020 and 2019. The analysis is prepared assuming the amount of the liabilities outstanding at the end of the reporting period was outstanding for the whole year.

In 2020, if interest rate had been 97 basis points (2019: 80 basis points), higher (lower) and the other variables held constant, the Company's profit after tax would decrease (increase) by Rp 1,783,927,020 and Rp 1,002,713,574, respectively.

#### ii. Foreign currency risk management

The Company is exposed to the effects of foreign currency exchange rate fluctuations mainly because of foreign currency denominated transactions such as sales and purchases of goods, and borrowings denominated in foreign currency.

The Company manages the foreign currency exposure by matching, as far as possible, receipts and payments in each individual currency. The Company's net open foreign currency exposure as of reporting date is disclosed in Note 27.

The Company is mainly exposed to the US Dollar. The following table details the Company's sensitivity to changes in Indonesian Rupiah against US Dollar. The sensitivity analysis represents management's assessment of the effect to the financial statements caused by the reasonably possible change in foreign exchange rates, on outstanding foreign currency denominated monetary financial assets and liabilities.

	2020		2019	
	Percentage of change in exchange rate	Effect on profit or loss after tax	Percentage of change in exchange rate	Effect on profit or loss after tax
	Rp	Rp	Rp	Rp
US Dollar	3%	8,554,571,395	3%	6,888,563,810

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk as the year-end exposure does not reflect the exposure during the year.

#### iii. Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligation resulting in a loss to the Company.

As the Company has changed its strategy of focussing more on exports and with more than 90% of its sales are through export of vehicles, the Company supplies its products to well established distributors who are mostly the distributors of the parent company also. Exports to countries like Bangladesh, Myanmar, West Africa are done based on letters of credit issued by reputable banks. Exports to certain countries like middle east and other African and ASEAN countries are based on advance remittance of money by telegraphic transfer. In respect of Philippines, the Company has agreed to provide extended credit facility to the distributor/importer assembler in view of the need to supply different variants in different colour in an uninterrupted manner to the several multi brand outlets. The management periodically examines the credit limit exposure and takes decisions accordingly.

In respect of domestic sales, the Company obtains bank guarantee or asset collateral or cash deposit which is the basis of setting up the distributors credit limit. The Company's exposure and its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties. Credit

# PT. TVS MOTOR COMPANY INDONESIA

## NOTES TO FINANCIAL STATEMENTS

March 31, 2020 and for the year then ended(Continued)

exposure is continuously monitored and limits are reviewed and approved based on the track record of these distributors. In respect of three wheelers, in order to create more visibility by putting more vehicles on the road, the Company has agreed to provide extended credit period as the lead time for conversion of prospects to customers is quite long.

The Company does not hold any collateral or other credit enhancements to cover its credit risks associated with its financial assets, except that the credit risk associated with trade accounts receivables is partially mitigated because the trade accounts receivable are partially secured by bank guarantee, land certificates and letter of credits. Trade accounts receivable amounting to Rp 115,891,222,359 as of March 31, 2020 (2019: Rp 69,736,521,513) are fully covered by collaterals.

The carrying amount of financial assets recorded in the financial statements, net of any allowance for impairment losses and credit risk enhancements represents the Company's exposure to credit risk.

### iv. Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Director, which has built an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

The Company receives support from shareholders to finance its ongoing working capital requirements.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

# PT. TVS MOTOR COMPANY INDONESIA

## NOTES TO FINANCIAL STATEMENTS

March 31, 2020 and for the year then ended(Continued)

### c. Fair Value Measurements

Management considers that the carrying amounts of the Company's financial assets and liabilities recognized in the financial statements approximate their fair values because they have short-term maturities.

### 29. OTHER MATTERS

The Company incurred a total comprehensive loss of Rp 94,089,724,451 during the year ended March 31, 2020 and, as of that date, the Company's current liabilities exceeded its current assets by Rp 141,349,542,875 and has a deficit of Rp 1,746,372,640,747 as a result of recurring losses from operations. The Company's management believes that they maintain considerable financial resources, including continuous support from the Company's ultimate shareholder. In addition, the Company has been able to significantly improve its performance over the last three years through increase in sales volume, sales turnover and generating gross profit.

Management has also implemented the following measures:

- Continuing focus on export markets through consolidation of existing markets and entry into new markets;
- Collaborate with e-commerce company in Indonesia through its distributor
- Increase the sales of three wheeler both passenger and Kargo version which was launched recently, including exports of these products;
- Focus on niche segments in premium motorcycles in the domestic market.

The Company's management believes that it is well placed to manage the Company's business risks successfully despite the current condition and is able to continue its operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing these financial statements.

### 30. RECONCILIATION OF LIABILITIES ARISING FROM FINANCING ACTIVITIES

The table below details changes in the Company's liabilities arising from financing activities, including both cash and non-cash changes. Liabilities arising from financing activities are those for which cash flows were, or future cash flows will be, classified in the Company's statement of cash flows as cash flows from financing activities

	April 1, 2019	Financing cash flows	Non-cash transaction changes	March 31, 2020
	Rp	Rp	Rp	Rp
Bank loans	383,710,003,393	48,569,707,914	66,204,102,550	498,483,813,857

# SUNDARAM HOLDING USA INC.

## Independent Auditor's Report

Board of Directors

### Sundaram Holding USA, Inc. and subsidiaries

We have audited the accompanying consolidated financial statements of Sundaram Holding USA, Inc. and subsidiaries ('the Company'), which comprise the consolidated balance sheets as at March 31, 2020 and March 31, 2019 and the related consolidated statements of loss, changes in stockholders' equity and cash flows for the years then ended and the related notes to the financial statements.

#### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the

amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the consolidated financial statements referred to above present fairly in all material respects, the consolidated financial position of the Company as at March 31, 2020 and March 31, 2019 and the results of its operations and its cash flows for the years then ended, in accordance with the accounting principles generally accepted in the United States.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(All amounts in United States Dollars unless otherwise stated)

### NOTE A – NATURE OF OPERATIONS

Sundaram Holding USA Inc. (the “Company”), was incorporated in the State of Delaware on September 09, 2015. The Company is held by Sundaram Auto Components Limited and Sundaram Clayton Limited. The Company is the sole owner member of four single member limited liability companies - Green Hills Land Holding LLC, Component Equipment Leasing LLC, Sundaram Clayton USA LLC (erstwhile Workspace Projects LLC) (all incorporated on September 16, 2016) and Premier Land Holding LLC (incorporated on December 06, 2016). The Company and its subsidiaries are in a start-up phase and they are yet to start their revenue generating activities.

### NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with generally accepted accounting principles in the United States (“US GAAP”). The significant accounting policies are detailed below.

#### 1. Basis of presentation

- a. The accompanying financial statements are prepared under the historical cost convention on accrual basis of accounting in accordance with the accounting and reporting requirements of generally accepted accounting principles in the

United States ('US GAAP') to reflect the financial position, results of operations, stockholder's equity and cash flows. All amounts are stated in United States Dollars, except as otherwise specified.

- b. The financial statements are presented for the year ended March 31, 2020 and March 31, 2019.
- c. Certain reclassifications, regroupings and reworking have been made in the financial statements of prior year to confirm to the classifications used in the current year. This has no impact on the statement of income (loss).

#### 2. Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The management's estimates for realization of deferred tax assets, determination of useful lives for property, plant and equipment and their impairment, and inventory valuation and estimation relating to unsettled transactions and events at the balance sheet date represent certain of these particularly sensitive estimates. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Any revisions in accounting estimates are recognized prospectively in the current and future periods.

#### 3. Cash and cash equivalents

Cash equivalents consist of highly liquid investments with an initial maturity of three months or less. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments. Cash balances in bank accounts are insured by Federal Deposit Insurance Corporation up to an aggregate of \$ 250,000 per depositor at each financial institution.

#### 4. Revenue recognition

The Company adopted Accounting Standards Update (ASU) No. 2014-09, Revenue from Contracts with Customers (Topic 606) as of January 1, 2019. Results for the year ended March 31, 2020 are presented under Topic 606, while earlier periods are presented under previous guidance. Please refer Note T “Revenue from contracts with customers” for further information on the Company's revenue.

Revenue is recognized when obligations under the terms of a contract with a customer are satisfied; generally, this occurs with the transfer of control of the Company's products or services. The Company's global payment terms are typically 90 days. Revenue is measured as the amount of consideration the Company expects to receive in exchange for transferring goods or providing services. A performance obligation is a promise in a contract to transfer a distinct good or service to the customer and is the unit of account in the contract. A contract's transaction price is allocated to each distinct performance obligation and recognized as revenue when, or as, the performance obligation is satisfied.

#### 5. Inventories

Inventories are stated at the lower of cost and market value. Cost is determined using the weighted average method. Cost in the case of raw materials comprises the purchase price and attributable direct costs, less trade discounts. Cost in the case of work-in-progress and finished goods comprise direct labor, material cost and production overheads.

A write down of inventory to the lower of cost or market value at the close of a fiscal period creates a new cost basis and is not marked up based on changes in underlying facts and circumstances.

#### 6. Property, plant and equipment and depreciation

Property, plant and equipment are stated at cost less accumulated depreciation. Cost of items of property, plant and equipment comprise cost of purchase and other costs necessarily incurred to bring it to the condition and location necessary for its intended use. The Company depreciates property, plant and equipment over the estimated useful life using the straight-line method. Upon retirement or disposal of assets, the cost and accumulated depreciation are eliminated from the accounts and the resulting gain or loss is credited or charged to operations.

# SUNDARAM HOLDING USA INC.

---

Major maintenance projects that extend the life of the related equipment are capitalized. Cost of maintenance and repairs are charged to expense when incurred.

The calculation of depreciation expense is based on the estimated economic useful lives of the underlying property and equipment and finite-lived intangible assets. The Company periodically obtains updated depreciation studies to evaluate whether certain useful lives remain appropriate. The Company has analyzed the useful lives of assets during 2019. Based on the results of the analysis, the Company revised useful lives of assets from April 01, 2019 (refer table below). For the year ended March 31, 2020, depreciation expense was lower by approximately \$ 779,419 had the useful life of these assets not been extended and the net loss would have increased by the same amount.

The estimated useful life used to determine depreciation is:

Particulars	Old useful life	Revised useful life
Building	30 years	45 years
Machinery and equipment	4-15 years	10-25 years
Equipment under lease	8 years	8 years
Furniture and fixtures	5 years	10 years
Production tools and dies	4-8 years	4-8 years
Vehicles	9 years	6 years
Computers and office equipment	3 years	3 years

Deposits paid towards the acquisition of property, plant and equipment outstanding as of each balance sheet date and the cost of property, plant and equipment not ready for use before such date are disclosed under capital work-in-progress.

## 7. Impairment of long-lived assets

Long-lived assets, including certain identifiable intangible assets, to be held and used are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. Such assets are considered to be impaired if the carrying amount of the assets is higher than the future undiscounted net cash flows expected to be generated from the assets. The impairment amount to be recognized is measured by the amount by which the carrying value of the assets exceeds its fair value.

## 8. Capitalized interest

The Company capitalizes interest costs for qualifying assets. Qualifying assets are assets that require a significant amount of time to prepare for their intended use, including projects that are in the development or construction stages. Capitalized interest costs are considered an element of the historical cost of the qualifying asset. Capitalization ceases when the asset is substantially complete or if construction is interrupted for an extended period. Where the funds used to finance a qualifying asset form part of general borrowings, the amount capitalized is calculated using a weighted average of rates applicable to the relevant borrowings during the period. Where funds borrowed are directly attributable to a qualifying asset, the amount capitalized represents the borrowing costs specific to those borrowings. Where surplus funds available out of money borrowed specifically to finance a project are temporarily invested, the total capitalized interest is reduced by income generated from short-term investments of such funds.

## 9. Leases

### Operating leases

Lease rent expenses on operating leases are charged to expense over the lease term. Certain operating lease agreements provide for scheduled rent increases over the lease term. Rent expense for such leases is recognized on a straight-line basis over the lease term.

### Capital leases

Capital leases, which effectively transfer substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between finance charges and reduction of the lease liability based on the implicit rate of return.

## 10. Debt issuance cost

Debt issuance costs related to loans are reported in the balance sheet as a direct deduction from the face amount of the note. Amortization of debt issuance costs has been reported as financing costs. Further, the discount or premium resulting from the determination of present value in cash or non-cash transactions is not presented as a separate asset or liability from the note that gives rise to it but is reported in the balance sheet as a direct deduction from or addition to the face amount of the note.

## 11. Government incentive

The incentive received from government for creation of asset is deferred and is classified as liability until the conditions based on which the incentives are granted, are met.

## 12. Income taxes

In accordance with the provisions of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 740 "Income Taxes," income taxes are accounted for using the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and operating loss carry-forwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. The deferred tax asset is reduced by a valuation allowance if it is more likely than not that some portion or all of the asset will not be realized.

## 13. Fair value measurements and financial instruments

Assets and liabilities recorded at fair value in the financial statements are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Hierarchical levels which are directly related to the amount of subjectivity associated with the inputs to the valuation of these assets or liabilities are as follows:

Level 1 – unadjusted quoted prices in active markets for identical assets or liabilities that the Company has the ability to access as of the measurement date.

Level 2 – inputs other than quoted prices included within Level 1 that are directly observable for the asset or liability or indirectly observable through corroboration with observable market data.

Level 3 – unobservable inputs for the asset or liability only used when there is little, if any, market activity for the asset or liability at the measurement date.

This hierarchy requires the Company to use observable market data, when available, and to minimize the use of unobservable inputs when determining fair value.

The Company's financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities. The estimated fair value of cash, accounts receivable, accounts payable and accrued liabilities approximate their carrying amounts due to the short-term nature of these instruments. None of these instruments are held for trading purposes.

## 14. Commitments and contingencies

Liabilities for loss contingencies arising from claims, assessments, litigation, fines, and penalties and other sources are recorded when it is probable that a liability has been incurred and the amount can be reasonably estimated. Legal costs incurred in connection with loss contingencies are expensed as incurred. Contingent liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

## 15. Recently issued accounting standards not yet adopted

In February 2016, the Financial Accounting Standards Board ("FASB") issued ASU No. 2016-02, Leases. Under the new guidance, lessees are required to recognize a right-of-use asset and a lease liability on the balance sheet for all leases, other than those that meet the definition of a short-term lease. This update will establish a lease asset and lease liability by lessees for those leases classified as operating under current GAAP. Leases will be classified as either operating or finance

# SUNDARAM HOLDING USA INC.

under the new guidance. Operating leases will result in straight-line expense in the income statement, similar to current operating leases, and finance leases will result in more expense being recognized in the earlier years of the lease term, similar to current capital leases. This ASU is effective for the Company beginning January 1, 2021. The Company is currently evaluating the impact of this standard on its financial statements.

In August 2018, the FASB issued ASU 2018-13, Fair Value Measurement (Topic 820) Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement, which modifies the disclosure requirements on fair value measurements. The updated guidance is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Early adoption is permitted for any removed or modified disclosures. The Company is currently assessing the impact of the adoption of this guidance on its financial statements and disclosures.

In November 2018, the FASB issued ASU 2018-18, Collaborative Arrangements (Topic 808), clarifying the interaction between Topic 808 and Topic 606. The amendments in ASU 2018-18 make targeted improvements to GAAP for collaborative arrangements by clarifying that certain transactions between collaborative arrangement participants should be accounted for as revenue under Topic 606 when the collaborative arrangement participant is a customer in the context of a unit of account. In those situations, all the guidance in Topic 606 should be applied, including recognition, measurement, presentation, and disclosure requirements. In addition, unit-of-account guidance in Topic 808 was aligned with the guidance in Topic 606 (that is, a distinct good or service) when an entity is assessing whether the collaborative arrangement or a part of the arrangement is within the scope of Topic 606. ASU 2018-18 is effective for fiscal years beginning after December 15, 2019, and interim periods within those fiscal years. The Company is currently assessing the impact of the adoption of this guidance on its financial statements and disclosures.

## NOTE C - INVENTORIES

Inventories comprise of:

	As at	
	March 31, 2020	March 31, 2019
Raw material	831,384	325,137
Stores and spares	-	6,515
<b>Total</b>	<b>831,384</b>	<b>331,652</b>

## NOTE D - OTHER CURRENT ASSETS

Other current assets comprise of:

	As at	
	March 31, 2020	March 31, 2019
Prepaid expenses	105,244	-
Security deposits	6,543	4,993
<b>Total</b>	<b>111,787</b>	<b>4,993</b>

## NOTE E - PROPERTY, PLANT AND EQUIPMENT, NET

Property, plant and equipment of the Company comprise of:

	As at	
	March 31, 2020	March 31, 2019
Land	2,934,860	2,934,860
Building	39,737,888	39,160,146
Equipment under lease	999,519	-
Machinery and equipment	21,851,035	4,675,650
Vehicles	481,473	211,140
Furniture and fixtures	433,659	280,268
Computers and office equipment	1,599,467	92,152
Production tools and dies	905,205	555,047
Less: accumulated depreciation	(2,341,426)	(641,062)
<b>Total</b>	<b>66,601,680</b>	<b>47,268,202</b>

Depreciation for the year ended March 31, 2020 was \$ 1,691,128 (March 31, 2019: \$ 581,379). The amount of interest capitalized as construction in progress during the year ended March 31, 2020 is \$ 391,334 (March 31, 2019 was \$ 286,054). Depreciation includes expense for equipment taken under capital lease.

## NOTE F - CAPITAL WORK-IN-PROGRESS

The capital work in progress amounted to \$ 12,824,934 as at March 31, 2020 (previous year \$ 18,658,167). The balance as on March 31 2020 represents capital projects under construction which were yet to be installed.

## NOTE G - CAPITAL ADVANCES

Capital advance of \$ 436,386 (Previous year \$ 1,943,686) has been given towards the purchase of machinery, and other fixed assets which shall be acquired in the next financial year.

## NOTE H - SHORT-TERM BORROWING

Short-term borrowing comprise of:

	As at	
	March 31, 2020	March 31, 2019
Loan from bank	-	20,000,000
<b>Total</b>	<b>-</b>	<b>20,000,000</b>

The Company obtained loan from bank of \$ 20,000,000 in 2019 for funding the acquisition of capital assets. The amount of loan was fully repaid on April 18, 2019 along-with accrued interest amounting to \$ 47,985.

## NOTE I - LONG-TERM BORROWING

Long term borrowing comprise of:

	As at	
	March 31, 2020	March 31, 2019
Loan from bank	40,000,000	-
Less: current maturities	(3,600,000)	-
Less: Unamortized debt issuance cost	(160,642)	-
<b>Total</b>	<b>36,239,358</b>	<b>-</b>

The Company obtained loan from bank of \$ 40,000,000 in the current year for funding the acquisition of capital assets and for repayment of short-term borrowing. The amount of loan was outstanding as at March 31, 2020 was \$ 40,547,920 which included interest and unamortized portion of debt issuance cost. The refinancing transaction is treated as a modification of debt and the debt issuance costs paid to the lender are capitalized. The debt issuance cost on the new loan is \$ 216,000 of which \$ 160,642 remains outstanding as at the balance sheet date.

The loan is scheduled to be fully repaid by December 31, 2024. Below is the repayment schedule on the loan

For the year ended	Amount (\$)
March 31, 2021	3,600,000
March 31, 2022	7,200,000
March 31, 2023	8,000,000
March 31, 2024	10,600,000
March 31, 2025	10,600,000
<b>Total</b>	<b>40,000,000</b>

The effective interest rate ("EIR") on the loan post the transaction costs is 3.54%. The interest expense accrued for the year ended March 31, 2020 is \$ 1,295,423 and the interest paid during the year ended March 31, 2020 is \$ 695,017.

## NOTE J - OTHER CURRENT LIABILITIES

Other current liabilities comprise of:

	As at	
	March 31, 2020	March 31, 2019
Capital vendor payables*	753,128	3,978,908
Current obligations under capital leases	106,558	-
Current maturities of long-term debt	3,600,000	-
Related party payable	58,999	300,526
Employee related liability	103,727	124,713
Accrued state franchise taxes	59,015	51,015
Interest payable	708,562	85,719
<b>Total</b>	<b>5,389,989</b>	<b>4,540,881</b>

\*The net payable to vendors is on account of construction in progress and installation of machinery.

# SUNDARAM HOLDING USA INC.

## NOTE K - OTHER LIABILITIES

The Company received an incentive of \$ 1,100,000 as at March 31, 2019 from the county of Dorchester, South Carolina for Project Gateway (the operating facility being built by the Company). The incentive was granted to the Company on the following terms:

- Project Gateway will locate an automotive component manufacturing facility in Dorchester County, South Carolina.
- Project Gateway will invest \$50.5 million in the project, of which \$15 million will be in real property (land and building) and \$35.5 million will be in tangible personal property (machinery and equipment).
- Of the \$35.5 million in tangible personal property (machinery and equipment), \$1 million will be in pollution control equipment.
- Project Gateway will create 130 new jobs over 5 years.

The Company received advance incentive of \$ 200,000 during the year from the county of Dorchester, South Carolina for the Project SC2 (the operating facility being built by the Company). The incentive was granted to the Company on the following terms:

- Project SC2, a "C" corporation, will locate an automotive component manufacturing facility in Dorchester County, South Carolina.
- Project SC2 will invest additional \$40 million in the project, of which \$14.75 million will be in real property (land and building) and \$26.15 million will be in tangible personal property (machinery and equipment).
- Project SC2 will create additional 100 new jobs over 5 years.

Other liabilities comprise of:

	As at	
	March 31, 2020	March 31, 2019
Grant from county	1,300,000	-
Long term capital lease obligations	685,048	-
<b>Total</b>	<b>1,985,048</b>	<b>-</b>

Long term capital lease obligation is calculated as-

	As at	
	March 31, 2020	March 31, 2019
Total capital lease obligation	791,606	-
Less: Current portion	(106,558)	-
<b>Long term capital lease obligations</b>	<b>685,048</b>	<b>-</b>

## NOTE L - INCOME TAXES

The Company files federal and state tax returns as per regulations applicable to Chapter C corporations in the United States.

The following is the summary of items giving rise to deferred tax assets and liabilities:

	As at	
	March 31, 2020	March 31, 2019
<b>Non-current deferred tax assets</b>		
Organization cost	3,466,501	1,661,776
Net operating losses	6,910,892	386,904
Loan processing fees	4,361	-
Accrued expense	-	18,517
<b>Total non-current deferred tax asset</b>	<b>10,381,754</b>	<b>2,067,197</b>
<b>Non-current deferred tax liability</b>		
Property, plant and equipment	(6,278,925)	(198,957)
<b>Total non-current deferred tax liability</b>	<b>(6,278,925)</b>	<b>(198,957)</b>
<b>Total deferred tax asset, net</b>	<b>(4,102,829)</b>	<b>1,868,239</b>
Valuation allowance	(4,102,829)	(1,868,239)
<b>Deferred tax asset, net</b>	<b>-</b>	<b>-</b>

In assessing the realization of deferred tax assets, the likelihood of whether it is more likely than not that some portion or all of the deferred tax assets will not be realized must be considered. The ultimate realization of deferred tax assets is dependent on the generation of future taxable income during the periods in which temporary difference become deductible.

Management considers the projected future taxable income and tax planning strategies in making this assessment. Since the company has just started earning revenue, the management believes there exists significant uncertainties regarding the realization of deferred tax assets in US jurisdiction and accordingly the company has provided a valuation allowance of \$ 4,102,829 and \$ 1,868,239 as of March 31,2020 and March 31,2019 respectively.

The Company has federal Net operating losses (NOLs) of \$ 30,597,732 and \$ 908,427 as at March 31,2020 and March 31, 2019. The NOLs generated till 2017-18 which if unutilized will expire by the year 2037 and the NOLs generated after 2018-19 will be carry forwarded indefinitely.

The Company has state net operating loss carryforwards of approximately \$ 9,707,366 and \$ 603,039 as at March 31, 2020 and March 31, 2019, which if unutilized will expire based on the statutes of various states.

## Accounting for uncertain tax position

The Company recognizes the financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination. The adoption of this standard had no material effect on the Company's financial position, results of operation or cash flows. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement with the relevant tax authority. The Company has no unrecognized tax positions as at March 31, 2020 and March 31, 2019.

The tax year 2016 to 2018 remain subject to examination by the taxing authorities.

## NOTE M - RELATED PARTY TRANSACTIONS

The Company had accounts payable to Sundaram Clayton Limited as at year ended March 31, 2020 amounting to \$ 58,999 (March 31, 2019: \$ 300,526). This was on account of expenses incurred for tools & dies and casting samples by the aforesaid related party.

## NOTE N - CONCENTRATION OF RISKS

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash equivalents. The cash resources of the Company are invested with banks after an evaluation of the credit risk. By their nature, all such cash equivalents involve risk including the credit risk of non-performance by counter parties. In management's opinion, as of the balance sheet date, there was no significant risk of loss in the event of non-performance of the counter parties to these cash equivalents.

## NOTE O - COMMITMENTS AND CONTINGENCIES

### Capital commitments
